- **Re:** Overnight Student Trip for the Glenbrook North Debate Team to Attend a Tournament at Emory University

#### **Recommendation**

It is recommended that the Board of Education approve an overnight trip for the Glenbrook North debate team to attend a tournament from Thursday, January 26, 2023 through Monday, January 30, 2023 in Atlanta, Georgia.

#### **Background**

Board Policy 7230 authorizes student trips that offer valuable experiences for students outside the school district's boundaries. The policy was recently revised in February 2022 to define conditions and parameters based on the type of trip and the consideration process for all requests. The principal first approves all day and overnight trips, and any trip requiring an overnight stay must also be approved by the superintendent and the Board of Education.

Before being presented to the Board for consideration, the Associate Principal for Administrative Services works with the Business Services department to ensure that each trip proposal adheres to all conditions and parameters defined in Board Policy. This includes, but is not limited to:

- Classification of the trip;
- Determination of the approval process;
- Determination of financial responsibility and the process for collecting fees (if applicable);
- Travel insurance coverage (if applicable);
- Collection of a permission slip and verification of accident and health insurance coverage (if applicable);
- Lodging, meals, and transportation arrangements; and
- Registration requirements.

Debate is an interscholastic activity that the IHSA recognizes and affords students the ability to sharpen communication, research, and critical thinking skills. The debate programs at Glenbrook North and South have a long and rich history of accomplishments at the state and national level. Out-of-state travel to regional and national competitions has been an integral part of fostering student growth and achieving state and national success because it exposes students to the best competition. The student activities department has reviewed this trip and it is in alignment with our historical competition schedule. A detailed overview of the trip is provided in the attached materials. Additionally, a summary of the trip's conditions and parameters is provided in Table 1.

If there are any questions regarding this trip, please do not hesitate to reach out to Mr. Markey or me.

#### Re: Overnight Debate Tournaments

Debate is an interscholastic activity that the IHSA recognizes and affords students the ability to sharpen communication, research, and critical thinking skills. The debate programs at Glenbrook North and South have a long and rich history of accomplishments at the state and national level. Out-of-state travel to regional and national competitions has been an integral part of fostering student growth and achieving state and national success because it exposes students to the best competition.

We are requesting Board approval of overnight competitions to allow proper planning and to maximize cost savings. Since the length of the debate season spans the school year and not every student in the program attends every tournament, knowing which tournaments the team can travel to helps us maximize the number of high-quality debates for our students and allows us to get the best prices for airfare and hotel rooms.

Attached are the overnight tournaments we are requesting approval for. Please note that all our paperwork is in compliance with Board policies and procedures.
