RE: 2013-2014 SCHOOL YEAR CLOSING DATE

DATE: May 7, 2014

Included in our annual school year calendar are ten "emergency days" intended to be used if an emergency, usually weather related, compels us to close both of our schools and extend the school year. Each year the Board of Education is asked to revise the school calendar by deleting the unused emergency days and thereby establishing a new closing date.

After the make up the four days lost to inclement weather in January, the end-of-year calendar is as follows:

- Monday, March 31 was an attendance day for all students.
- The March Institute Day scheduled for Monday, March 3 continued to be a non-attendance day for students and was devoted to professional development activities for staff as determined by the buildings.
- Graduation dates for both schools will remain on Sunday, June 1 as scheduled. The last day of school for seniors is Friday, May 30 as scheduled.
- The last day of school for students in grades 9, 10, and 11 is Friday, June 6.
- The last day of school for teachers and support staff is Tuesday, June 10. Monday, June 9 is to be a professional development day for both teachers and support staff.

The final school calendar is to be submitted to the Regional Office of Education no later than the last day of school.

Attached you will find a copy of our final 2013-2014 school year calendar.

I recommend that the Board of Education approve the attached 2013-2014 school year calendar.
