Section A - Introduction

The Board of Education believes that structured learning should not be limited to the classroom. Valuable experiences for Glenbrook students exist within and outside the boundaries of District #225. The Board also realizes that additional responsibilities arise whenever students are taken from the school premises. Staff, parents, and students should be aware of these responsibilities and the necessity for reasonable administrative procedures. The physical welfare of our students and staff must always be paramount in our considerations. It shall be the policy of this Board of Education to maintain insurance for the liability of the district, its board members, its employees, and authorized volunteers as a result of student injury, property loss and general liability coverage on student trips. It shall also be the Board's policy to encourage the maintenance of adequate personal automobile liability and medical insurance by our staff members.

Section B – Definition of Student Trips

A student trip shall be considered to be a school-sponsored activity away from the school premises usually falling within two major areas.

1. Instructional Field Trips and Extended Classroom:

Instructional field trips provide experiences out of the classroom that are normally carried on during regular class hours and are related to the planned curriculum. In some instances pre- and post-school hours may be utilized.

- a. A field trip implements and/or augments group classroom instruction. Transportation for field trips is restricted by The School Code to Illinois or adjacent states.
- b. An "extended classroom" allows individual students to pursue their studies in various work-related, volunteer, or observation activities outside the classroom.

- c. A performance or exhibition displaying special talent by an individual or group of students (e.g., band, chorus, etc.)
- d. A convention or workshop in which an individual or group of students representing Glenbrook participate (e.g., student council convention or workshop)

Section C – General Parameters

1. All student trips must be approved by and will be subject to the procedures set forth by the school principal or the designated representative.
2. Recommendation of the principal and approval of the superintendent shall be required for all overnight student trips. Recommendation of the principal and the superintendent and approval of the Board shall be required for all student trips conducted outside the State of Illinois or adjacent states.
3. Funding for student trips shall be in accordance with the guidelines adopted by the Board.
4. No student shall be penalized for non-participation in a class field trip. No student shall be penalized for participation in a class field trip or student activity trip.
5. Reasonable administrative care should be taken to ensure safety and orderly behavior on all student trips. Staff members shall accompany all field trips except “extended classroom” trips.
6. All Board and school policies, procedures and regulations regarding student conduct apply for students on student trips.

7. Transportation on all student trips should be by district-owned vehicles or by commercial vehicles, whenever practical. Occasionally, because of a limited number of participating students, private transportation is permissible when approved by the principal or the designated representative. In these instances, travel may be by private automobile, if the driver is a Glenbrook staff member, parent, or student.
8. Students participating in student trips must travel to and from the trip's destination in the school-sponsored mode of transportation unless an exception for good cause is made by the trip's sponsor for the student to be transported by the student, his/her parent or guardian.
9. The Parental Permission Slip and Field Trip Request Application, as specified in the procedures to this policy, shall be used in complying with this policy.
