RE: Differential/Discretionary Responsibilities

**Recommendation**

The Administration recommends the Board of Education approves the Differential and Discretionary Responsibility list for the 2019-20 school year as presented.

**Background**

Please review the following information related to the Differential Responsibilities for Athletics, and both Differential and Discretionary for Activities. These recommendations are provided by each building for the 2019-20 school year. In the accompanying summary document, you will also find the dollar amounts for both schools in these areas for the 2018-19 and 2019-20 school years.

There is a 2.5% increase in the costs of these responsibilities from 2018-19 to 2019-20. The administration continues to work with the GEA and the Board to keep differential costs at the average or below our benchmark districts. The increase is a result of some new coaches/sponsors who are placed higher on the salary schedule, and the addition of new differential positions as a result of the Fine Arts study conducted last year.

Please know that the remaining vacancies will be filled accordingly throughout the year.
