RE: FOIA Requests

**FOIA Response:**

Please see the attached email response. Responsive documents can be found online at <http://il.glenbrook.schoolboard.net/board>. (Responsive documents will not be attached to the all documents pdf, but can be found under the FOIA agenda item.)

**Background:**

The Freedom of Information Act (FOIA - 5 ILCS 140/1 et seq.) is a state statute that provides the public the right to access government documents and records. A person can ask a public body for a copy of its records on a specific subject and the public body must provide those records, unless there is an exemption in the statute that protects those records from disclosure (for example: records containing information concerning student records or personal privacy).

A public body must respond to a FOIA request within 5 business days after the public body receives the request or 21 business days if the request is for commercial purpose. That time period may be extended for an additional 5 business days from the date of the original due date if:

- The requested information is stored at a different location;
- The request requires the collection of a substantial number of documents;
- The request requires an extensive search;
- The requested records have not been located and require additional effort to find;
- The requested records need to be reviewed by staff who can determine whether they are exempt from FOIA;
- The requested records cannot be produced without unduly burdening the public body or interfering with its operations; or
- The request requires the public body to consult with another public body who has substantial interest in the subject matter of the request.

If additional time is needed, the public body must notify the requester in writing within 5 business days after the receipt of the request of the statutory reasons for the extension and when the requested information will be produced.

Hi Steve,

Although I think both the boys and girls soccer programs are lucky to have our current situation where there is at least 1 coach at each level, I think it would be worth asking for the possibility of a goalkeeper coach stipend that could be evenly split between the boys and girls programs (similar to the pole-vaulting situation for track). With 1 coach at each lower level, it's difficult for our goalkeepers to get any development throughout the season unless their level coach is an experienced goalkeeper. If we each had a .5 stipend position to dedicate to goalkeepers, we could have them attend half of the days throughout the week and really help our goalkeepers get the training experience they need.

In the end, I understand this might be a lofty goal but I figured it would be worth trying.

Thanks for your time,

Reggie

Hello Coaches!

As a few teams have already begun their spring seasons, and the majority of you begin this afternoon, it will be important for you to review our Policies and Procedures attachment. For the health and safety of your athletes, as well as education and protection for yourselves, please take the time to review this very important information. If there are members of your coaching staff that are not listed on this email, please forward this information to them, as well as update us in the Athletic Training Room with their contact information for future correspondence.

To highlight a few items:

**\*\*Know our contact information.** Yes, you need to have radios with which to contact us when hosting events at GBS, but having our cell phone numbers and Athletic Training Room numbers available for practices and away games would be advised to get a hold of us at any time if needed.

**\*\*Please visit, call, and/or email us with regards to your injured athletes.** We know you are busy too, but sometimes we are unable to update you on someone as soon as you would like to know. I like to think we are quite accessible, so feel free to contact us in any way at any time.

**\*\*Relative to your injured athletes, no athlete should be allowed to resume participation after any injury until you receive a written note of clearance from us, or we have direct verbal communication with you.** Whether an athlete gives you a clearance note from a doctor, or the athlete and/or the athlete's parent/guardian tell you the athlete is okay to play, neither are acceptable forms of clearance. Final clearance must be given by us.

**\*\*Know the access roads and doors for the paramedics to all of your practice and competition sites.**

**\*\*Know the locations of the nearest AEDs to your practice and competition sites.** Once the weather cooperates, we will have 3 AEDs outside - under the scoreboard on the North Field, in the Stadium at the entrance onto the south end of the track, and inside the 1st base dugout of the JV Softball Field. **Until I send an email stating the AEDs are placed outside, please check out an AED from the Athletic Training Room to have with you during your outdoor practices.**

**\*\*At this time, we are assuming Thor Guard will be working as designed.** However, when you are outside, please use common sense and remove your athletes from the fields if the weather conditions dictate, no matter what Thor Guard is doing. If you see lightning and/or hear thunder, you need to be off the fields. Please review the IHSA policy on severe weather.

**\*\*Remember to have emergency information ("pink cards") for all of your athletes.** You must have this information before the start of your competitions, but the sooner, the better. Please contact us if you are interested in PowerSchool printouts or getting access to an electronic version of your team's information, once that information is available to us. This will not occur for several weeks, so please have your athletes submit their "pink cards" to you as soon as possible. Once you have collected all of your "pink cards", we ask that you bring them in for our review, should some of your athletes have medical conditions or needs of which we need to be aware.

**\*\*As events approach in the coming weeks, please remember to have your athletes pick up your med kit, ice, and water from the Athletic Training Room. The return of this equipment into the Athletic Training Room, in good repair, is much appreciated!**

**\*\*Please consider us an extended part of your staff when it comes to schedule changes, and update us accordingly. Thank you for respecting our schedules and enabling our ability to maximize coverage for you.**

Please do not hesitate to contact any of us in the Athletic Training Room with questions or concerns at any time. As always, we wish you a healthy and successful spring season!

-Tony, Amanda, and Megan

Hello contact and collision sport coaches!  
Welcome back to Spring Sports!

As you finalize your rosters this week please send them my way so I can see which of your student athletes are due for an updated ImPact Baseline test.

Once I have your roster checked I will communicate with you directly to set up a time to test your athletes.

\*\*\*Space in the lab is limited to 18 at a time so I MUST have your roster checked in order to set up a time for your team. I cannot set this up without knowing how many athletes from your team need to be tested!\*\*\*

The sooner we complete this testing the better, however this must be done for your athletes to be eligible to participate in games, matches or meets.

Please feel free to reach out with any questions!

Thanks!

Hello all!

As part of the recent Illinois concussion law (Youth Sports Concussion Safety Act), we are required to post our Emergency Action Plans in all of our athletic venues, and to distribute the plans to all "appropriate personnel". You will notice upon your review of the plans, as coaches you are considered Emergency Personnel, as you will likely be the first to encounter and respond to a medical emergency in one of our athletic facilities, prior to the Athletic Trainers, Nurses, and/or EMS being notified. Thus, you are considered "appropriate personnel".

Attached are copies for your review. Furthermore, the plans are posted in our indoor venues, and are in a binder in the ticket booth of the stadium for our outdoor venues. Please review the venues in which you have practices and/or games to become familiar with the process for how to manage a medical emergency in each location. If you would like us to review this information with you directly, please feel free to contact us and we will be happy to go through the plans step-by-step.

As mentioned in my previous email, we will have 3 AEDs outside at all times during the fall and spring seasons. The locations for those AEDs are in the first base dugout of the JV Softball field, under the scoreboard on the North Field, and in the Stadium at the entrance onto the south end of the track. **Again, I will send an email when the outdoor AEDs have been placed outside for the season. Until then, you must check out an AED from the Athletic Training Room to take with you to your outdoor practices. I do not mind if you pass the AED along to the next team on the turf. I just ask that you please return the AED to the Athletic Training Room at the end of each evening.**

Please feel free to let me know if you have any questions or concerns. Otherwise, thank you for your attention to this important information.

-Tony

Greetings All,

Attached is last year's catalog description of the summer camps. Please review it and make any changes (dates, times, etc...) for this coming summer if you are able at this time. Don't touch the cost, that's up to me and district to set. But, if you shorten your camp from say 3, to 2 weeks please point that out to me so I can adjust cost accordingly. I know some of you are impacted by the closing of certain facilities at the school. However, if your camp won't be affected in any manner or if you have already solved the issue, please make the necessary changes and return the description to me. You do not have rights to edit this document, so cut and paste from your sport and send it back to me with the changes.

Thanks for your help and please return this to me by Wednesday of next week. I know you don't all have camp and I know that some of you are still working on solutions to the facilities issues. In most cases I'm working with you. If there is crossover in your desired dates and times for the different facilities (turf, perhaps the gyms) I will work separately with each of you come to a resolution.

Dear Parents,

I appreciate sincerely the exceptional support during the very cold temperatures thus far into our 2018 GBS spring girls soccer campaign. I'm hoping for warmer temperatures to come soon. It is great to see directly across from our bench the parents together giving our girls the extra push during the frigid days lately.

On another note, I just want to give a gentle reminder of my expectations at games with parents. I clearly heard someone in the 39th and 40th minute give instructions to our girls that was against what I wanted to do in terms of tactics as we closed the first half of today's match.

The girls know I am quite the "chameleon" when it comes to tactics, formation changes, and the "why" in what we do.

In last Saturday's meeting, I was very clear in those expectations. I also am not naive to think also that not every varsity parent is there because either they are too busy or have been there to hear the speech for the 1,000th time. The fact of the matter is that further comments going further will only penalize your daughter. As stated, they sit the remaining part of the game from the point of incident and the next game as a one (1) game suspension because of conduct that is detrimental to the team or derogatory towards game officials.

I've done this for a long time, studied hard to get my appropriate certifications/licenses, while doing continual education at our national convention and hosting our state clinics as an Executive Board member of the Illinois High School Soccer Coaches Association (IHSSCA). You've entrusted me to do the best job I can to give your daughter the best experience possible. Winning is not important. Competing and development are. But, we will always do it the right way for the sake of sportsmanship and what the "Beautiful Game" has provided for me always and the life lesson created for our student-athletes.

I leave you with you with two videos during my time as a former NCAA soccer and IHSA state final soccer referee. Moving forward, I just want to make sure these girls have a good culture to play for at GBS and it starts with me as their head coach to make sure I provide that atmosphere so they simply have fun.

Do these changes make sense? There will no longer be a formal summer camp for girls soccer. There will still be the summer league the girls can join as Seong wrote up the description of.

Steve,

**Linda's document is read-only so I cannot change it. Here is what needs to be changed:**

- 1. Remove summer camp.**
- 2. Changes to summer league (below), might need to change code since there is only one girls soccer event this summer:**

#### **Soccer – Girls' Summer Soccer League**

This fee covers participation with the 2018 New Trier Girls North Shore Summer Soccer League. There will be a Varsity (varsity returnees, juniors) and Junior Varsity (sophomore, incoming freshman) teams. Dates played are during mid-June to mid-July and the schedule is made by New Trier High School. Game times are usually either 6:00pm (if one game) or 6:00pm/6:40pm/7:20pm (if two games, two of those three game times). Each participant will receive a t-shirt also.

Coach Seong Ha at [sha@glenbrook225.org](mailto:sha@glenbrook225.org).

Here is the Glenview Lantern Article about Seong...

Seong Ha surprised many when he announced his resignation as the Glenbrook South girls soccer head coach at the end of the school year.

Titans Athletic Director Steve Rockrohr confirmed Ha's departure Tuesday. Ha told Rockrohr that he wanted to spend more time with his family, travel and pursue other opportunities.

While the move came suddenly to Rockrohr, the athletic director wasn't totally surprised after Ha left the boys program at the end of the 2016 season.

"I know Seong does a lot of stuff on the outside," Rockrohr said. "He refs and coaches club soccer. It came a little bit of a surprise, but not completely out of the blue."

Ha's successful coaching career with the GBS girls soccer program started in 2006. The Titans compiled a 235-51-30 record during his tenure, earning three sectional titles and nine regional championships.

He also coached the boys programs for three seasons, starting in 2014, and led the program to a 35-21-11 record.

"Seong did a nice job," Rockrohr said. "That's probably one of the more successful programs that we've had here at GBS. He got a high-talent level, but he knew what to do with it. He coached them well and was successful in his run."

Rockrohr admitted there won't be a rush to find his replacement since the girls season doesn't start until the spring. He hopes to find a replacement from within, but will put out a job posting in the coming month. He wants to make sure he finds the right match.

“It’s got to be a high-quality coach since it’s a high-quality program,” Rockrohr said. “We have a lot of talent and want to make sure we put the right person in place.”

**To:** [rmcdonald@ihsa.org](mailto:rmcdonald@ihsa.org)

Dear Athletic Director or Coach,

Our office wanted to take this opportunity to remind schools entered in the 2017-18 IHSA Girls' Lacrosse State Series that the deadlines for completing the Season Summary Form and Seeding is rapidly approaching. The deadlines are final and cannot be adjusted.

Girls Lacrosse deadlines:

SEASON SUMMARY (MaxPreps) - TOMORROW, Wednesday, May 2nd at 10:00 a.m.  
SEEDING -Thursday, May 3rd at noon

This year as a part of the IHSA's partnership with MaxPreps, all schools must use MaxPreps to report their scores. The games and scores will be pulled into the IHSA Schools Center for seeding at 10:00 a.m. on May 2nd. Coaches will need to check MaxPreps prior to this date to add any games that do not appear.

All coaches will want to sign into the Schools Center and go to the Season Summary in the Sport & Activity Tracker to enter Coaches and to the Coaches Comments page to enter their season's win/loss record and any comments that they would like the other schools in their sub-sectional/sectional complex to see.

Coaches will want to return to the Sport & Activity Tracker between 11:00 a.m. Wednesday, May 2nd and noon on Thursday, May 3rd to seed the other schools in their sub-sectional or sectional complex.

If you are entered in the IHSA Girls Lacrosse State Series in error, your school should withdraw from the Girls Lacrosse tournament. Your IHSA official representative should notify the IHSA Office in writing prior to the online seeding deadline. Please email to Tammy Craig ([tcraig@ihsa.org](mailto:tcraig@ihsa.org)).

Thank you in advance for your prompt attention to this matter.

I just got a message that there will not be any power in the building June 18-22. If that's the case, we will need to adjust our basketball camp schedule. I know that the district wants to mail the camp info soon. Thoughts?

**Subject:** Seong Ha

Dear Lauren: I hope the end of the school year is treating you well. My purpose in writing to you is to express my unqualified support and admiration for Seong Ha as a coach and a person. Seong and I began our head coaching careers together in 2007, he at GBS and me at Deerfield. Since that time I have coached against him on a yearly basis, attended meetings and clinics with him, and observed him coach at FC United. During all that time, I have never once had occasion to question his ethics or professionalism. As a coach, he is passionate, hard-working, and demanding. He consistently produces teams that are more than the sum of their parts. If coaching is truly an extension of the classroom, Coach Ha's players have learned a great deal about life from him.

My comments are not only those of a colleague and a competitor. I have entrusted my own son to Coach Ha's coaching as part of his development as a goalkeeper. My son respects Coach Ha for his ability. As a parent, there is no higher compliment I can give to a coach than to entrust him with my child. I would trust Coach Ha with my sons unequivocally.

Among his colleagues, Coach Ha has an excellent reputation for professionalism. If Glenbrook South were to lose Coach Ha, it would send a terrible message to coaches in high school athletics. I can assure you that he would have his pick of places to coach if he does not continue at GBS. Thanks for letting me express my support for a wonderful coach and person.

Sincerely,

Steven –

I wanted to congratulate you and the Glenbrook Girls hockey team advancing to the State Finals at the United Center. I spoke with one of your teachers (Seong Ha) who works with me on bringing your sports marketing class to the UC each year. We assemble a group of business professionals among the Bulls and Blackhawks to speak with the GBS students. He mentioned trying to help spread the word around the school to create some buzz for your students.

Would you be willing to also help us spread the word that Glenbrook will be playing for a State Championship here on March 24<sup>th</sup>? I have included one of the graphics we're using all over the city that includes one of your students, Madison Itagaki. She is an extremely gifted hockey player.

Here is the Glenview Lantern Article about Seong...

Seong Ha surprised many when he announced his resignation as the Glenbrook South girls soccer head coach at the end of the school year.

Titans Athletic Director Steve Rockrohr confirmed Ha's departure Tuesday. Ha told Rockrohr that he wanted to spend more time with his family, travel and pursue other opportunities.

While the move came suddenly to Rockrohr, the athletic director wasn't totally surprised after Ha left the boys program at the end of the 2016 season.

"I know Seong does a lot of stuff on the outside," Rockrohr said. "He refs and coaches club soccer. It came a little bit of a surprise, but not completely out of the blue."

Ha's successful coaching career with the GBS girls soccer program started in 2006. The Titans compiled a 235-51-30 record during his tenure, earning three sectional titles and nine regional championships.

He also coached the boys programs for three seasons, starting in 2014, and led the program to a 35-21-11 record.

"Seong did a nice job," Rockrohr said. "That's probably one of the more successful programs that we've had here at GBS. He got a high-talent level, but he knew what to do with it. He coached them well and was successful in his run."

Rockrohr admitted there won't be a rush to find his replacement since the girls season doesn't start until the spring. He hopes to find a replacement from within, but will put out a job posting in the coming month. He wants to make sure he finds the right match.

"It's got to be a high-quality coach since it's a high-quality program," Rockrohr said. "We have a lot of talent and want to make sure we put the right person in place."

As of today at 1:00 I am told the grass fields are still to soggy to be on. I would guess that will continue through at least Thursday of this week. Thursday the weather was supposed to break, but I just looked at it and it appears the warm temps they were predicting last week are no longer so warm. If you have games scheduled on any field but the turf field prior to Friday, they will be cancelled.

Thank you for your patience and help at this point in the season.

Coaches,

Our post season meeting will be held on **Monday, May 14th at 5:45 PM at Deerfield High School**. We had to change locations due to a conflict at Lake Forest High School.

Park in the Main Lot and enter the Athletic Entrance. We will be using rooms A100 and A102.

Dinner will be served

Please get your scores to Seong ASAP. I'll be out of town this weekend at the AD's Conference. I'll have my computer with me and will send out crossover information for our games on May 8th. Crossover games should include Varsity, JV, and Freshman.

Let me know if you have any questions.

Steve/Tom,

Temperatures don't look warm enough to melt the snow is my guess...

If we can cancel, I see tomorrow's stadium turf schedule as follows:

- \* 5:00PM - GLAX vs. Lake Forest (JV)
- \* 6:15PM - GLAX vs. Lake Forest (Varsity)

Would a soccer match after the varsity GLAX be out of the question? Or lose our home game to Loyola and have them host the 2nd round tournament match. Just wanted your thoughts.

Thanks.

Good Afternoon, Everyone!

In renewing certain District 225 insurance certificates for 2018, I took the liberty to renew the New Tier Girls Summer Soccer League certificate of insurance for this upcoming year. The certificate was emailed to Jim Burnside a few days ago directly from our insurance carrier.

Not sure if this was in the works for this calendar year, but if it was, you should be set to go.

No need to fill out a form this year, but should there be any changes in the upcoming years, please complete a new form to advise me of location and our contact changes.

Thank you.

Everyone is scheduled to compete however, I am sure it is all weather dependent. Indoor spaces will continue to be 1.5 hr slots and as always please communicate with everyone if you move outside.

Hello all!

For a while there, I wasn't sure if I was going to have the opportunity to actually send this email. However, the extended forecast finally seems favorable enough that we were able to place the outdoor AEDs back outside today. Again, they can be found in the following locations:

- Under the North Field scoreboard
- Inside the Stadium, on the fence at the south entrance onto the track
- Inside the 1st base dugout of the JV Softball Field

Please review the location of the nearest AED to your practice and/or game sites. No key is required to open the AED storage box, should you need to access the AED itself. If you notice an AED is ever missing, or hear it beeping, please let me know.

Thank you! Good luck with the remainder of your spring seasons!  
-Tony

Good Morning, Steve,

I have a crazy day today and won't be able to call until you're gone for the day, so thought I'd send an email with my thoughts this morning.

Is there a difference between bullying the whole team vs bullying one student?

What is the definition of bullying? If you feel that you haven't heard of a true bullying act to date, I am wondering what bullying really is. Our meeting really brought this to light for me, and I feel very strongly that he IS a bully and that you have many examples of how he treats the girls. I respect you and your position at GBS, but your response below is concerning.

Is there a rule about you being able to call students in to see you?  
Maybe you will get more responses if you reach out to the girls on  
the team?

Did you hear on the radio yesterday – the recent Santa Fe school  
shooter said he felt bullied by his coach.

Ha should not be in this position with so much influence on our  
kids.

Thanks again,

Thanks for the clarification on the email and subsequent text  
messages and meetings (which appreratnely never took place)  
■ I appreciate it and will certainly continue looking into the  
situation.

As for the bullying. You are correct to assume we would not  
permit it at GBS. While I have heard the term used from different  
people at different times, no one can ever provide me a specific  
instance where a player was bullied. There is a lot of talk around  
breaking clipboards, telling them he can't believe their effort or  
level of play, but no one can ever provide me an example of any act  
that would constitute a bullying incident. The descriptions I get are  
more a general behavior toward the team. While I'm certainly not  
fond of that either, and it may turn out to be the difference maker, it  
is not something that I would immediately remove him for. I have  
also asked some trusted parents when I hear this talk and they  
confirm that it not necessarily bullying, but the overall presence he  
has. Again, certainly not what I'm looking for out a coach and we'll  
see where that ends up. Hope that helps to clarify and if not please

give me a call.

Thanks again for coming in and please encourage other s who feel as you do to do the same.

Hi Steve,

Thank you very much for your time this morning. I appreciate your concern for our kids.

You may have this already, but below is the email we were discussing this morning. You're right - it was 2 months ago...time flies.

I have no subsequent emails from Coach Ha regarding the suspension process being reversed or changed in any way. I asked Leslie if she remembered another email coming, and she said no as well.

I am remembering a bit more about this evening:

The girls received a text from Ha prior to the email being sent which said, "tell your parents they had better read their email at precisely 9:00pm tonight. I am sending a very important email to all of you-be ready for it."

Then either later that night or the next day, Ha texted again telling the grils there will be a mandatory parent meeting after their next game, which was the next day. However, this meeting was later cancelled by Ha, and we never met with him.

When I mentioned to you that the girls describe Ha as "a bully", you commented that you've heard that description of him before. In reflecting on our visit, this is something that is not sitting well with me. I am very aware of the Glenview schools' policy on bullying when it is student to student. It is not tolerated after only one incident! Why are the powers at be at GBS tolerating a head coach bullying our student athletes??

I hope you continue to investigate this situation. I know this is not the first time, nor the first season that you're hearing of issues with the program.

Thank you very much,

Dear Parents,

I appreciate sincerely the exceptional support during the very cold temperatures thus far into our 2018 GBS spring girls soccer campaign. I'm hoping for warmer temperatures to come soon. It is great to see directly across from our bench the parents together giving our girls the extra push during the frigid days lately.

On another note, I just want to give a gentle reminder of my expectations at games with parents. I clearly heard someone in the 39th and 40th minute give instructions to our girls that was against what I wanted to do in terms of tactics as we closed the first half of today's match. The girls know I am quite the "chameleon" when it comes to tactics, formation changes, and the "why" in what we do.

In last Saturday's meeting, I was very clear in those expectations. I also am not naive to think also that not

every varsity parent is there because either they are too busy or have been there to hear the speech for the 1,000th time. The fact of the matter is that further comments going further will only penalize your daughter. As stated, they sit the remaining part of the game from the point of incident and the next game as a one (1) game suspension because of conduct that is detrimental to the team or derogatory towards game officials.

I've done this for a long time, studied hard to get my appropriate certifications/licenses, while doing continual education at our national convention and hosting our state clinics as an Executive Board member of the Illinois High School Soccer Coaches Association (IHSSCA). You've entrusted me to do the best job I can to give your daughter the best experience possible. Winning is not important. Competing and development are. But, we will always do it the right way for the sake of sportsmanship and what the "Beautiful Game" has provided for me always and the life lesson created for our student-athletes.

I leave you with you with two videos during my time as a former NCAA soccer and IHSA state final soccer referee. Moving forward, I just want to make sure these girls have a good culture to play for at GBS and it starts with me as their head coach to make sure I provide that atmosphere so they simply have fun.

All games will take place in the GBS Main Stadium (turf field). No games will take place on grass. Games will start every 45 minutes.

Attached is the tournament schedule. The schedule went as follows from the 2018 spring Varsity standings to ensure new teams would be played from Tuesday's crossover.

Every team will play one (1) game.

9:45AM - Niles North Vikings (home) vs. Maine West Warriors (away) - 6th CSL South vs. 5th CSL North  
10:30AM - Maine South Hawks (home) vs. Vernon Hills Cougars (away) - 3rd CSL South vs. 4th CSL North  
11:15AM - Evanston Wildkits (home) vs. Highland Park Giants (away) - 4th CSL South vs. 3rd CSL North  
12:00PM - New Trier Trevians (home) vs. Deerfield Warriors (away) - 1st CSL South vs. 2nd CSL North  
12:45PM - Glenbrook South Titans (home) vs. Glenbrook North Spartans (away) - 2nd CSL South vs. 1st CSL North

**RULES:**

- \* All games will play 2x20 minute halves, NO HALFTIME, referees/teams are to immediately switch sides at end of first half. Substitutions will be allowed during the switch-over.
- \* If game is tied at the end of regulation, it is a tie.
- \* NO WARMUPS ON TURF FIELD AFTER GAMES! WE WOULD LIKE TO START GAMES IMMEDIATELY WHEN THE PREVIOUS GAME IS OVER. PLEASE NO WARMUPS! Teams may warm-up in the area behind goals.

Does a goalkeeping coach at the highschool level truly sound realistic to you?

Hi Steve,

Although I think both the boys and girls soccer programs are lucky to have our current situation where there is at least 1 coach at each level, I think it would be worth asking for the possibility of a goalkeeper coach stipend that could be evenly split between the boys and girls programs (similar to the pole-vaulting situation for track). With 1 coach at each lower level, it's difficult for our goalkeepers to get any development throughout the season unless their level coach is an experienced goalkeeper. If we each had a .5 stipend position to dedicate to goalkeepers, we could have them attend half of the days throughout the week and really help our goalkeepers get the training experience they need.

In the end, I understand this might be a lofty goal but I figured it would be worth trying.

Thanks for your time,

Reggie

We had a goalkeeper coach at ND and several teams that we played against had one as well. I wasn't sure if that was unique to the private schools or if other public schools with a similar size program have one as well.

Dear Steve,

I am applying for the position of Assistant Girls' Soccer Coach.

As some background information about myself, I am a soccer coach with six years of experience, earned my USSF C license and my NSCAA National license. Also of note, I taught high school English for twelve years.

To date, I've been the head coach for: junior high boys and girls, sophomore boys and girls, and varsity boys high school. I also coached for the Glen Ellyn Lakers for two seasons. I've attached my resume, in order for you to see my complete professional experience.

I really have a passion for coaching and teaching soccer. I enjoy not only teaching skills and tactics, but also helping players grow as individuals and gain confidence.

Also, I am a life-long learner. I read as many books as possible that have relevance for coaching and try to improve on my craft as much as possible by attending seminars, conventions, and enrolling in advanced soccer courses. I also believe my twelve years' experience teaching at the high school level has relevant experience that directly transfers to coaching.

It would be great to talk in the near future about how I can be a benefit to your program. Please feel free to email or call me at your convenience.

Thank you for your time.

Regards,

Dan Riskind

## From the Booster Club:

We're looking forward to seeing you Saturday. You've got questions? We've got answers...

**What's the attire:** 20's attire is encouraged, but not required. The event is casual.

**How does Casino entertainment work?** Every attendee starts the evening with a \$25 chip. Tables include BlackJack, Roulette, Craps and even War (yes, the card game you played as a kid). You can purchase more chips at the Casino Cashier or there will be runners who can complete your transaction at the game tables. If you're not sure how to play, step up, the dealers will be happy to show you the ropes. Chips have no cash value. At the end of the night, cash in ALL your chips for chances to win Casino Prizes. There will also be a Wheel of Chance, \$5 cash per spin to instantly win wine, gift certificates, prizes and more. First deal is at 7pm, and last deal will be between 9:30 and 9:45. **You cannot win cash at the Casino games.** Yes, it's a Speakeasy, but we follow the law.

### Will there be food & drinks?

There will be plenty of food, but no sit down dinner. Menu includes cheese tray, sliders, satay, asian salad, treats and more. Food service will be from 7-9pm. The **cash bar** will feature a signature drink, bourbon tasting, cocktails and soda.

**Do I need to be present to win the Raffle or Casino Prizes?** Raffle and casino prize winners will be drawn around 10pm. You do not need to be present to win. Winners will be notified through the information they provide at registration.

**Can I pay with credit card?** Registration, donations, auction items and Casino Chips can be purchased with credit cards, cash or check. You'll need cash for drinks and the Wheel. There is an ATM in the lobby of the hotel.

**Can I check out early?** Check out opens at 10pm. In order to provide accurate information to all auction winners, we are not able to complete check out early. If you have to leave early, arrangements can be made to complete your transaction later. Auction winnings left at the venue will be made available for pick-up at a later date.

See you, Saturday. The password is: Go Titans!

I appreciate you reaching out to me with your support of Coach Ha. I have received a number of calls and emails. I have also spoken to a former player who held him in high regard. At this point I don't feel the need to speak with [REDACTED]. I feel confident in what she would share with me about Seong. Should that change, I will reach out to her. Steve, my name is [REDACTED] we've seen each other many times at GBS at a variety of events. I served on the Booster Club Board of Directors for several years. We have three daughters who are GBS graduates, including our youngest, [REDACTED], who played Varsity soccer for four years, 2014-2017, for Coach Ha. It is my understanding that there is a current effort by certain soccer parents to have Ha removed from his position as the head coach of girls soccer. My wife and I and, more importantly, our daughter [REDACTED], think that would do a great disservice to our soccer program.

During our several years of interaction with Coach Ha we have found him to be a dedicated, passionate coach who cares deeply for the girls he has had the privilege to coach (words he has used many times). We have known him as a coach and person who goes to great lengths to promote and cultivate team-building and team-bonding, something that was very apparent during the four years that [REDACTED] had the pleasure of playing for him and the assistant coaches.

[REDACTED], in particular, is very upset about the prospect of Ha's dismissal. She would very much like to talk to you about this if you would like to speak to her. Her cell # is [REDACTED]

We have always found Ha's character and sense of morality to be of the highest order and would be extremely saddened and disappointed if he were dismissed as GBS' soccer coach.

Thank you for your time and consideration in this matter. If you would like to talk to discuss this matter with me I can be reached on my cell at [REDACTED].

Hey [REDACTED],

Thank you for taking the time to email regarding your feelings toward Coach Ha. I appreciate your perspective and will reach out to you should I need any further information.

Hope all is well and have a great summer.

On Mon, Jun 4, 2018 at 8:19 AM, [REDACTED] wrote:

Dear Mr. Rockrohr,

My name is [REDACTED] and I was a GBS student from 2004-2008.

I recently heard through the grapevine from one of my neighbors that Mr. Seong Ha's position as girls varsity soccer head coach may be in jeopardy.

During my time at GBS I played varsity soccer for 4 years; after graduating college I served as Mr. Ha's assistant coach for the girl's varsity team in 2016, as well as an assistant for the GBS women's soccer summer league program for a few seasons. I have a unique perspective because Mr. Ha was my both coach and the head of the Girl's Soccer staff when I served as his assistant coach. I have known Mr. Ha now for 14 years. Through this time I have always admired his passion for his job, his students, his players, and his love for the game of soccer.....it is quite infectious! It is very upsetting to me to find out that after over a dozen years of directing the women's soccer program at GBS that any accusations again him my lead to a dismissal.

Playing varsity soccer at GBS was one of my favorite high school experiences - Mr. Ha nurtured an inclusive environment for his players, while simultaneously motivating and challenging each athlete to perform at their top level. In parallel to the GBS code of conduct, Mr. Ha always, always enforced values at the root of everything we did to ensure that each student athlete under his guidance knew their priorities (family, school, soccer). His coaching approach is textbook - pulling from his vast knowledge bank of information and experience, he implemented drills and game-day tactics there no only positively engaging for the team, but also intentionally directed to achieve a specific outcome.

From the coaching arena, I have great admiration for Mr. Ha. He is the most passionate person I know about soccer, and loves nothing more than to share his love of the game and his knowledge of the game with others. His color-coded stat book, his play-by-play recollections, his focused efforts on improving the team, improving individuals and improving the soccer club, and his positive energy as a head coach are unmatched. He goes about everything with the utmost of professionalism and sincerity, and most importantly treats students, players, parents, other staff members, and all opponents with respect - he is one of the best representatives of the athletic department in GBS history. Not only has he promoted well rounded development for GBS student athletes, but he has inspired those around him to become better. In his time as head coach, he has guided his teams to regional, sectional and state games, and inspired younger (non-high school) athletes to want to participate in the girl's soccer program. He has grown the number of program participants, improved the quality of all players, created an inclusive and fun team environment, and has made GBS Girls Soccer a well known name in the state.

I give my highest commendation to Mr. Ha, not only for being an inspiring and motivating coach, but also for

being a sincere person of top-tier character, who always has everyone's best interests at heart. I would be happy to engage in any further discussions. Should you need me, please reach out: [REDACTED]

It's not that simple. This is her accounts and her daughter quit the team. I've only heard from disgruntled parents due to playing time or kids being put on JV level. The same with 3 of the 4 kids who came to see me.

I had a call of strong support yesterday from a different parent, his kid admittedly is the star of the team. This going to turn into we don't care if he treats kid poorly if we don't fire him or if parents complain they'll fire the coach if we do. Lose, lose. At the end of the day we do what's best for the kids of Glenbrook South, that is not necessarily what a group of parents want, but it might be. We need to talk before we call him in to answer accusations from a mad parent with a GEA rep with him. They're are many steps to be taken prior to that occurring.

We'll talk.

once we get clearance from Mike, I think you and 1 other admin need to meet with Seong (and a GEA rep? knowing him...) and give him a chance to respond to these accusations. then he will have had due process.

Thank you for reaching back out to me. I can promise I take everything shared with me and look into the situations. You have a good point about the Code speech. I should adjust it for situations like this one.

I can't tell you exactly where this will end up, but be sure I will do my due diligence.

Please feel free to call or email if you have anything else you would like to share with me.

Mr. Rockrohr,

I am following up on our March 23rd meeting regarding the girls soccer program. I am not really sure what to say, but I understand that [REDACTED] came in to speak with you along with 3 other girls. Know that there are other voices that are still not comfortable to speak up. I feel strongly, that Ha's inappropriate behavior and past actions need to be seriously considered. I am not sure what specifics need to be proven or who this needs to be followed up with, but GBS should not tolerate his inappropriate behavior.

In light of the recent firing of Loyola and FC United Coach. I think your speech at Code of Conduct needs to be changed to create a safe space for athletes and parents to speak up without fear of retribution. Parents are also sitting on their hands and keeping their mouths shut at the request of their kids so they are not punished.

I also continue to hear past stories of senior girls choosing to play on JV instead of playing for Ha. This was 4 years ago- "Their choice" right?? What needs to happen? Girls that love playing soccer, many who don't care if they sit on the bench, want to be part of the team. They do not want to be treated like second class citizens on their team in front of their friends. Girls that played Varsity last year decided not to tryout because they did not want to be upset daily about their treatment at games and practices. "Their choice" right?

Here again are some examples we spoke about at our March meeting...

His running of the last lap with a group at tryouts, after they ran the whole pyramid 8-10 laps whatever it is. He runs the last lap with 1 group. Inappropriate/Demeaning.

His game of I E. "Introvert, Extrovert" during a JV running practice. Yelling out I, E to girls as they run by. He does not know these girls!! He could just "TELL". Similar to how he runs his tryouts: regardless of performance at tryouts he already has "His" team picked out, because he can just "tell".

His telling the girls to sell at least 10 popcorn at \$16+ each bag or "he will remember"- not bullying?? I know this because I currently have over 20 bags of popcorn in my house that my daughters **needed** to sell. I am sure he will not remember, but he should NOT say that to the girls!!

His group texts inviting girls to go out to ice cream or steak and shake. Some girls feel compelled to hang out with him.

His individual text to my Junior daughter on JV asking her to create a Juniors only text group separate from her whole team. He pulled her away at lunch to speak with him and called her on the phone that night for a lengthy conversation to ask her to speak with JV Coach Carabez to make his practices more rigorous because he was hearing some girls complaining. **That is his job!**

My favorite example of his coaching is when the JV girls, with a Freshman goalie, were holding their own against his Varsity team during the scrimmage. He was livid! He stopped refereeing the game- which is what he was supposed to do- He took an extended half time to yell at his girls saying something like, "there is my real Varsity team" and in the end He did not even say good job to the JV girls - they are part of his program too. Instead he took some JV girls up on his Varsity team the next week. Weakening the JV and having over 25 on his roster. Terrible leadership.

Ha is using his position to silence these girls- unacceptable. Our smart, strong girls deserve better. I am spurred on by the constant news on the radio and television to create a culture of women speaking up. So this is all I can do -These young girls need to know they can speak up.

I know there is an anonymous hotline at the school - Athletes should know if this is the route they should take or if some other system is available. The girls in this program, this year, should hear from you that they can come forward and be heard. That what they say will be confidential. Perhaps it is time for the Athletic department to get involved and do some further investigation into the program by interviewing the girls individually. Also, under the circumstances, I encourage you to ask the coaches surrounding Ha about what they see and experience. Current players and incoming Freshman should not be affected by Ha, they should be protected from him.

Below is an email FC United sent out to the club. FC 1 sent out a similar email. I hope GBS will follow suit in their athletic system.

Thank you again for your time,

We could possibly host a game at 5:00 PM and then you guys can move your game up. I should hear back from Libertyville by tomorrow morning if they want to play us. Then we can make a decision about times and locations.

You must be supervising that night. Lol!

Thanks Steve and really appreciate the reply. In all honesty, I've never kicked dirt on the Cubs given the decades of futility both my Sox and the your Cubs have shared. Think we both know each other's pain. Was good to see them finally win. Feelings will be a little different to the extent we both end up in the Series so I'll hold off on any developing any strong allegiance.....will keep it to the NL level only.

Looking forward to moving to Chicago and maybe we'll cross paths at some point.

Thanks again

Hey [REDACTED],

Welcome to Chicago. Wrigley Field is the closest thing you'll ever find to Fenway and the Cubs are actually a better team than the Red Sox right now. My opinion of course.

As for the advice for your children and youth sports. I think the manner you have already used in reaching out to the varsity coaches of any sports your kids may be interested in to ask them is the best route. They each have a much more accurate view of the youth level programs that best serve kids in their individual sport than I do. So keep that approach. If you get stuck at some point and think I could help, please give me a call and I'll look into it.

Again, welcome to Chicago and good luck in the move.

Thank you for taking the time to email me [REDACTED] and for your support of Coach Ha. I'm also very happy that your experience in GBS soccer was such a positive influence on you and your life.

Hello, Mr. Rockrohr,

I wanted to send an email to you as soon as I found out about a situation going on with Seong Ha. I found out from [REDACTED] another former player and dear friend of mine, that there were allegations being brought up against him and that his job as the head soccer coach was in jeopardy. I wanted to email you personally because Coach Ha has always had my full support and as his former player, I have benefitted from his coaching and mentoring in almost every area of my life. I learned invaluable lessons about grit, determination, loyalty, integrity, grace in winning and losing, and showing up even when it's difficult and inconvenient. I want to show up for him today because as an alumna of Glenbrook South High School, I am forever grateful for the example Ha set in words and actions. He represented significant values that many players cherish and learn from on a daily basis.

From a former player's perspective, Ha cultivated a combination of pushing his players to work hard and love the game of soccer. He shared his knowledge of the game but also his ability to help players reach their potential. He would hold me accountable to play as well as I could game after game and if I didn't, he would keep his standards high. He helped me decide to play soccer in college and offered the confidence and guidance I needed when I was making my decision to continue doing something I loved. This is something he modeled as well as taught day in and day out to players he coached.

The Glenbrook South Soccer teams have improved exponentially since Ha started coaching and I know he has poured his heart and soul into the players and the program for many years. It was frustrating to say the least when I heard he might no longer be a part of the GBS family. I would be shocked if this program lost Ha as a coach and I know he would have an extremely difficult time saying goodbye to the coaches, families, and players he has come to know and serve. I cannot say enough how much I have learned from Ha about soccer and about life, but I can say that I would not have been half the player and person I was without the invaluable lessons I learned while playing soccer at Glenbrook South. I need you to know that Coach Ha has my full support and I am very frustrated to hear that someone so great for the program is potentially being asked to leave. This is very disheartening news as an alumna of Glenbrook South High School and former 4-year varsity soccer player.

Sincerely,  
[REDACTED]

Henry,

I don't have the complete list. I do a signing day, but not everyone has committed by then and it is only for DI athletes. I think it would be wise to contact the head coaches of each sport and ask them. Your list would be much more complete using that route.

I've attached a list of all the coaches for each sport so you have the head coaches from each of the sports.

All,

After much consideration and looking at the forecast, we are going to cancel all Lou Manati Deep Dish Classic consolation games today.

#### **Saturday, April 14th**

@ New Trier Stadium

New Trier vs Carmel @ 12:30 – 2:00 pm - CANCELLED

Championship game Evanston vs GBS 2:15 – 3:45 pm – Decision to be made @ 10:30 am today

@ Loyola Wilmette Campus

Loyola vs Lyons @ 2:00 – 3:30 pm (Loyola Academy Wilmette Campus) - CANCELLED

Hinsdale Central vs Lake Forest 4:00 – 5:30 pm (Loyola Academy Wilmette Campus) - CANCELLED

We are sorry that we feel the need to do this, as there is still some great soccer to be played, but rain, wind, and real feel temps make conditions unplayable. If anyone would like to make-up their game, we would ask the teams to find a date and play. Please contact me and I will have officials assigned to your game.

We are going to make the final decision on the championship game @ 10:30 am.

We hope that everyone will be ready to return to the 2<sup>nd</sup> Annual Malanti's Deep Dish Classic on comparable dates next year.

Please confirm that you have received this.

Have a great weekend,

Jim

Hey guys,

I was hoping to take the west gym today at 6:30. No one is currently signed up and Tim is not here to confirm me taking the space. If this is a conflict for anyone can you please let me know. I will be giving up the 8:00 main gym slot.

Seong,

I can't give Matt Barera statistician pay simply because he's volunteering and you want to pay him something anymore. I give statisticians to those sports who I think truly need them and don't have an assistant at the varsity level.

Call with any questions.

What is your opinion about me not having a girls soccer camp?

Rationale:

1. Girls coming off our spring season, worried about burnout,,just playing New Trier summer league and going to Iowa for Adidas tournament suffices.
2. Prevents less conflicts for girls to attend other GBS summer camps and Maine West girls basketball summer league.

Thoughts?

Coaches and AD's,

I've attached an updated balance sheet for summer league soccer dues. Please take a look at your balance and send a check to Glenbrook North ASAP. It should be to the attention of Paul Vignocchi or Glenbrook North Athletics.

We would like to pay summer league officials as soon as possible.

Hey Seong,

I have not had the opportunity yet Seong as they are both gone for the summer. I assure I will have that conversation once I can get everyone together.

Quick question, summer league is being coach by Mark, Hector and DJ correct. How many hours for each playing date would you suggest? I know they play double headers often. Does 4 hours a date seem fair?

Good Morning All-

Welcome back from spring break. It appears the weather is not going to cooperate with us at least this week. Typically, we shift to 2 hour sessions after break and do not schedule the facilities as everyone has moved outside. If you need some indoor space I will fill in the slots as you request. Everyone lets hope this is the last week of bad weather.

Communication is key. If you want an indoor space please let me know right away, even if it is for a lower level team. Also, make sure all of your coaches know this week we are sticking with 1.5 hour slots indoors.

Hello coaches!

As Spring Break approaches at the end of next week, I know several of your teams are traveling out of town. If you need any particular supplies such as med kits, coolers, etc., please let us know early next week so we can get these things together for your trips.

For those of you that will be practicing in town during break, please send me your practice schedules so I can determine my hours to best provide coverage. Once I hear from everyone, I will be sure to let you know my hours for the week so you and/or your athletes can find me if you need anything.

Thank you!

**Date:** Tuesday, April 10, 2018 8:49:46 PM

Hello Coaches!

Now that spring may have actually sprung, I am glad that most of you now get to practice and play games outside. The following are some pleasant reminders as outdoor events will hopefully now be underway on a regular basis:

1. First off, we wanted to thank all of you for your communication regarding schedule changes this spring so far. It has helped us tremendously to be on your Remind and GroupMe notifications, and we also have appreciated the other calls/texts/emails as well. Thank you!!
2. Please remember to have your athletes pick up your water, ice, and med kit from the Athletic Training Room for your home and away games. It is your responsibility to provide these things for your athletes, and you should not expect other schools to be providing these things for you.
3. Please remember to pick up a radio to bring to your competition site when hosting at GBS. This is the fastest way to contact us, therefore making it our preferred method of communication when events are taking place.
4. The AEDs will NOT be placed outside this week. Though this week has mostly favorable weather, the overnight temps are forecasted to go below freezing again so we cannot place them outside permanently just yet. Again, I will be sure to send you an email when this occurs.
5. Please continue to stop by/call/email for updates on your injured athletes, and do not let any of your injured athletes return to participation without getting clearance from us first. This has gone very well this spring, and we greatly appreciate it!

I believe that covers things for now. As always, please let us know if you have any questions/concerns at any time. Thank you for your continued assistance!

-Tony

Steve,

Noticed that some spring sports are having a statistician and some are not. Is there a criteria? If I can, I would like to give that to Matt Barera since he is volunteering, with your blessing. Thanks for your consideration.

Hello!

As we near the end of the school year we wanted to make sure you were aware of the athletic training room hours for the summer. They will be posted outside of the athletic training room as well. Please feel free to forward this on to your staff as needed.

Due to construction there will likely be time this summer (especially the week of June 18th) where the athletic training room will be closed and we will be working out of the outdoor concession stand building.

Just as a reminder please make sure to have a way to call us if needed when you are outside. We may not always be in the athletic training room so you may need to reach us by cell phone, which you should have available in the Policy and Procedure Manual Tony sends at the beginning of each season. If you would rather have a 2-way radio you are welcome to come in daily to pick one up.

Thanks!

If you are running a summer cam please forward me the anticipated hours for you and your coaches. I will review them against your enrollment, supply orders, entry fees, etc...to verify that you are running a break even at worst camp. Remember there is a administrative fee and the cost of the trainers that also comes out of your camp costs. So, please figure in \$20 or so per participant less than the registration fee when figuring out your coaches hours.

Thanks and call me with any questions. Julie will also be sending out an invitation to all the coaches for lunch in the main gym on Wednesday. Just giving you a heads up on that.

Have a great summer everyone and thanks for your work with our students this year.

Please use whatever other platforms (Hudl, Groupme...) as your standard method of communicating with your teams and only text on those instances when absolutely necessary.

Please be sure to share this information with your lower level coaches as well.

Hi,

Hope you are having a wonderful end to your school year as the weather is getting better for the summer months to come.

I wanted to let you know that I have resigned today as the Head Varsity Girls' Soccer Coach at Glenbrook South High School.

The friendships built in the last twelve (12) years as head coach and since 2002 at GBS have been uniquely special. Right now, my focus will be on refereeing, coaching elsewhere perhaps, and spending more time with parents along with my crazy travel schedule you all know about.

You will probably be hearing a lot of things and all people need to know is that I wanted to pursue other opportunities that are more important than soccer.

Thanks again for everything. The Central Suburban League (CSL) is a superior soccer conference filled with wonderful players, many I have coached personally, in making the collegiality with you so special filled with many memories.

I will miss you all and so blessed to have shared the soccer pitch sideline with you.

Have a wonderful summer. See you soon, my friends.

Sincerely,  
Seong

Hector,

I would highly suggest sending an email to Niles North High School, particularly their Junior Varsity and Varsity girls' soccer coaching staff for today's game. We can not win games with a score 10-0 against a Central Suburban League opponent, let alone a CSL South Division team. It is in our preseason coaching procedures and expectations .pdf document.

Following the game, I apologized to co-head coaches Sarah Paulis and Filip Cejovic for the result. They were appreciative but an olive branch of sportsmanship needs to be sent here.

We have to do a better job in finding other ways to improve on aspects of our game. It's the first game of the season and I'm sure we can do things better. We all know that you are a good person and this is an isolated situation. They also know we traditionally do not run up scores. It's just the right thing to do here.

A few years ago, an incident occurred between two schools at our post-season CSL meeting after a 10-0 result and it was a learning experience for all head coaches in that room. I know this will go a long way in just making sure that GBS will no longer have this happen again.

I know you will do the right thing because you are that type of person. Filip knows you are a good guy too and appreciate your consideration. If you have any questions, just ask me anytime. Thank you.

- Seong

**RESIGNATION AGREEMENT AND GENERAL RELEASE**

**THIS RESIGNATION AGREEMENT AND GENERAL RELEASE** is made and entered into on the date indicated below by and between the BOARD OF EDUCATION OF GLENBROOK HIGH SCHOOL DISTRICT 225 (the "BOARD" "District 225") and Glenbrook Evening School principal and tenured teacher FRANK SANTA ("SANTA" or the "EMPLOYEE"), collectively referred to as the "Parties."

**WHEREAS**, the BOARD and SANTA are presently involved in an employment dispute regarding SANTA's employment as principal at Glenbrook Evening School ("GBE") and as a tenured teacher with District 225; and

**WHEREAS**, the BOARD and SANTA desire to resolve such dispute; and

**WHEREAS**, the BOARD has placed SANTA on paid leave pending final resolution of such dispute; and

**WHEREAS**, SANTA has requested that he be granted leave to voluntarily submit his irrevocable resignation from employment; and

**WHEREAS**, the BOARD has considered SANTA's request and agrees to accept SANTA's voluntary and irrevocable resignation.

**NOW, THEREFORE**, IN CONSIDERATION OF THE ABOVE RECITALS, THE FOLLOWING MUTUAL PROMISES AND COVENANTS, AND OTHER GOOD AND VALUABLE CONSIDERATION, THE RECEIPT AND SUFFICIENCY OF WHICH ARE HEREBY ACKNOWLEDGED, THE PARTIES AGREE:

Section 1. SANTA hereby tenders to the BOARD his voluntary and irrevocable resignation from employment as an employee and specifically as a tenured teacher at Glenbrook South High School, to be effective December 11, 2017. An executed copy of SANTA's

irrevocable letter of resignation is attached to this Agreement as Exhibit A.

Section 2. In consideration of the promises contained herein, SANTA, and his heirs, agents, representatives, assigns and successors, hereby releases, discharges, forever frees, and covenants not to sue the Board, and its members, agents, representatives, officers, employees, directors, assigns and successors, from any and all claims, debts, dues, demands, liens, obligations, fees (including attorneys' fees), actions, or causes of action, of every kind or nature, at law or in equity, whether in an administrative proceeding or in court, which SANTA may now have or claim to have or which may hereinafter accrue, whether known or unknown, anticipated or unanticipated, against the Board, and its members, agents, representatives, officers, employees, directors, assigns and successors, by reason of any act done or omitted to be done connected with the past or present relationship between the parties arising out of SANTA's employment with the School District. This release specifically includes, but is not limited to, rights or claims arising under 42 U.S.C §1983, and related state and federal civil rights statutes, the *Illinois School Code*, the *Illinois Human Rights Act*, Title VII of the *Civil Rights Act of 1964*, the *Age Discrimination in Employment Act of 1967*, as amended, the *Americans With Disabilities Act of 1990*, Section 504 of the *Rehabilitation Act of 1973*, the *Family and Medical Leave Act*, the *Illinois Wage Payment and Collection Act*, the *Illinois Educational Labor Relations Act*, 115 ILCS 5/1 *et seq.*, the Illinois and United States Constitutions, breach of contract, common law torts, any applicable collective bargaining agreement, BOARD policies and/or procedures, and any other applicable federal, state, or local statute, ordinance, or regulation. By this waiver, the Employee does not waive rights or claims taking place after the effective date of the Agreement, or any claims to enforce the terms of the Agreement. SANTA further promises and agrees never to institute or cause to be instituted any charge, suit or action, at law, in equity or otherwise in any federal or state court, before any

federal or state administrative agency or before any tribunal, public or private, relating to or arising from SANTA' employment relationship with the BOARD except, if necessary, to enforce this Agreement.

Section 3. SANTA represents and warrants that he has had the opportunity to consult with counsel of his choice prior to executing this Agreement and does hereby knowingly and voluntarily relinquish and waive all legal and equitable remedies provided under the *Age Discrimination in Employment Act*, 29 U.S.C. 621, et seq., as amended. Further, notwithstanding the fact that SANTA's resignation as an employee is voluntary, thereby obviating the applicability of the *Older Workers Benefit Protection Act*, 29 U.S.C. Secs. 621, 623, 626, and 630, as amended by Pub. L. 101-433, SANTA nonetheless acknowledges that he is aware of and understands all rights and claims pursuant to said *Act*, including without limitation, the following:

- (a) That by virtue of entering this Agreement, SANTA does not waive rights of claims that may arise after the date of execution of this Agreement;
- (b) That SANTA waives rights or claims under the *Act* only in exchange for consideration in addition to anything of value to which he already is entitled to arising out of his employment relationship as principal at GBE and as a tenured teacher with District 225;
- (c) That SANTA was provided twenty-one (21) days prior to the tender of his proffered resignation to consider his voluntary, unconditional and irrevocable decision to resign as a principal at GBE and as a tenured teacher with District 225 effective December 11, 2017; and
- (d) That for a period of at least seven (7) days following SANTA's execution of this Agreement, he has the right to revoke this Agreement.

In return for the consideration provided herein, SANTA has agreed to and hereby waives the aforesaid twenty-one (21) day "consideration period". SANTA hereby declares that his waiver of the "consideration period" and all other rights under the *Age Discrimination in Employment Act* are knowing and voluntary. SANTA further agrees that any changes to this Agreement, whether

material or immaterial, will not restart the running of the “consideration period”.

Section 4. SANTA agrees not to seek employment or re-employment with the BOARD now or at any time in the future. SANTA agrees that the BOARD shall not have any obligation to employ or re-employ SANTA or to consider SANTA for employment or re-employment now or at any time in the future. SANTA agrees that he will not assert any type of claim whatsoever against the current BOARD or any future BOARD based on future employment considerations concerning SANTA. SANTA agrees that this paragraph applies to employment or re-employment of any and all types, including but not limited to, full-time, part-time, temporary, voluntary or consulting duties. Upon written inquiry from a potential employer as to SANTA’s employment, the BOARD will respond in writing by giving the date of hire, the date of resignation, and the position in which he was employed

Section 5. SANTA agrees that he will not come onto School District property, including but not limited to, Glenbrook South High School and its surrounding grounds; Glenbrook North High School and its surrounding grounds; the Glenbrook Evening School and its surrounding grounds; the Glenbrook Off-Campus facility and its surrounding grounds; and the District Administrative Office located at 3801 West Lake Ave., Glenview, IL., for any reason unless he has the express written consent of the Superintendent.

Section 6. In consideration of the promises contained herein the BOARD agrees to the following:

- (a) The BOARD will accept SANTA’s voluntary and irrevocable resignation from employment effective December 11, 2017.
- (b) The BOARD agrees to pay SANTA his salary through March 23, 2018 and to pay for his current insurance benefits through March 31, 2018.
- (c) The BOARD agrees to pay for the cost of SANTA’s COBRA benefits for himself, his wife, and his children beginning April 1, 2018 and continuing through June 30, 2018.

- (d) It is understood between the parties, that if SANTA desires to extend his personal and /or family COBRA benefits past June 30, 2018, then he will be solely responsible for the costs of said COBRA coverage.

Section 7. SANTA agrees and understands that this General Release is being executed by the BOARD solely for the purposes of compromise and in an effort to resolve fully and finally all claims and issues between SANTA and the BOARD, with the intention of avoiding the expense, inconvenience, uncertainty, risk and delay of litigation.

Section 8. SANTA agrees and understands that the execution and delivery of this General Release, or the exchange of the consideration specified herein, shall not be construed as an act or admission by the BOARD that it has engaged in any wrongful or improper conduct, fault, guilt, or liability for any injury, damage, charge or claim of SANTA.

Section 9. SANTA represents and warrants that he has not now or at any time previous to the execution of this Release filed any charges, claims, complaints, petitions, appeals, grievances, lawsuits, or causes of action against the BOARD or any of its members, officers, agents, administrators, employees, insurers, successors, attorneys, and assigns, or any other related representative, with any court, governmental agency, administrative body, commission, or adjudicative entity.

Section 10. This Agreement shall inure to the benefit of and bind SANTA and his heirs, agents, representatives, assigns and successors, as well as the BOARD and its members, agents, representatives, officers, employees, directors, assigns and successors.

Section 11. SANTA and the BOARD agree that they shall not, at any time, publicly disparage each other. The parties agree that nothing in this paragraph shall restrict or limit in any way the BOARD or any of its agents from initiating and/or cooperating with an investigation of SANTA's conduct by any local, state, or federal entity; the parties further agree that nothing in this paragraph shall in any way restrict or limit the BOARD or any of its agents from responding

truthfully to an inquiry concerning SANTA's employment.

Section 12. This Agreement sets forth all of the promises, agreements, conditions, and understandings between the Parties relative to the subject matter hereof, i.e., SANTA'S voluntary and irrevocable resignation as specified in Section 1 of this Agreement, and the BOARD's agreements as specified in Section 6 of this Agreement, and no other promises, agreements, or understandings, whether oral or written, expressed or implied, exist among the Parties.

Section 13. No subsequent alteration, amendment, change, addition, deletion, or modification to this Agreement shall be binding upon the Parties unless reduced to writing and duly authorized and signed by each of them.

Section 14. Should any provision of this Agreement be declared illegal by a court of competent jurisdiction, said provision shall be automatically deleted from this Agreement to the extent that it violates the law, but the remaining provisions shall remain in full force and effect.

Section 15. This Agreement shall be governed by the laws of the State of Illinois.

Section 16. The Parties agree to execute any and all additional documents necessary to effectuate the intent and purposes of this Agreement.
