**Re:** Overnight Student Trip for Glenbrook North FCCLA National Contest

#### Recommendation

It is recommended that the Board of Education authorize the overnight trip for Glenbrook North students to attend the Family, Career and Community Leaders of America (FCCLA) National Conference and Competition held in San Diego, California, from Wednesday, June 29, 2022, through Sunday, July 3, 2022 as presented.

#### **Background**

Board Policy 7230 authorizes student trips that offer valuable experiences for students outside the school district's boundaries. The policy was recently revised in February 2022 to define conditions and parameters based on the type of trip and the consideration process for all requests. The principal first approves all day and overnight trips, and any trip requiring an overnight stay must also be approved by the superintendent and the Board of Education.

Before being presented to the Board for consideration, the Associate Principal for Administrative Services works with the Business Services department to ensure that each trip proposal adheres to all conditions and parameters defined in Board Policy. This includes, but is not limited to:

- Classification of the trip;
- Determination of the approval process;
- Determination of financial responsibility and the process for collecting fees (if applicable);
- Travel insurance coverage (if applicable);
- Collection of a permission slip and verification of accident and health insurance coverage (if applicable);
- Lodging, meals, and transportation arrangements; and
- Registration requirements.

Earlier this month, we received a request from FCCLA sponsor, Ms. Kim Petty, requesting approval for students to attend the FCCLA National Conference and Competition to be held in San Diego, California, from Wednesday, June 29, 2022, through Sunday, July 3, 2022. As the state conference is taking place this month, the exact number of students that will qualify for the national conference is unknown. However, due to the timing complications, we request pre-approval of this trip at this evening's meeting.

A detailed overview of the trip is provided in the attached materials. Additionally, a summary of the trip's conditions and parameters is provided in Table 1.

Table 1
Summary of Trip Conditions and Parameters

| Remaining Trip Costs Paid by District                     | \$13,154.42  |

<sup>\*</sup> Amount may be reduced through fundraising efforts.

It is recommended that the Board of Education authorize the overnight trip for Glenbrook North students to attend the Family, Career and Community Leaders of America (FCCLA) National Conference and Competition held in San Diego, California, from Wednesday, June 29, 2022 through Sunday, July 3, 2022 as presented. If there are any questions regarding this trip, please do not hesitate to reach out to Mr. Markey or me.

**RE:** FCCLA National Conference and Competition

On April 7-8, 2022, 8 students from GBN will compete at Illinois FCCLA State Conference and Competition, which qualifies students for the FCCLA National Conference and Competition in late-June. This year, nationals will be held in person in San Diego, California.

As the trip requires out-of-state, overnight travel, we are requesting approval for National FCCLA qualifying students and chaperones to attend San Diego, California from Wednesday, June 29 through Sunday July 3, 2022.

Right now the number of students qualifying and the costs are both speculative. All information provided is based on the best timing for departure and arrival from itinerary data. However, flight costs are subject to change based on the group reservation prices, capacity, refundability, and availability. Should we be granted approval, we expect to purchase airline tickets through the group sales department (if all 8 qualify). This needs to be done by April 13th, the state deadline to register for the national conference. Per the new policies we are looking to put one student per bed. We are staying at an Embassy Suites that will have three beds per suite. We will be renting a twelve passenger van to transport students to events and meals. Cost listed for the vehicle includes the rental as well as parking. I have included two cost allocation sheets. One with fully refundable flight costs with United Airlines and a much less expensive, non-refundable option through Southwest Airlines.

FCCLA's competitive events develop life skills and real-world skills through a variety of projects centering around the area of Family & Consumer Sciences. In this year's events, students create start-up business plans centering around hospitality, are making a nutritional plan for an athlete to make sure they are performing at their best level both nutritionally and physically, and have created a meal for an at home delivery organization which focuses on great tasting food with a lower sodium content.

Thank you for your time and consideration of this invaluable experience for GBN FCCLA students.

## Kim Petty
