RE: FCCLA National Leadership Conference, June 30 - July 4, 2019

Nine Glenbrook North student members have qualified and earned the position to represent Illinois at the National FCCLA Leadership Competition in Anaheim, CA.

FCCLA (Family, Career, Community Leaders of America) is an IHSA sponsored national organization for students in Family and Consumer Sciences education in public and private schools through grade 12. It also services their teachers as chapter FCCLA advisors and is recognized as a nonprofit national Career and Technical Student Organization (CTSO), connecting classrooms to careers.

Students at the local and state levels in order to qualify for the national competition. FCCLA's STAR (Student Taking Action for Recognition) Events are competitive events in which members are recognized for proficiency and achievement in chapter and individual projects, leadership skills, and career preparation. In these events, students develop specific lifetime skills in character development, creative thinking, interpersonal communication, practical knowledge, leadership, and career preparation. STAR Events promote the FCCLA Mission to focus on the multiple roles of family member, wage earner, and community leader.

This year, the Glenbrook North chapter had eleven students participate at the local (Harper College) competition. Of those students, all 11 advanced to compete at the state (Springfield) competition in April. Eleven students qualified to advance to Nationals this June-July. Nine have chosen to attend.

The FCCLA organization requires a 1 to 3 supervision ratio for students. For every three students attending the conference, the chapter is asked to provide an adult to serve as a national events evaluator. As FCCLA advisors, we will plan to chaperone students and will fulfill the event evaluator assignments while at the National FCCLA Conference.

Attached you will find a spreadsheet that specifies the financial details of the trip. Our lodging is at the Anaheim Hilton Hotel located near the Convention Center where most meetings and competitive events are held, with the exception to selected tours and area attractions. The transportation includes airfare and van rental.
