RE: Differential/Discretionary Responsibilities

Recommendation

The Administration recommends the Board of Education approve the Differential and Discretionary Responsibility list for the 2020-21 school year as presented.

Background

Please review the following information related to the Differential Responsibilities for Athletics, and both Differential and Discretionary for Activities. These recommendations are provided by each building for the 2020-21 school year. In the accompanying summary document, you will also find the dollar amounts for both schools in these areas for the 2019-20 and 2020-21 school years.

There is a 3.0% increase in the costs of these responsibilities from 2019-20 to 2020-21. The administration continues to work with the GEA and the Board to keep differential costs at the average or below our benchmark districts. The increase is a result of contractual obligations and some new coaches/sponsors who were placed higher on the salary schedule than previous staff members.

Please know that the remaining vacancies will be filled accordingly throughout the year.
