RE: FOIA Requests

### **FOIA Response:**

Please see the attached email response. Responsive documents can be found online at <http://il.glenbrook.schoolboard.net/board>. (Responsive documents will not be attached to the all documents pdf, but can be found under the FOIA agenda item.)

### **Background:**

The Freedom of Information Act (FOIA - 5 ILCS 140/1 et seq.) is a state statute that provides the public the right to access government documents and records. A person can ask a public body for a copy of its records on a specific subject and the public body must provide those records, unless there is an exemption in the statute that protects those records from disclosure (for example: records containing information concerning student records or personal privacy).

A public body must respond to a FOIA request within 5 business days after the public body receives the request or 21 business days if the request is for commercial purpose. That time period may be extended for an additional 5 business days from the date of the original due date if:

- The requested information is stored at a different location;
- The request requires the collection of a substantial number of documents;
- The request requires an extensive search;
- The requested records have not been located and require additional effort to find;
- The requested records need to be reviewed by staff who can determine whether they are exempt from FOIA;
- The requested records cannot be produced without unduly burdening the public body or interfering with its operations; or
- The request requires the public body to consult with another public body who has substantial interest in the subject matter of the request.

If additional time is needed, the public body must notify the requester in writing within 5 business days after the receipt of the request of the statutory reasons for the extension and when the requested information will be produced.

Dear Mr. Johnson,

Thank you for writing to Glenbrook High School District 225 with your request for information pursuant to the Illinois Freedom of Information Act, 5 ILCS 140/1 et seq. ("Act").

On 9/29/20 we received your request for the following information:

- 1) All email communication between former Athletic Director Steve Rockrohr and principal Fagel between March 1, 2020 and September 10, 2020.
- 2) All email communication between former Athletic Director Steve Rockrohr and Phil Ralston between January 1, 2020 and September 10, 2020.
- 3) All email communication between former Athletic Director Steve Rockrohr and Tom Mietus between January 1, 2020 and September 10, 2020.
- 4) All written communication relating to any discipline or the departure of former Athletic Director Steve Rockrohr.

### **District Response:**

Pursuant to Sections 2 and 3.6 and of the FOIA, your request is being designated as a "voluminous request." It is voluminous because it requires the compilation of possibly more than 500 pages of public records. Because your request is voluminous in nature, you must respond within 10 business days and specify whether you would like to amend the request to remove it from being voluminous in nature. If you do not respond within 10 business days, or if you do respond but you do not narrow the request to remove it from being voluminous, the School District will respond to the request and may impose fees as permitted by Section 6 of the FOIA. If fees are assessed, whether you obtain the records made available by the District or not, any unpaid fees will be a debt due and owed to the School District which will be collected in accordance with applicable law.

After the sooner of the receipt of your response or the expiration of the time for you to respond, the School District will respond within five business days, though it may extend its response deadline by up to five additional business days. On the issue of this voluminous request designation, you may file a request for review with the Public Access Counselor ("PAC") pursuant to §9.5 of *FOIA*. You can file your

Request for Review with the PAC at the Office of the Attorney General, 500 South 2<sup>nd</sup> Street, Springfield, IL 62706 or by calling 1-877-299-FOIA.

Dear Mr. Kamensky,

Thank you for writing to Glenbrook High School District 225 with your request for information pursuant to the Illinois Freedom of Information Act, 5 ILCS 140/1 et seq. (Act).

On 9/30/20 we received your request for the following information. On 10/7/20 we stated that we needed an extension of 5 business days and that because our offices were closed October 12, 2020, for Columbus Day, a state holiday, we stated we would respond by October 15, 2020.

You have requested records according to the following bulleted inquiries:

- Requesting information regarding educator's requests for special accommodations from the district to avoid being physically present to teach classes. This request should be construed broadly to include all relevant communications and documents regarding the foregoing.

1. Please provide (by school) a list of the number of educators who have:

- requested accommodation;

**District Response:** Please see this [documentation](#). Note that some teachers are listed twice because they teach in two different departments.

- the number of accommodations granted including reason or general category for request for accommodation; and

**District Response:** Please see attached the Summary Data of Accommodations document.

- the number of accommodations denied including reason or general category for request for accommodation and reason for rejection.

**District Response:** No responsive documents are possessed by the School District.

Note that FOIA does not require the disclosure of "information," explanations or responses to interrogatories. Rather, the FOIA requires only that reasonably identified public records be disclosed unless an applicable exemption allows the record to be withheld. Though you have not identified specific public records to be disclosed, we have reasonably attempted to comply with your request by disclosing records apparently responsive to your inquiries.

2. Please provide a list of all educators who have requested a special or other accommodation to avoid being physically present to teach classes within the District's two schools.

Without limiting the foregoing, the response should include the educator's name, school primarily taught at, the general specialty area of such educator, the general category/type of accommodation requested, whether the accommodation was granted or denied and the date of the request and date of grant/denial.

**District Response:** Please see [documentation](#) (which is based on the assumption that your request is in response to the COVID pandemic in March 2019) and note that any records not provided is because there are no responsive documents. Note that some teachers are listed twice because they teach in two different departments.

3. Please provide all communications\* between the District (and its employees, agents and representatives) and the Glenbrook Education Association regarding educator accommodations.

\* including Public Records

**District Response:** No responsive documents are possessed by the District insofar your request seeks correspondence between the Administration and the Association's representatives. To the extent you are seeking correspondence between Association members (e.g., educators) and the Association, those records are prohibited from disclosure pursuant to Section 7(1)(a) of the FOIA and Section 3(d) of the Illinois Educational Labor Relations Act

4. Please provide all communications\* between the District (and its employees, agents and representatives) and any educator regarding educator accommodations.

\* including Public Records

**District Response:** Please see attached Accommodation Request Process document. If you are seeking records other than those disclosed with this correspondence, this request is categorical in nature, and responding to this broad request would be unduly burdensome to the School District. As disclosed to you, over 200 educators requested accommodations. Reviewing each request and determining whether it is exempt (or partially exempt and subject to redaction) would unduly disrupt the operations of the District. Many of the accommodations requests, particularly those involving medical conditions, require the redaction of confidential and personal information. We believe that the records disclosed to you with this correspondence may already provide all of the information you are seeking. To the extent you are seeking communications for individual educators, please identify with particularity the educators for whom you seek records and consider narrowing the scope of your request to avoid the burden on the District.

You have a right to have any denial of your request reviewed by the Public Access Counselor (PAC) at the Office of the Illinois Attorney General. 5 ILCS 140/9.5(a). You can file your Request for Review with the PAC by writing to:

Dear Mr. Johnson,

Thank you for writing to Glenbrook High School District 225 with your request for information pursuant to the Illinois Freedom of Information Act, 5 ILCS 140/1 et seq. ("Act").

On 10/6/20 we received your amended request for the following information:

1) All email communication between former Athletic Director Steve Rockrohr and principal Fagel between March 1, 2020, and September 10, 2020.

**District Response:**

Given the categorical and overly broad nature of the request, we request that you reduce the request to more manageable proportions or your request will be denied as unduly burdensome. A preliminary search of the records responsive to this request reveals that there are over 850 emails responsive to your request. Each of those emails have to be reviewed for data/information that as a matter of law is: (1) prohibited from disclosure (e.g. confidential student identifiers and records pursuant to Section 7(1)(a) and 7.5(r) of the FOIA and Illinois School Student Records Act 105 ILCS 10/1, et seq. and the Family Educational Rights and Privacy Act, 20 U.S.C. Sec. 1232g); or, (2) is otherwise permissibly exempt from disclosure pursuant to Sec. 7 of the FOIA. Any applicable exemptions would then have to be set forth and explained to you pursuant to the FOIA. This manual review would take dozens upon dozens of hours to complete. The Act does not require a public body to undertake such an extensive exercise, particularly when specific public records have not been identified. I invite you to narrow the breadth and depth of your request and we will make a new determination as to whether any revised request you submit can be complied with without unduly disrupting the District's operations.

2) All written communication relating to any discipline or the departure of former Athletic Director Steve Rockrohr.

**District Response:**

Please see the pertinent Board meeting [agenda](#) as well as the attached documents. Any additional responsive records are exempt under section 7(1)(f) of FOIA, which includes "Preliminary drafts, notes, recommendations, memoranda, and other records in which opinions are expressed, or policies or actions are formulated, except that a specific record or relevant portion of a record shall not be exempt when the record is publicly cited and identified by the head of the public body." The School District also requests that if you seek records beyond those that are enclosed, that you identify with particularity what is meant by "relating to" in your request. A determination as to whether a document "relates to" a particular subject is a discretionary exercise that requires the production of new records or the assertion of an informational response beyond the disclosure of reasonably identified records that is not required by the FOIA.

Unique identifiers, including names, titles and contact information has been redacted from some of the responsive documents. Such information has been redacted pursuant to Sec. 7(1)(b), which exempts private information, and Sec. 7(1)(c), which exempts personal information, the disclosure of which would be an undue invasion of privacy. In particular, the identity of the individual reported to have been harassed has been redacted, as well as the identity of the individual who submitted a report. The District strives to uphold the confidentiality of complainants and victims to preserve the complaint process and to encourage such reporting.

You have a right to have any denial of your request reviewed by the Public Access Counselor (PAC) at the Office of the Illinois Attorney General. 5 ILCS 140/9.5(a). You can file your Request for Review with the PAC by writing to:
