Re: Resolution providing for the issue of not to exceed \$10,000,000 General Obligation Limited School Bonds, Series 2017, for the purpose of altering and reconstructing school buildings and purchasing and installing equipment therein for fire prevention and safety, energy conservation and school security purposes, providing for the levy of a direct annual tax to pay the principal and interest on said bonds and authorizing the proposed sale of said bonds to the purchaser thereof

Recommendation

It is recommended that the Board of Education approve the revised resolution as presented.

Background

At the Monday, August 8, 2016 meeting, the Board approved a resolution authorizing the issuance of up to \$15M life safety bonds, within certain parameters for the Debt Service Extension Base (DSEB). The plan was to issue \$5.1M of life safety bonds simultaneously with the refunding bond issue in November 2016, and the remaining \$9.9M in January 2017. Splitting the bond issue made it possible for the District to benefit lower interest rates (.10% - .15% lower) as part of an incentive for bank qualified bond issues.

In developing this plan, William Blair & Company, LLC, our financial advisor, used conservative assumptions on the Debt Service Extension Base CPI increases, estimating 1% increase given historical CPI increases levels (.8% in 2015 and .7% in 2016). Since the Board approved the parameters bond resolution, CPI levels have continued to increase. Should trends continue, it is estimated CPI-U will achieve a December 2016 level of 2.0%. This is the number that will impact the Property Tax Limitation Law permitted levy increase impacting the 2017 tax levy and the 2017 Debt Service Extension Base. In addition to CPI increasing, tax-exempt interest rates have also increased steadily since November 8th by over .80% for the 10 year Municipal Market Data Index. For example, on September 28, 2016, we estimated a bank qualified interest rate of 2.29% for the January 2017 bond issue. As of December 12, 2017 we estimate an interest rate of 2.90%.

Because of the very different market and inflation conditions, our financial advisor and bond and disclosure counsel (Chapman and Cutler, LLP) recommend changing the bond issuance parameters by adopting a new resolution to reflect the anticipated 2.0% DSEB increase in 2017 levy year, with increases of 1.5% thereafter. At these higher CPI's we can pay off additional debt service. Even with the higher interest rates, we can generate approximately \$200,000 more in life safety proceeds.

The difference in the total debt service between this original and revised resolution is an additional \$224,000 maximum debt service constraint. This issue will also utilize the remaining \$654,000 of the original \$1,000,000 additional fund balance in the debt service fund. This resolution authorizes the Assistant

Superintendent for Business Services / CSBO and the Board of Education President to proceed with the bond sale with no further Board action as long as the sale is within the parameters set forth in the resolution. We will pursue a private placement with the local bank. If the rates are noncompetitive we will proceed with a competitive bond sale.

RESOLUTION providing for the issue of not to exceed \$10,000,000 General Obligation Limited School Bonds, Series 2017, of Township High School District Number 225, Cook County, Illinois, for the purpose of altering and reconstructing school buildings and purchasing and installing equipment therein for fire prevention and safety, energy conservation and school security purposes, providing for the levy of a direct annual tax to pay the principal and interest on said bonds and authorizing the proposed sale of said bonds to the purchaser thereof.

NOW, THEREFORE, Be It and It Is Hereby Resolved by the Board of Education of Township High School District Number 225, Cook County, Illinois, as follows:

Section 1. Incorporation of Preambles. The Board hereby finds that all of the recitals contained in the preambles to this Resolution are full, true and correct and does incorporate them into this Resolution by this reference.

Section 2. Authorization. It is hereby found and determined that the Board has been authorized by law to borrow a sum not to exceed \$10,515,000 upon the credit of the District and as evidence of such indebtedness to issue bonds of the District to said amount, the proceeds of said bonds to be used for the Project, in order to conform said school buildings to the building code promulgated by the State Board of Education of the State of Illinois, and for necessary energy conservation and school security purposes, as more particularly set forth in the aforesaid certified estimates of a duly licensed architect or engineer, which certified estimates were approved by the Executive Director and by the State Superintendent, and it is necessary and for the best interests of the District that there be issued an amount not to exceed \$10,000,000 of the bonds so authorized.

Section 3. Bond Details. There be borrowed on the credit of and for and on behalf of the District an amount not to exceed of \$10,000,000 for the purpose aforesaid; and that bonds of the District (the “*Bonds*”) shall be issued to said amount and shall be designated “[Taxable] General Obligation Limited School Bonds, Series 2017” with such additional descriptions as set forth in the Bond Notification (hereinafter defined). The Bonds shall be dated such date (not prior to January 9, 2017, and not later than July 9, 2017) as set forth in the Bond Notification, and shall also bear the date of authentication, shall be in fully registered form, shall be in denominations set forth in the Bond Notification (the “*Denomination*”) or authorized integral multiples thereof (but no single Bond shall represent installments of principal maturing on more than one date), and shall be numbered 1 and upward. The Bonds shall become due and payable serially or be subject to mandatory redemption (subject to prior redemption as hereinafter

described) on December 1 of each of the years (not later than 2027), in the amounts (not exceeding \$2,100,000 per year) and bearing interest at the rates per annum (not exceeding 5.00% per annum) as set forth in the Bond Notification. The Bonds may be issued as (a) tax-exempt bonds (the “*Tax-Exempt Bonds*”), whereby the status of interest paid and received thereon is excludable from the gross income of the owners thereof under the Internal Revenue Code of 1986, as amended (the “*Code*”), or (b) taxable bonds (the “*Taxable Bonds*”), whereby the status of interest paid and received thereon is includible in gross income of the owners thereof under the Code.

The Bonds shall bear interest from their date or from the most recent interest payment date to which interest has been paid or duly provided for, until the principal amount of the Bonds is paid, such interest (computed upon the basis of a 360-day year of twelve 30-day months) being payable semi-annually commencing with the first interest payment date as set forth in the Bond Notification, and on June 1 and December 1 of each year thereafter to maturity.

Interest on each Bond shall be paid by check or draft of the bond registrar and paying agent (which shall be the Purchaser (as hereinafter defined), the School Treasurer who receives the taxes of the District or a bank or trust company with an office located in the State of Illinois) set forth in the Bond Notification (the “*Bond Registrar*”), payable upon presentation in lawful money of the United States of America, to the person in whose name such Bond is registered at the close of business on the 15th day of the month next preceding the interest payment date. The principal of the Bonds shall be payable in lawful money of the United States of America at the principal office of the Bond Registrar.

The Bonds shall be signed by the manual or facsimile signature of the President of the Board, and shall be registered, numbered and countersigned by the manual or facsimile signature of the School Treasurer who receives the taxes of the District, as they shall determine, and in

case any officer whose signature shall appear on any Bond shall cease to be such officer before the delivery of such Bond, such signature shall nevertheless be valid and sufficient for all purposes, the same as if such officer had remained in office until delivery.

All Bonds shall have thereon a certificate of authentication substantially in the form hereinafter set forth duly executed by the Bond Registrar as authenticating agent of the District and showing the date of authentication. No Bond shall be valid or obligatory for any purpose or be entitled to any security or benefit under this Resolution unless and until such certificate of authentication shall have been duly executed by the Bond Registrar by manual signature, and such certificate of authentication upon any such Bond shall be conclusive evidence that such Bond has been authenticated and delivered under this Resolution. The certificate of authentication on any Bond shall be deemed to have been executed by the Bond Registrar if signed by an authorized officer of the Bond Registrar, but it shall not be necessary that the same officer sign the certificate of authentication on all of the Bonds issued hereunder.

Section 4. Registration of Bonds; Persons Treated as Owners. (a) General. The District shall cause books (the “*Bond Register*”) for the registration and for the transfer of the Bonds as provided in this resolution to be kept at the principal office of the Bond Registrar, which is hereby constituted and appointed the registrar of the District. The District is authorized to prepare, and the Bond Registrar or such other authorized person as the officers of the District may designate shall keep custody of, multiple Bond blanks executed by the District for use in the transfer and exchange of Bonds.

Upon surrender for transfer of any Bond at the principal office of the Bond Registrar, duly endorsed by, or accompanied by a written instrument or instruments of transfer in form satisfactory to the Bond Registrar and duly executed by, the registered owner or his attorney duly authorized in writing, the District shall execute and the Bond Registrar shall authenticate, date

and deliver in the name of the transferee or transferees a new fully registered Bond or Bonds of the same maturity of authorized denominations, for a like aggregate principal amount. Any fully registered Bond or Bonds may be exchanged at said office of the Bond Registrar for a like aggregate principal amount of Bond or Bonds of the same maturity of other authorized denominations. The execution by the District of any fully registered Bond shall constitute full and due authorization of such Bond and the Bond Registrar shall thereby be authorized to authenticate, date and deliver such Bond, *provided, however*, the principal amount of outstanding Bonds of each maturity authenticated by the Bond Registrar shall not exceed the authorized principal amount of Bonds for such maturity less previous retirements.

The Bond Registrar shall not be required to transfer or exchange any Bond during the period beginning at the close of business on the 15th day of the month next preceding any interest payment date on such Bond and ending at the opening of business on such interest payment date, nor to transfer or exchange any Bond after notice calling such Bond for redemption has been mailed, nor during a period of fifteen (15) days next preceding mailing of a notice of redemption of any Bonds.

The person in whose name any Bond shall be registered shall be deemed and regarded as the absolute owner thereof for all purposes, and payment of the principal of or interest on any Bond shall be made only to or upon the order of the registered owner thereof or his legal representative. All such payments shall be valid and effectual to satisfy and discharge the liability upon such Bond to the extent of the sum or sums so paid.

No service charge shall be made for any transfer or exchange of Bonds, but the District or the Bond Registrar may require payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in connection with any transfer or exchange of Bonds,

except in the case of the issuance of a Bond or Bonds for the unredeemed portion of a Bond surrendered for redemption.

(b) *Global Book-Entry System.* The Bonds shall be initially issued in the form of a separate single fully registered Bond for each of the maturities of the Bonds determined as described in Section 3 hereof. Upon initial issuance, the ownership of each such Bond may be registered in the Bond Register in the name of Cede & Co., or any successor thereto (“*Cede*”), as nominee of The Depository Trust Company, New York, New York, and its successors and assigns (“*DTC*”). In such event, all of the outstanding Bonds shall be registered in the Bond Register in the name of Cede, as nominee of DTC, except as hereinafter provided. The President and Secretary of the Board, the Superintendent and Assistant Superintendent of Business Services of the District and the Bond Registrar are each authorized to execute and deliver, on behalf of the District, such letters to or agreements with DTC as shall be necessary to effectuate such book-entry system (any such letter or agreement being referred to herein as the “*Representation Letter*”), which Representation Letter may provide for the payment of principal of or interest on the Bonds by wire transfer.

With respect to Bonds registered in the Bond Register in the name of Cede, as nominee of DTC, the District and the Bond Registrar shall have no responsibility or obligation to any broker-dealer, bank or other financial institution for which DTC holds Bonds from time to time as securities depository (each such broker-dealer, bank or other financial institution being referred to herein as a “*DTC Participant*”) or to any person on behalf of whom such a DTC Participant holds an interest in the Bonds. Without limiting the immediately preceding sentence, the District and the Bond Registrar shall have no responsibility or obligation with respect to (i) the accuracy of the records of DTC, Cede or any DTC Participant with respect to any ownership interest in the Bonds, (ii) the delivery to any DTC Participant or any other person,

other than a registered owner of a Bond as shown in the Bond Register, of any notice with respect to the Bonds, including any notice of redemption, or (iii) the payment to any DTC Participant or any other person, other than a registered owner of a Bond as shown in the Bond Register, of any amount with respect to the principal of or interest on the Bonds. The District and the Bond Registrar may treat and consider the person in whose name each Bond is registered in the Bond Register as the holder and absolute owner of such Bond for the purpose of payment of principal and interest with respect to such Bond, for the purpose of giving notices of redemption and other matters with respect to such Bond, for the purpose of registering transfers with respect to such Bond, and for all other purposes whatsoever. The Bond Registrar shall pay all principal of and interest on the Bonds only to or upon the order of the respective registered owners of the Bonds, as shown in the Bond Register, or their respective attorneys duly authorized in writing, and all such payments shall be valid and effective to fully satisfy and discharge the District's obligations with respect to payment of the principal of and interest on the Bonds to the extent of the sum or sums so paid. No person other than a registered owner of a Bond as shown in the Bond Register, shall receive a Bond evidencing the obligation of the District to make payments of principal and interest with respect to any Bond. Upon delivery by DTC to the Bond Registrar of written notice to the effect that DTC has determined to substitute a new nominee in place of Cede, and subject to the provisions in Section 3 hereof with respect to the payment of interest to the registered owners of Bonds at the close of business on the 15th day of the month next preceding the applicable interest payment date, the name "Cede" in this Resolution shall refer to such new nominee of DTC.

In the event that (i) the District determines that DTC is incapable of discharging its responsibilities described herein and in the Representation Letter, (ii) the agreement among the District, the Bond Registrar and DTC evidenced by the Representation Letter shall be terminated

for any reason or (iii) the District determines that it is in the best interests of the beneficial owners of the Bonds that they be able to obtain certificated Bonds, the District shall notify DTC and DTC Participants of the availability through DTC of certificated Bonds and the Bonds shall no longer be restricted to being registered in the Bond Register in the name of Cede, as nominee of DTC. At that time, the District may determine that the Bonds shall be registered in the name of and deposited with such other depository operating a universal book-entry system, as may be acceptable to the District, or such depository's agent or designee, and if the District does not select such alternate universal book-entry system, then the Bonds may be registered in whatever name or names registered owners of Bonds transferring or exchanging Bonds shall designate, in accordance with the provisions of Section 4(a) hereof.

Notwithstanding any other provisions of this Resolution to the contrary, so long as any Bond is registered in the name of Cede, as nominee of DTC, all payments with respect to principal of and interest on such Bond and all notices with respect to such Bond shall be made and given, respectively, in the name provided in the Representation Letter.

Section 5. Redemption. (a) *Optional Redemption.* All or a portion of the Bonds due on and after the date, if any, specified in the Bond Notification shall be subject to redemption prior to maturity at the option of the District from any available funds, as a whole or in part, and if in part in integral multiples of the Denomination in any order of their maturity as determined by the District (less than all of the Bonds of a single maturity to be selected by the Bond Registrar), on the date specified in the Bond Notification (but not later than 10-1/2 years after the date of issuance of the Bonds), and on any date thereafter, at the redemption price of par plus accrued interest to the date fixed for redemption.

(b) *Mandatory Redemption.* The Bonds maturing on the date or dates, if any, indicated in the Bond Notification are subject to mandatory redemption, in integral multiples of the

Denomination selected by lot by the Bond Registrar, at a redemption price of par plus accrued interest to the redemption date, on December 1 of the years, if any, and in the principal amounts, if any, as indicated in the Bond Notification.

The principal amounts of Bonds to be mandatorily redeemed in each year may be reduced through the earlier optional redemption thereof, with any partial optional redemptions of such Bonds credited against future mandatory redemption requirements in such order of the mandatory redemption dates as the District may determine. In addition, on or prior to the 60th day preceding any mandatory redemption date, the Bond Registrar may, and if directed by the Board shall, purchase Bonds required to be retired on such mandatory redemption date. Any such Bonds so purchased shall be cancelled and the principal amount thereof shall be credited against the mandatory redemption required on such next mandatory redemption date.

(c) *General.* The Bonds shall be redeemed only in the principal amount of the Denomination and integral multiples thereof. The District shall, at least forty-five (45) days prior to any optional redemption date (unless a shorter time period shall be satisfactory to the Bond Registrar) notify the Bond Registrar of such redemption date and of the principal amount and maturity or maturities of Bonds to be redeemed. For purposes of any redemption of less than all of the outstanding Bonds of a single maturity, the particular Bonds or portions of Bonds to be redeemed shall be selected by lot by the Bond Registrar from the Bonds of such maturity by such method of lottery as the Bond Registrar shall deem fair and appropriate; *provided* that such lottery shall provide for the selection for redemption of Bonds or portions thereof so that any Bond in the Denomination or portion of a Bond in the Denomination shall be as likely to be called for redemption as any other such Bond in the Denomination or portion of such Bond in the Denomination. The Bond Registrar shall make such selection upon the earlier of the irrevocable

deposit of funds with an escrow agent sufficient to pay the redemption price of the Bonds to be redeemed or the time of the giving of official notice of redemption.

The Bond Registrar shall promptly notify the District in writing of the Bonds or portions of Bonds selected for redemption and, in the case of any Bond selected for partial redemption, the principal amount thereof to be redeemed.

Section 6. Redemption Procedure. Unless waived by any holder of Bonds to be redeemed, notice of the call for any such redemption shall be given by the Bond Registrar on behalf of the District by mailing the redemption notice by first class mail at least thirty (30) days (unless otherwise set forth in the Bond Notification) and not more than sixty (60) days prior to the date fixed for redemption to the registered owner of the Bond or Bonds to be redeemed at the address shown on the Bond Register or at such other address as is furnished in writing by such registered owner to the Bond Registrar.

All notices of redemption shall state:

- (1) the redemption date,
- (2) the redemption price,
- (3) if less than all outstanding Bonds are to be redeemed, the identification (and, in the case of partial redemption, the respective principal amounts) of the Bonds to be redeemed,
- (4) that on the redemption date the redemption price will become due and payable upon each such Bond or portion thereof called for redemption, and that interest thereon shall cease to accrue from and after said date,
- (5) the place where such Bonds are to be surrendered for payment of the redemption price, which place of payment shall be the principal office of the Bond Registrar, and
- (6) such other information then required by custom, practice or industry standard.

Unless moneys sufficient to pay the redemption price of the Bonds to be redeemed at the option of the District shall have been received by the Bond Registrar prior to the giving of such notice of redemption, such notice may, at the option of the District, state that said redemption shall be conditional upon the receipt of such moneys by the Bond Registrar on or prior to the date fixed for redemption. If such moneys are not received, such notice shall be of no force and effect, the District shall not redeem such Bonds, and the Bond Registrar shall give notice, in the same manner in which the notice of redemption shall have been given, that such moneys were not so received and that such Bonds will not be redeemed. Otherwise, prior to any redemption date, the District shall deposit with the Bond Registrar an amount of money sufficient to pay the redemption price of all the Bonds or portions of Bonds which are to be redeemed on that date.

Subject to the provisions for a conditional redemption described above, notice of redemption having been given as aforesaid, the Bonds or portions of Bonds so to be redeemed shall, on the redemption date, become due and payable at the redemption price therein specified, and from and after such date (unless the District shall default in the payment of the redemption price) such Bonds or portions of Bonds shall cease to bear interest. Upon surrender of such Bonds for redemption in accordance with said notice, such Bonds shall be paid by the Bond Registrar at the redemption price. Installments of interest due on or prior to the redemption date shall be payable as herein provided for payment of interest. Upon surrender for any partial redemption of any Bond, there shall be prepared for the registered holder a new Bond or Bonds of the same maturity in the amount of the unpaid principal.

If any Bond or portion of Bond called for redemption shall not be so paid upon surrender thereof for redemption, the principal shall, until paid, bear interest from the redemption date at the rate borne by the Bond or portion of Bond so called for redemption. All Bonds which have been redeemed shall be cancelled and destroyed by the Bond Registrar and shall not be reissued.

Section 7. Form of Bond. The Bonds shall be in substantially the following form; *provided, however,* that if the text of the Bond is to be printed in its entirety on the front side of the Bond, then paragraph [2] and the legend, “See Reverse Side for Additional Provisions”, shall be omitted and paragraph [6] and the paragraphs thereafter as may be appropriate shall be inserted immediately after paragraph [1]:

Section 8. Sale of Bonds. The President of the Board and the Assistant Superintendent for Business Services of the District (the “*Designated Representatives*”) are hereby authorized to proceed not later than the reorganizational meeting of the Board following the April 4, 2017, consolidated election (if changes in Board membership occur) or the 9th day of July, 2017 (if no changes in Board membership occur), without any further authorization or direction from the Board, to sell the Bonds upon the terms as prescribed in this Resolution. The Bonds hereby authorized shall be executed as in this Resolution provided as soon after the delivery of the Bond Notification as may be, and thereupon be deposited with the School Treasurer who receives the taxes of the District, and, after authentication thereof by the Bond Registrar, be by said Treasurer delivered to the purchaser thereof (the “*Purchaser*”), upon receipt of the purchase price therefor, the same being not less than 98.0% of the principal amount of the Bonds plus any accrued interest to date of delivery.

The purchaser of Bonds shall be: (a) pursuant to a competitive sale conducted by William Blair & Company, L.L.C., Chicago, Illinois (“*Blair*”), the best bidder for such Bonds;

or (b) in a private placement, (i) a bank or financial institution authorized to do business in the State of Illinois, (ii) a governmental unit as defined in the Debt Reform Act or (iii) an “accredited investor” as defined in Rule 501 of Regulation D as promulgated under the Securities Act of 1933, as amended, *provided, however*, that the Purchaser as set forth in (b) may be selected through Robert W. Baird & Co. Incorporated, Naperville, Illinois, acting as placement agent.

The surety bond executed by said Treasurer in connection with the issuance of the Bonds as required by Section 19-6 of the Act is hereby approved and shall be filed with the Executive Director.

Prior to the sale of the Bonds, the President of the Board or the Superintendent or Assistant Superintendent for Business Services of the District is hereby authorized to approve and execute a commitment for the purchase of a Municipal Bond Insurance Policy (as hereinafter defined), to further secure the Bonds, as long as the present value of the fee to be paid for the Municipal Bond Insurance Policy (using as a discount rate the expected yield on the Bonds treating the fee paid as interest on the Bonds) is less than the present value of the interest reasonably expected to be saved on the Bonds over the term of the Bonds as a result of the Municipal Bond Insurance Policy.

Upon the sale of the Bonds, the Designated Representatives shall prepare a Notification of Sale of the Bonds, which shall include the pertinent details of sale as provided herein (the “*Bond Notification*”). In the Bond Notification, the Designated Representatives shall find and determine that the Bonds have been sold at such price and bear interest at such rates that either the true interest cost (yield) or the net interest rate received upon the sale of the Bonds does not exceed the maximum rate otherwise authorized by applicable law. The Bond Notification shall be entered into the records of the District and made available to the Board at the next regular meeting thereof; but such action shall be for information purposes only, and the Board shall have

no right or authority at such time to approve or reject such sale as evidenced in the Bond Notification.

Upon the sale of the Bonds, as evidenced by the execution and delivery of the Bond Notification by the Designated Representatives, the Assistant Superintendent for Business Services, the President and Secretary of the Board and the School Treasurer who receives the taxes of the District and any other officers of the District, as shall be appropriate, shall be and are hereby authorized and directed to approve or execute, or both, such documents of sale of the Bonds as may be necessary, including, without limitation, the contract for the sale of the Bonds between the District and the Purchaser (the "*Purchase Contract*"). Prior to the execution and delivery of the Purchase Contract, the Designated Representatives shall find and determine that no person holding any office of the District, either by election or appointment, is in any manner interested, directly or indirectly, in his own name or in the name of any other person, association, trust or corporation, in the Purchase Contract.

The Bonds before being issued shall be registered, numbered and countersigned by the School Treasurer who receives the taxes of the District, such registration being made in a book provided for that purpose, in which shall be entered the record of the resolution authorizing the Board to borrow said money and a description of the Bonds issued, including the number, date, to whom issued, amount, rate of interest and when due.

The use by the Purchaser of any Preliminary Official Statement or Preliminary Term Sheet or other disclosure document and any final Official Statement or final Term Sheet or other disclosure document relating to the Bonds (the "*Disclosure Document*") is hereby ratified, approved and authorized; the execution and delivery of the Disclosure Document is hereby authorized; and the officers of the Board are hereby authorized to take any action as may be required on the part of the District to consummate the transactions contemplated by the Purchase

Contract, this Resolution, said Preliminary Disclosure Document, the Disclosure Document and the Bonds.

Section 9. Tax Levy. In order to provide for the collection of a direct annual tax to pay the interest on the Bonds as it falls due, and also to pay and discharge the principal thereof at maturity, there be and there is hereby levied upon all the taxable property within the District a direct annual tax for each of the years while the Bonds or any of them are outstanding, and that there be and there is hereby levied upon all of the taxable property in the District, the following direct annual tax, to-wit:

FOR THE YEAR	A TAX TO PRODUCE THE SUM OF:	
2016	\$ 137,404.25	for interest and principal up to and including December 1, 2017
2017	\$ 205,961.52	for interest and principal
2018	\$ 197,957.01	for interest and principal
2019	\$ 189,872.45	for interest and principal
2020	\$ 181,707.04	for interest and principal
2021	\$1,510,998.58	for interest and principal
2022	\$1,506,714.23	for interest and principal
2023	\$1,498,914.23	for interest and principal
2024	\$1,487,514.23	for interest and principal
2025	\$1,482,714.23	for interest and principal
2026	\$1,469,314.23	for interest and principal

Principal or interest maturing at any time when there are not sufficient funds on hand from the foregoing tax levy to pay the same shall be paid from the general funds of the District, and the fund from which such payment was made shall be reimbursed out of the taxes hereby levied when the same shall be collected.

The District covenants and agrees with the purchasers and the holders of the Bonds that so long as any of the Bonds remain outstanding, the District will take no action or fail to take any action which in any way would adversely affect the ability of the District to levy and collect the foregoing tax levy and the District and its officers will comply with all present and future

applicable laws in order to assure that the foregoing taxes will be levied, extended and collected as provided herein and deposited in the fund established to pay the principal of and interest on the Bonds.

To the extent that the taxes levied above exceed the amount necessary to pay debt service on the Bonds as set forth in the Bond Notification, the President and Secretary of the Board and the School Treasurer who receives the taxes of the District are hereby authorized to direct the abatement of such taxes to the extent of the excess of such levy in each year over the amount necessary to pay debt service on the Bonds in the following bond year. Proper notice of such abatement shall be filed with the County Clerk in a timely manner to effect such abatement.

Section 10. Filing of Resolution. Forthwith upon the passage of this Resolution, the Secretary of the Board is hereby directed to file a certified copy of this Resolution with the County Clerk, and it shall be the duty of the County Clerk to annually in and for each of the years 2016 to 2026, inclusive, ascertain the rate necessary to produce the tax herein levied, and extend the same for collection on the tax books against all of the taxable property within the District in connection with other taxes levied in each of said years for school purposes, in order to raise the respective amounts aforesaid and in each of said years such annual tax shall be computed, extended and collected in the same manner as now or hereafter provided by law for the computation, extension and collection of taxes for general school purposes of the District, and when collected, the taxes hereby levied shall be placed to the credit of a special fund to be designated "School Bond and Interest Fund of 2017" (the "*Bond Fund*"), which taxes are hereby irrevocably pledged to and shall be used only for the purpose of paying the principal of and interest on the Bonds; and a certified copy of this resolution shall also be filed with the School Treasurer who receives the taxes of the District.

Section 11. Limitation on Extension; General Obligation Pledge; Additional Obligations. Notwithstanding any other provision of this Resolution, the annual amount of the taxes to be extended by the County Clerk to pay the Bonds and all other limited bonds (as defined in the Debt Reform Act) heretofore and hereafter issued by the District shall not exceed the debt service extension base (as defined in the Property Tax Extension Limitation Law of the State of Illinois, as amended) of the District (the “*Base*”).

No limit, however, exists on the rate of the direct annual tax levied herein, and the Bonds shall constitute a general obligation of the District.

Payments on the Bonds from the Base will be made on a parity with the payments on the District’s outstanding General Obligation Limited Tax Capital Appreciation Refunding School Bonds, Series 2002B, and General Obligation Limited School Bonds, Series 2016B. The District is authorized to issue from time to time additional limited bonds payable from the Base, as permitted by law, and to determine the lien priority of payments to be made from the Base to pay the District’s limited bonds.

To the extent the District has funds on hand and lawfully available to pay a portion of the principal and interest due on the Bonds, such funds may be deposited with the Bond Registrar or a bank or trust company with an office located in the State of Illinois (the “*Agent*”) pursuant to a Letter Agreement (the “*Agreement*”) to be entered into between the District and the Bond Registrar or the Agent in substantially the form attached hereto as *Exhibit A* and made a part hereof by this reference, or with such changes therein as shall be approved by the officers of the District executing the Agreement, such execution to constitute evidence of the approval of such changes. The Board approves the form, terms and provisions of the Agreement and directs the President and Secretary of the Board to execute, attest and deliver the Agreement in the name and on behalf of the District. Amounts so deposited may be used to purchase direct obligations of or obligations guaranteed by the full faith and credit of the United States of America (the

“*Government Securities*”). The Bond Registrar, the Agent and Blair are each hereby authorized to act as agent for the District in the purchase of the Government Securities.

Section 12. Use of Bond Proceeds. Any accrued interest received on the delivery of the Bonds and principal proceeds of the Bonds in an amount not to exceed \$150,000 are hereby appropriated for the purpose of paying interest due on the Bonds and are hereby ordered deposited into the Bond Fund. The balance of the principal proceeds of the Bonds and any premium received from the sale of the Bonds are hereby appropriated to pay the costs of issuance of the Bonds and for the purpose of paying the cost of the Project, and that portion thereof not needed to pay such costs of issuance is hereby ordered deposited into the Fire Prevention and Safety Fund of the District (the “*Project Fund*”). At the time of the issuance of the Bonds, the costs of issuance of the Bonds may be paid by the Purchaser or Blair on behalf of the District from the proceeds of the Bonds.

The District and the Board hereby covenant that all of the proceeds of the Bonds shall be used in compliance with all of the requirements of the Act. To the extent required by law no proceeds of the Bonds shall be used for the purpose of paying the costs of repairs to school sidewalks, playgrounds, parking lots or school bus turnarounds unless (a) such proceeds are not needed for other fire prevention and safety projects, including the completion of approved and recommended projects contained in any safety survey report or amendments thereto authorized by Section 2-3.12 of the Act and (b) the Board has held a properly noticed public hearing and thereafter determined that there is a substantial, immediate, and otherwise unavoidable threat to the health, safety or welfare of the pupils of the District due to disrepair of such school sidewalks, playgrounds, parking lots, or school bus turnarounds and that repairs must be made.

Section 13. Non-Arbitrage and Tax-Exemption – Tax-Exempt Bonds. This Section applies only to the Tax-Exempt Bonds and references in this Section to “Bonds” are deemed to be references to the Tax-Exempt Bonds only.

The District hereby covenants that it will not take any action, omit to take any action or permit the taking or omission of any action within its control (including, without limitation, making or permitting any use of the proceeds of the Bonds) if taking, permitting or omitting to take such action would cause any of the Bonds to be an arbitrage bond or a private activity bond within the meaning of the Code or would otherwise cause the interest on the Bonds to be included in the gross income of the recipients thereof for federal income tax purposes. The District acknowledges that, in the event of an examination by the Internal Revenue Service (the “IRS”) of the exemption from Federal income taxation for interest paid on the Bonds, under present rules, the District may be treated as a “taxpayer” in such examination and agrees that it will respond in a commercially reasonable manner to any inquiries from the IRS in connection with such an examination.

The District also agrees and covenants with the purchasers and holders of the Bonds from time to time outstanding that, to the extent possible under Illinois law, it will comply with whatever federal tax law is adopted in the future which applies to the Bonds and affects the tax-exempt status of the Bonds.

The Board hereby authorizes the officials of the District responsible for issuing the Bonds, the same being the President and Secretary of the Board and the School Treasurer who receives the taxes of the District, to make such further covenants and certifications regarding the specific use of the proceeds of the Bonds as approved by the Board and as may be necessary to assure that the use thereof will not cause the Bonds to be arbitrage bonds and to assure that the interest on the Bonds will be exempt from federal income taxation. In connection therewith, the District and the Board further agree: (a) through their officers, to make such further specific covenants, representations as shall be truthful, and assurances as may be necessary or advisable; (b) to consult with counsel approving the Bonds and to comply with such advice as may be

given; (c) to pay to the United States, as necessary, such sums of money representing required rebates of excess arbitrage profits relating to the Bonds; (d) to file such forms, statements, and supporting documents as may be required and in a timely manner; and (e) if deemed necessary or advisable by their officers, to employ and pay fiscal agents, financial advisors, attorneys, and other persons to assist the District in such compliance.

Section 14. Designation of Tax-Exempt Bonds. The District hereby designates each of the Tax-Exempt Bonds as a “qualified tax-exempt obligation” for the purposes and within the meaning of Section 265(b)(3) of the Code.

Section 15. Tax Matters – Taxable Bonds. The District hereby covenants that it will not take any action, omit to take any action or permit the taking or omission of any action within its control (including, without limitation, making or permitting any use of the proceeds of the Taxable Bonds) if taking, permitting or omitting to take such action would cause the interest on the Taxable Bonds not to be included in the gross income of the recipients thereof for federal income tax purposes.

Section 16. List of Bondholders. The Bond Registrar shall maintain a list of the names and addresses of the holders of all Bonds and upon any transfer shall add the name and address of the new Bondholder and eliminate the name and address of the transferor Bondholder.

Section 17. Duties of Bond Registrar. If requested by the Bond Registrar, the President and Secretary of the Board are authorized to execute the Bond Registrar’s standard form of agreement between the District and the Bond Registrar with respect to the obligations and duties of the Bond Registrar hereunder which may include the following:

- (a) to act as bond registrar, authenticating agent, paying agent and transfer agent as provided herein;
- (b) to maintain a list of Bondholders as set forth herein and to furnish such list to the District upon request, but otherwise to keep such list confidential;

- (c) to give notice of redemption of Bonds as provided herein;
- (d) to cancel and/or destroy Bonds which have been paid at maturity or upon earlier redemption or submitted for exchange or transfer;
- (e) to furnish the District at least annually a certificate with respect to Bonds cancelled and/or destroyed; and
- (f) to furnish the District at least annually an audit confirmation of Bonds paid, Bonds outstanding and payments made with respect to interest on the Bonds.

Section 18. Continuing Disclosure Undertaking. The President of the Board is hereby authorized, empowered and directed to execute and deliver a Continuing Disclosure Undertaking under Section (b)(5) of Rule 15c2-12 adopted by the Securities and Exchange Commission pursuant to the Securities Exchange Act of 1934, as amended (the “*Continuing Disclosure Undertaking*”). If a Continuing Disclosure Undertaking is executed and delivered on behalf of the District as herein provided, such Continuing Disclosure Undertaking will be binding on the District and the officers, employees and agents of the District, and the officers, employees and agents of the District are hereby authorized, empowered and directed to do all such acts and things and to execute all such documents as may be necessary to carry out and comply with the provisions of such Continuing Disclosure Undertaking as executed. Notwithstanding any other provision of this Resolution, the sole remedy for failure to comply with such Continuing Disclosure Undertaking shall be the ability of the beneficial owner of any Bond to seek mandamus or specific performance by court order to cause the District to comply with its obligations under such Continuing Disclosure Undertaking.

Section 19. Municipal Bond Insurance. In the event the payment of principal of and interest on the Bonds is insured pursuant to a municipal bond insurance policy (the “*Municipal Bond Insurance Policy*”) issued by a bond insurer (the “*Bond Insurer*”), and as long as such Municipal Bond Insurance Policy shall be in full force and effect, the District and the Bond Registrar agree to comply with such usual and reasonable provisions regarding presentment and

payment of the Bonds, subrogation of the rights of the Bondholders to the Bond Insurer upon payment of the Bonds by the Bond Insurer, amendment hereof, or other terms, as approved by the President of the Board on advice of counsel, his or her approval to constitute full and complete acceptance by the District of such terms and provisions under authority of this Section.

Section 20. Record-Keeping Policy and Post-Issuance Compliance Matters. On August 22, 2016, the Board adopted a record-keeping policy (the “*Policy*”) in order to maintain sufficient records to demonstrate compliance with its covenants and expectations to ensure the appropriate federal tax status for the debt obligations of the District, the interest on which is excludable from “gross income” for federal income tax purposes or which enable the District or the holder to receive federal tax benefits, including, but not limited to, qualified tax credit bonds and other specified tax credit bonds. The Board and the District hereby reaffirm the Policy.

Section 21. Severability. If any section, paragraph, clause or provision of this Resolution shall be held to be invalid or unenforceable for any reason, the invalidity or unenforceability of such section, paragraph, clause or provision shall not affect any of the remaining provisions of this Resolution.

Section 22. Repeal. All resolutions or parts thereof in conflict herewith be and the same are hereby repealed, including the portion of the resolution adopted on the 22nd day of August, 2016, authorizing the Board to issue the remaining \$10,515,000 in bonds for the Project, and this Resolution shall be in full force and effect forthwith upon its adoption.
