FROM: Dr. Rosanne Williamson  
RE: PRELIMINARY REVIEW of TEXTBOOK CHANGES  
DATE: April 3, 2019

### **Recommendation**

The attached list of recommended textbook changes for next year is being presented for the Board's preliminary review. It is my intention to resubmit this item on the consent agenda for approval at the regular Board meeting of April 29, 2019.

### **Textbook Adoption Process and Timeline**

Requests have been proposed by teachers and were reviewed by Instructional Supervisors and Associate Principals. Ed Solis, Associate Principal at Glenbrook North, Cameron Muir, Associate Principal at Glenbrook South, and Instructional Supervisors will be at the meeting to assist in addressing questions.

While this compilation contains the majority of textbook changes, we may bring to the Board a limited number of texts in mid-summer as a result of summer curriculum projects.

### **Digital Resources Update**

With 1:1 Chromebook implementation, many digital textbooks and resources are proposed for adoption. Cost-savings associated with digital resources are substantial. There is no buy-back for digital versions of textbooks; however, the greatly reduced price far exceeds what parents would receive in buy-back of print textbooks. Textbook ISBN numbers are provided for families who wish to purchase print versions of digital textbooks.

## **Glenbrook North High School Textbook Adoptions for 2019- 2020**

To: Dr. Rosanne Williamson

From: Dr. Ed Solis

Date: April 2, 2019

Re: Textbook Adoptions for 2019-2020

Attached you will find the 2019-2020 Glenbrook North Textbook Change Summary document. The GBN curriculum has continued to evolve through the curriculum review process. The availability of digital resources, addition of new courses, and updates of curricular resources, support the ongoing literacy initiatives. With these initiatives, changes in textbooks emerged from the following areas:

English (1)

Math (2)

Science (2)

Social Studies (1)

Social Studies/English (1)

World Languages (1)

# Memo

To: Dr. Rosanne Williamson, Assistant Superintendent  
From: Cameron Muir, Associate Principal for Curriculum & Instruction  
Date: April 2, 2019  
Re: Textbook Adoptions for 2019-2020

Attached you will find one document that summarizes the request for textbook adoptions: *Textbook Change Summary 2019-2020*.

The curriculum at GBS continues to evolve through the Educational Planning Process, the AP Audit, articulation with sender districts, research in best practices, and the ever changing needs of our at-risk students. GBS continues its focused work on curricular alignment, backward design, and instructional strategies. This work has led faculty in their professional conversations related to best practices related to discipline standards, essential questions, and differentiated instruction. The school focus has led to the examination of current texts and the voices represented in those texts. The Technology Vision along with efforts over recent years to incorporate technology into the classroom and capitalize on online sources influences and informs the decision related to instructional materials. Some of the choices for new texts are an outcome of the continued work of these course teams as they reflect on appropriate, relevant and engaging material for students.

Along with these curricular changes, come requests for changes in a number of textbooks in English (4), mathematics(7), science (3), social studies (8), special education (11), world language (2).
