RE: FOIA Requests

**FOIA Response:**

Please see the attached email response. Responsive documents can be found online at <http://il.glenbrook.schoolboard.net/board>. (Responsive documents will not be attached to the all documents pdf, but can be found under the FOIA agenda item.)

**Background:**

The Freedom of Information Act (FOIA - 5 ILCS 140/1 et seq.) is a state statute that provides the public the right to access government documents and records. A person can ask a public body for a copy of its records on a specific subject and the public body must provide those records, unless there is an exemption in the statute that protects those records from disclosure (for example: records containing information concerning student records or personal privacy).

A public body must respond to a FOIA request within 5 business days after the public body receives the request or 21 business days if the request is for commercial purpose. That time period may be extended for an additional 5 business days from the date of the original due date if:

- The requested information is stored at a different location;
- The request requires the collection of a substantial number of documents;
- The request requires an extensive search;
- The requested records have not been located and require additional effort to find;
- The requested records need to be reviewed by staff who can determine whether they are exempt from FOIA;
- The requested records cannot be produced without unduly burdening the public body or interfering with its operations; or
- The request requires the public body to consult with another public body who has substantial interest in the subject matter of the request.

If additional time is needed, the public body must notify the requester in writing within 5 business days after the receipt of the request of the statutory reasons for the extension and when the requested information will be produced.

# **NEGOTIATED AGREEMENT**

## **2014-2018**

This Agreement, entered into May 12, 2014 between the Glenbrook Board of Education, District #225, hereinafter called the "Board," and the Glenbrook Education Association, hereinafter called the "Association," becomes effective May 12, 2014. This Agreement constitutes a successor Negotiated Agreement entered into during the term of an existing predecessor Negotiated Agreement and shall take effect May 12, 2014 and terminate on June 30, 2018. This Negotiated Agreement contains all of the terms agreed upon by the parties with respect to the subject matter of this Negotiated Agreement and supercedes all prior agreements, arrangements and communication between the parties concerning such subject matter. Specifically, as of May 12, 2014, this Negotiated Agreement terminates and replaces any and all previous Negotiated Agreements between the Board and the Glenbrook Education Association.

WHEREAS, the Board and the Association both agree that providing quality education for all the youth of Glenbrook Schools is a mutual aim,

WHEREAS, the parties have reached certain understandings which they desire to confirm in this Agreement,

NOW, THEREFORE, the parties mutually agree to respect and comply with the following:

### **ARTICLE I. RECOGNITION**

A. The Board hereby recognizes the Association as the sole and exclusive bargaining representative for all regularly employed certificated teaching personnel in the District excluding the Superintendent, directors, principals, assistant principals, deans, instructional supervisors, and other administrative personnel.

B. Unless otherwise expressly provided or clearly indicated by the context, the word "teachers" or the phrase "certificated teaching personnel" when used in this Agreement shall mean all regularly employed certificated District personnel whose position requires a certificate issued under Article 21 of The School Code. However, the word "teachers" or the phrase "certificated teaching personnel" shall not include (1) evening school personnel while employed as such, (2) summer school personnel while employed as such, (3) personnel employed in a capacity or in any program which is not usually or typically associated with the regular school year program or after school "extracurricular" programs while acting as such, (4) instructional supervisors unless they are teaching and seek representation in their role as a teacher.

## ARTICLE II. ASSOCIATION RIGHTS AND RESPONSIBILITIES

A. The Board agrees to furnish the president of the Association with the following:

1. A copy of the tentative School District annual budget at least thirty (30) days prior to adoption.

2. Other data relating to the financial resources of the District which will assist the Association in developing intelligent, accurate, and constructive recommendations on behalf of the teachers, students, and educational programs. This information will be provided upon request so long as it does not create additional work for the administrative staff.

B. **Dues Deduction.** The Board agrees to deduct Association membership dues, once each month, from the pay of those employees who individually request in writing that such deductions be made. After the dues deductions are made, they shall be remitted together with an itemized statement to the president of the Association. Authorization for each deduction shall be in effect for the duration of the Agreement unless written notice of revocation is given by the employee to the employer. Revocation shall become effective within thirty (30) days after such notice is given. The Association shall indemnify and save harmless the employer from any and all claims, demands, suits, and costs incurred in connection with any such claim, demand, or suit, resulting from any reasonable action taken or omitted by the employer for the purpose of complying with the provisions of this section. (Section B shall be modified by the provisions of Appendix K of this Agreement as of July 1, 1999).

C. **Association Leave.** Whenever a representative of the Association or a teacher is scheduled by the Board, or by the Superintendent, to participate during working hours in negotiations, grievance proceedings, conferences, or meetings, the teacher shall suffer no loss in pay nor shall such participation be charged to the teacher's leave time. The Association shall be allowed to send up to five (5) official Association delegates to the state association annual convention, for no more than two (2) days each, without salary adjustment provided the Board of Education is reimbursed an amount equal to the normal substitute teacher costs for each day each delegate is absent. The Superintendent may, at his/her sole discretion, grant upon request of the Association, additional days to be used for Association business with the Association reimbursing the Board for substitute teacher costs.

D. The Board shall grant 0.2 FTE to both Glenbrook North and Glenbrook South for the purpose of GEA administrative release. The FTE shall be in addition to each building's standard FTE allotment. The GEA Executive Board shall determine the recipient of the release in each building. Recipient names will be provided to the building Principals by April 1. If a recipient's release would result in hardship to a department, the Principal and the GEA Executive Board agree to discuss, in good faith, an alternative recipient.

E. The Association shall have the right to make use of school equipment, such as copiers, calculators, computers, telephones, e-mail, and audio-visual equipment when such equipment is not otherwise in use. The Association agrees to pay for the actual cost of supplies.

F. The Association and its representatives may be permitted to use school

buildings for meetings at times that do not conflict with instructional responsibilities. The Association shall reimburse the Board for any extra labor costs required for such meetings.

G. The Association hereby agrees not to strike or engage in or support or encourage any concerted refusal to render full and complete service to the School District.

H. The Association recognizes that abuses of sick leave, leaves of absence, tardiness, deficiencies in professional performance, or other violations of discipline by a teacher reflect adversely upon the teaching profession. The Association shall use its best efforts to enforce proper professional conduct on the part of its members.

I. The Association will continue to encourage and improve the professional performance of its members. Any professional employee may bring an incident of alleged improper professional conduct to the attention of the GEA executive board.

### **ARTICLE III. BOARD RIGHTS AND RESPONSIBILITIES**

Except as otherwise specifically provided in this Agreement or otherwise specifically agreed to in writing between the parties to this Agreement, the determination of educational policy, the operation and management of the schools, and the control, supervision, and direction of all certificated staff are vested exclusively with the Board.

All terms and conditions of employment not covered nor abridged by this Agreement shall not be the subject of negotiations during the life of this Agreement, unless such negotiations are mutually agreed to in writing by the Board and the Association.

### **ARTICLE IV. RIGHTS AND RESPONSIBILITIES OF TEACHERS**

A. Teachers shall comply with the rules and regulations adopted by the Board or its representatives.

B. Teachers of the Northfield Township High School district shall be assigned to teach or supervise educational activities 275 minutes of each 465-minute teaching day. The 465-minute teaching day shall include the fifteen (15) minutes prior to the start of the school day and fifteen (15) minutes at the end of the school day.

C. The Board recognizes its responsibility to continue to give reasonable support and assistance to all teachers with respect to control and discipline of students. Teachers shall continue to share responsibility for student control and discipline throughout the school day in the entire school facility and at any school sponsored event.

D. Each teacher shall have the right upon advanced request to review the content of the teacher's official personnel file maintained at the District administration office. Privileged information such as confidential credentials and related personal references sought at the time of employment are specifically exempt from such review. All communications including evaluations by supervisors or administrators, commendations, and validated complaints directed toward the teacher which are included in the teacher's official personnel file shall be called to the teacher's

attention at the time of inclusion, and the teacher will be permitted to file a rebuttal.

The rebuttal shall be prepared in triplicate, one for the instructional supervisor, one for the principal, and one forwarded to the Superintendent to be placed in the teacher's personnel file. A local representative of the Association may, at the teacher's request, accompany the teacher in the review. Only those materials included in the official file may be used for the purpose of taking disciplinary action.

E. The Board and the Association agree that in no case shall a teacher planning to be absent be permitted to or be held responsible for obtaining a substitute teacher. Teachers shall not be required to substitute for an absent teacher except in short-term emergencies. In short-term emergencies, however, when a teacher is absent and a substitute is not available, other teachers in the department when asked to substitute by their instructional supervisor for their absent colleague shall comply with the requests in the best interests of the students and the school. The instructional supervisor shall make a reasonable effort to obtain a substitute for any absence.

F. As a duly elected body exercising governmental power under the laws of the State of Illinois, the Board shall not discriminate against any teacher in the enjoyment of any rights conferred by the Constitution of the United States, the Constitution of the State of Illinois, and the laws of Illinois. However, this section is not a proper subject for binding arbitration as provided for under the grievance procedure of this Agreement.

G. Academic freedom shall be guaranteed to the teachers within the District's planned instructional program and no special limitation shall be placed upon study and investigation of facts and ideas concerning man, human society, the physical and biological world, and other branches of learning, subject to the following standards of professional responsibility:

1. The teacher shall encourage the student to study varying points of view and respect the student's right to form the student's own judgment.

2. The teacher may assume full political and citizenship responsibilities but shall refrain from exploiting the instructional privileges of the teacher's professional position to promote candidates, parties, or personal philosophies.

3. Academic freedom exercised by a teacher requires that the teacher be cognizant of the maturity of the teacher's students and that this be recognized in the teacher's instructional presentation.

In the event of adverse criticism by parents or citizens of the District, all reasonable effort shall be made by the parties to settle academic freedom disputes on the administrative level prior to submitting same to the Board for its decision. The Board recognizes its obligation to support the teacher in the legitimate exercise of the teacher's academic freedom as defined above.

H. The Board and the Administration believe in the tenets of progressive discipline, which include: verbal reprimand, written reprimand, suspension and dismissal. However, nothing herein will require the exhaustion of all of the above disciplinary steps when a decision is made that an incident requires a more severe disciplinary outcome.

When a Teacher is required to appear before the Board or the Administration concerning any matter which the Teacher believes could result in discipline, the Teacher is entitled to have a representative of the Association present. Furthermore, the Teacher directed to appear at such investigatory meetings will receive reasonable advance written notice of the meeting, except where an emergency or extraordinary situation exists which prohibits the provision of such written notice. The Teacher's right to Association representation shall not apply to evaluation conferences or impromptu meetings relative to the Teacher's regular daily performance.

At any such investigatory meeting, the Teacher will be presented with a factual explanation of any evidence gathered to date and will be offered a reasonable amount of time to review and an opportunity to respond to the evidence.

Prior to the time disciplinary action is taken, written notice of the specific grounds forming the basis for disciplinary action will be delivered to the Teacher. The Teacher, and if represented, the Association shall be provided an opportunity to respond both to the basis for the discipline and the possible disciplinary consequences.

#### **ARTICLE V: VOLUNTARY TRANSFERS AND INVOLUNTARY ASSIGNMENT**

A. The Board shall have the sole responsibility to promote employees to positions outside the bargaining unit as defined in Article I of this Agreement.

B. During the school year the Board agrees to give notice of vacancies existing or anticipated in all positions before filling the vacancy. Notices of vacancies will be posted on the District website at least ten (10) business days prior to filling the position. Any teacher who meets specified requirements for job opportunities and desires to make application for any vacancy should file a written application to the Superintendent or his/her designee within ten (10) business days following the announcement of the vacancy. In the case of positions listed on the Differential Responsibilities Schedule contained in Appendix F of this Agreement, and when an immediate need exists, the notice period prior to filling the vacancy shall be five (5) days.

C. In the event that a teacher chooses not to accept a position offered, it shall have no effect upon the teacher's future opportunities for other positions that are created or become vacant.

D. Teachers wishing to be considered for transfer must notify the Assistant Superintendent of Human Resources in writing by February 1 indicating the reasons for requesting the transfer and the school and position desired. Approval of the building principal and of the instructional supervisor involved is a prerequisite for such transfer. If the request for transfer from one building to another is not approved, the reasons for non-approval shall be given the teacher in writing by the Assistant Superintendent of Human Resources as soon as possible but no later than June 1.

E. Notice of involuntary re-assignment shall be given to the teacher no later than May 1 by the Assistant Superintendent of Human Resources or the principal under whom the employee was assigned prior to the re-assignment.

Involuntary transfers to new or vacant positions for teachers will be based on the consideration of the following factors: certifications, qualifications, merit and ability (including performance evaluations, if available), and relevant experience, provided that seniority must not be considered as a factor, unless all other factors are determined by the Board to be equal.

Within ten (10) days after receipt of notification of re-assignment, an employee dissatisfied with the new assignment may make a request in writing for a meeting with the principal under whom the employee was assigned prior to the re-assignment to discuss reasons for the re-assignment.

Within five (5) business days after such meeting the employee, if dissatisfied with the reasons given for the re-assignment, shall have the further right to request a meeting with the Superintendent to discuss said reasons. If the Assistant Superintendent of Human Resources has not attended the meeting with the appropriate principal, the Superintendent may elect to have said Assistant Superintendent of Human Resources confer with the employee in the Superintendent's place.

An Off-campus employee whose position prior to re-assignment does not come within the jurisdiction of any principal shall have the right to request a conference with the Director of Special Education and shall make the employee's request thereof within ten (10) days after receipt by the employee of the notice of re-assignment. Such meeting with the appropriate principal or Superintendent shall be held five (5) days after receipt of a request thereof by the Superintendent.

F. If the foregoing procedures have been followed, the decision of the Superintendent in all matters of promotion, voluntary transfer, and involuntary re-assignment shall be final.

G. Nothing in this Agreement shall prohibit the Board from making temporary appointments until positions can be filled with permanent appointments as provided in this Agreement.

## **ARTICLE VI: SENIORITY**

A. The Board shall develop District-wide seniority lists of teachers by service areas to be determined and as defined by the State Board of Education. Seniority shall be based on the number of full-time, full-term, continuous years of service in District #225, including service in District #225 in an administrative position as defined by Section A of Article I of this Agreement. Full-term shall be defined as employment in the District not later than January 1st.

B. To be included on a seniority list, teachers must have been legally certified and legally qualified in Illinois for employment in that service area and have employed in that service area in District #225.

C. Placement on a seniority list for teachers with equal number of years of service to the District shall be determined by the relative lane placement of the involved teachers on the teachers' salary schedule, the higher lane placement being more desirable.

D. If an administrator is assigned exclusively to the classroom, the administrator shall be placed on the seniority lists in the service areas for which the administrator is legally certified and legally qualified and in which the administrator has had previous teaching experience. The administrator will be placed on the seniority list on the step which correlates to his/her years of service in District #225.

## **ARTICLE VII: STAFF REDUCTION / HONORABLE DISMISSAL PROCESS**

1. When the Board determines that a decrease in the number of teachers or a discontinuance of some teaching service is necessary, such reductions in force will be accomplished in accordance with Section 24-12 of the School Code and other applicable sections of the School Code.

### **2. Honorable Dismissal List**

Annually, the District will establish an Honorable Dismissal List based on a categorization of each Teacher into one or more positions for which the Teacher is qualified to hold, based upon legal qualifications, certifications, endorsements, and any other qualification established in a District job description. Job descriptions must be established on or before May 10 prior to the school year during which the sequence of dismissal is determined. Copies of the list shall be distributed to the Association at least seventy-five (75) calendar days before the end of the school term.

### **3. Grouping of Teachers Within the Honorable Dismissal List**

Group One will consist of each non-tenured Teacher who has not received a summative performance evaluation rating;

Group Two will consist of Teachers with a "Needs Improvement" or "Unsatisfactory" summative performance evaluation rating on either of the Teacher's last two summative performance ratings;

Group Three will consist of each Teacher with a summative performance evaluation rating of at least "Proficient" on both of the Teacher's last two summative performance ratings, if two ratings are available, or on the Teacher's last summative performance evaluation, if only one evaluation is available, unless the Teacher qualifies for placement into Group 4;

Group Four will consist of each Teacher whose last two summative performance evaluation ratings are "Excellent" as well as each Teacher with two "Excellent" summative performance evaluation ratings out of the Teacher's last three summative performance evaluation ratings with a third rating of "Proficient."

4. Order of Dismissal:

Among teachers qualified to hold a position, teachers must be dismissed in the order of their groupings, with teachers in Group 1 dismissed first and teachers in Group 4 dismissed last.

a. Within Group 1, the sequence of dismissal is at the sole discretion of the district.

b. Within Group 2, the sequence of dismissal is based on the average of the last two summative performance evaluation ratings, if two ratings are available, or the teacher's last summative performance rating if only one rating is available. The average is calculated using the following numeric values: 4 for "excellent"; 3 for "Proficient" or "Satisfactory"; 2 for "Needs Improvement"; and 1 for "Unsatisfactory". Teachers with the lowest average summative performance evaluation rating shall be dismissed based on seniority, with teachers that have shorter length of continuing service with the District dismissed first.

c. Within Groups 3 and 4, the sequence of dismissal is based on certification qualifications, and seniority, with teachers that have shorter length of continuing service with the District dismissed first.

This article is not evidence that the Board waives any rights it may have to determine the qualifications of a Teacher to perform the duties of a specific position.

## **ARTICLE VIII. RECALL**

With respect to any Teacher who has been honorably dismissed, in the event the Board has any vacancies for the following school term or within one (1) calendar year from the beginning of the following school term, the positions thereby becoming available shall be tendered to the Teachers who were in Group 4 and Group 3 and based upon legal qualifications and any other qualifications established in a District job description on or before May 10 prior to the date of the position becoming available. Teachers from Group 3 or 4 shall be eligible for recall in reverse order of dismissal.

Teachers are responsible for informing the Office of the Superintendent of any changes in their qualifications and/or contact information after the date of their dismissal. The Board is responsible for sending notice to Teachers eligible for recall. A copy of this Article will be enclosed with the notice. Notice will be sent by registered mail to the last address on file with the Board. The Teacher

must give a written response postmarked within seven (7) days of receipt of the notice of vacancy, or within fourteen (14) days of the mailing of the notice of the vacancy, whichever occurs first.

Any Teacher who fails to respond to a proper notice of a vacancy or who declines to accept the position offered shall be placed at the bottom of the recall list as it then exists, and shall be eligible for one more recall opportunity.

**ARTICLE IX. TEACHING LOAD**

A. The Board and the Association recognize that effective learning is the basic foundation for a sound educational program. Effective learning depends primarily upon effective teaching. Effective learning and teaching can only take place when an appropriate number of students are assigned to the teacher. Appropriateness is based upon the following criteria:

1. the background and experience of the teacher,
2. the capabilities of the students enrolled,
3. the content of the course,
4. the techniques of teaching required, and
5. other considerations as mutually agreed upon by the Administration and Association on a case by case basis.

B. The following will serve as maximums for class size and load:

	<b>Max. Teacher Load</b>	<b>Max. Class Size</b>
Art	125	25/28
Physical Education	185	35/37
English	130	30
Business Education	140/160	35/40
Foreign Language	135	30
Family and Consumer Science	120	24/30
Applied Technology	120	24/28
Mathematics	140	34
Science	112	28
Social Studies	140	34
Driver Education	According to the State Code	According to the State Code
Special Education	Max Case Load*	15 *Unless required by law

C. **Class Schedules.** The Board shall have the right to conduct either 8-period class schedules or block class schedules under the terms and conditions described below in

Sections D and E. If the Board plans to change the schedule or schedules from one year to the next year, the Board shall notify the Association in writing not later than May 1st of the schedule or schedules it plans to conduct during the subsequent school year.

**D. 8-period class schedule.** Teachers shall be assigned to instructional assignments for five (5) of the eight (8)-period class day. Teachers are expected to be in the building at least 15 minutes prior to the start of the first period of each teaching day, or 15 minutes prior to their "early bird" class if the teacher is assigned to an "early bird" class, and 15 minutes at the end of the school day. Teachers are expected to be at their respective period #1 assignment at least five (5) minutes prior to the start of period #1. Those teachers who do not have a period #1 assignment shall check in with their respective departments at least five minutes prior to the start of the school day.

An example of a teacher schedule in an 8-period schedule is shown below:

Period 1	Class
Period 2	Unscheduled
Period 3	Lunch
Period 4	30-min.conf./20 min. for available resource time
Period 5	Class
Period 6	Class
Period 7	Class
Period 8	Class

**E. Block Class Schedule.** Teachers shall be assigned to instructional assignments for five (5) ninety (90)-minute blocks plus one (1) Ninety (90)-Minute Resource period over two (2) days. The ninety-minute resource period referenced above constitutes a sixth assignment. Teachers are not expected to take attendance during the Ninety (90) Minute Resource period.

Teachers are expected to be in the building at least fifteen (15) minutes prior to the start of the first block of teaching day, or fifteen (15) minutes prior to their "early bird" class if the teacher is assigned to an "early bird" class, and fifteen (15) minutes at the end of the school day. Teachers are expected to be at their respective first block assignment at least five (5) minutes prior to the start of the first block. Those teachers who do not have a first block assignment shall check in with their respective departments at least five (5) minutes prior to the start of the school day.

In an alternating day, quarter, or semester schedule, the maximum teacher load shall be determined by the total teacher loads over the (2) days, quarters, semesters. Each teacher shall have at least one (1) unscheduled block each day.

**Block and a Half Class Assignments:** Classes which meet one hundred thirty five (135) minutes every two days are the equivalent of one and a half (1.5) block classes. For example, a teacher assigned to two (2) block and a half classes and two (2) block classes would be considered as teaching five (5) block classes and therefore, could be assigned a sixth assignment. A teacher who teaches one (1) block and a half class and four (4) block classes would not be given an additional assignment.

An example of a teacher schedule in the block schedule is shown below:

	(A) <u>Day</u>	(B) <u>Day</u>
Block 2-3	Class	Class
Block 4-5	Unscheduled	30 min. conf/Unscheduled
Block 6-7	Class with 45-min. embedded lunch	6 <sup>th</sup> assignment with 45-min. embedded lunch
Block 8-9	Class	Class

**Special Assignments:** If a teaching assignment does not fulfill the five (5)-blocks over two (2)-day instructional assignment referenced above, a teacher may be assigned to any of the following Special Assignments to meet this requirement:

1. Individual work with assigned students
2. Supervision of open labs
3. Supervision of departmental resource centers
4. Special department project(s)
5. A period assignment, such as Advocacy
6. Other educational activities assigned by the principal

Teachers who are assigned to a Special Assignment shall be expected to teach educational activities during the resource period as mutually agreed upon by the Association and the Administration. Teachers assigned to any of the above Special Assignments shall be expected to record student attendance. These Special Assignment periods shall not exceed an average of 25 minutes per day.

For example a teacher who teaches four (4) blocks over two days may be assigned a 25 (twenty-five) minute Advocacy period in addition to a Ninety (90) Minute Resource period. Or a teacher who teaches four (4) could be assigned two (2) Ninety (90) Minute Resource periods.

Teachers assigned to a Special Assignment must meet at least one of the following criteria:

- (1) The teacher has volunteered to accept a Special Assignment, or
- (2) The teacher has fewer than three preparations in his/her regular teaching assignment, or
- (3) The part-time teacher has an F.T.E. of 0.75 or greater.

The Board may assign up to 15% of the teaching staff, in addition to the teachers identified in items #(1) through #(3) above, if the pool of teachers provided by items #(1) through #(3) fails to satisfy the full complement of Special Assignment needs for not more than two grade levels during any one school year. If a teacher with five blocks is assigned or volunteers for a Special Assignment, this will constitute that teacher's sixth assignment. The overall average class size shall be maintained in a range of from 20 to 25 students whenever teachers outside of items # (1) through # (3) are utilized.

F. The Board and Association recognize that new techniques of teaching and new organizational arrangements of teachers and students make occasional deviations in class size desirable. With the written consent of the teachers involved, class size and teacher maximums as indicated above may not apply in these cases as well as in cases of experimental programs. The Association recognizes and will continue to respect every teacher's individual right to increase class size and teacher load to improve instructional effectiveness.

G. It shall not be a practice to assign teachers to more than three teaching preparations; in no case shall a teacher with four or more teaching preparations have any additional assignments during the teaching school day.

H. A teaching preparation is defined as the assignment of a teacher to instruct students in a course and/or additional ability levels therein, whenever the instructional materials are substantially different, to constitute a distinct preparation as determined by concurrence of the teacher, the instructional supervisor, and the principal.

I. The teacher's unscheduled time shall be used for tasks directly related to the teacher's instructional responsibilities, except for occasional breaks. When necessary, a teacher may leave the building during unscheduled time with approval of the teacher's instructional supervisor. In those cases when the teacher's instructional supervisor is not available, the teacher may leave the building with the knowledge of the principal's office. The teacher shall post available times of not less than thirty (30) minutes per day, or every other day on the block schedule, for conferences during the teacher's unscheduled time within the teaching day. These conference times shall be scheduled at a time and at a location mutually acceptable to the teacher and the teacher's supervisor.

J. Teachers not engaged in classroom teaching shall have two (2) fifteen (15) - break periods and a lunch period equal to that of a classroom teacher. The break periods and lunch period shall be scheduled at a time mutually acceptable to the teacher and the teacher's supervisor.

K. All teachers shall be required to attend up to one staff meeting each week. These meetings should be planned on a monthly basis and shall normally be scheduled on Mondays. Staff meetings shall normally be adjourned no later than 4:30 p.m. Every teacher must attend these meetings unless an emergency situation develops which precludes such attendance. The principal must approve in advance all emergency requests for release from attendance at faculty meetings. The teacher's supervisor must approve in advance all emergency requests for release from attendance at all other staff meetings. Whenever possible, all such emergency requests shall be made by the teacher at least 24 hours in advance of the meeting.

L. All teachers as a part of their regular school responsibility will be required to supervise one student social activity per school year. Supervision of a student social activity may not include an activity for which the teacher receives compensation.

M. All teachers as part of their regular school responsibilities shall be required to attend up to three (3) Parent Conference Nights per school year. Teachers will not receive compensatory release time for participating in the first two Parent Conference Nights; however,

if a third Parent Conference Night is scheduled teachers will be provided with a two- (2) hour late arrival on the morning following the third conference night.

N. Glenbrook teachers share in the responsibility for addressing the educational needs of the students, the community and the School District, and for actively cooperating in the efforts to improve the total school program. These responsibilities include, but are not limited to: honoring the designated time of arrival and departure from school; assisting students outside of the regularly scheduled school day; attending special conferences with parents as they are needed; spending sufficient time in the school building to fulfill the teacher's total professional responsibilities.

O. In addition to student attendance days and institute days authorized by the School Code, all teachers will be required to attend Glenbrook days of normal working hours, on days designated by the Board for such purposes in or immediately before the school calendar adopted by the Board. The Glenbrook days shall be used for purposes deemed appropriate by the Board, such as additional student attendance, curriculum development, parent-teacher conferences, planning and evaluation, staff development, and student assessment. The number of such days scheduled shall not exceed five (5) days during any school year. For each day so scheduled by the Board, the Board shall increase teacher salaries by an amount equal to per diem for each such day scheduled, for the school year in which the days are scheduled. The Board shall schedule not less than three (3) Glenbrook days for the duration of the Agreement; however, the requirement for the Board to schedule the three (3) days shall terminate at the end of the **2017-2018** school year.

P. All teachers as a part of their regular school responsibilities shall be required to attend up to one (1) special staff development activity of up to four (4) hours per year outside the regular school day if the activity cannot reasonably be conducted during a regular department meeting and if the activity is approved by the school principal. Nothing in this section, however, shall preclude or prevent teachers from volunteering for other staff development activities outside the regular school day.

Q. The Board and the Association agree that a committee shall be established in each building to enhance the partnership in the creation, execution, evaluation, and revision of building and district improvement initiatives.

Each building school improvement committee shall include a representative from each department and selected members of the administrative staff. The Board and GEA may add to the committee membership by mutual agreement.

The operation of the committees, including regular meeting times and agendas, shall be determined within each building.

## **ARTICLE X. EVALUATION**

The Board and the Association have developed a Teacher Evaluation Plan for all certified staff covered by this agreement. Future modifications to the Plan will be collaboratively developed by the Board and the Association, consistent with the Illinois School Code. Evaluations will be conducted pursuant to the procedures in the Teacher Evaluation Plan.

A. Observations: Non-Tenured teachers shall be formally observed at least two (2) times, and informally observed at least one (1) time, by March 1 of each school year. At least one formal observation will occur by November 1. Tenured teachers shall be formally observed at least once, and informally observed at least once, by March 1 every other school year.

B. Evaluations: Non-Tenured teachers shall be evaluated at least once each school year by March 1st. Tenured teachers shall be evaluated at least once every other school year by March 1.

The written evaluation will include reflection on the teacher's goals and include evaluative comments relative to all four teaching domains: (1) planning and preparation, (2) classroom environment, (3) instruction, and (4) professional responsibilities.

The teacher shall sign copies of the written evaluation. One (1) copy of the written evaluation shall be retained by the instructional supervisor, one (1) copy shall be sent to the principal, one (1) copy shall be given to the teacher, and one (1) copy shall be sent to the Assistant Superintendent of Human Resources for placement in the teacher's personnel file.

C. On or before the first day of school or the first day of employment and before the evaluation process begins, the building principal or immediate supervisor shall provide each teacher with a copy of, and training on, the Teacher Evaluation Plan.

D. Within ten (10) school days of a formal teacher observation, the evaluator shall meet with the teacher to discuss the observation and provide a written summary of the observation. The teacher shall acknowledge receipt of such written summary.

E. The Administrators shall use such procedures, instruments(s), or form(s) as are set forth in the District's Teacher Evaluation Plan. All teacher evaluations will be completed no later than March 1.

F. Right to Respond:  
The teacher shall have the right to attach written comments regarding the evaluation within ten (10) school days after the meeting with the evaluator. Receipt of such attachment shall be acknowledged by the Administrator's signature.

G. District Evaluation Committee  
A Joint Board-Association committee composed of administrators and teachers will annually review the District's Teacher Evaluation Plan and recommend changes, if any, to the Board for approval.

**ARTICLE XI. LEAVES OF ABSENCE**

A. **Sick Leave.** Sick leave shall be accumulated at a rate of fifteen (15) days per school year. No limit shall be placed on the number of accumulated sick leave days unless a law is passed which requires the District's payment of a specified number of sick days upon the teacher's resignation/retirement from the District. Under no circumstances, unless required by law, will the District provide payment for a teacher's unused sick days.

Sick leave shall be interpreted to mean personal illness, quarantine at home, or serious illness or death in the immediate family or household, as well as, birth, adoption or placement of adoption. Immediate family is defined as a teacher's spouse, or the parent, legal guardian, brother, sister, son, daughter, grandparent, or grandchild of either teacher or spouse, or approved domestic partner who is at the time of such illness a member of the same household as the teacher. Under extraordinary circumstances, the principal may approve the use of sick leave for attendance at a funeral of an individual who was not a member of the teacher's immediate family. Serious illness shall be interpreted according to the normal use of the term by the medical profession. In the event a teacher is absent for illness or injury, and irrespective of whether such absence is charged to any accumulated sick leave, the Superintendent may require the teacher to provide the Superintendent with a physician's certificate; or if the Superintendent believes there may have been an abuse of the sick leave policy, the Superintendent may require an examination by a physician selected by the Superintendent. An examination by a physician selected by the Superintendent shall be at the Board's expense.

All teachers upon request shall be provided with a statement of total unused, accumulated sick leave once each school year. The Board shall establish a sick leave bank. The sick leave bank shall be administered by the Human Resources Office under the guidelines of Board Policy 6270: Certificated Personnel Sick Leave Bank.

Any teacher who is absent from school for reasons ordinarily associated with sick leave, who has no accumulated sick leave, and who is no longer qualified to borrow from the sick leave bank, shall lose per diem pay for each day of absence. Per diem pay for an employee covered by this Agreement shall be interpreted as an amount equal to the teacher's annual salary divided by the required number of teacher attendance days in the school year.

When schools are officially closed by the Superintendent, teachers shall neither be charged nor compensated for sick leave.

B. **Professional Leave.** Teachers shall be granted time off with pay for the purpose of visiting other schools or attending meetings or conferences of an educational nature provided that: (1) the administration considers the impact on the department and determines that such a visit, meeting, or conference would be worthwhile for the participating teacher; (2) the administration determines that funds are available (3) the teacher granted such permission is encouraged to share new knowledge of the school visit, meeting, or conference; (4) under no circumstances shall a teacher be paid more than the teacher's per diem pay and varied expenses without the prior written approval of the administration; (5) the teacher shall be required to credit against the teacher's regular per diem pay all sums received by the teacher from other sources for attendance at or participation in such functions; (6) the teacher shall be permitted to receive an

advance draw in the amount of up to two-thirds of the total anticipated expenses if the application for the draw is submitted to the Business Office at least one week prior to said leave.

C. **Leave for Legal Purposes.** Time off with pay shall be granted to any teacher when necessary for appearance in any legal proceedings arising out of a teacher's employment, providing said decision does not find unprofessional or dishonorable conduct of the teacher, dismissal of the teacher, or any breach of this Agreement by either the teacher or the Association.

D. **Jury Duty.** The District shall make up the difference in pay, if any, lost by any teacher as a result of being called to jury duty. The teacher shall, in turn, reimburse the District for any pay above the teacher's regular per diem teaching salary and expenses for such duty. Notification of being called to jury duty should be submitted to the building principal at least one week prior to such duty. A receipt containing a verified statement of expenses should be submitted to the Business Office within one week following completion of said duty.

E. **Sabbatical Leaves.** The Board may grant sabbatical leaves in accordance with the following procedures:

1. On recommendation of the Superintendent of Schools, the Board may permit teachers to take sabbatical leaves for one school year. Such leaves shall be granted for purposes designed to benefit the school system through study, research, a planned program of travel, or an approved combination of the above. The sabbatical plan shall require the approval of the teacher's instructional supervisor, the principal, and the Superintendent.

2. A maximum of five (5) teachers divided equitably between the schools may be granted leaves for any school year. Whenever more than five (5) applications have been received, awards will be based on the quality of service as determined by criteria to be established by the principal, the Superintendent, and the supervisory personnel (in the case of a teacher).

3. It is the policy of this Board to consider only those applicants who hold a Master's degree and who have or will have completed seven (7) years of service to the District. Such service need not be continuous but any leave from service will not exceed one school year, and at least three years of uninterrupted service must have been or will be completed immediately prior to the beginning of such a sabbatical.

4. Further, it is the policy of this Board to give priority to requests for one-year sabbaticals. Semester sabbaticals will be granted only if circumstances are deemed to be extenuating in the judgment of the administration and the Board.

5. A teacher on sabbatical leave shall receive a salary equal to one-half of the basic salary as if in actual service or the minimum salary provided by the first paragraph of Section 24- 8 of The School Code of Illinois, whichever is larger. In addition, the Board shall pay the retirement contribution as provided for under the Teachers' Retirement System, State of Illinois. The Board will maintain the premium contributions toward any fringe benefits agreed to in this Agreement.

6. Normal credit on the salary schedule shall be given for such leave. Time on sabbatical leave is considered as time in service to the District.

7. During the sabbatical the teacher shall file at least three (3) reports outlining the teacher's progress in meeting the sabbatical plans together with the teacher's impressions, experiences, and other matters consistent with the purpose and of interest to the students, staff, Board, and community.

8. The granting by the Board of a sabbatical leave should be interpreted as a finding that the leave is deemed to benefit the school system. Acceptance of such a leave carries with it the clear moral obligation on the part of the recipient to continue the recipient's service in the District following the termination of the leave. The Board considers it reasonable to expect recipients of sabbaticals to return and perform contractual continued service for a period of at least two school years following the end of the sabbatical leave. A teacher who fails to continue the teacher's services for two school years following the sabbatical shall be required to reimburse the Board for all compensation and fringe benefits paid by the Board to the teacher or on behalf of the teacher during the sabbatical year unless such return and performance is prevented by illness or incapacity. The teacher shall be required to sign a contract with the Board containing the reimbursement provision prior to the approval of the teacher's sabbatical.

9. All requests for sabbaticals shall be submitted to the Superintendent through the instructional supervisor and the building principal before February 1 of the year prior to the school year for which the sabbatical is requested. Requests for semester leaves must be received at least one full semester in advance of the leave. The letter of application shall outline the purpose of the sabbatical leave together with a tentative plan for the achievement of that purpose.

**F. Personal Leave.** Each teacher shall be eligible for two (2) days of personal leave with pay per school year for urgent personal or family matters that require the teacher's presence during the school day, and are of such nature that they are impossible to transact at a later time, such as on the weekend, after school hours, or during vacation periods. Annually all unused personal days will be transferred to the personal leave bank. Any days, in excess of three, in a teacher's personal leave bank shall be transferred to sick leave. Upon termination/retirement, all unused accumulated personal days will be reported to the Teacher Retirement System for service credit upon the teacher's retirement.

Application for personal leave with pay shall be made in writing by the teacher through the teacher's supervisor to the principal. The application shall be made at least one week before taking said leave, if possible.

In the event of an emergency, notice shall be provided as soon as possible so that the school can make appropriate arrangements to cover the absence. A statement setting forth the nature of the emergency shall be submitted in writing to the principal immediately upon return to school.

All such applications shall be subject to the approval of the principal.

It shall be the practice that no leaves be taken under this section on the day before or day following any school holiday or vacation. However, the Superintendent may make exceptions to this rule in unusual circumstances.

Personal leave in excess of two (2) days per year may be approved by the Superintendent in unusual circumstances. However, no more than five (5) personal leave days shall be approved during any school year. Personal leave days used in excess of the two (2) days approved each year shall be: a) deducted from accumulated personal leave, or b) paid back at the rate of one (1) day per year from the two (2) days allotted.

Unless approved by the Superintendent, a teacher who owes personal leave days from the previous school years cannot borrow additional personal leave days in the following school years until all borrowed days have been repaid.

Personal leave may be accumulated from year to year up to a maximum of three (3) days.

When schools are officially closed by the Superintendent, teachers shall neither be charged nor compensated for personal leave.

**G. Special Leaves of Absence.** The Board of Education of District #225 may grant a special leave of absence to tenured staff members when it is deemed to be in the best interests of the district, the building, and the staff member.

In order for the Board of Education to approve any request for a special leave of absence, evidence must be submitted in writing by the applicant's supervisor and principal clearly showing that the applicant has rendered satisfactory performance.

All requests for special leaves of absence to be considered by the Board must be made by February 1 of the year prior to the anticipated date the leave is to begin.

Special leaves of absence shall be determined between the teacher and Assistant Superintendent of Human Resources to establish the starting and ending time.

All staff members granted special leaves of absence must notify the Human Resources Office in writing by February 1 in the year of their leave of their intent to return or resign from District #225.

Failure to notify the Human Resources Office in writing of their decision to return or resign by February 1 will constitute an automatic resignation of the staff member, and each leave of absence is specifically predicted upon this resignation condition.

No salary or other remuneration will be paid to the staff member on a full-time special leave. Medical and dental insurance coverage may be continued at the sole expense of the staff member on a full-time special leave. Life insurance and disability insurance are not provided for staff members on a full-time special leave of absence.

Upon the completion of the special leave of absence, the staff member shall be returned to a position for which she/he is professionally trained and certified. The tenure status of the staff member shall not be affected by the terms of the leave of absence.

Teachers applying for a partial special leave of absence shall not be given an additional year of seniority credit or salary advancement credit for the time spent on leave. For tenured staff members on a partial special leave of absence, advancement on the respective seniority and salary schedules will be made when the sum of their partial special leave FTE assignments equals or exceeds a 1.0 FTE. Seniority and salary advancement must be established prior to the first day of the school year. No mid-year seniority or salary advancement will be made. Teachers on a partial special leave shall receive the same benefits as listed in Article XIII, Section T, "Benefits/Compensation for Part-Time Teachers".

**H. Family & Medical Leave of Absence.** Teachers employed by District #225 for at least twelve (12) months shall be eligible for leave under the Family & Medical Leave of Absence Act (FMLA) as outlined in Board Policy: Family & Medical Leave of Absence. FMLA leave shall run concurrently with the teacher's other applicable leaves of absence.

## **ARTICLE XII. GRIEVANCE PROCEDURE**

### **A. General Policy.**

1. The Board recognizes that in the interests of effective personnel management a procedure is necessary whereby its teachers can be assured of a prompt, impartial, and fair hearing on their grievances. Such procedure shall be available to all teachers, and no action of any kind shall be taken against any teacher for initiating or participating in a grievance procedure.

2. The parties shall make a sincere and determined effort to settle meritorious grievances in the steps of the grievance procedure and to keep the procedure free of unmeritorious grievances.

3. It is agreed that no grievance shall be presented hereunder which occurred prior to the effective date of this Agreement.

4. A grievance is defined to be a complaint by any teacher or a group of teachers within the bargaining unit, based on an event or condition which is claimed or considered to be a violation, misinterpretation, or misapplication of the terms of this Agreement.

5. Nothing contained herein shall be construed as limiting the right of any teacher having a grievance to discuss the matter informally with any appropriate member of the administration and having the grievance adjusted without intervention of the Association provided the adjustment is not inconsistent with the terms of this Agreement. If requested by the teacher, the Association representative may accompany the teacher to assist in the resolution of the grievance.

6. Re-employment of probationary teachers is not a proper subject for grievances under the grievance procedure, but violation of the procedures in the evaluation article of this Agreement are subject to the grievance procedures. Re-employment of

probationary teachers shall be in compliance with provisions of The Illinois School Code.

7. A grievance may be withdrawn at any level without establishing precedent.

8. Investigation or processing of any grievance shall normally be carried out on the teacher's own time, after school hours. However, when necessary, the investigation or processing of a grievance may be carried out on the teacher's unscheduled time (excluding regularly scheduled conference modules as required by Section I of Article VI of this Agreement).

9. The parties hereto acknowledge that it is usually most desirable for a teacher and the teacher's immediately involved supervisor to resolve problems through free and informal communications.

10. If the grievant and the Superintendent agree, Step #1 and/or Step #2 of the grievance procedure may be bypassed and the grievance brought directly to the next step.

11. The Board acknowledges the right of a representative of the Association to participate in the processing of a grievance at any level, and no teacher shall be required to discuss any grievance if the Association's representative is not present.

12. The Board and the administration shall cooperate with the Association in its investigation of any grievance, and further, they shall furnish the Association with such information requested for the processing of any grievance.

13. Section F of Article IV of this Agreement is not a proper subject for binding arbitration as provided for under the grievance procedure of this Agreement.

14. **Procedure for Grievance.** It is agreed that any grievance must be presented under the process of this Article promptly and within the prescribed time limitations. Working days for the purposes of the grievance procedure shall mean teacher employment days. Any grievance not presented by the individual, or the Association in the event of an appeal to arbitration, within the time limitations shall be considered settled on the basis of the decision which was not appealed or shall be deemed settled on the basis of the decision in the last step to which the grievance was carried and shall not be further appealed or filed as a new grievance. Time limits in the appeal steps may be extended by mutual agreement in writing.

**Step 1-** A teacher with a grievance shall first discuss the teacher's alleged complaint with the teacher's immediate supervisor with the objective of resolving the matter informally. Every effort shall be made by both parties to maintain the informality of these discussions. Tape recorders shall not be permitted during these discussions.

**Step 2-** If the grievance cannot be resolved informally, the teacher may file the grievance with the principal. The grievance must be filed in writing within ten (10) working days from the alleged occurrence of the event giving rise to the grievance or when the grievant knew of the event. The written grievance shall state the nature of the

grievance, shall note the specific clause or clauses of the Agreement which have been violated, misinterpreted, or misapplied, and shall state the remedy requested. Within seven (7) working days after such a written grievance is filed, the principal shall meet with the grievant and both parties shall make a reasonable attempt to settle the grievance. Within seven (7) working days after the second step grievance meeting, the principal shall make a decision on the grievance and shall communicate it in writing to the teacher and the Superintendent.

**Step 3-** If the grievance has not been satisfactorily resolved at the second step, the teacher may file the grievance with the Superintendent. The grievance must be filed with the Superintendent within five (5) working days from the receipt of the decision rendered in Step #2. Within ten (10) working days after such written grievance is filed, the Superintendent or the Superintendent's designated representative shall meet with the Grievant and both parties shall make a reasonable attempt to settle the grievance. Within ten (10) working days after the third step grievance meeting, the Superintendent or the Superintendent's designated representative, shall make a decision on the grievance and shall communicate it in writing to the teacher, the Principal, and the Board.

**Step 4-** If the grievance has not been satisfactorily resolved at the third step, the Association may submit, on behalf of the Association and the grieving teacher, the grievance to binding arbitration under the Voluntary Labor Arbitration Rules of the American Arbitration Association, which shall act as the administrator of the proceedings. The Association must submit in writing to the Superintendent within ten (10) working days from the receipt of the decision by the teacher rendered in Step #3, a notice of intent to enter into arbitration. Each party shall bear the full costs for its representation in the arbitration. The cost of the arbitration and the American Arbitration Association will be borne equally by the Board and the Association. The arbitrator, in the arbitrator's decision, shall not suggest amending, modifying, nullifying, ignoring, or adding to the provisions of this Agreement. The arbitrator's authority will be strictly limited to the issue or issues presented to the arbitrator in writing by the Board and the Association, and the arbitrator's decision must be based solely upon the arbitrator's interpretation of the meaning or application of the express relevant language of the Agreement.

### **ARTICLE XIII. COMPENSATION POLICY**

**A. Intent and Purpose.** It is the intent and purpose of the compensation policy to attract and retain the highest quality teacher who can make continuing contributions to the educational growth and development of all the teacher's students attending the Glenbrook Schools.

**B. General Policies.**

1. All teachers employed by the Board as of the end of the 2013-2014 school year shall remain placed and compensated on the 21-step schedule labeled "Teacher 1 Salary Schedule", found in Appendix A, unless noted below. Any teacher employed by the Board as of the end of the 2013-2014 school year who was placed on the 20-step schedule denoted "Teacher 2 Salary Schedule"

found in Appendix A, shall remain on that schedule until the teacher reaches Step 20 of such schedule. Thereafter, the teacher shall be placed on the "Teacher 1 Salary Schedule" on Step 21. Any teacher employed by the Board on or after July 1, 2014, shall be placed on the 32-step salary schedule denoted "Teacher 3 Salary Schedule" found in Appendix B.

2. Annual experience increments on the salary schedule are not automatic but are dependent upon an annual evaluation for all teachers as reported to the Superintendent by the building principal and shall be in conformity with statutory provisions. In the absence of an annual evaluation the teacher will be entitled to the annual increment. Teachers not receiving the annual increment under the conditions set forth above will be provided with an explanation in writing by the Superintendent or the Superintendent's designated representative. Such teachers shall be afforded the opportunity to respond in writing within ten (10) school days of the issuance of the written explanation, before a final decision is made. A copy of the Superintendent's explanation and the teacher's written response shall become part of the teacher's permanent personnel file. One (1) step on the salary schedule will be credited for each effective year of teaching in the Glenbrook Schools including the current year, but no more than one (1) step on the salary schedule may be granted in any one (1) year.

3. Experience outside the District may be counted at Board discretion.

**C. Academic Attainment.**

1. A teacher who has earned the right to move to a higher salary level by additional professional training (academic attainment) shall be placed at the higher salary level at the beginning of the next contract year.

2. Coursework submitted for Academic Attainment must be within the teacher's current professional assignment, general area of instruction, or otherwise be of value to the district.

3. Requests for all courses to be approved for advancement on the salary schedule shall be made by the teacher to the Assistant Superintendent of Human Resources at least ten (10) business days in advance of the start of the course. Application will be made using the appropriate form provided by the Human Resources office. Courses not approved in advance by the Assistant Superintendent of Human Resources shall not be considered for approval at a later date.

4. Denials of academic attainment requests shall be accompanied by a written rationale from the administrator issuing the decision. In the event of an appeal, written rationales will be provided to the Academic Attainment Committee.

5. The Academic Attainment committee will provide an appeal option for teachers whose requests for academic attainment course approval have been denied. The Committee will be comprised of the Assistant Superintendent of Human Resources, the Assistant Principals for Curriculum and a GEA representative from Glenbrook North and Glenbrook South. If an Off-Campus teacher requests an appeal, an Academic Attainment Committee member from Off-Campus will be seated.

6. Written notification that the teacher has earned sufficient credits to move to a higher salary level must be filed by the teacher with the Human Resources office no later than September 15th. An official transcript must be on file in the Human Resources office no later than October 15th.

**D. Salary Schedules.**

The Teacher Salary Schedules and Differential Responsibilities Salary Schedules in effect for the life of this Agreement are contained in Appendices A through E of this Agreement.

These schedules found in Appendices A through E were derived by using a formula whereby each step of the Teacher Salary Schedules and the Differential Responsibilities Salary Schedules was adjusted by a negotiated increase which was averaged with the rolling 10-year average of the Consumer Price Index for All Urban Consumers, rounded to the nearest 1/10 of 1%. If, in the judgment of the Board of Education, fundamental changes occur in the method of financing public school education in the State of Illinois which adversely affects the financial condition of this District, the Board shall have the option of having Article XIII and Section 0 of Article IX of this Agreement expire as of June 30, 2015, and renegotiating Article XIII and Section 0 of Article IX with the Association for the remaining school years of this Agreement. If the Board desires to renegotiate Article XIII and Section 0 of Article IX, the Board shall notify the Association of its intentions no later than February 1, 2015. Such a negotiation shall be limited to Article XIII and Section 0 of Article IX of this Agreement.

**E. Differential Responsibilities Schedule.**

1. The Differential Responsibilities Schedule is an instrument designed to compensate those Glenbrook teachers who assume responsibilities for directing student activities above and beyond the normal expectations of a professional teacher which occur after the school day except for those activities which have as a matter of past practice occurred during the school day and for which compensation has been paid.
2. The parties agree that the stipend for the extra assignment should be equitable to all teachers. Therefore, the Board agrees to pay all teachers who perform extra assignments as approved by the Board the same stipend for the same work. The only differential will come about based on experience in the position and performance as determined in a written evaluation by a supervisor. Of course, differential stipends will be paid for the various extra assignments in accordance with categories as listed in Appendix F.
3. The Board assumes the responsibility for approving all activities. Board action is required before any new activity is added to the list. Activities may be added or deleted from time to time. Proposals for additions or deletions will normally arise through administrative channels and be referred to the Board for their action. All assignments of individuals to extra responsibilities are subject to annual review by the building principals. Continued assignment of an individual

in a given activity is the principal's decision.

4. The scope, variety, and extent of extracurricular activities is a policy decision and, therefore, shall be determined by the Board. There is no continuing commitment that the program of responsibilities as outlined and specified shall remain in effect.
5. The list of activities attached hereto does not necessarily mean that an appointment of a staff member is automatic. This is to say that any activity which cannot be supported by adequate pupil response will not be sponsored for that year.
6. A sports season is defined as the period beginning with the first permissible day for practice through and including the last scheduled contest including tournament participation.
7. Every teacher or staff member who assumes an extra responsibility assignment shall, as soon as the activity is organized, submit to the Assistant Superintendent of Human Resources through the appropriate supervisor, the following information: (a) the names of all participants, and (b) the beginning and ending dates of the activity including rehearsals, all practices, and preparation dates and times.

This regulation applies to all boys' and girls' intramural programs, athletics, music, dramatics, debate activities, swim and dance shows, and cheerleading.

8. The preparation and distribution of basic contracts for the ensuing school year shall not be contingent upon the completion of all assignments of teachers to extracurricular responsibilities. All assignments of extra responsibilities shall, when agreed upon by the teacher and the administrative staff, be formalized by a separate and supplemental contract. If the basic contract and the assignment for extra responsibility can be accomplished at one time, both contracts shall be issued simultaneously.
9. All payments for extra responsibilities less legally required deductions shall be made as soon as possible upon the conclusion of the assigned responsibility. In the case of athletics, assigned responsibilities shall include all pre and post season meetings, banquets, and equipment returns and equipment inventory. Request for payment shall be initiated by the coordinator of athletics, instructional supervisor, or appropriate administrator, channeled through the building principal, and submitted to the Assistant Superintendent of Human Resources for authorization to pay. No request for payment shall be honored without the successive recommendations and endorsements indicated above. Whenever possible, payment for differential responsibilities will be made throughout the length of the season/activity.
10. The administration shall attempt to fill the positions listed on the Differential Responsibilities Schedule on a voluntary basis. The Association shall encourage its members to volunteer for these positions. However, if a qualified volunteer is not

available, the administration may assign teachers to the positions listed in Categories 1A through 1X of the Schedule provided that: (a) no teacher shall be involuntarily assigned to more than one assignment per year; (b) no teacher may be involuntarily assigned to the same extra-curricular assignment more than twice every three (3) years; (c) a teacher shall not be placed in an involuntary assignment during any semester in which the teacher is filling one other assignment on the Schedule on a voluntary basis; and (d) assignments shall be related to the teacher's training or experience.

Teacher pay for July and August will be received in separate direct deposits at the same time the June payment is made.

Overall coverage under the health insurance program shall be maintained at not less than the coverage in effect as of September 1, 2012 or as mutually agreed to by the Board and the Association.

The allowance may be used toward the purchase of individual dental insurance, family dental insurance, additional Section 125 flexible plan benefits, optional term life insurance or other benefits mutually agreed to by the Board and the Association. Any unused portion of the allowance shall be paid to the teacher as salary.

## APPENDIX G

### **GUIDELINES FOR ACADEMIC ATTAINMENT COURSEWORK**

#### **1. Rationale:**

Coursework submitted for academic attainment must be within the teacher's current professional assignment, general area of instruction, or otherwise be of value to the district.

All applications must include a written rationale that explains how the course(s) or degree program is within the teacher's current professional assignment, general area of instruction, or otherwise of value to the district.

#### **2. Requirements:**

Submissions for academic attainment must be within the teacher's current professional assignment, general area of instruction, or otherwise be of value to the district and can be made in three ways:

- A. A graduate degree program; OR
- B. A non-degree licensure/endorsement program or a focused grouping of classes; OR
- C. A single course

**3. Standards:** Courses submitted for academic attainment must meet the following minimum standards:

- A. A course must meet the standards as outlined in Article XIII, Section C of the Negotiations Agreement between the District #225 Board of Education and the Glenbrook Education Association (GEA). In addition the credits must be earned at an approved College or University as described below.
- B. College and University course credit will be composed of graduate courses, but credit for undergraduate work may be granted based on the rationale provided by the teacher.
- C. College and University Coursework. The coursework may be completed on campus or by distance learning. The credits hereunder must be earned at institutions which are accredited by at least one of the bodies noted below:
  - 1. National Council of Accreditation of Teacher Education
  - 2. North Central Association of Schools and Colleges
  - 3. Middle States, Association of Colleges and Schools
  - 4. New England Association of Colleges and Schools
  - 5. Northwest Association of School and Colleges
  - 6. Southern Association of Colleges and Schools

7. Western Association of Schools and Colleges, Accrediting Commission for Community and Junior Colleges

\*Note: A course that meets the above requirements is subject to pre-approval.

D. The teacher must earn a minimum grade of "B" if the course is to be applied toward Academic Attainment. (Upon appeal, a grade of "C" may be accepted for credit by the Academic Attainment Committee. A pass/fail grade can only be credited toward a teacher's advancement on the salary schedule if part of an approved degree program.

E. Courses taken for Academic Attainment must meet the Carnegie unit requirement of 15/16 hours of instruction for each academic credit earned.

F. Online courses or degreed programs must:

- meet the standards of academic attainment that are applied to traditional course offerings,
- be recognized on the approved university's official transcript,
- be interactive through e-mail, audio/video conferencing, and/or face-to-face interaction with the instructor and class members.

G. Audio or video courses cannot be accepted for Academic Attainment.

H. Graduate or undergraduate courses focused on supportive topics (i.e. stress management, gang awareness, classroom management, coaching, learning styles, behavioral issues, etc.) are limited to six (6) semester hours per lane change. Typically these courses are not part of a degreed program.

I. Credits that may be offered in conjunction with an approved professional leave may not be applied to advancement on the salary schedule unless the teacher bears the full cost of the professional development activity. ### Fair Share

The following provisions shall apply to all Glenbrook teachers within the bargaining unit defined by this Agreement whose first teaching position within the Glenbrooks commences after July 1, 1999.

1. Teachers who are not members of the Association, and whose first teaching position within the District commences after July 1, 1999, shall, commencing sixty (60) days after their first full day of work, pay a fair share fee to the Association for the costs of the services rendered by the Association that are chargeable to non-members under state and federal law. Such fair share fees shall be deducted by the Board from the earnings of non-members and remitted to the Association.
2. The Association agrees to assume responsibility to insure full compliance with the requirements of the United States Supreme Court and the Illinois Educational Labor Relations Board with respect to the rights of fair share fee payors. Accordingly, the Association agrees to:
  - a) Give timely notice to fair share fee payors in the amount of the fee and an explanation of the basis for the fee, including the major categories of expenses.
  - b) Advise fair share fee payors of an expeditious and impartial decision-making process whereby fair share fee payors can object to the amount of the fair share fee.
  - c) Place the amount reasonably in dispute into an escrow account pending resolution of any objections raised by fair share fee payors to the amount of the fair share fee.
3. It is specifically agreed that any dispute concerning the amount of the fair share fee and/or the responsibilities of the Association with respect to fair share fee payors shall not be subject to the grievance and arbitration procedure set forth in this Agreement.
4. Non-members who object to this fair share fee based upon either bona fide religious tenets or teaching or a church or religious body, as provided in Section 11 of the Illinois Educational Labor Relations Act, shall pay an amount equal to such fair share fee to a non-religious charitable organization in accordance with the rules and regulations of the Illinois Educational Labor Relations Board.
5. The Association shall indemnify and save harmless the employer from any and all claims, demands, suits, and costs incurred in connection with any such claim, demand, or suit, resulting from any reasonable action taken or omitted by the Board of Education for the purpose of complying with the provisions of this Appendix.
6. The Association and the Board agree to work cooperatively to develop procedures to implement the provisions of this Appendix.

Dear Ms. Latash,

Thank you for writing to Glenbrook High School District 225 with your request for information pursuant to the Illinois Freedom of Information Act, 5 ILCS 140/1 et seq.

On 2/27/18 we received your request for the following information:

I am requesting a copy of District 225's written policy regarding

(1) the use of coal tar sealants on properties owned or leased by the school district.

(2) any provision regarding coal tar sealant use contained in bid specifications for outside contractors.

If there is no written policy, but rather an informal policy and practice, I would appreciate your letting me know.

**District Response:** We do not have a formal policy on sealants. For roofing, the products we use are asphalt based and the flood coat used to adhere the gravel is an asphalt-based cold adhesive. For our parking lots, we are using an engineered resin emulsion sealer.

If you have any other questions regarding this subject please feel to contact Dr. Kim Ptak, Director of Operations/CSBO, directly at [kptak@glenbrook225.org](mailto:kptak@glenbrook225.org) or 847-486-4722.

d) Upon execution of this Agreement, the CONTRACTOR will provide the DISTRICT with permission from his/her/its employees for the DISTRICT to perform Illinois State Police Criminal History Background Investigations on all persons who will have direct contact with students and staff. Unless waived by the DISTRICT, the CONTRACTOR shall reimburse the DISTRICT for the costs of the criminal background investigation;

The primary business segments we currently service are as follows:

- School Campus Security
- Healthcare
- Utilities
- Senior Care
- Manufacturing
- Distribution
- Residential
- Non-profit facilities

American Heritage Protective Services, Inc. is a privately held company and has been in business for 17 years experiencing annual growth rates in excess of 20%. Over that same period we have turned away \$9 million in new sales that did not meet our high standards or match our business model.

The key executives at American Heritage Protective Services with whom you will interface each have over 25 years of experience in security management. Several key staff members have ten or more years of experience in law enforcement. Many of our key personnel have been working together for 25 plus years with experience in campus, law enforcement, and corporate security. We are the only Chicago area company of which we are aware that does multiple criminal background checks in order to prevent persons with criminal histories from entering our employment base. The reason that we take these precautions is because the State of Illinois will permit some of these people to work in security, and we will not.

We are well versed in the special skills that are required to be successful in sensitive environments. Our selection and training standards exceed all state and industry requirements resulting in a higher level of performance and employee retention.

Our Mission is to provide the highest quality security services in the Chicago area by adhering to the highest level of business integrity, taking great care to match the qualifications of our people with the specific requirements of the job, and treating our employees fairly and respectfully. Our executives and staff take an

active role in many Chicago area charities and civic organizations by donating time, talent, and treasure.

We stress the importance of customer service with all of our clients realizing its impact on the people we encounter daily. Our company philosophy regarding customer service is based on personal integrity and respect for others. We focus on customer service training during orientation, including the best ways to provide directional assistance and how to gently enforce policies. In fact, there is an additional, separate training module and quiz about customer service which all officers receive.

Glenbrook High School District 225 will be serviced by our corporate office which is located at 5100 West 127<sup>th</sup> Street, Alsip, Illinois, 60803. The phone number is (708) 388-7900.

### **III. Proposal**

#### **A. Scope**

American Heritage Protective Services, Inc. agrees to a contract and specific terms with Glenbrook High School District 225.

#### **B. Personnel**

All applicants must appear before us at our Corporate Office or other designated location and personally file their applications for employment. We do not accept on-line applications. This assures AHPS, Inc. and our clients that applications are not being completed by third parties. While these applicants are in our presence, we are afforded the opportunity to begin our interview process.

After successful interviews, reference checks and simultaneous criminal history and drug screens are conducted. Applicants without proof of PERC's must be fingerprinted according to State Guidelines.

At the time of the job offer, the Orion Integrity Test is conducted and immediately scored.

As part of the hiring process, the applicant must also provide an original training certificate. If the applicant cannot produce the original, he/she must attend and pass our State of Illinois 20-hour training course. (Some of our competitors will accept copies, instead of the original, training certificate, which are easy to counterfeit.)

Applicants are then scheduled to be interviewed by an account manager. Most often this is accomplished the same day.

Applicants who successfully complete the interview process are then properly uniformed. Before assignment to the client site, all applicants receive a company orientation and overview of our expectations. After being assigned to an account, the security officers are given site-specific training.

AHPS, Inc.'s goal is to exceed the minimum requirements of the State of Illinois for security officer training. Although the State requires only eight hours of annual in-service training, the AHPS, Inc. annual standard is 16 hours of training.

Annual reviews by WIPFLI have yet to find a single violation of any pre-employment requirements, such as, PERCs, training certificates, background checks, including criminal histories, or drug screens.

### **C. Quality and Service**

AHPS, Inc. has a senior-level management inspection team that is scheduled to conduct daily unannounced inspections of guard service accounts. Additionally, the assigned manager of any specified account is responsible for conducting weekly inspections and scheduling weekly in-person visits with our client contact.

During site visits our inspection team will conduct uniform inspection and check officers' overall work area and performance. Furthermore, inspectors provide additional training as part of each site visit (training topics will vary by client location).

AHPS, Inc. has a customized customer service training module that is interactive in a classroom setting where the participants share their thoughts on how to respond to various public situations. This module was created due to a specific need for enhanced customer service training for AHPS, Inc. officers and does include testing material.

Additionally, it may be prudent to offer a security survey to staff, faculty, and students as a way of gauging the overall security performance on campus. AHPS, Inc. would gladly aid in the creation of the survey because we have past experience assisting clients. Typically, surveys we have seen do not ask the appropriate questions as it relates to security services.

The following General Security Duties are the metrics we believe are significant:

- Patrols
- Ticket issuance
- Escorts
- Emergency Response

AHPS, Inc. is open to discuss the above listed metrics to better enhance the needs of Glenbrook High School District 225.

### **D. Pricing & Fees**

- AHPS, Inc.'s Straight Time Hourly Rate is \$17.54.
- Holiday Hourly Bill Rate is billed at double the Straight Time Hourly Rate.
- Overtime requested by Glenbrook High School District 225 will be billed at one and a half times the Straight Time Hourly Rate.

#### **E. Partnership Elements**

Promoting strong campus security will benefit Glenbrook High School District 225 and its marketing efforts to prospective students and their families.

AHPS, Inc. is open to discussing any future Partnership Elements with Glenbrook High School District 225.

#### **IV. General Business**

AHPS, Inc. has never been the subject of a lawsuit nor have we ever been cited, sanctioned, or reprimanded by the State of Illinois which has licensing authority over security contractors.

Our experience has told us that our business model is significantly different than many of the companies with which we compete. Since its inception, AHPS, Inc. has been in direct competition with local, regional, national, and international security companies. Our business model is based upon client satisfaction resulting in business retention, not on marketing programs and glitzy pamphlets. Others are happy "churning" business, but this is not for us. This is evidenced by the average longevity of our client relationships none of which have terminated AHPS, Inc. for poor service.

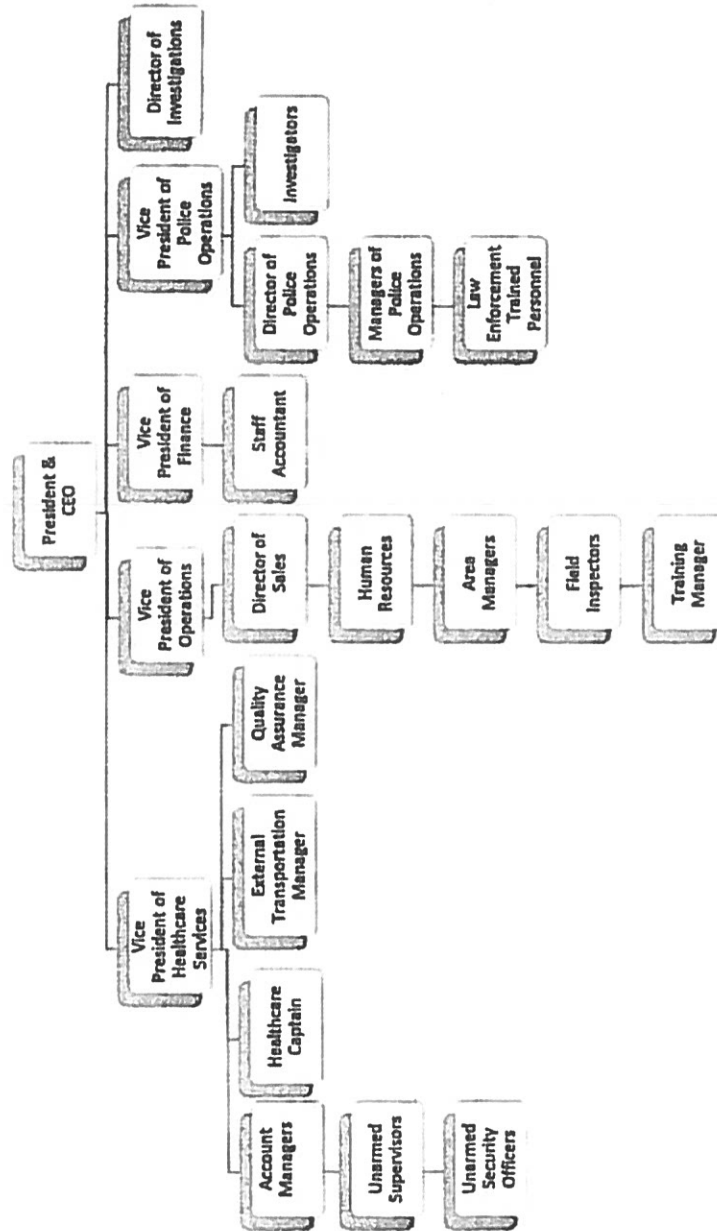

#### **A. Additional Comments**

- AHPS, Inc. In-service training programs are conducted on a regular basis, and competency is verified for all training topics. We have provided seminars for our clients and potential clients on Security Awareness, Identity Thefts, Gang-related Violence, Workplace Violence, Client Business and Homeland Security, etc.
- AHPS, Inc. is a full-service security company with many benefits. We offer Security Assessments, LiveScan Fingerprinting, Law Enforcement Trained Personnel, Uniformed Civilian Guards, and Expert Witness Testimony.
- AHPS, Inc. offers customizable training programs.
- AHPS, Inc. provides 24 hour management availability.
- AHPS, Inc. can provide Law Enforcement trained personnel for any Special Events, Emergency Situations, and/or Executive Protection upon request.
- AHPS, Inc. will provide guard uniforms at no cost to Glenbrook High School District 225 or AHPS, Inc. employees.
- AHPS, Inc. feels strongly about employee retention, so we offer a number of benefits including tuition reimbursement, health insurance, and life insurance policies. Furthermore, we recognize our employees for their outstanding service by our Officer of the Month/Year Program. The employee is given a certificate and a monetary award. While other security companies have a 100 – 300% employee turnover rate, for the calendar year 2014 our employee turnover rate for all causes was 42%.
- AHPS, Inc. believes in transparency as it relates to communications with our clients. We invite our clients to come to our corporate office to observe operation and check files for compliance.
- AHPS, Inc. has a back-up generator at the corporate office to protect critical data and permit us to continue normal operations during disastrous times. All of our computer data is backed up on a daily basis to both an onsite and an offsite location. AHPS, Inc. has a backup communication system in place for all managers and supervisors.
- AHPS, Inc. provides electronic billing and remittance capabilities.
- **American Heritage Protective Services, Inc. has never lost a client due to poor service.**

## Organizational Chart

## President and C. E. O.

Arthur J. Hannus had a distinguished 14-year career with the Chicago Police Department. An experienced detective, Mr. Hannus left the police department to accept a position to manage the Chicago Office of a Memphis-based, national contract security company. When he began his employment, this Chicago Office was in terrible trouble with letters of cancelation for sizeable accounts on his desk. Almost immediately, Mr. Hannus was able to turn this office around. After five years, he left the company, and the Chicago Office was the largest of 75 offices nationwide, including places like New York, Los Angeles, etc.

In 1986, Mr. Hannus went on to build a Chicago-based security firm "from scratch," which is still in existence. He built and designed everything from the ground up, starting with no client/employees. When he left, this company had swelled to over 500 employees.

In 1998, Mr. Hannus repeated this feat by creating American Heritage Protective Services, Inc. which now also has over 500 employees.

Over a 30 year career in the private sector Mr. Hannus has provided service to many fortune five hundred companies, hospitals, and schools.

Mr. Hannus currently serves as President of the Chicago Police Memorial Foundation where he remains "tuned in" with hundreds of active and retired police officers from the City of Chicago and collar counties. Other active positions held by Mr. Hannus include: President of Friends of Chicago's Finest, Director of the Illinois State Crime Commission, a past, 6 yr. board member of the Advocate Charitable Foundation, member of the Union League of Chicago, member of the Executive Club of Chicago, member of the Illinois Association of Chiefs of Police, and member of the South Suburban Chiefs of Police. He is also a past Vice-President of the Chicago Southland Chamber of Commerce.

### **Chief Operating Officer**

Peighton Myrie joined American Heritage Protective Services, Inc. in 2005 as an Account Manager in the hospital division. Mr. Myrie has 20 years of security management experience, with an emphasis on healthcare, and served simultaneously as the Director of two Chicago hospitals after having risen through the ranks. While employed by AHPS, Inc., Mr. Myrie has quickly transitioned into an integral part of the overall management team. Along the way he has directed the training of all security personnel as well as handled the responsibilities of IT, Purchasing, and a variety of other duties.

In his role as COO for AHPS, Inc. he is currently responsible for the entire Corporate Management Team, Sales Department, and Human Resources. Mr. Myrie holds an essential role in strategic planning, direct client communication, new business efforts, all legal matters, and corporate insurances.

Mr. Myrie graduated from Northeastern Illinois University with a Bachelor of Science degree in Political Science with a minor in Sociology. He holds Illinois State licenses for Contract Security, Private Detective, and Fingerprint Vendor. Mr. Myrie is an Executive member in good standing with the Executives' Club of Chicago and is a member of the Southland Chamber of Commerce.

Such person or organization is an additional insured only with respect to liability for "bodily injury", "property damage" or "personal and advertising injury" but only to the extent caused, in whole or in part, by:
1. Your acts or omissions; or
  2. The acts or omissions of those acting on your behalf;
- in the performance of your ongoing operations for an additional insured.
- A person's or organization's status as an additional insured under this endorsement ends when your operations for that additional insured are completed.

THIS ENDORSEMENT CHANGES THE POLICY. PLEASE READ IT CAREFULLY.

## AMENDMENT – OTHER INSURANCE (PRIMARY NONCONTRIBUTORY)

This endorsement modifies insurance provided under the following:

### COMMERCIAL GENERAL LIABILITY COVERAGE PART

**Condition 4. Other Insurance of SECTION IV COMMERCIAL GENERAL LIABILITY CONDITIONS** is replaced by the following:

**a. Primary Insurance**

This insurance is primary except when **b.** below applies. If this insurance is primary, our obligations are not affected unless any of the other insurance is also primary. Then, we will share with all that other insurance by the method described in **c.** below, except that we will not seek contribution from any party with whom you have agreed in a written contract or agreement that this insurance will be primary and noncontributory, if the written contract or agreement was made prior to the subject "occurrence" or offense.

**b. Excess Insurance**

This insurance is excess over:

- (1) Any of the other insurance, whether primary, excess, contingent or on any other basis:
  - (a) That is Fire, Extended Coverage, Builder's Risk, Installation Risk or similar coverage for "your work";
  - (b) That is Fire insurance for premises rented to you or temporarily occupied by you with permission of the owner;
  - (c) That is insurance purchased by you to cover your liability as a tenant for "property damage" to premises rented to you or temporarily occupied by you with permission of the owner; or
  - (d) If the loss arises out of the maintenance or use of aircraft, "autos" or watercraft to the extent not subject to Exclusion **g.** of Section I – Coverage A – Bodily Injury And Property Damage Liability.

- (2) Any other primary insurance available to you covering liability for damages arising out of the premises or operations, or the products and completed operations, for which you have been added as an additional insured by attachment of an endorsement.

When this insurance is excess, we will have no duty under Coverages **A** or **B** to defend the insured against any "suit" if any other insurer has a duty to defend the insured against that "suit". If no other insurer defends, we will undertake to do so, but we will be entitled to the insured's rights against all those other insurers.

When this insurance is excess over other insurance, we will pay only our share of the amount of the loss, if any, that exceeds the sum of:

- (1) The total amount that all such other insurance would pay for the loss in the absence of this insurance; and
- (2) The total of all deductible and self-insured amounts under all that other insurance.

We will share the remaining loss, if any, with any other insurance that is not described in this Excess Insurance provision and was not bought specifically to apply in excess of the Limits of Insurance shown in the Declarations of this Coverage Part.

**c. Method Of Sharing**

If all of the other insurance permits contribution by equal shares, we will follow this method also. Under this approach each insurer contributes equal amounts until it has paid its applicable limit of insurance or none of the loss remains, whichever comes first.

If any of the other insurance does not permit contribution by equal shares, we will contribute by limits. Under this method, each insurer's share is based on the ratio of its applicable limit of insurance to the total applicable limits of insurance of all insurers.

**THIS ENDORSEMENT CHANGES THE POLICY. PLEASE READ IT CAREFULLY.**

**WAIVER OF TRANSFER OF RIGHTS OF RECOVERY  
AGAINST OTHERS TO US**

This endorsement modifies insurance provided under the following:

COMMERCIAL GENERAL LIABILITY COVERAGE PART

**SCHEDULE**

**Name of Person or Organization:**

BLANKET WHERE REQUIRED BY CONTRACT

(If no entry appears above, information required to complete this endorsement will be shown in the Declarations as applicable to this endorsement.)

The TRANSFER OF RIGHTS OF RECOVERY AGAINST OTHERS TO US Condition (Section IV – COMMERCIAL GENERAL LIABILITY CONDITIONS) is amended by the addition of the following:

We waive any right of recovery we may have against the person or organization shown in the Schedule above because of payments we make for injury or damage arising out of your operations or "your work" done under a written agreement that requires you to waive your rights of recovery. The written agreement must be made prior to the date of the "occurrence". This waiver applies only to the person or organization shown in the Schedule above.

**A. Who Is An Insured**

The following is added to Paragraph A.1. of Section II – Covered Autos Liability Coverage:

**d. Any:**

(1) Subsidiary which is a legally incorporated entity of which you own greater than 50% interest in the voting stock on the effective date of this Coverage Form. However, the insurance afforded by this provision does not apply to any subsidiary that is an "insured" under any other automobile liability policy, or would be an "insured" under such policy but for the termination of such policy or the exhaustion of such policy's limits of insurance.

(2) Organization you newly acquire or form, and over which you maintain majority interest.

The coverage afforded by this provision:

(a) Is effective on the acquisition date, and is afforded only until the 180th day after you acquire or form the organization or the end of the policy period, whichever is earlier;

(b) Does not apply to "bodily injury" or "property damage" resulting from an "accident" that occurred before you acquired or formed the organization; and

(c) Does not include any newly acquired or formed organization that is:

(i) A joint venture or partnership; or

(ii) An "insured" under any other automobile liability policy or would be an "insured" under such policy but for the termination of such policy or the exhaustion of such policy's limits of insurance.

e. Any person, organization or governmental entity with respect to the operation, maintenance, or use of a covered "auto" if you are required to add such person, organization or governmental entity to this policy as an additional insured in order to comply with the terms of a written "insured contract" or written agreement. This does not apply when such contract or agreement:

(1) Involves the owner or anyone else from whom you hire or borrow a covered "auto" unless it is a "trailer" connected to a covered "auto" you own; or

(2) Is executed after the date of loss.

Paragraph e.(2) does not apply if:

(1) The terms and conditions of the written "insured contract" had been agreed upon prior to the "accident" or "loss"; and

(2) You can definitively establish that the terms and conditions of the written "insured contract" ultimately executed are the same as those which had been agreed upon prior to the "accident" or "loss".

f. Any of your "employees" while using a covered "auto" in your business or your personal affairs, provided you do not own, hire or borrow that "auto".

**B. Coverage Extensions - Supplementary Payments**

Paragraphs A.2.a.(2) and A.2.a.(4) of Section II – Covered Autos Liability Coverage are replaced by the following:

(2) Up to \$3,000 for cost of bail bonds (including bonds for related traffic law violations) required because of an "accident" we cover. We do not have to furnish these bonds.

(4) All reasonable expenses incurred by the "insured" at our request, including actual loss of earnings up to \$1,000 a day because of time off from work.

**C. Fellow Employee**

The following exception is added to exclusion 5. **Fellow Employee** under paragraph B. **Exclusions of Section II – Covered Autos Liability Coverage:**

This exclusion does not apply if the "bodily injury" results from the use of a "covered auto" you own or hire. The coverage provided under this exception is excess over any other collectible insurance.

**D. Towing**

Paragraph A.2. of Section III – Physical Damage Coverage is replaced by the following:

2. We will pay for towing and labor costs each time that a covered "auto" is disabled. All labor must be performed at the place of disablement of the covered "auto". If the auto is not a private passenger type, a \$250 deductible will apply to this coverage but it will not reduce the available limit of insurance. For all types of "auto", the most we will pay under this coverage is \$1,000 per disablement. "Autos" which are disabled do not include stolen vehicles.

**E. Glass Breakage – Hitting A Bird Or Animal – Falling Objects or Missiles**

The following is added to Paragraph A.3. of **Section III – Physical Damage Coverage**:

Any deductible shown in the Declarations will not apply to glass breakage if such glass is repaired, in a manner acceptable to us, rather than replaced. If the glass must be replaced and there is no other damage associated with the "loss", the deductible will be \$100 unless a lower deductible is shown in the Declarations applicable to this coverage.

**F. Loss Of Use Expenses**

Paragraph A.4.b. of **Section III – Physical Damage Coverage** is replaced by the following:

**b. Loss Of Use Expenses**

For Hired Auto Physical Damage, we will pay expenses for which an "insured" becomes legally responsible to pay for loss of use of a vehicle rented or hired without a driver, under a written rental contract or agreement. We will pay for loss of use expenses if caused by:

- (1) Other than collision only if the Declarations indicate that Comprehensive Coverage is provided for any covered "auto";
- (2) Specified Causes Of Loss only if the Declarations indicate that Specified Causes Of Loss Coverage is provided for any covered "auto"; or
- (3) Collision only if the Declarations indicate that Collision Coverage is provided for any covered "auto".

However, the most we will pay for any expenses for loss of use is \$50 per day, to a maximum of \$1,000.

**G. Extra Expense – Stolen Vehicle**

The following is added to Paragraph A.4. of **Section III – Physical Damage Coverage**:

**c. Stolen Vehicle**

We will pay for all reasonable and necessary expenses to return a stolen covered "auto" to you.

**H. Airbag Coverage**

The following exception is added to Paragraph B.3.a. of **Section III – Physical Damage Coverage**:

The accidental discharge of an airbag shall not be considered mechanical breakdown if it occurs in a covered "auto" for which Comprehensive coverage is purchased. This provision does not apply to "autos" you hire with a driver and is excess over any warranty specifically designed to provide this coverage.

**I. Electronic Equipment Coverage**

**Section III – Physical Damage Coverage** is amended as follows:

1. The sublimit in Paragraph C.1.b. of the Limit Of Insurance Provision is increased to \$3,000.
2. No Physical Damage Coverage deductible applies to the first \$3,000 of "loss" to electronic equipment described in Paragraph C.1.b. of the Limit Of Insurance Provision.

**J. Single Deductible Provision**

The following is added to Paragraph D. of **Section III – Physical Damage Coverage**:

If a Comprehensive or Specified Causes of Loss Coverage "loss" from "accident" involves two or more covered "autos", only the highest deductible applicable to those coverages will be applied to the "accident", if the cause of the loss is covered for those vehicles.

This provision only applies if you carry Comprehensive or Specified Causes of Loss Coverage for those vehicles, and does not extend coverage to any covered "autos" for which you do not carry such coverage.

If a "loss" covered under this Coverage Part also involves a "loss" to other property from the same "accident", which is covered under a Commercial Property or Inland Marine Coverage Part issued by us to you, only the highest deductible applicable to those coverages will be applied to the "accident".

**K. Notice To Company**

Paragraph A.2. of **Section IV – Business Auto Conditions** is amended as follows:

1. With respect to notification requirements, your obligation under Paragraph A.2.a. applies only when the "accident" or "loss" is known to:

This waiver extends only to payments in excess of other valid and collectible insurance available to the officer, director or employee.

**M. Unintentional Failure To Disclose Hazards**

The following is added to Paragraph B.2. of Section IV – Business Auto Conditions:

If you unintentionally fail to disclose any hazards existing on the effective date of this Coverage Form, we will not deny coverage under this Coverage Form because of such failure. ## EXHIBIT A

perform a 'practice run' of each route, for each individual district, prior to the start of school in the fall, on a date mutually agreed upon by District and Company.

- L. The Company must provide on-going in-service training programs for the bus drivers. Drivers shall be required to attend the meetings. A minimum of two in-service meetings shall be held each school year with a minimum length of 1/2 hour each. All drivers shall maintain a courteous attitude and neat appearance. A uniform appearance is recommended. All drivers shall speak fluent English.
- Q. Each driver assigned to the performance of this agreement shall be free from any physical defect that inhibits the driver's ability to operate a vehicle safely.
- R. The District shall be furnished proof that each driver has satisfactorily met the State requirement for a physical examination. Thereafter, throughout the term of the agreement, each driver shall have a new physical examination each school year. Each bus driver will undergo a drug test as part of his/her physical exam for each initial license and each license renewal. In addition to annual drug tests, the Contractor will have a drug testing program that requires testing of drivers for reasonable cause, as determined by either the District or the Contractor, and post-accident and random drug testing. A positive test will forever disqualify a driver from providing service to the District. All drug tests will be at the Contractor's expense. The District or its representative may at its discretion demand such additional examinations of drivers as it deems necessary and the costs of such additional examinations, including drug testing of drivers shall be paid for by the Contractor. Any driver who is found to be physically or mentally unfit to operate a school bus shall be removed immediately from performance of his/her transportation duties.
- S. The Company shall provide to all drivers a manual or handbook outlining all Company policies and procedures. Included therein must be a written policy covering procedures to follow in emergency situations and all steps to follow if the bus is involved in an accident of any kind. There should also be a procedure outlining the steps to follow if a bus breaks down. All drivers should be schooled and tested on these procedures to the extent that they will be prepared if an emergency does occur. The applicable Superintendent of Schools or appointed representative must be immediately notified by the Contractor when any accident has occurred or any driver has been stopped by the police and issued a citation.

***Pre-tripping Your Bus***

The Company shall follow pre-trip inspections as defined and required by The Illinois Department of Transportation.

These will be set up according to District policy for length of ride, location of bus stops and walking distances. Three to a seat is allowable for grades K-2 only. Final approval by each District or its appointed representative must be given before the routes are used. Proposed routes will be provided to the Districts by February 1st of each year for District approval.

The bus driver is responsible for only the discipline that is required to operate the bus. The name of the student that causes a disturbance or undesirable situation, or violates any school regulation on a bus, and a description of the occurrence will be reported to the student's school by the bus driver or his/her supervisor no later than noon of the next school day. ### ***Emergencies***

In the event of an emergency situation at any one of the schools covered by this proposal, which necessitates removal of students from said school or schools, the Contractor shall provide the required transportation within 60 minutes of such request.

In cases of emergency which necessitates the cancellation of bus service on the part of either party, the Districts or the Contractor shall be notified as soon as it is apparent that school will be closed or that buses will not operate. Whether schools will be closed due to inclement weather will be decided by each District Superintendent. The District's Superintendent or their appointed representative will consult with the Contractor regarding driving conditions.

### ***Non-Assignment***

The Bus Company shall not assign or sell any rights to this contract to another party or parties without prior written approval from the Districts. Such action without approval shall invalidate this contract.

In the event that service is interrupted for any of the above reasons or any other event which prevents the Contractor from furnishing service, the Districts shall have the right to secure and substitute other transportation service. The Contractor agrees to pay the difference between its charges and the charges of the substitute bus company, plus any consequential damages related to the interruption in service.

***Breach of Contract***

If the Company shall materially violate, breach or fail to perform any of the terms or conditions herein contained, including the provisions of the statutes, rules and regulations referred to above, the contract shall, at the option of the School Boards, be void and the said District shall be entitled to damages, including attorney fees, resulting from said breach or failure on the part of the Company. The partial or total failure of the Company to perform its services as a result of extreme weather conditions, impassable roads or acts of God shall not be judged a breach of the proposed contract. However, the Company shall not be paid for any lack of total performance.

If, in the opinion of the Districts, minor contract violations and/or non-performance problems occur, the Districts shall be entitled to damages, costs and fees including, but not limited to reasonable attorney fees incurred in enforcing or correcting such breach. The Contractor will remedy any such violations or non-performance problems within 48 hours of notice of such from the Districts, except that violation which affects the safety of students will be remedied immediately. Contractor may be provided, but is not guaranteed, an opportunity to cure any material defects in servicing the contract prior to the District's termination of the contract for material breach.

***Termination of Contract***

The Districts shall have the right to terminate this contract at the end of any school year by giving written notice to the Contractor no later than April 1 of the school year at the end of which service will terminate.

***Penalties***

- A. The Contractor selected agrees that the highest standards of delivery service are expected to be provided to all Districts at all times during the term of this Contract.
- B. Each District reserves the right to withhold certain payments in part or in whole based on the Contractor's performance under the terms of this Contract. By accepting this Contract, the Contractor agrees that in the event of the specific service violations listed herein, that sums listed under each occurrence may be withheld from the next subsequent payment due the Contractor.
- C. Conditions such as weather, traffic accidents that impede traffic, and construction that are outside of the Contractor's control will not result in the assessment of a penalty for applicable situations outlined below, provided that the Contractor provides reasonable notice to the School District's Superintendent or their appointed representative of the event and in his or her discretion, determines that the Contractor's reason for the service violation is valid. The District's Superintendent or their appointed representative will utilize current service expectations when assessing penalties.
- D. A **credit of 50% of the route rate** will be given to the District for each morning (AM) portion of a route which is completed more than fifteen minutes after the school starting time and for each afternoon portion of a route or an activity route which is started more than fifteen minutes after scheduled departure time, unless the delay is caused by accident, extreme weather conditions, student related issues, or a school charter run which interferes with the route.

The second bus route covers Brookview Village, Timber Trails, Salem Walk, Greenleaf, Concord, Bishop's Gate, and Twelve Oaks. This bus is over crowded and it would be best if we could split this route.

Winkelman after school clubs are on Tuesdays, Wednesdays, and Thursdays with an average of 77 riders per day. Due to the after school clubs, Monday and Friday buses are generally filled.

## **FIRST STUDENT PROPOSAL HIGHLIGHTS**

### **Operations Plan**

#### **Local Management and Key Personnel**

Our location manager is responsible for leading the Northbrook School District 27; Northbrook School District 28; Sunset Ridge School District 29; Northbrook/Glenview School District 30; West Northfield School District 31 and Northfield Township High School District 225 student transportation program toward service excellence and continuous improvement. He is the point person and designated contract

administrator. Supported by an area general manager and district manager, our location manager(s) ensures your needs are consistently met, issues are satisfactorily resolved, and additional training and resources are made available as needed to take service to the next level. It is our intent to continue operating your Regular Education transportation out of our Northbrook location

**Following is our proposed staffing plan for our Northbrook location:**

- 1 location manager
- 1 safety manager
- 2 dispatchers
- General office/payroll clerk
- 1 router
- 1 shop manager
- 3 technicians

All of these employees will receive our complete full-time benefits program which includes healthcare, dental insurance, life insurance, vision plan, accidental death and dismemberment insurance, 401K retirement/savings plan, paid vacation and sick days and employee training and development programs.

### **Regional Management Support Team**

A regional and corporate support team, made up of seasoned, knowledgeable professionals, will always be available to support and provide guidance and oversight of our location. This network of resources and expertise allows our staff to share information, experience and best practices.

- Roger Moore, Senior Vice President, Central Region
- Bob Rutkoski, Area General Manager
- Jim Kingston, District Manager
- Travis Gidner, Region Safety Manager
- Scott Passini, Region Finance Director
- Sharr Campbell, Region Human Resources Director
- Scott Greenstreet, Region Maintenance Manager

### **Drivers**

The students we serve are at the heart of all we do at First Student; we look for drivers who not only know their community but also clearly share this core value. It has become increasingly difficult to recruit drivers in the Chicago area. We have included driver wages that are significantly more than prevailing wages. This should allow us to better recruit and retain drivers.

### **Fleet and Technology**

First Student has made a significant investment in new buses to serve the transportation needs of District. Of the 64 required buses, over half of them will be newer Thomas Built buses. These buses contain the very latest in technology and safety features including Zonar™ High Definition GPS with EVIR handheld pre-trip device, two-way radios, and digital cameras on all buses. Additionally, First Student's proprietary Customer FOCUS interface gives the District direct access to actual vs. planned metrics in both replay and report formats. Replay and bus location information can be viewed by the District in near real-time while actual vs. planned data can be viewed at a District-wide and/or an individual route level, providing complete transparency.

### **Facility, Maintenance and Fuel Management**

First Student plans to continue to operate this business from our Northbrook facility located on Old Willow Road. First Student's shop manager and technicians are provided extensive training and ongoing

development to keep Northbrook School District 27; Northbrook School District 28; Sunset Ridge School District 29; Northbrook/Glenview School District 30; West Northfield School District 31 and Northfield Township High School District 225 vehicles running safely and reliably.

Our shop manager typically oversees the delivery of fuel to our locations. Fuel tanks are locked and monitored to ensure fuel meets all environmental requirements. A majority of our locations monitor fuel levels and usage electronically with daily usage reconciliation.

## Contract Pricing

Market conditions and risk factors have significantly changed in the Chicago area. Our pricing plan is based on our fully compliant response that accepts all conditions contained in the RFP but we must have the exceptions noted below in the final contract **specifically but not limited to the requirement that we must receive a minimum of \$250.00 per bus per day.**

We welcome the opportunity to continue our partnership with Northbrook School District 27; Northbrook School District 28; Sunset Ridge School District 29; Northbrook/Glenview School District 30; West Northfield School District 31 and Northfield Township High School District 225. In our long history of service, which we can trace back to 1950, we have developed great relationships with similar districts. We encourage you to reach out to other First Student customers like **Kildeer-Countryside District 96 in Buffalo Grove, Illinois; Aptakisc-Tripp School District #102 in Buffalo Grove, Illinois; and Schaumburg Community Consolidated School District #54 in Schaumburg, Illinois** to understand their experiences in working with First Student.

## Exceptions

- All terms and conditions as well as addenda have been noted and agreed with the following requirement: **Pricing** Rates are subject to a minimum daily charge of \$250.00 per bus per day when routes are not paired or shared among districts. i.e. the bus is doubled in the morning (2 x \$65.00 = \$130.00 AM) and single run in the PM (1 x \$65.00 and standalone surcharge to the district operating the single tier of \$55.00) for a total daily charge of \$250.00.
- **Termination for Convenience** Page 14, District can terminate the contract at the end of a fiscal year (June 30) by giving notice by April 1 to contractor. FS strongly prefers that both parties have right to terminate for convenience. Consider taking exception and revising to state

**Either party may terminate at the end of the fiscal year by giving notice to the other party by April 1.**

- **Liquidated Damages/Penalties**

Document Location: page 14

**"THE DISTRICT MUST NOTIFY THE CONTRACTOR OF PENALTIES ASSESSED WITHIN THIRTY (30) DAYS SO THAT THE CONTRACTOR HAS THE OPPORTUNITY TO INVESTIGATE THE MATTER IN ORDER TO EITHER CORRECT THE CAUSE OF THE PENALTY(IES) OR TO ESTABLISH THE CONTRACTOR DID NOT CAUSE THE DELAYS. IF THE DISTRICT FAILS TO ALERT THE CONTRACTOR WITHIN THIRTY (30) DAYS OF ANY PENALTIES, THE PENALTIES WILL BE WAIVED."**

- **SCHOOL BUSES, SECTION L & M PAGE 8**

THESE SECTIONS ADDRESS INCREASES AND DECREASES WITH REGARD TO SERVICE. PLEASE TAKE EXCEPTION BY INCLUDING THE FOLLOWING LANGUAGE IN THE PROPOSAL SO THAT WE SPECIFY THE PRECISE POINT AT WHICH NEGOTIATIONS SHALL TAKE PLACE:

"DISTRICT MAY INCREASE OR DECREASE SERVICES TO BE PROVIDED BY CONTRACTOR UNDER THIS RFP. HOWEVER, WHERE SUCH INCREASES OR DECREASES IMPACT BY GREATER THAN 5% THE SERVICE LEVELS OR EQUIPMENT LEVELS REQUIRED OF CONTRACTOR UNDER THE ASSUMED ROUTES, SCHEDULES, DAYS OF SERVICE, HOURS OR MILES, OR VEHICLE REQUIREMENTS CONTAINED IN THIS RFP, UPON CONTRACTOR'S REQUEST, THE PARTIES SHALL MEET IN GOOD FAITH TO DISCUSS THE IMPACT OF SUCH CHANGES ON THE CONTRACTOR

- In the event of unusual circumstances, such as changes in State or Federal taxes, laws or specifications, increased insurance or surety premiums, driver shortages impacted by starting or average wages, or any other conditions which causes any of the Contractors operating costs hereunder to increase at a rate in excess of any negotiated escalation, Contractor shall request a meeting to negotiate such impact.

### Exceptions & Omissions

Any item not addressed in the specifications or proposal submission shall become open to negotiation between the parties. In the event there are material changes in the requirements of the District, and the impact of such changes materially impacts the methods and/or costs of First Student in connection with providing the services to the District, First Student may request a re-negotiation of this Contract. Such re-negotiation shall include, but not be limited to, the rates of payment, the payment schedule, and duration of the Contract and levels of service.

Good Afternoon,

As requested we have reviewed our financial model to provide you with a cost per route without a minimum of \$250.00 per bus per day. The new cost using existing fleet is \$78.27 per route. This cost is contingent on current pairings. We will meet at least twice a year to review the pairings so as to identify any additional impact and act upon it at that time if necessary.

Should you decide to choose the original base bid with new fleet we base this and current pairings and will still require to meet at least twice a year to review the pairings so as to identify any additional impact and act upon it at that time if necessary.

Please note that in both scenarios we require the mutual termination for convenience clause as stated in our Executive Summary.

Thanks  
Jim

**Re:** Approval of Print Center and Courier Services Agreement

**Recommendation**

It is recommended that the Board of Education approve a managed services agreement for the central copy and mail centers at GBN and GBS at an annual cost of \$232,354. The District can cancel the agreement with 120 days written notice or renew for a second year and/or third year with a 2% increase. The District is currently paying \$305,000.

**Background**

Glenbrook North and Glenbrook South each have a central copy and mail center to support school programs and operations. Our staff can manually or electronically submit copy and mail jobs to the print shop for processing. The standard turnaround time is 24 hours, and services include:

- Copying;
- Finishing (folding, stapling, spiral binding, padding); and
- Bulk mailings.

On average, 50,000 impressions are made daily in the print shops during the school year and 20,000 over the summer months equating to approximately 10,000,000 impressions a year. (Note: 99% of impressions are monochrome.) The overall copy/print volume has remained consistent over the last several years, however bulk mailings have been decreasing to approximately 120 bulk mailings a year.

In 2006, the District outsourced the management and staffing of our central copy centers to Xerox Corporation. As part of the agreement, Xerox provides two copy center employees at GBS, and one at GBN. Additionally a fourth employee serves as the District's courier, providing the following services each day:

- Delivery of inter-office mail and supplies between the District's four locations;
- Daily bank deposits;
- Processes all outbound mail in partnership with the Glenview Post Office; and
- Facilitates the library book loan program.

The same four Xerox employees have been with the district since 2006, and have provided superior service to the Glenbrook community. It is recommended that the District continue the partnership with Xerox, with slight modifications given present-day needs of the school community.

The following table highlights recommended changes to the overall Xerox managed services agreement which results in \$72,646 or 24% savings per year.

	Current Practice	Proposed Practice
<b>Staffing</b>	260-Day Staffing 4 Staff at 1.0 FTE	Need-Based Staffing 2 Staff at 1.0 FTE (260-Day) 2 Staff at 0.81 FTE (210-Day)
<b>Vacation/ Sick Time</b>	All employee absences covered by a one-for-one replacement.	Employee vacation time not covered by a one-for-one replacement, but scheduled.
<b>Physical Print Shops</b>	Both print shops are open for 260 days.	One print shop will be open for 210 days; one print shop will be open for 260 days (based on summer school location).
<b>Job Submission</b>	22 different paper choices and colors available. Binding and padding available.  Jobs can be electronically or manually submitted.	Review and reduce options while still providing quality service.  Improve efficiencies and actively encourage web submissions

Dear Mr. Biancardi,

Thank you for writing to Glenbrook High School District 225 with your request for information pursuant to the Illinois Freedom of Information Act, 5 ILCS 140/1 et seq.

On 3/2/18 we received your request for the following information:

- Records for the 2017 bid for the school district's milk business

**District Response:** We outsource our food management services through Quest, so we do not bid the products. Quest would not keep any price comparison records. Additionally, since we are not part of the federal school lunch program and we are a high school district, milk is not one of our large purchases.

Sincerely,

Rosanne Williamson, Ed.D.
