Re: Overnight Trip for Glenbrook South Students to Participate in the ICTM State Math Competition in Normal, Illinois

Recommendation

It is recommended that the Board of Education approve an overnight trip for Glenbrook South students to participate in the ICTM State Math Competition from Friday, April 21, 2023, through Saturday, April 22, 2023, in Normal, Illinois.

Background

Board Policy 7230 authorizes student trips that offer valuable experiences for students outside the school district's boundaries. The policy was recently revised in February 2022 to define conditions and parameters based on the type of trip and the consideration process for all requests. The principal first approves all day and overnight trips, and any trip requiring an overnight stay must also be approved by the superintendent and the Board of Education.

Before being presented to the Board for consideration, the Associate Principal for Administrative Services works with the Business Services department to ensure that each trip proposal adheres to all conditions and parameters defined in Board Policy. This includes, but is not limited to:

- Classification of the trip;
- Determination of the approval process;
- Determination of financial responsibility and the process for collecting fees (if applicable);
- Travel insurance coverage (if applicable);
- Collection of a permission slip and verification of accident and health insurance coverage (if applicable);
- Lodging, meals, and transportation arrangements; and
- Registration requirements.

The Glenbrook South Math Team has again qualified for the state championship sponsored by the Illinois Council of Teachers of Mathematics (ICTM). The team qualified based on their performance at the ICTM regional math competition held on February 25, 2023 at Stevenson High School. This year, the state finals are being held on the weekend of April 21-22, 2023 at Illinois State University. A detailed overview of the trip is provided in the attached materials. Additionally, a summary of the trip's conditions and parameters is provided in Table 1.

Table 1
Summary of Trip Conditions and Parameters

Condition or Parameter	Summary
Number of Staff	5
Number of Students (estimate)	26
Trip Category	Other Trip: Illinois state contest for which students have qualified through competition or audition.
Classification of Trip	Overnight Trip
Approval of Trip	Principal, Superintendent, and Board of Education
Trip Insurance	Not Required
Verification of Accident and Health Insurance Coverage	Required
Source of Trip Funding	Illinois State Contests: The Board of Education will cover 100% of transportation, lodging, and registration expenses. Students will cover 100% of meal expenses.
Fee Collection Method	N/A
Amount Paid by Each Student	\$0.00
Remaining Trip Costs Paid by District	\$6,631.12

To: Dr. Barbara Georges
From: Ryan Sutherlin

The GBS Math Team has again qualified the entire team for the state championships. The team qualified based on our performance at the ICTM Regional Math Competition held on February 25, 2023, at Stevenson High School.

This year, the state finals are on the weekend of April 21-22, 2023, at the campus of Illinois State University. Twenty-six students will represent GBS at the state competition. We will be competing against teams from around the state. Our travel itinerary is attached to this packet, and has us departing on Friday morning, April 21, 2023. Students will miss one day of school as we will return to GBS on Saturday, April 22, at around 9:00 PM. Because we need to hire transportation, we will also have an extra room for the driver. Students will be directed to bring money to pay for meals throughout the trip.

The State tournament has been virtual for the past two years, so students are excited to once again attend in person and test their skills against the best math students in the state.

All district travel policy requirements will be met. Please don't hesitate to contact me with further questions.

Thank you!

Ryan Sutherlin
Head Coach, GBS Math Team
