Re: Overnight Student Trip for Glenbrook South Wrestling Team to Attend the Malecek Team Wrestling Camp

Recommendation

It is recommended that the Board of Education ratify the Superintendent's authorization for an overnight trip for Glenbrook South students to participate in the Malecek Team Wrestling Camp, June 27, 2022 through June 30, 2022 in the Wisconsin Dells.

Background

Board Policy 7230 authorizes student trips that offer valuable experiences for students outside the school district's boundaries. The policy was recently revised in February 2022 to define conditions and parameters based on the type of trip and the consideration process for all requests. The principal first approves all day and overnight trips, and any trip requiring an overnight stay must also be approved by the superintendent and the Board of Education.

Before being presented to the Board for consideration, the Associate Principal for Administrative Services works with the Business Services department to ensure that each trip proposal adheres to all conditions and parameters defined in Board Policy. This includes, but is not limited to:

- Classification of the trip;
- Determination of the approval process;
- Determination of financial responsibility and the process for collecting fees (if applicable);
- Travel insurance coverage (if applicable);
- Collection of a permission slip and verification of accident and health insurance coverage (if applicable);
- Lodging, meals, and transportation arrangements; and
- Registration requirements.

As Mr. Pat Castillo shared in her memo, this trip provides an opportunity for Glenbrook South wrestlers to engage in the sport of wrestling, while working toward continued improvement, outside of the regular winter schedule. In three days, athletes compete in an equivalent number of matches that they will in during a regular competitive season. Approximately 27 students will be able to attend the camp, on a first come, first serve basis, and the trip will be primarily funded by students.

A detailed overview of the trip is provided in the attached materials. Additionally, a summary of the trip's conditions and parameters is provided in Table 1.

It is recommended that the Board of Education ratify the Superintendent's authorization for an overnight trip for Glenbrook South students to participate in the Malecek Team Wrestling Camp, June 27, 2022 through June 30, 2022 in the Wisconsin Dells. If there are any questions regarding this trip, please do not hesitate to reach out to Dr. Williamson or me.

Overnight Student Trip for Glenbrook South Wrestling Team Camp, June 27-30, 2022

Recommendation It is recommended that the Board of Education authorize the overnight trip for Glenbrook South students to attend Malecek Team Wrestling Camp in Wisconsin Dells, Wisconsin, from Monday, June 27, 2022, through Thursday, June 30th, 2022, as presented.

Background:

Glenbrook South students who are wrestlers will be attending the trip. This trip is open to anyone on the wrestling team. It's a first come first serve basis for signing up for the camp. We are taking 2 District 225 buses and the maximum number of kids we can take is 28 students. We estimate that the gas for the trip will total \$150.00, though that may change based on market rates for fuel. Accommodation costs are included in the registration fee; the Board requirement of one student per bed will be followed.

This trip serves many roles for the students involved. It allows them to continue engaging in the sport of wrestling, while working toward continued improvement, outside of the regular winter schedule. In three days, athletes compete in enough matches that equal the amount they would have in 2 months of a regular competitive season. Also, the nature of this trip allows for greater team camaraderie as they spend more time with one another beyond a practice and competitive environment.

The trip involves a team departure from Glenbrook South destined for Wisconsin Dells. All meals are provided. A strict schedule revolving around competition is kept for the duration of the camp. The camp organizers have structured the events so athletes get maximum exposure to a competition setting with three wrestling sessions daily. Team building activities are also run once per day, which are facilitated by the camp counselors. Last year's Itinerary is included with this proposal.

A detailed overview of the trip is provided in the attached materials. I appreciate the Board of Education reviewing this request to authorize the overnight trip for Glenbrook South students to attend the Malecek Team Wrestling Camp, held in Wisconsin Dells, WI, from Monday, June 27, 2022, through Sunday, June 30th, 2022, as presented. If there are any questions regarding this trip, please do not hesitate to reach Tom Mietus or myself.

Thank you for your consideration,
Pat Castillo
