Re: Approval to Make Available the FY2018 Tentative Budget and to Schedule a Public Hearing on the FY2018 Budget

Recommendation

It is recommended that the Board of Education make available the FY2018 Tentative Budget for public inspection on Tuesday, August 1, 2017, and to schedule a public hearing on the adoption of the FY2018 budget on Monday, September 11, 2017.

Background

Each year the Business Services department is charged with the task of developing a budget in tentative form, to be presented and discussed with the Finance Committee and Board of Education. The budget materials attached include a summary of the District's 4,044 active expenditure accounts, and 176 active revenue accounts by fund, identifying the previous year's activity, and budgeted amounts for the 2017-2018 fiscal year. In addition to the account detail provided, an updated narrative and summary has been included.

The updated narrative and summary incorporates the format designed by the Association of School Business Officials International (ASBO International). This format includes "best practices" identified by ASBO International that demonstrates the District's:

- Skills in developing and analyzing an effective budget;
- Compliance with clear budget guidelines;
- Commitment to a high standard for transparent budget development;
- Commitment to the community through a reader-friendly budget;
- Communication between departments to develop short- and long-term strategies;
- Excellence in school budget presentation.

Acknowledging the change in document presentation, I encourage the Board to review the Table of Contents presented on pages **iii through v** at the beginning of the budget document. Key elements of the narrative can be found on the following pages:

- Budgeting Approach **16**
- Reconciliation of the 2016-2017 Budget **35**
- Summary of the 2017-2018 Budget **40**

The FY2018 tentative budget and supporting materials were presented to the Finance Committee on Monday, July 17, 2017. As a result of the committee's discussion, revisions were made to the materials attached.

In accordance with Illinois School Code (105 ILCS 5/17-1), the tentative budget shall be made available to public inspection for at least 30 days prior to adoption. Additionally, the Board of Education shall hold a public hearing prior to adoption of the budget. To fulfill these requirements the following activities are recommended:

- **FY2018 Tentative Budget Made Available to Public Inspection**

It is recommended that the tentative budget be made available on Tuesday, August 1, 2017.

- **Public Hearing on the Adoption of the FY2018 Budget**

It is recommended that a Public Hearing on the adoption of the FY2018 budget be scheduled on Monday, September 11, 2017 at 7:00 PM to be held at the District Administration Building, 3801 W. Lake Avenue, Glenview, Illinois.

- **Publish Notice of FY2018 Tentative Budget Availability and the Public Hearing**

Notice of the public hearing, and the availability of the FY2018 tentative budget will be published online, at each school office, and in the newspaper the week of August 1, 2017.

Notice of Public Hearing

NOTICE IS HEREBY GIVEN by the Board of Education of Northfield Township High School District Number 225, in the County of Cook, State of Illinois, that tentative budget for said School District for the fiscal year beginning July 1, 2017, will be on file and conveniently available to public inspection on the District's website accessible at www.glenbrook225.org, or at the District Administration Building located at 3801 W. Lake Avenue, Suite 101A, Glenview, Illinois from and after 8:00 a.m., on the 2nd day of August, 2017.

Notice is further hereby given that a public hearing on said budget will be held at 7:00, on the 11th day of September 2017, at the District Administration Building located at 3801 W. Lake Avenue, Public Meeting Room, Glenview, Illinois in this School District Number 225.

Dated this 24th day of July, 2017. Board of Education of Northfield Township High School District Number 225, in the County of Cook, State of Illinois.

FY2018

Executive Summary

This page left intentionally blank.

Introduction

Northfield Township High School District 225, doing business as Glenbrook High School District 225, located approximately twenty-five miles north of downtown Chicago, Illinois, is a high school district serving students in grades 9 – 12. During fiscal year 2017, the District served 5,075 students¹ in two traditional high schools, Glenbrook North, located in Northbrook, and Glenbrook South, located in Glenview, as well as in a therapeutic day school (Glenbrook Off-Campus) and an evening high school program (Glenbrook Evening High School) also located in Glenview. This represented an increase of 16 students compared to fiscal year 2016.

The governing body consists of a seven-member Board of Education elected from within the Northfield Township High School District 225 boundaries, who each serve a four-year term. Board members are volunteers who do not receive a salary for their services.

Current Realities and Future Possibilities for Glenbrook Students

Test scores, college acceptance and the traditional statistical measures offer insight into the successful academic program of the District.

According to ACT Profile Reports, GBN students posted an average composite ACT score of 26.5 and GBS students earned an average composite ACT score of 24.9 (Class of 2016). The combined district average of 25.6 ranks as the district's highest score in the past 10 years. The state average composite score is 20.8.

The Illinois State Report Card also indicates that the district graduation rate is 97 percent and the percentage of students attending college at both schools is consistently high.

Glenbrook North High School

- 97 percent attend college
- 143 unique institutions
- Top choices:
 - University of Illinois at Champaign-Urbana
 - Oakton Community College
- Three graduates are attending technical school, one joined the military, one the Israeli Defense Forces, and two are deferring college for work, travel, and volunteering.

Glenbrook South High School

- 96 percent attend college
- 184 unique institutions
- Top choices:
 - University of Illinois at Champaign-Urbana
 - Oakton Community College
- Seven graduates are attending school abroad

Student Awards and Achievements

The Glenbrooks believe that student recognitions go beyond the traditional format of honoring 1st, 2nd and 3rd place finishers in state and national competitions or test scores alone. While these students are worthy of praise, it is our goal to showcase the lesser known stories of those who demonstrate success in a variety of non-traditional ways. Through this process we have been able to reinforce our value of learning, demonstrate our celebration of diversity, and expose our school community to a wider range of academic, athletic and extra-curricular achievements.

The following stories of our students, faculty and alumni are examples of the many achievements recognized and celebrated by the District that help bring the statistical data to life.

¹ Enrollment data based on October 1, 2016 actual counts.

Glenbrook South Model U.N. Team Finds Success Through Peer Support

The Glenbrook South Model United Nations team has won numerous awards over the years.

But this team never measures its success only with trophies.

“We’ve grown in size and in awards, but we compete for our own enjoyment,” said Lori Steffel, vice president. “We are all friends no matter our ages. We talk about Model U.N., and we also talk about how life is going. There’s a family atmosphere between underclassmen and upperclassmen.”

The team was originally started 8 years ago by advisor Terry Jozwik while he was teaching social studies at GBS. Model U.N. competitions were first popular on the east and west coasts, Terry said, explaining that the Midwest is now becoming more of a powerhouse with Glenbrook South being a key contender.

Terry believes that knowledge is power when it comes to Model U.N.

“These kids are improving their writing skills, public speaking skills, collaborative skills...,” Terry said. “It’s real-world experience for them because they’re dealing with hundreds of people at competitions. Even if they don’t win an award, they learn a lot.”

President Yoana Sidzhimova said that Model U.N. has taught her the meaning of teamwork. She joined as a freshman and soon looked toward upperclassmen to understand how to find real solutions to complex problems.

“At first I only joined Model U.N. to earn extra credit in world history class,” Yoana said. “But then I met a lot of older kids who I looked up to, and they made me want to do well. It’s honestly the best group of people – you’ve got the varsity football captain working with the president of the juggling club.”

Yoana said that she was able to learn from people who genuinely enjoyed the competitions once she got beyond her own “need-to-win” mindset.

“That’s when the awards came naturally,” Yoana said. “... when we were working together to find solutions.”

GBS Model U.N. won eight awards during the 2016-17 school year. They were one of only three teams to win an Award of Distinction at the national conference in New York this past March. In addition, student leaders were recently invited to speak at the Illinois State University History Conference and were featured in the John Hopkins Center for Talented Youth’s Imagine Magazine.

Glenbrook North Teen Advocates for Fellow Diabetes Patients

Glenbrook North sophomore Jared Kuper overcame a scary scenario at a young age.

He was diagnosed with Type 1 diabetes when he was 8 years old. He went into a diabetic coma, and when he came out, Jared realized how drastically his life would change.

Jared soon connected with the American Diabetes Association and educated himself the best he could while his family faced increased medical bills.

“I’ve always been about education,” he said. “A big piece in teaching people how to manage diabetes is getting connected, telling as many people as you can about the disease and what the issues are, and then teaching people how to manage it.”

Fast-forward 8 years; Jared is now a huge advocate for diabetic patients on both the local and national levels. He traveled to Washington, D.C. this past spring break to ask Congress for increased funding in diabetes management and prevention. He also requested that Congress hold hearings on the increased cost of insulin.

“There’s been times where I’ve run my family into having no money in our bank account because of the amount of money I have to spend to simply stay alive,” Jared said. “Everyone understands there’s a problem with our medical care but we need to do something about it.”

Locally, he assists fellow Glenbrook North students as they're diagnosed with diabetes and recently launched his own nonprofit, The Jared Kuper Diabetes Foundation. He said his foundation will allow him to continue his mission to "Believe, Educate and Inspire."

Jared noted that Glenbrook North students and staff have in turn been supportive of his efforts.

“Glenbrook North has done a lot for me, especially when accommodating for me as a diabetic patient in school,” he said. “Teachers help me catch up on assignments and my friends have learned how to help me manage the disease.”

Faculty Awards and Achievements

Glenbrook South's Steve Rockrohr Named Athletic Director of the Year

GBS Athletic Director Steve Rockrohr has been named the 2016-17 3A/4A Athletic Director of the Year by the Illinois Athletic Directors Association (IADA). He was presented with the award May 7, 2017 in Peoria.

Steve has been the GBS athletic director for the past 15 years. In 2015, he received the State Award of Merit from the IADA.

"I'm just thankful for the opportunity I have to work with the students, coaches, and administration at GBS and District 225," Steve said of the honor.

GBS Principal Lauren Fagel said Steve is a "dedicated member of the IADA and a trusted member of the GBS administrative team."

"I am honored to work with such an experienced and effective athletic director," Lauren said. "Steve focuses on creating opportunities for students, and, as he likes to say, 'clearing the way for coaches.'"

Alumni Awards and Achievements

Alumnus, Angel Investor Visits Math and Science Students

Stepping into Glenbrook North High School nearly 24 years after his 1993 graduation, Spartan alumnus Navin Thukkaram had a story to share with students – something he refers to as the "epic exit."

Navin spoke to computer science and math team students Feb. 27. He was on the math team while attending GBN, and therefore has been a great supporter of the team, having helped send 12 students to the Harvard-MIT Mathematics Tournament this year through a matching grant challenge.

His advice to students:

"Learn how to code and learn computer science," he said. "Always think about your ultimate outcome – your exit strategy."

Navin is an angel investor and entrepreneur who has completed five successful exit plans from business ventures, creating more than \$3 billion in value. He was chief operating officer, seed investor and a board member of Qwiki, a mobile video startup that was acquired by Yahoo! for \$50 million in 2013. Currently, he's working with drone technology and cloud-based business services.

"Math and science is all related to technology," Navin told the GBN students, explaining how their high school courses ultimately build the foundation for tech-heavy careers.

Prior to Qwiki, Thukkaram was a partner at Vulcan Capital, the multi-billion-dollar investment fund of Paul Allen

After graduating from GBN, Navin earned his Bachelor of Science in Engineering degree from Princeton University and his Master of Business Administration degree from Harvard Business School. He was captain of the GBN golf team during his senior year and went on to play at Princeton.

Financial Recognitions

Certificate of Excellence in Financial Reporting

Glenbrook High School District 225 has been awarded the Certificate of Excellence in Financial Reporting (COE) recognition from Association of School Business Officials International (ASBO International) for the past 8 years. The District first received the award in conjunction with the Comprehensive Annual Financial Report from the 2007-2008 fiscal year.

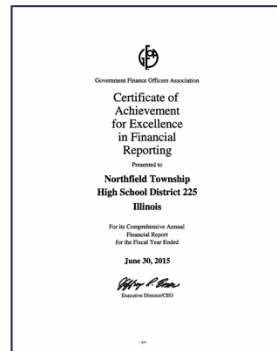

In addition to nationwide recognition, the COE program provides school districts with additional feedback for use in continuing to improve the quality of financial reporting, and recognizes districts for their commitment to excellent in financial management and reporting.

The District's COE application for the 2015-2016 school year is presently under review.

Certificate of Achievement for Excellence in Financial Reporting

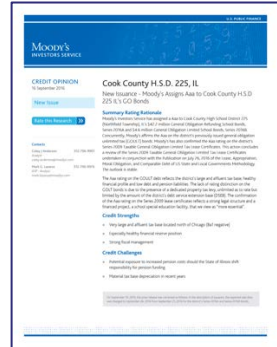

Glenbrook High School District 225 has received the Certificate of Achievement for Excellence in Financial Reporting from the Government Finance Officers Association (GFOA) for the past 8 years. The District first received the award in conjunction with our Comprehensive Annual Financial Report from the 2008-2009 fiscal year.

This recognition is awarded to state and local governments that go beyond the minimum requirements of financial reporting, by providing comprehensive financial reports that provide transparency and full disclosure.

Moody's Investors Services - Aaa Bond Rating

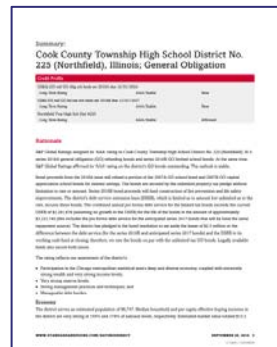

Glenbrook High School District 225 has received the highest bond rating available for the District's outstanding debt from Moody's Investors Services.

The rating of 'Aaa' indicates that our obligations have been judged to be of the highest quality, subject to the lowest level of credit risk.

S&P Global Ratings - AAA Bond Rating

Glenbrook High School District 225 has received the highest bond and management rating available for the District's outstanding debt from S&P Global Ratings.

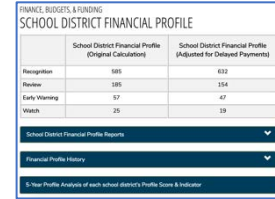

The rating of 'AAA' indicates that our capacity to meet our financial commitments of our obligations is extremely strong. Additionally, a financial management assessment (FMA) rating of 'Strong' indicates that our management practices are strong, well embedded, and likely sustainable.

Illinois State Board of Education – Financial Recognition Status

Glenbrook High School District was issued the status of “Financial Recognition” for 2017 from the Illinois State Board of Education. The numeric rating of 3.90 indicates that the District is in the highest category of financial strength. This rating was issued based on the 2015-2016 Annual Financial Report data.

The Illinois State Board of Education takes into consideration (5) factors when assigning a financial profile designation²: fund balance to revenue ratio; expenditures to revenue ratio; days cash on hand; percent of short-term borrowing maximum remaining; percent of long-term debt margin remaining.

Major Initiatives

Curriculum and Instruction

When the district initiated a targeted strategic planning process during the 2015-16 school year, parents, students and staff feedback centered on two major themes: academics and student wellness. The two topics are interrelated, and not surprisingly, student wellness seems to be a major factor in a student's ability to perform well academically.

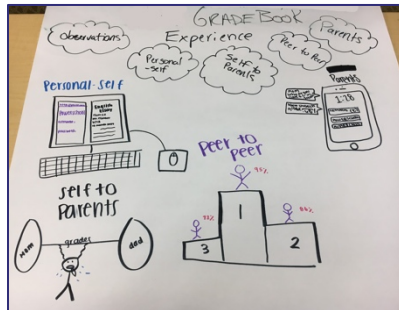

So, how do the Glenbrooks define "student success?" Well, it goes beyond the typical indicators of test scores, grades, and college admission - the Glenbrooks want students to be well! That begins with good nutrition, exercise and adequate rest, and translates into an ability to manage stress, engage in learning, and pursue passions.

This year brought reviews of a number of current and proposed practices in an effort to enhance student wellness:

Impact of gradebook notifications on student stress

During the month of April, electronic gradebook notifications as well as access to the electronic gradebook at GBN and GBS during the school day went silent, as part of a planned study.

What the district learned through this study is that the issue is more global than grade notifications alone - students are stressed about grades themselves. In student focus groups, many stated that they wished "school was about learning, but it's not - it's about grades. We don't like it, but it's the way it just is."

The district also gained a deeper understanding of where students experience pressure comes from and how it contributes to added stress. Students indicated that this pressure comes from peers, parents, school culture, and most often, from the students themselves.

So, what do we do about it? The gradebook study was a step toward a greater understanding of the issues our students face and will be an ongoing conversation as the Glenbrooks look for ways to improve student wellness.

School calendar remains "traditional," for now

The district administration surveyed students, parents and staff on two different calendar types: traditional and collegiate. During a recent meeting, the Board reviewed the two options and discussed school community input. The quantitative survey results and qualitative comments offered by students, parents and staff were mixed when it came to preference of one type of calendar over the other.

The district administration recommended remaining with a traditional calendar for the 2018-19 school year. However, there was enough interest and support for the collegiate calendar to warrant further study and discussion for the development of the 2019-20 school year calendar.

Homework

Research-based homework principles were developed and feedback was obtained from teachers, students, and parents. Homework principles are intended to address the issues of homework quantity and quality that were identified in the initial strategic planning survey and subsequent focus groups. Student and parent principles encourage student self-advocacy and provide suggestions for ways parents can support their student.

Student Assessment

For the 2017-18 school year, assessments of student performance during the semester will count for 80% of the semester grade instead of two 9-week divisions counting for 40% of the semester grade a piece. This new structure is intended to reduce student stress at the end of each quarter.

Communications

A website redesign during the 2016-17 school year placed students and parents as the priority audiences and is targeted to greatly enhance the user experience. Instead of restructuring a typical navigation style, the Glenbrooks sought a more innovative design by channeling its inner “google” and just asking, front-and-center, “What are you looking for?” in a search box.

Human Resources

The Glenbrooks will engage in collective bargaining with the local teacher union by utilizing interest-based bargaining to negotiate the terms of a new contract during the 2017-18 school year. Both groups bring a respectful approach to the process, placing the best interests of our students first. Additionally, the Human Resources department continues to evaluate the District’s strategy for managing its self-insured health benefits program. These efforts will continue throughout the 2017-18 school year as the District and its health benefits consortium, SSCMP, evaluate the transition to a January 1 – December 31 plan year.

Business and Technology Services

Both the Business Services and Technology Services departments have worked in partnership with our elementary feeder school districts to share services, with the goal of supporting the needs of our students and school communities efficiently and at the lowest cost possible. During the 2017-18 school year, both departments plan to work in partnership with the elementary feeder school districts to expand our existing partnerships to share services. Additionally, it is the goal of the Business Services department to complete an application for the Association of School Business Officials International’s Meritorious Budget Award for the fiscal year ending June 30, 2018.

Overview

In accordance with Illinois School Code (105 ILCS 5/33-1), Glenbrook High School District 225 is governed by an elected, 7-member Board of Education. All members are elected at-large to four-year terms, representing all residents in the District's boundaries. Board elections are held during the month of April as part of the consolidated election cycle in odd numbered years. Board members are volunteers who do not receive a salary for their services.

Members

The Board of Education includes three officers: president, vice president, and secretary. The president and vice president are elected annually by the Board membership, the secretary role is typically filled by the Assistant Superintendent for Educational Services.

Current Board of Education members are as follows:

Skip Shein
President
(2019)

Bruce Doughty
Vice President
(2021)

Robert A. Boron
Member
(2019)

Peter Glowacki

Major Powers and Duties

As stated in Board Policy 1020: School Board Legal Status Authority, the major powers and duties of the Board include, but are not limited to:

1. Formulating, adopting, and modifying Board policies, at its sole discretion, subject only to mandatory collective bargaining agreements, other agreements entered into by the Board, and State and federal law.
2. Employing a Superintendent and other personnel, making employment decisions, disciplining and dismissing personnel, and establishing an equal employment opportunity policy that

prohibits unlawful discrimination.

3. Through policies or directives issued by the Board, direct the Superintendent, in his or her charge of the District as the chief executive of the District.
4. Approving the annual budget, tax levies, major expenditures, payment of obligations, annual audit, and other aspects of the District's financial operation; and making available a statement of financial affairs as provided in State law.
5. Entering into contracts including using the public bidding procedure when required.
6. Indemnifying, protecting, and insuring against any loss or liability of the District, Board members, employees, and agents as provided or authorized by State law.
7. Providing, constructing, controlling, and maintaining adequate physical facilities; making school buildings available for use as civil defense shelters; and establishing a resource conservation policy.
8. Establishing an equal educational opportunities policy that prohibits unlawful discrimination.
9. Approving the curriculum, textbooks, and educational services.
10. Evaluating the educational program and approving School Improvement and District Improvement Plans.
11. Presenting the District report card and School report card(s) to parents/guardians and the community; these documents report District, School and student performance as required by state statute.
12. Establishing and supporting student discipline policies designed to maintain an environment conducive to learning, including deciding individual student discipline brought before it.
13. Establishing attendance units (schools) within the District and assigning students to the schools.
14. Establishing the school year and calendar.
15. Requiring a moment of silence to recognize veterans during any type of school event held at a District school on November 11.
16. Entering into joint agreements with other boards and other governmental agencies to establish cooperative educational programs or to provide educational facilities.
17. Complying with requirements in the Abused and Neglected Child Reporting Act. Specifically, each individual Board member must, if an allegation is raised to the member during an open or closed Board meeting that a student is an abused child as defined in the Act, bring to the attention of the Board to direct the Superintendent or other equivalent school administrator to comply with the Act's requirements concerning the reporting of child abuse.
18. Communicating the schools' activities and operations to the community and representing the needs and desires of the community in matters pertaining to the District.

Meetings and Committee Structure

To fulfill their duties, the Board of Education meets regularly on the second and fourth Mondays of each month. All meetings of the Board of Education are open to the public and are organized in accordance with the Illinois Open Meetings Act (5 ILCS 120). During each meeting members of the public are invited to address the Board in accordance with Board Policy 2030.

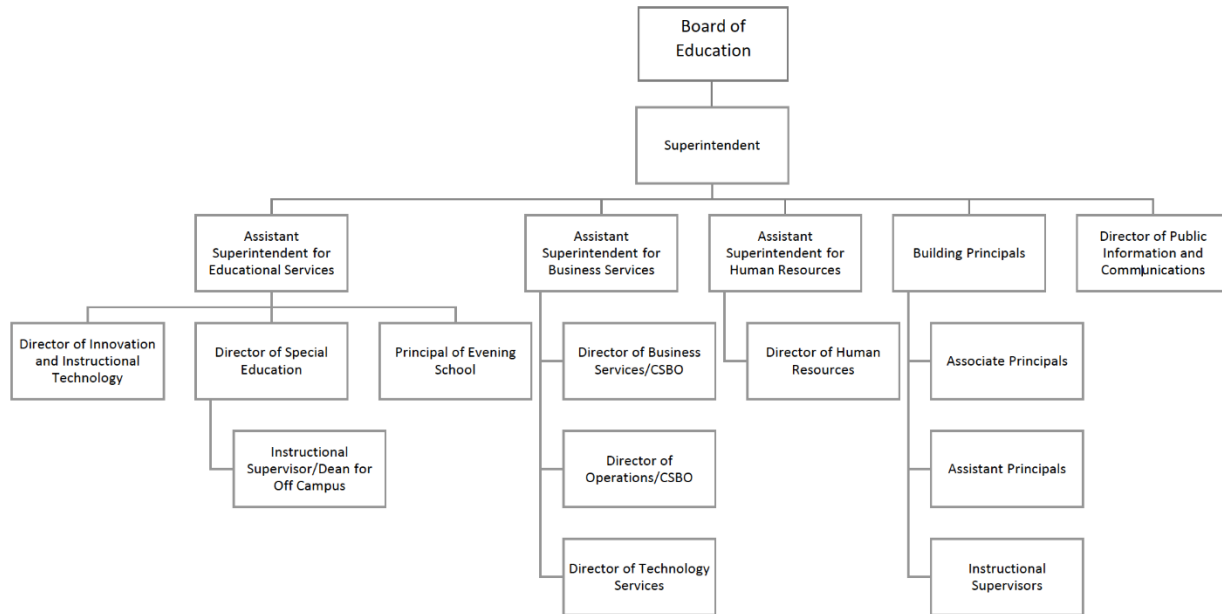

In addition to the regular meetings, the Board of Education has established three committees to facilitate the review of topics relevant to the operation of the school district. These committees include:

- Facilities,
- Finance, and
- Technology.

Each committee includes (3) members of the Board of Education, as well as members of the District and School leadership teams (e.g. Principals, Assistant Superintendents, Directors). Board committees meet periodically throughout the school year, and provide an opportunity to review draft proposals and recommendations from the Administration in a working group setting. Proposals and recommendations are then revised as needed, and typically presented to the full Board at the next regular meeting.

Organizational Chart

The Board of Education is responsible for employing a Superintendent and other personnel including the District's leadership team. An organizational chart outlining the District's leadership team is presented as follows:

Senior Leadership Team

Current senior leadership team members include:

District Office Positions

Superintendent	Dr. Mike Riggle
Assistant Superintendent for Business Services / CSBO	Dr. R.J. Gravel
Assistant Superintendent for Educational Services	Dr. Rosanne Williamson
Assistant Superintendent for Human Resources	Mr. Brad Swanson
Director of Business Services / CSBO	Ms. Vicki Tarver
Director of Human Resources	Mrs. Alice Ralfores
Director of Instructional Innovation	Mr. Ryan Bretag
Director of Operations / CSBO	Dr. Kim Ptak
Director of Public Relations	Ms. Karen Geddeis
Director of Special Education	Mrs. Jennifer Pearson
Interim Technology Services Manager	Mr. Zia Ahmed
Interim Technology Services Manager	Mr. Ryan Manly

School Positions

Principal – Glenbrook North High School	Dr. John Finan
Principal – Glenbrook South High School	Dr. Lauren Fagel
Principal – Glenbrook Evening High School	Dr. Frank Santa

Budget Calendar

Developing a budget is a year-long process that dynamically adjusts in response to local and external changes. At the core of the budget development process is a series of action items driven by state and federal guidelines, as well as a rich history of consistent and timely planning practices in our District. These action items are outlined in the annual budget development calendar that follows:

July

- Fiscal Year Begins
- BOE Action: Approval to Make Available the Tentative Budget and to Schedule a Public Hearing on the Budget (105 ILCS 5/17-1)

August

- Conduct Independent Audit of Financial Statements from Prior Fiscal Year (105 ILCS 5/3-7)

September

- BOE Action: Hold Public Hearing on the Tentative Budget (105 ILCS 5/17-1)
- BOE Action: Adoption of the Final Budget (105 ILCS 5/17-1)

October

- BOE Informational Item: Annual Audit Update
- BOE Informational Item: Master Facilities Plan Update
- BOE Action: Approval of the Annual Financial Report
- BOE Action: Approval of Capital Projects; Authorize Architectural Services and Bid

November

- BOE Informational Item: Enrollment Forecast Update
- BOE Action: Approval to Publish the Estimated Tax Levy (105 ILCS 5/17-1, et seq.) and to Schedule a Public Hearing on the Estimated Levy (35 ILCS 200/18-55)

December

- BOE Action: Hold Public Hearing on the Estimated Tax Levy (35 ILCS 200/18-55)
- BOE Action: Approval of the Tax Levy (105 ILCS 5/17-1, et seq.)
- BOE Informational Item: Updated 5-Year Financial Projection

January

February

- BOE Action: Approval of the School Operating Budgets and Small Building Projects
- BOE Action: Approval of Student Fees

March

- BOE Action: Approval of Certified Staffing FTE
- BOE Action: Approval of Contracted Services Contracts (If Applicable)

April

- BOE Action: Approval of Non-Certified Staffing FTE
- BOE Action: Approval of Instructional Innovation and Technology Services Budgets
- BOE Action: Approval of Capital Project and Life Safety Bids
- BOE Action: Approval of Health Insurance Renewal

May

- BOE Informational Item: Updated 5-Year Financial Projection

June

- BOE Action: Approval of Administrative and Non-Union Salaries
- Fiscal Year Ends

Those items listed as BOE Action represent topics that will be presented to the Board of Education by the Administration for consideration. These items will always include an administrative recommendation for action, and will also denote any statutory timelines that might apply.

Items listed as BOE Informational Item represent topics that will be discussed at a Finance Committee meeting, as well as a regular Board of Education meeting. These items do not require formal action by the Board, but often are presented with the goal of receiving feedback and direction from its members.

Collective Bargaining Agreements

While not specified in the budget development calendar, the District has three collective bargaining units that are on a regular contract cycle. During the 2017-2018 fiscal year, the District will be entering collective bargaining negotiation with all three of its associations as follows:

Association	Current Contract	Negotiation Topics
Glenbrook Education Association (GEA)	May 12, 2014 – June 30, 2018	2017-2018 School Year <ul style="list-style-type: none"> ▪ Contract Language ▪ Salaries ▪ Health Benefits
Glenbrook Educational Support Paraprofessional Association (GESPA)	July 1, 2015 – June 30, 2019	2017-2018 School Year <ul style="list-style-type: none"> ▪ Salaries ▪ Health Benefits 2018-2019 School Year <ul style="list-style-type: none"> ▪ Contract Language
Glenbrook Educational Support Staff Association (GESSA)	July 1, 2015 – June 30, 2019	2017-2018 School Year <ul style="list-style-type: none"> ▪ Salaries ▪ Health Benefits 2018-2019 School Year <ul style="list-style-type: none"> ▪ Contract Language

Traditionally the Board of Education and Associations enter into new agreements during the summer months, applicable to the first day of the fiscal year in which a new contract is approved.

Budget Structure

Glenbrook’s budget is organized first by site (e.g. District; Glenbrook North; Glenbrook South) and second by program (e.g. English instruction; psychological services; technology services). Of the programs, several have been identified by the Board of Education as self-sufficient, meaning, they are responsible for covering all of their expenses through separate revenue source. All other programs are financially supported through the District’s regular revenue sources. These sources include property taxes, state/federal grants, student/user fees, and other local revenue types. A listing of programs is presented on page 31.

Budgeting Approach

There are many parts of the District’s expenditures which are formula-driven, and reviewed by the Board of Education on a consistent schedule (as illustrated through the budget development calendar).

Examples of formula-driven components of the budget include:

- School Operating Budget (Base Allocation; Per Student Allocation; Facility Allocation)
- Certified Staff Personnel Allocation
- Special Education Staff Personnel Allocation
- Non-Certified Staff Personnel Allocation

Through the use of formula-driven budget allocations, the District is able to make consistent, responsible, and fair financial decisions that ensure generational equality, and reflect its commitment to long-term, strategic planning. Budget components that are not formula-driven are developed using a modified, zero-based budgeting approach. Using this approach, budget managers start the budget development process by considering:

- Historical data presented within the general ledger (e.g. trends in purchasing activities within certain expenditure objects);
- Review of current and future year individual program and school initiatives;
- Review of District-wide strategic plan initiatives;
- Requests from department staff and students.

Budget managers are cognizant of the reality that each line in their budget starts at \$0. Using the information available to them, as well as a team-based decision-making process that takes place within each program, budget managers submit a budget request to their school leadership team, or in the case of a District program, the Business Services department leadership team. Budget requests are subsequently reviewed by the leadership teams, compared to previous year expenditures (in an effort to prevent incremental budgeting), and prioritized within the larger school or District scope of needs, wants, and limited resources.

As illustrated in the budget development calendar presented, the majority of the District's budget is reviewed by the Board of Education between the months of February and April, prior to the start of the new fiscal year on July 1st. Taking this into consideration, most budget managers schedule their budget development processes based on these milestone dates, with most first drafts created during the months of December and January.

Overview

Glenbrook High School District 225 has implemented a formula-based approach to determining personnel resource allocations for each school year. The allocations processes are separated into three groups: certificated staff, special education certificated staff, and non-certificated staff. In general, all personnel decisions take into consideration:

- Enrollment projections;
- Student course requests and actual course enrollments;
- School and District academic goals;
- Negotiated class sizes and State-mandated case load ratios;
- Board of Education-approved assignments and releases.

Overview

Every year, using October 1st fall housing enrollment data the District updates its enrollment projections using a cohort survival method. Additionally, for the last few years, the District has hired Dr. Jerome McKibben to update his population forecast calculation. The results of the two methodologies are within one percent of each other for the first three years, after that, Dr. McKibben’s forecast has proven more accurate.

Glenbrook Cohort Survival Forecast

The cohort survival forecast uses feeder enrollment figures and extrapolates the past and present into the future by following and tracking cohorts of students as they progress from one grade to the next. The following chart compares the recent projection using 10/1/16 fall housing data with the projection calculated a year ago using 10/1/15 fall housing data. Calculations using the cohort survival method have been most accurate projecting three years out, as such the below table shows projections for FY18, 19 and 20.

Key Findings

- The 2016-17 actual district-wide enrollment is 5,075, which is 26 students less than the projection
- Projection shows a 2% overall increase, district-wide, between now and FY 2020.
- Current year projection at GBN is fairly consistent with the projection done a year ago, while the GBS projection shows less of an overall increase than a year ago.

	District-wide	GBN	GBS
	10/1/2016	10/1/2016	10/1/2016
FY2017	5,075 actual	2,049 actual	3,026 actual
FY2018	5,129	2,030	3,099
FY2019	5,153	2,071	3,082
FY2020	5,176	2,076	3,100

Dr. Jerome McKibben Population Forecast

The population forecast methodology differs from the District’s cohort methodology in that it primarily assesses the impact of factors such as fertility rates, housing patterns, mortgage rate, mortality rates, census data, migration patterns, unemployment rates and the dynamics of local private schools while also taking feeder data into consideration. This comprehensive approach lends itself to increased accuracy in long-term forecasts.

Key Findings

- The 2016-17 actual district-wide enrollment is 5,075, which is 28 students less than the projection
- Projection shows a 1% overall decrease, district-wide, between now and FY 26/27.
- GBN is projected to dip slightly below 2,000 in FY2021 and return to an enrollment level between 2,000-2,100.
- GBS is projected to reach its peak in FY2021 at 3,118 and then decrease to 2,926 in FY2027.
- New housing unit construction in the Glenview area has slowed significantly over the last two years due to a decrease in new rental properties.
- New home construction in Northbrook remains at a consistent low level, averaging about 30-40 new units a year.
- In order to maintain current enrollment levels, Glenview needs to have an average of 550 existing homes on the market at any given time to ensure enough in-migration of young households, while Northbrook needs to average 400. Glenview currently has 350 existing new homes on the market and Northbrook has 325.

Enrollment Trends and Projections

	District-wide	GBN	GBS
	10/1/2016	10/1/2016	10/1/2016
FY2017	5,075 actual	2,049 actual	3,026 actual
FY2018	5,129	2,023	3,106
FY2019	5,162	2,059	3,103
FY2020	5,188	2,050	3,138
FY2021	5,107	1,989	3,118
FY2022	5,077	2,007	3,070
FY2023	5,063	2,004	3,059
FY2024	5,020	2,010	3,010
FY2025	5,024	2,063	2,961
FY2026	5,050	2,080	2,970
FY2027	5,021	2,095	2,926

Comparison of Enrollment Methodologies

The following chart compares the results of the two methodologies for calculating enrollment projections. District-wide, the two methodologies are within .2% of each other over the next three years. On a building level, the two methodologies are within 1.2%.

	District-wide			GBN			GBS		
	Cohort Survival	Pop. Forecast	O/(U)	Cohort Survival	Pop. Forecast	O/(U)	Cohort Survival	Pop. Forecast	O/(U)
FY2018	5,129	5,129	0	2,030	2,023	7	3,099	3,106	-7
FY2019	5,153	5,162	-9	2,071	2,059	12	3,082	3,103	-21
FY2020	5,176	5,188	-12	2,076	2,050	26	3,100	3,138	-38

Overview

Northfield Township is located in Cook County, Illinois, and is comprised of the Villages of Glenview, Northbrook, and unincorporated parts of northern Cook County. In addition to its residential real estate, the Township houses numerous national and international businesses. An analysis of several economic datasets³ identified the following as the District's largest employers, within or near the District:

Employer	Product or Service	Location	Approximate Employees
Allstate Corporation, The	Insurance	Northbrook	8,000
Walgreen Co.	Retail convenience & drug stores	Deerfield	2,500
Underwriters Laboratories, LLC	Independent nonprofit testing & certification	Northbrook	2,000
Baxter International, Inc.	Medical products, devices & services	Deerfield	1,700
CVS Caremark	Integrated health care services	Northbrook	1,400
Takeda Pharmaceuticals U.S.A., Inc.	Pharmaceuticals	Deerfield	1,400
Abt Electronics, Inc.	Retail consumer electronics & major household appliances	Glenview	1,200
Astellas Parma US, Inc.	Wholesale pharmaceutical products	Northbrook	1,150
Anixter, Inc.	Distributor of voice, video, data & power wiring systems products	Glenview	1,000
Kraft Heinz Foods Co., Technology Ctr.	Food products research, development & kitchen testing	Glenview	1,000
Baxter Healthcare Corp.	Corporate HQ & medical supplies & related products	Deerfield	800
Essendant	Wholesale furniture and general use products	Deerfield	800
Allstate Life Insurance Co.	Life insurance	Northbrook	750
College of American Pathologists	Pathologists' membership association	Northfield	600
Midwest Industrial Packaging	Packaging tools & dispensers for industrial application	Glenview	600

³ Source: Illinois Manufacturers Directory, 2016 Illinois Services Directory and the Illinois Department of Commerce and Economic Opportunities.

Equalized Assessed Value (EAV)

The equalized assessed valuation of all real property located within the boundaries of Northfield Township is as follows:

Tax Year	Total EAV	EAV by Status	
		Existing Property	New Property
2016*	5,264,632,513	5,228,661,177	35,971,336
2015	4,390,619,134	4,350,789,183	39,829,951
2014	4,541,507,704	4,499,001,072	42,506,632
2013*	4,482,911,139	4,450,689,601	32,221,538
2012	5,037,187,441	4,985,843,731	51,343,710

* Denotes a triennial reassessment year in Cook County, Illinois

The continued growth of new property within Northfield Township signifies a thriving economy and a growing residential community. According to the most recent information available from the Cook County Clerk⁴, the composition of the District's tax base is as follows:

Tax Year	Total Valuation	EAV by Property Class				
		Residential	Farm	Commercial	Industrial	Railroad
2015	4,390,619,134	2,991,516,817	124,429	1,099,941,610	296,538,704	2,497,570
		68.1%	0.1%	25.0%	6.7%	0.1%
2014	4,541,507,704	3,061,139,557	127,014	1,206,076,671	272,105,588	2,058,874
		67.4%	0.1%	26.5%	5.9%	0.1%
2013*	4,482,911,139	3,192,189,440	3,700	805,924,983	482,846,272	1,946,744
		71.2%	0%	18.0%	10.7%	0.1%

* Denotes a triennial reassessment year in Cook County, Illinois

Tax Base and Rate Trends

Acknowledging the presence of several large corporations in the District's tax base, the following is a list of the District's largest tax payers⁵:

Taxpayer	Description	2015 Equalized Assessed Value	Percent of District's EAV
Allstate Insurance Co.	Insurance	65,859,554	1.50%
Westcoast Estates	Commercial, retail & residential property	54,959,965	1.25%
Mid America Asset Management	Real Estate	48,537,395	1.11%
Jones Lang LaSalle	Commercial, retail & residential property	46,1407,148	1.05%
Walgreens Company	Drug stores	36,173,414	0.82%
CLF 1000 Milwaukee Avenue	Commercial, retail & residential property	27,512,833	0.63%
Oliver McMillan LLC	Commercial real estate	24,584,585	0.56%
Underwriters Laboratories LLC	Independent nonprofit testing & certification	22,480,800	0.51%
Northshore University Health	General hospital	21,746,810	0.50%
Astellas US Holdings	Wholesale pharmaceutical products	18,967,365	0.43%
Total		\$366,909,869	8.36%

⁵ Cook County Clerk's Office.

Property Tax Extension Limitation Law (PTELL)

In February 1995, the Illinois General Assembly passed tax cap legislation (P.A. 89-1) for Cook County making it retroactive to the 1994 tax year. This legislation, known as the Property Tax Extension Limitation Law (PTELL), controls the District's ability to generate property tax revenues. PTELL permits school districts to increase its non-bond property tax extension by the change in the Consumer Price Index (CPI) or 5%, whichever is less. Additionally, school districts have the opportunity each year to increase its property tax extension by capturing new property that has come onto the tax rolls. This is accomplished by multiplying the limiting rate (non-bond property tax rate) by the amount of new property identified by the County in the extension preparation process.

In addition to P.A. 89-1, the Illinois General Assembly amended Article 20, which limits the amount of taxes for debt service that can be generated through the sale of non-referendum bonds, to the district's 1994 aggregate non-referendum debt service amount, increased annually by the change in the Consumer Price Index (CPI). This amount is referred to as the Debt Service Extension Base (DSEB). For the 2016 tax year, the DSEB limit is \$2,291,877.

Outstanding Debt

In November 2006, the voters of District 225 approved a \$94 million building bond referendum increasing the debt service tax rate by 8.5 cents. As outlined in the District's pre-referendum planning process, initial proceeds were used to restructure debt, with the balance of funds invested for future capital projects. As a result of these transactions, approximately \$4 million was replenished to the District's operating funds that had previously been restricted for alternate revenue bond payments, building maintenance and infrastructure.

In October 2016, the District approved the refunding of existing debt from the 2006 referendum, to maximize debt service funds given historically low interest rates. The District was able to save approximately \$6.6M in interest expenses as a result of the refunding activities. With access to these savings, and additional DSEB capacity, the District was able to raise approximately \$15M through the sale of limited life safety bonds, for the purposes of performing necessary facility and learning space projects.

A goal of the 2016 restructuring was to positively position the District to become debt free in tax year 2026.

As of July 2017, the District is carrying the following debt:

Series	Debt Type	Total Outstanding	Final Tax Year
2017	Limited Tax Life Safety Bonds	\$10,000,000	2026
2016A	Refunding Bonds	\$39,845,000	2023
2016B	Limited Tax Life Safety Bonds	\$4,485,000	2026
2009	Taxable General Obligation Ltd. Tax Lease Certificates	\$955,000	2019
2010	Taxable General Obligation School Bonds	\$10,190,000	2026
2008	General Obligation School Bonds	\$14,570,000	2026
2002B	General Obligation Refunding Limited Bonds	\$3,919,614	2020
Total		\$83,964,614	

Tax Base and Rate Trends

Total Tax Rate

The District's total tax rate is the combination of the operating funds tax rate and the debt service tax rate.

Below is an illustration of the total tax rate for the 2016 tax year, as well as a sample impact analysis on a home that is valued at \$600,000.

Calculation of the Overall Tax Rate

Operating Funds Tax Rate	1.934	<i>This is the limiting rate shown above</i>
Debt Service Tax Rate +	0.172	<i>This is the amount approved by referendum or Board Resolution, and based on the previously approved payment levy schedule</i>
District 225 Tax Rate =	2.106	

Impact of Property Tax Extension on a \$600,000 Home

Assessor's Fair Market Value	\$600,000	<i>Cook County assesses <u>all</u> property at least once every three years</i>
Cook County Assessment % x	0.10	
Assessed Value =	\$60,000	
State Equalizer - Multiplier (Final 2016 Used) x	2.8032	<i>The Illinois Department of Revenue announces the equalization factor for Cook County each spring for the previous tax year</i>
Equalized Assessed Value =	\$168,192	
Homestead Exemption -	\$6,000	
Other Exemptions -	\$0.00	
EAV After Exemptions =	\$162,192	<i>This is the property value that will be taxed</i>
District 225 Tax Rate =	2.106	
EAV After Exemptions x	\$162,192	
District 225 Tax Obligation =	\$3,416	<i>This is the amount a taxpayer will owe in District 225 taxes</i>

Tax Rate History

Below is a summary of the District's tax rate by fund. A notation of the statutory maximum rates is identified for those funds that are limited.

Fund	Description	2012	2013	2014	2015	2016	Max. Rate
10	Education	1.7030	1.9713	2.0028	2.1114	1.7885	3.5000
20	Operations & Maintenance	0.0794	0.0892	0.0661	0.0683	0.0587	0.5500
30	Building Bonds	0.1213	0.1471	0.1492	0.1581	0.1263	None
30	Limited Bonds	0.0411	0.0463	0.0459	0.0487	0.0406	None
30	Limited Life Safety Bonds	0.000	0.000	0.000	0.000	0.0051	None
40	Transportation	0.0099	0.0056	0.0110	0.0114	0.0098	None
50	IMRF	0.0199	0.0223	0.0330	0.0342	0.0245	None
51	Medicare/Social Security	0.0357	0.0402	0.0396	0.0410	0.0352	None
70	Working Cash	0.0169	0.0190	0.0187	0.0194	0.0166	0.0500
Total District Tax Rate⁷		2.0272	2.3410	2.3663	2.4925	2.1053	

⁷ For Tax Year 2016 and prior, the Cook County Clerk's office rounds the thousandths place value up, if the ten thousandths place value equals an amount greater than 0 (e.g. 2.1101 = 2.111). This rounded value serves as the published tax rate for the taxing agency.

FY2018

Accounting Structure

This page left intentionally blank.

Overview of the General Ledger

Illinois School Code and Illinois Administrative Code outlines a series of requirements for developing and managing school district financial records. Each account within the District's general ledger follows a prescribed format composed of state and locally defined components:

10	E	200	1130	4100	00	001040
Fund	Type	Location	Function	Object	Subject*	Program+

* Subject is an accounting element that is not currently used within our school district.

+ Programs are defined by the district, and are not a required accounting element by the state.

The Illinois State Board of Education as prescribed by the Illinois Program Accounting Manual requires the use of specific account dimensions. Asset, Liability, Fund Balance, and Revenue accounts must include, at minimum, the Fund and Function account dimensions. Expenditure accounts must include, at minimum, the Fund, Function, and Object account dimensions.

The District's financial software program has the functionality to further define the Chart of Accounts with addition account dimensions; Type, Location, Subject, and Program.

Fund

A "fund" is an independent fiscal and accounting entity requiring its own set of self-balancing accounts, which are created in accordance with special regulations, restrictions, and limitations that earmark each fund for a specific activity or for attaining certain objectives. Each fund must be accounted for so that the identity of its resources and obligations and its revenues and expenditures is continually maintained.

Type

The type account dimension identifies balance sheet accounts: Asset (A), Liabilities (L), or Fund Balance (Q); and operating statement accounts: Revenue (R) or Expenditures (E).

Location

The location account dimension allows the District to identify activity related to a specific building and/or entity: District (100), Glenbrook North (200), Glenbrook South (300), Glenbrook Evening (400), Glenbrook Off-Campus (500), Glenbrook Transition (600), Glenbrook Aquatics (950).

Function

An account's function represents the purpose for the account, and the types of activities that are recorded within the account's ledger.

- Revenue functions are classified into four broad categories; Local (1000s), State (3000s), Federal (4000s), and Other Sources (7000s).
- Expenditure functions are classified into seven broad categories; Instruction, Support Services, Community Services, Payments to other Districts/Government Units, Debt Service, Contingencies, and Other Financing Uses. Examples of functions include Property Tax Collections, Regular High School Programs, and Technology Services.

Object

An expenditure account's object represents a specific expenditure category within a function. Examples of expenditure objects include Teacher Salaries, Equipment Purchases, and Non-Consumable Supplies.

Program

A program is an accounting element used by the District to classify and group accounts together for an individual program or purpose. It also provides the capability of exercising budgetary control and the preparation of special reports.

Explanation of Funds

Funds Included within Financial Statements

Operating Fund

The Operating Fund is composed of the Education (10), Food Service (19), Operations & Maintenance (20), Transportation (40), Illinois Municipal Retirement Fund (50), Social Security (51), and Working Cash funds (70). The Operating Fund provides for the day-to-day services necessary to operate the school district.

The Board of Education has established a budget policy that requires unassigned reserves in the operating funds be maintained at a level equal to approximately 33% of the next year's projected operating expense budget. For the 2017-2018 fiscal year, this amount equals \$38,974,716.66.

Debt Services Fund

The Debt Services Fund is composed solely of Debt Service (30). This fund is required when taxes are levied to retire bond principal or to pay bond interest, or if other revenue is pledged to pay principal, interest, or service charges on other long-term debt instruments.

Capital Projects Fund

The Capital Projects Fund is composed solely of Capital Projects (60) and Life Safety (90) funds. This fund is utilized to record capital improvements to facilities.

This fund is also utilized to record improvements to facilities as outlined by an approved life safety plan filed with the Regional Office of Education and the Illinois State Board of Education.

Funds Excluded from Financial Statements

Community Programs Fund

The Community Programs Fund is composed of the Glenbrook Aquatics (95) and Community Programs (96) funds. These funds are utilized to record revenue and expenditures related to the Board of Education-approved self-sustaining, community programs to serve the Glenview and Northbrook communities.

Student Activities Fund

The Student Activities Fund (99) is utilized to record revenue and expenditures resulting from student programs, or other designated staff programs approved by the Board of Education. Student Activity funds are considered property of the students, and not the Board of Education.

Explanation of Programs

Instructional Programs							
1000	General Instruction	1001	Financial Aid	1005	Visual Arts	1010	Drama Instruction

Combined Statement of Revenues, Expenditures, and Changes in Fund Balance

Presented in this section is a combined statement of revenues, expenditures, and changes in fund balance for all District budgeted funds. Please note that the information presented is unaudited. This section will be updated with audited amounts when available.

Overall, the District received 100.02% of its budgeted revenues and spent 98.12% of its budgeted expenditures within the operating funds. The net effect was that the District ended the year with an actual surplus of \$2.54M.

All Funds Revenues	2016-2017 Budget	2016-2017 Actual	Over Budget (Under Budget)	%

Comments Regarding the 2016-2017 Budget

Explanation of Revenue Variances between Budget and Actual

- R1** For budgetary purposes, the District utilizes CPPRT estimates that are prepared and published by the Illinois Department of Revenue's Local Tax Allocation Division. For FY2017, we budgeted for a decrease in CPPRT due to a previous overpayment in FY2016, however, the amount of the overpayment and actual receipts resulted in a higher revenue amount.
- R2** Summer school enrollment for June – August 2017 was lower than anticipated.
- R3** The Business Services department implemented a change in accounting practices which results in bus transportation fee revenue being recorded in the fiscal year for which the services will be used.
- R4** At the time of developing the FY2017 budget, a conservative approach to interest rates was utilized for projecting revenues.
- R5** Similar to bus transportation fee revenue, the District records parking fee revenue in the fiscal year for which the services will be used. An accounting error resulted in Glenbrook North parking fees being recorded in FY2016, the year in which the revenue was received.
- R6** Food service rental revenue was lower than anticipated.
- R7** Refer to discussion of payment status for categorical funding on page 50.
- R8** Refer to discussion of payment status for categorical funding on page 52.

Explanation of Expenditure Variances between Budget and Actual

- E1** School Operating Budgets historically have budgeted the residual of their allocation to "Other Misc.", until the school leadership team identifies additional funding needs for the school year.
- E2** A budgeted \$1.5M transfer from the Operations and Maintenance Fund to the Capital Projects Fund, as approved in July 2017 for the purpose of funding classroom improvements. Additionally, the lease certificate payment for the 3801 property was transferred from the Operations and Maintenance Fund to the Debt Service fund.
- E3** The revised Capital Outlay Threshold approved by the Board of Education on June 24, 2017 resulted in a reclassification of expenses to Non-Capitalized Outlay.

Explanation of Net Affect on Fund Balance

- F1** According to our unaudited fund balances, it is anticipated that the District will increase the total Fund balance in the amount of \$14.6M. Of this, \$13.9M is the unspent Life Safety Bond proceeds.

Summary of the 2017-2018 Budget

Revenue Summary

Overall, the 2017-2018 Tentative Budget reflects a decrease in revenues of 9.20% over 2016-2017 actual. The difference is attributed to not receiving bond proceeds this fiscal year, as we did last fiscal year.

All Funds Revenues		2016-2017 Actual	2017-2018 Budget	Difference	%

Comments Regarding the 2017-2018 Budget

Revenue

- R1** Considering the District's historical trend, adjustments were made to the property tax collection assumptions, as well as estimated property tax refunds. See page 47 for additional information.
- R2** Based on the estimated allocation developed in partnership with the Village of Glenview to be received in February 2018, based on 2016-2017 enrollment counts.
- R3** The Business Services department implemented a change in accounting practices resulting in bus transportation fee revenue being recorded in the fiscal year for which the services will be used.
- R4** Similar to bus transportation fee revenue, the District records parking fee revenue in the fiscal year for which the services will be used. An accounting error resulted in Glenbrook North parking fees being recorded in FY2016, the year in which the revenue was received. This year's revenue budget includes all parking fees that should be recorded in FY2018.
- R5** Recognizing the passage of Senate Bill 6, it is assumed that all outstanding state categorical payments for FY2017 will be paid in FY2018. We have also budgeted to received 1-2 payments of each categorical grant for FY2018 funding.
- R6** As of June 30, 2017, we do not have any outstanding federal special education categorical payments, resulting in a lower budgeted amount for FY2018.
- R7** There is a budgeted transfer of \$2M from the Working Cash Fund (70) to the Transportation Fund (40). This transfer is necessary given that the Transportation Fund is estimated to end below \$0 due to Board-approved subsidies to the student transportation program. Additionally, there is a budgeted transfer of \$374K from the Operations & Maintenance Fund (20) to the Debt Services Fund (30). This transfer is for the lease certificate payment for the 3801 property.

Expenditures

- E1** The 2017-2018 salary budget for FTE reflects an increase of 2.68% over the 2016-2017 Actual. Of this increase, 0.62% is attributed to a 5.90FTE increase in certified staff. The remaining 2.06% increase represents actual increases for staff (base and step) for all known staff, and an estimate for all unfilled positions.
- E2** Overall the Employee Benefit expenditures reflects an increase of 7.25% based on trend, and guidance from Gallagher in developing the FY2018 healthcare budget.
- E3** Increases in Capital Outlay are primarily attributed to the approved Life Safety projects, utilizing proceeds from the prior year's sale of bonds.
- E4** In accordance with the Board of Education established contingency guideline of 0.5% (half of one percent) for each fund with the Operating Fund, the following contingencies have been included in the 2017-2018 Tentative Budget:

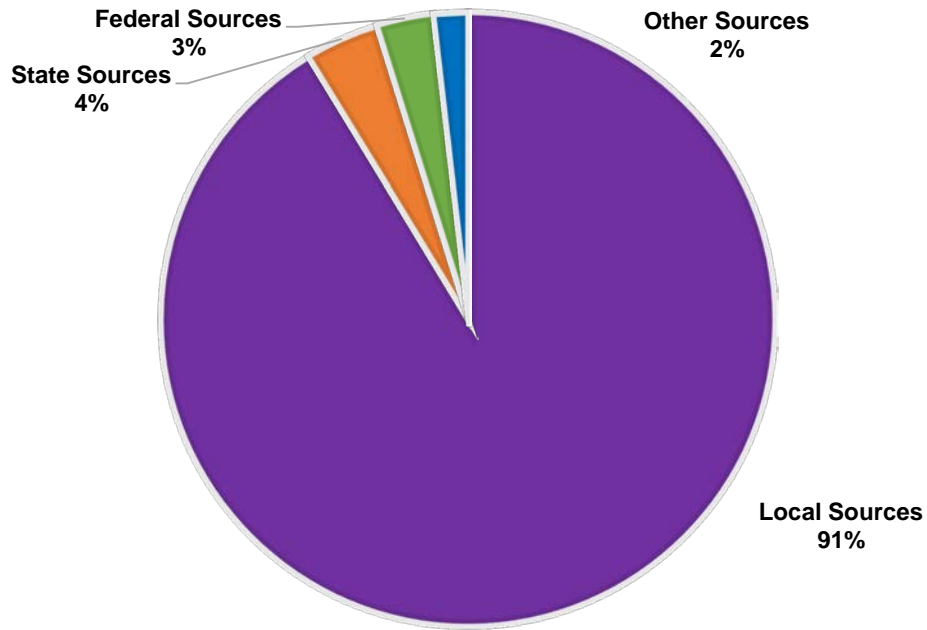

Education Fund	\$514,121.00
Operations & Maintenance Fund	\$39,546.00
Transportation Fund	\$16,791.00
IMRF Fund	\$7,376.00
Social Security/Medicare Fund	<u>\$9,993.00</u>
	\$587,737.00

- E5** There is a budgeted transfer of \$2M from the Working Cash Fund (70) to the Transportation Fund (40). This transfer is necessary given that the Transportation Fund is estimated to end below \$0 due to Board-approved subsidies to the student transportation program.
- E6** The revised Capital Outlay Threshold approved by the Board of Education on June 26, 2017 resulted in a shift regarding the recording of non-consumable supplies and non-capitalized equipment.
- E7** The use of Post Employment Benefits is new to the District, and based on adjustments to accounting practices required by the Illinois Program Accounting Manual.

Local Revenue Sources

Property Taxes

Each December, the Board of Education formalizes its request for property tax revenue for the upcoming tax year. To complete the levy process, the school district reviews the prior year's aggregate extension (amount of money scheduled to be collected by the County), and determines if tax amounts levied in the prior year should be decreased, left at the same level, or increased. Historically, our school district has increased the tax levy based on the maximum amount allowable (CPI-U level for prior year), and estimated new growth that has recently been added to the tax base. New growth revenue is essential to the District in order to meet the economic challenges resulting from the new growth. It is also important to emphasize that once the value of new real estate becomes part of the overall tax base, it is limited by the tax cap. As a result, it is extremely important for a school district to capture all new growth as it becomes part of the tax base, as it cannot be captured retroactively.

For budgeting purposes, the District utilizes two levy years to determine property tax revenues. For the 2017-2018 fiscal year, the following levy information has been utilized:

2016 Levy and Extension

The 2016 levy was approved by the Board of Education and submitted to the County Clerk in December 2016.

Due to delays in processing the levy and calculating the 2016 extension at the County Clerk's office, the County Treasurer mailed first installment bills to tax payers on or around January 31st in the amount of 55% of the prior year's assessment. The final Agency Tax Rate Report reflecting changes in EAV and the application of Property Tax Extension Limitation Law formula was issued by the County Clerk in June 2017. Using this information, the County Treasurer mailed second installment bills to tax payers on or around July 1st which represent the remainder of the tax payer's liability.

All revenue received from the 2016 extension by June 30, 2017 is recorded in the general ledger for fiscal year 2016-2017 as "Gen Taxes-Current Year". All revenue received from the 2016 levy after June 30, 2017 is recorded in the general ledger for fiscal year 2017-2018 as "Gen Taxes-Prior Year".

It is estimated that the District will collect:

- 97.5% of the 2016 tax extension, or \$108,291,155;
- 52% (\$56,311,401) will be collected in fiscal year 2016-2017;
- 48% will be collected in fiscal year 2017-2018 (\$51,979,755).

2017 Levy and Extension

The 2017 estimated levy will be presented to the Board of Education in November 2017. In accordance with Truth in Taxation law (35 ILCS 200/18-56), taxing bodies with estimated tax levies that are more than 105% of the preceding year's extension, are required to publish the estimated amounts, and hold a public hearing. While our estimated levies do not typically require us to perform these two activities, the District continues to publish the levy, and holds a public hearing to provide an opportunity for our community to express their thoughts regarding the proposal.

Considering the CPI-U level for 2017 (2.1%), the District prepared a tax levy projection for budgeting purposes that:

- Estimates a levy extension of 102.1% of the 2016 aggregate extension;
- Assumes a collection rate of 97.5%, and that 48% of the anticipated collection will be received in fiscal year 2017-2018.

Tax Increment Financing District (TIF)

Tax Increment Financing (TIF) districts are created by municipalities to improve areas of a community that are “blighted, decaying, and underperforming . . . in need of development or redevelopment”⁸ Prior to the creation of a TIF, the municipality must prove that the proposed property meets certain criteria established by the State. Once established, the existing value of the property is frozen, and all new value and property “go to the project fund controlled by the TIF district, not to the . . . schools, or any other taxing body”⁹ for a 23-year period. (Note: Taxing bodies continue to receive tax revenue based on the original assessed value of the property.)

The following TIF districts are active within the District’s boundaries¹⁰:

Municipality	TIF Name	Start	End	Frozen EAV	Total 2015 EAV
Glenview	Naval Air Station	1999	2022	26,882,825	390,812,768
Glenview	Waukegan Rd/Golf Rd	2013	2036	4,967,054	13,320,373
Northbrook	Dundee Rd / Skokie Blvd	2005	2028	3,115,141	5,185,867

The largest TIF district within the District’s boundaries is the Glenview Naval Air Station redevelopment project known as The Glen. The Glen is a multi-use development built on the original Glenview Naval Air Station property plus an additional 200 acres. Recognizing the impact of this development on taxing bodies including school districts, the Village of Glenview entered into an inter-governmental agreement to provide annual impact payments. These payments are known as “make whole payments”, and are based on the number of students enrolled at Glenbrook South High School living within The Glen development. The Glen’s property is anticipated to become part of the District’s EAV in tax year 2022. It should be noted that tax year 2022 is a triennial reassessment year, and as such, the EAV will likely adjust based on inflation and trend for the regional area.

For budgetary purposes, the District utilizes make-whole payment revenue to first fund its annual capital project initiatives (Fund 60), and second to support the educational program (Fund 10).

Corporate Personal Property Replacement Tax (CPPRT)

Corporate Personal Property Replacement Tax (CCPRT) is paid by corporations, partnerships, trusts, S corporations, and public utilities within the district¹¹. These taxes supplant lost revenue as a result of the elimination of a corporate tax on all property that was not ‘real’ (e.g. movable machinery, automobiles, livestock and furniture¹²) in 1979. Taxing bodies receive a portion of actual taxes collected, based on the portion of personal property taxes that was received in 1976¹³. As a result of the statutory formula, the District receives 0.360661 of the total 51.65% of CPPRT collections allocated for Cook County.

For budgetary purposes, the District utilizes CPPRT estimates that are prepared and published by the Illinois Department of Revenue’s Local Tax Allocation Division. It is important to note, however, that CPPRT estimates are prepared based on trend analysis; disbursements of CPPRT are based on actual tax receipts recorded since the last payment was issued to taxing bodies (January, March, April, May, July, August, October, and December).

In accordance with the State Revenue Sharing Act (30 ILCS 115/12), a taxing body is required to apply the portion of CPPRT revenue to, “the proportionate share of the pension or retirement obligations of the

taxing district which were previously levied and collected from extensions against personal property”. In the first full fiscal year that personal property taxes were not assessed (1980-1981), the District recorded CPPRT receipts in the amounts of \$945,764 (97%) in Fund 10, and \$26,660 (3%) in Fund 50. Using these figures, the District continues to budget, and ultimately allocate 97% of CPPRT collections as revenue in Fund 10 and 20 (based on needs), and 3% in Fund 50.

Interest Earnings

Interest revenue comes from two sources: interest earnings on District bank accounts; interest earnings on District investments.

In accordance with the Illinois Public Funds Investment Act (30 ILCS 235/0.01 *et seq.*), the Northfield Township School Treasurer is responsible for managing the investment of District funds. Investment decisions are governed by policies enacted by the Board of Trustees of the Northfield Township School Treasurer. There are several objectives that have been established by their Board Policy¹⁴:

- Safety of Principal
- Liquidity
- Return on Investments
- Maintaining the Public’s Trust
- Diversification

Investments are permitted using common instruments (e.g. bonds, notes, certificates of indebtedness, treasury bills, interest bearing savings accounts and certificates of deposits, the Illinois School District Liquid Asset Fund). The Treasurer has established a routine investment schedule that complies with each school district’s cash flow needs, and is responsible for reporting investment activity to each district on a monthly basis. Interest earnings from investment activities are deposited in each school district’s general fund upon maturity of the investment.

Upon receipt of interest earnings, the District distributes the revenue based on the proportion of fund balances defined in the school district’s Annual Financial Report for the preceding year (e.g. interest earnings received in November 2017 and distributed based on fund balances reported in the Fiscal Year 2016-2017 Annual Financial Report).

Student Fees

In accordance with Board Policy 4040, the Board of Education is presented each year with a list of recommended student fees for approval. In addition to Board-approved fees, students enrolled in specific courses may be assessed additional “course fees” which are reviewed and approved by the school principal on an annual basis.

All students attending a Glenbrook High Schools are assessed three general fees: Chromebook fee, materials fee, and towel fee. These fees are deposited into District revenue accounts and used for the purpose designated.

Additional user fees are assessed to students and families upon request. These fees are deposited into District revenue accounts and used for the purpose designated. The majority of our user fees are calculated based on the total amount of estimated expenses for the upcoming school year. Examples of these fees include: driver education behind the wheel, instrument rental, parking fee, transportation fee.

Other Local Revenue

Includes tuition, athletic admissions, building rentals, and other local fees.

State Revenue Sources

General State Aid Payments

General State Aid provided to the district, revenue is usually unrestricted and can be utilized in any fund. The Illinois General Assembly recently took action to restructure the school funding formula through the following pieces of legislation:

- Senate Bill 1 (SB1)

SB1 includes a redesign of the school funding formula to reflect the Evidence-Based Funding Model supported by educators and leaders across the State. Often advertised as #norednumbers, SB1 includes provisions to ensure that all school districts are kept whole by ensuring that they receive at least the same amount of funding as in years past. SB1 has been approved by both chambers of the Illinois General Assembly, but has not yet been sent to the Governor for his approval.

Once the bill is sent to the Governor, he will have 60 days to either sign or veto the legislation.

It should be noted that the following stand-alone Mandated Categorical Grants have been consolidated into the Evidence-Based Funding Model:

- Funding for Children Requiring Special Education Services
- Personnel Reimbursement (Service to Students with Disabilities)
- Summer School (Students with Disabilities)
- Bilingual Education (TPI and TBE)

- Senate Bill 6 (SB6)

SB6 established a budget for the State of Illinois. SB6 was enacted after both chambers of the Illinois General Assembly voted to overturn Governor Rauner's veto. This legislation includes increases to the education budget. However, it should be noted that SB6 provides \$6.7 billion for the Evidence-Based Funding Model.

If SB1 is not approved as expected, there will be no appropriation mechanism to fund public education, and schools will not be able to receive this funding.

Additional information regarding the Evidence-Based Funding Model will be added to this document once SB1, or a similar piece of legislation, has been enacted.

For budgetary purposes, the District utilized the assumption that we will receive the same amount of State funding as was approved for disbursement for the 2016-17 fiscal year.

State Categorical Payments

The Illinois General Assembly has identified several programs to be supported by State funds. Several of these programs are referred to as mandated categorical programs (MCATs). The Illinois State Board of Education defines these State-funded programs as, "In general, a mandated categorical program and the funds appropriated for it are earmarked by statute for a particular purpose or population and may be used for that purpose or population only"¹⁵ In addition to mandated categorical programs, there are other State-funded programs that are classified as categorical payments.

Recognizing the financial challenges faced by the State of Illinois, the Illinois General Assembly has often pro-rated mandated categorical programs and/or delayed funding disbursement. This has resulted in funding being unpredictable, presenting challenges to the budgeting process.

¹⁵ Illinois State Board of Education. (2017). Overview of Mandated Categorical Program Funding. Retrieved from: <https://www.isbe.net/Documents/mcat-narrative.pdf>

Revenues – Fiscal Year 2017-2018 Budget

At the end of the 2016-17 fiscal year, many school districts were still owed funds from the State. The charts shown below identify the applicable funding streams, as well as the outstanding payments owed to the District.

The following is a summary of the District’s mandated categorical payment status as of June 30, 2017:

State Mandated Categorical Programs	FY2017 Outstanding Payments
Private Facility Tuition (Students with Disabilities) (105 ILCS 5/14-7.02)	\$84,195.92
Funding for Children Requiring Special Education Services + (105 ILCS 5/14-7.02b)	\$314,507.14
Personnel Reimbursement (Service to Students with Disabilities) + (105 ILCS 5/14-13.01)	\$421,310.50
Special Transportation (105 ILCS 5/14-13.01(b))	\$0
Orphanage Tuition (Students with Disabilities) (105 ILCS 5/14-7.03)	\$8,902.00
Summer School (Students with Disabilities) + (105 ILCS 5/18-4.3)	\$3,400.63
Regular Transportation (105 ILCS 5/29)	n/a
School Breakfast and Lunch Program (105 ILCS 125)	n/a
Regular Education Orphanage Program (105 ILCS 5/18-3)	n/a
Total	\$832,316.19

+ Denotes a categorical program that has been consolidated into the Evidence-Based Funding Model for FY2018

For budgeting purposes, the District typically budgets for the total amount owed from the prior fiscal year, plus one or two payments (depending on payment trend). This is because the State is required to budget (and ideally, pay) its deficit carry-forward balances from the previous fiscal year¹⁶

The Illinois General Assembly has also provided for the participation in other categorical programs. Funding for these programs is typically timelier, compared to the MCATs.

The following is a summary of the District’s other State categorical payment status as of June 30, 2017:

Other State Categorical Programs	FY2017 Outstanding Payments
Career and Technical Education Secondary Program Improvement (CTEI)	\$0
Bilingual Education - TPI and TBE ¹⁷ + (105 ILCS 5/14C et seq.)	\$24,511.00
Driver Education (105 ILCS 5/27-24.4)	\$27,482.77
Total	\$51,993.77

+ Denotes a categorical program that has been consolidated into the Evidence-Based Funding Model for FY2018

Federal Revenue Sources

Federal Categorical Payments

The United States Congress has also identified funding priorities in the form of restricted grants. Many of these grants are coordinated by the Illinois Department of Education, whereas others are facilitated by our special education cooperative, NSSD, or other State agencies. Given that most of the grants are designed as flow-through grants, where federal funds are collected by an administration agency, and then passed-on to local school districts, they are paid in a very timely fashion.

Payment of these grants is initiated after the District submits claims with the required documentation, to the facilitating agency. These grants include:

Federal Categorical Programs	FY2017 Outstanding Payments
Perkins Grant Vocational Education	\$29,859.00
Title I Low Income	\$80,350.00
Title II Teacher Quality	\$17,103.00
Title III Immigrant Education Program IEP	\$3,351.00
Title III Limited English Proficiency LIPLEP	\$1,520.00
Step Grant	\$0
Medicaid Admin Outreach	\$0
Medicaid Fee for Service (FFS)	\$0
Total	\$132,183.00

Other Revenue Sources

Transfers

Transfers from other funds. For the 2017-2018 there is a single budgeted transfer of \$2M from the Working Cash Fund (70) to the Transportation Fund (40). This transfer is necessary given that the Transportation Fund is estimated to end below \$0 due to Board-approved subsidies to the student transportation program. There is also a budgeted transfer of \$374K for the Operations & Maintenance Fund (20) to the Debt Services Fund (30). This transfer is for the lease certificate payment for the 3801 W. Lake Avenue property.

The Board of Education will be presented with a Resolution to approve this transfer during the final budget approval in September 2017.

FY2018

Expenditure Types

This page left intentionally blank.

Expenditure Types

Salaries (1000)

The salaries budget represents wages paid for both Certified and Non-Certified district employees including substitutes. Certified staff includes administration, teaching, and counselors. Non-Certified staff includes instructional assistants, paraprofessionals, secretarial, maintenance, and other educational support personnel. Staffing is based on enrollment and special program allocations.

Employee Benefits (2000)

Includes expenditures for health, dental, life, and disability insurances, payroll taxes, and pension costs (IMRF and TRS). Also included in this category are tuition reimbursements, employee assistance and wellness programs.

Purchased Services (3000)

Includes expenditures for professional and technical services, such as consultants, legal services, and other service contracts (ex. Beck's Bookstores).

Supplies and Materials (4000)

Includes expenditures for all instructional and operational supplies. Included in this category are utilities, consumable, and non-consumable supplies.

Capital Outlay (5000)

Includes expenditures for general capital outlay, such as equipment.

Dues/Fees/Other (6000)

Includes expenditures for dues/fees and other miscellaneous items.

Tuition (6000)

Represents the district's payments to outside agencies for special education tuition. Outside agencies can include public schools as well as private day and/or residential facilities.

Other Uses-Transfers (6000)

Transfers to other funds.

Contingencies (6000)

A contingency is defined as an existing condition, situation, or set of circumstances involving uncertainty as to possible gain or loss that will ultimately be resolved when one or more future events occur or fail to occur. Resolution of the uncertainty may confirm the acquisition of an asset or the reduction of a liability or the loss or impairment of an asset or the incurrence of a liability.

Non-Capitalized Outlay (7000)

Expenditures for items that would otherwise be classified as capital assets except that they cost less than the capitalization threshold.

Post-Employment Benefits (8000)

Expenditures related to terminated or retiring employees including compensation for unused sick or vacation days and post-employment insurance benefits.

FY2018

5-Year Financial Forecast

This page left intentionally blank.

Financial Forecast Model

This fall the Business Services team partnered with Forecast5 Analytics to replace our existing, Excel-based financial forecast tool. While both tools will access a lot of the same information, the flexibility provided by a database and statistical engine exceed what a spreadsheet program can provide. With access to a more advanced data processing tool, the District will have the ability to quickly perform long-term trend analysis and projection calculations, and also access benchmark data from other school districts in our region.

Our new financial forecast tool, 5Cast, has been widely adopted by school districts and other municipal organizations throughout our region. A primary reason for the high adoption rate is the solution's overall toolset, comprehensive reporting suite, and ability to develop multiple 'what-if' scenarios to predict the impact of different local, state, and federal conditions. As part of Forecast5's commitment to projection integrity, their product 5Cast references several data sources to develop a projection, including:

- Audited, historical budget performance and fund balances from the Annual Financial Report;
- Current year budget as stated on the ISBE Budget Form
- Current and future year tax extension as stated on the Cook County Levy Report
- General ledger data including budgeted and actual account activity
- Calculated revenue and salary/benefit expenditures based on District-defined values entered into 5Cast's calculators
- Revenue and expenditures projections based on District-defined values

In an effort to develop a working 5Cast projection model for review by the Board, we utilized a set of assumptions. These assumptions are similar to those which have been historically utilized by the District, with some modifications due to actual budget performance, and trend analysis. The assumptions utilized are outlined below.

Revenue Assumptions

The following assumptions were utilized for the 5-year financial forecast presented.

Assumption	FY2018 Model	FY2017 Model
Property Tax Revenue	52% of LY2017 48% of LY2016 97.5% Collection Rate CPI of 2.1% for LY2017 CPI of 1.2% for LY2018+	52% of LY2016 48% of LY2015 99% Collection Rate CPI of 0.7% for LY2017 CPI of 1% for LY2018+
Make-Whole Payments	Actual Calculation for FY2018 Anticipated Trend for FY2019+	Historical Trend
Interest Income	Remain Flat	Remain Flat
Student Fees	Estimated Collections	Estimated Collections
General State Aid	Foundation Level with Enrollment Consideration	Foundation Level with Enrollment Consideration
State and Federal Categorical Grants	Outstanding Payments and Estimated New Payments to be Received	Outstanding Payments and Estimated New Payments to be Received
Debt Service	Debt Book Values	Debt Book Values

5-Year Financial Forecast

Expenditure Assumptions

The following assumptions were utilized for the 5-year financial forecast presented.

Assumption	FY2018 Model	FY2017 Model
Staffing Projections	Maintain Current Ratios	Maintain Current Ratios
Salaries and FICA / Medicare (Increase w/ Lane and Step)	3.32% for Certified for FY2018+ 0.92% for Administration for FY2018+ 2.82% for Clerical for FY2018+ 1.50% for Extra Duty for FY2018+	3.5% for Certified 2.85% for Non Certified
Employer IMRF	10%	n/a
Health Benefits	7% for Medical / Dental for FY2018+ 3% for Life / LTD for FY2018+	12%
Retirement Contributions	\$100,000	\$100,000
Non-Personnel Expenditures	Based on Contractual Agreements, New Initiatives, and CPI 0.7% for FY2018+ 2.1% for FY2019+ 1.2% for FY2020+	0.7% for FY2017
Capital Projects	\$1,000,000	\$1,500,000

5-Year Financial Forecast

5-Year Financial Forecast

This 5-Year financial forecast was prepared for review by the Finance Committee and the Board of Education in June 2017.

It should be noted that the tentative FY2018 budget has not been calculated in the forecast presented below. The District's 5-year financial forecast will be updated after the audit has been completed for the fiscal year ended June 30, 2017, and any final entries have been recorded for the prior fiscal year.
