RE: Differential/Discretionary Responsibilities

Please review the following information related to the Differential Responsibilities for Athletics, and both Differential and Discretionary for Activities. These recommendations are provided by each building for the 2018-19 school year. In the accompanying document you will also find the dollar amounts for both schools in these areas for 2017-18 and 2018-19 school years.

There is a 5.5% increase in the costs of these responsibilities from 2017-18 to 2018-19. The administration continues to work with the GEA and the Board to keep differential costs at the average or below our benchmark districts. The difference in cost is a result of some new coaches/sponsors who are placed higher on the salary schedule, and the addition of 12 new differential positions as a result of GEA contract negotiations.

It should be noted the remaining vacancies will be filled shortly after the start of school.

I recommend the Board approve the Differential and Discretionary Responsibility list for the 2018-19 school year as presented.
