**Re:** Public Hearing: Tentative Budget for Fiscal Year 2018

**Background**

Each year the Business Services department is charged with the task of developing a budget in tentative form, to be presented and discussed with the Finance Committee and Board of Education. The FY2018 tentative budget was presented to the Finance Committee on Monday, July 17, 2017 and to the Board of Education on Monday, July 24, 2017.

In accordance with Illinois School Code (105 ILCS 5/17-1), the tentative budget shall be made available to public inspection for at least 30 days prior to adoption. Additionally, the Board of Education shall hold a public hearing prior to adoption of the budget. To fulfill these requirements the following activities have been completed:

- **FY2018 Tentative Budget Made Available to Public Inspection**  
The tentative budget document was made available to the public through our District's website, and was also available in print form at the District Administration Building. The document was made available on Tuesday, August 1, 2017.
- **Publish Notice of FY2018 Tentative Budget Availability and the Public Hearing**  
Notice of the public hearing, and the availability of the FY2018 tentative budget was published in the The Glenview Lanterns and The Northbrook Tower newspapers on Thursday, August 10, 2017.
- **Public Hearing on the Adoption of the FY2018 Budget**  
A Public Hearing on the adoption of the FY2018 budget has been scheduled for the Monday, September 11, 2017 Board of Education meeting.

A final budget for FY2018 will then be presented to the Board of Education at the Monday, September 25, 2017 meeting for consideration.
