Learning and Operational Plan for the 2020-21 School Year

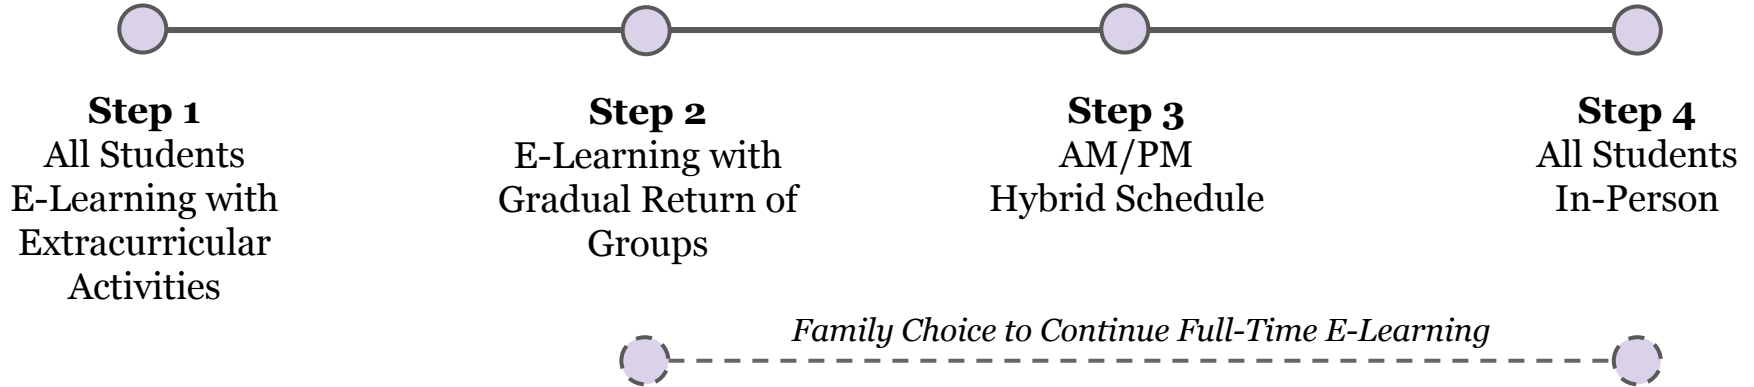

Monday, August 24, 2020

Our Guiding Principles

1. Maintain the health and safety of all students and staff;
2. Provide meaningful and engaging academic experiences for all students;
3. Address the social and emotional needs of all students;
4. Provide consistency and stability for all students and staff; and
5. Provide continuous professional learning opportunities for staff that address learning needs unique to this time.

Learning Plan Continuum and Indicators

We are committed to providing live touchpoints every day for every student with every teacher in every class.

Positive Feedback from Parents and Students

- “ Good first day! It’s obvious the staff spent a ton of time and energy over the summer prepping to make this the best experience it can be. ”
- “ Synchronous Zoom classes make all the difference in the world! Kudos to the GBS teachers that did an amazing job today! At one point, I walked by our office where my daughter is e-learning and heard a teacher’s cheery voice yell: “Everyone turn your mics on! I’m so excited to see all of your faces and I want to hear your voices, too! ”
- “ All through this past week, there has been a whole lot of communication which both helped our kids be able to anticipate what was coming and feel reassured and understood. We [are] so fortunate to have such fantastic professionals teach our kids! ”

Students and Staff On Campus

- Upon arrival on campus, all staff and students are required to complete a daily health survey and an on-site temperature check.
- Using this data, we have been able to accurately track the number of unique staff and students on campus each day. (Note: A student that visits a location more than once on a given day is only counted one time.)
