RE: Textbook Changes
DATE: April 19, 2017

Recommendation

I recommend the Board's approval of the proposed textbook changes.

Background

The [textbook change report](#) was brought forward at the April 9, 2018 Board meeting and is available on line. Copies of the proposed textbooks have been available at the schools for public review.

The requests have been reviewed by the teachers involved, the instructional supervisors and the associate principals.

While this compilation reflects the majority of textbook changes, we may bring to the Board a limited number of texts in mid-summer, which reflect instructional decisions made during summer curriculum projects.
