Review of ISBE Guidelines Regarding School Re-opening & Continued Development of Options Based Approach

The Board president stated:

- Staff is continuing to work with the following goals:
 - Getting students back in school safely
 - Glenbrook excellence
- We are considering multiple options and are making preparations on all levels
- Flexibility is essential because things are constantly changing
- The aim is to have a recommendation at the July 27 Board meeting
- We all want what is best for our students

The administration:

- Provided a status update on the learning plan for 2020-21
- Noted that we do not have a final plan, we are working on a flexible plan because we need to be prepared for any changes that may occur
- Stated the theme for this fall
 - Return to school will not be business as usual
 - Does not signify a return to pre-pandemic operations
 - Important to manage expectations
- Outlined ISBE's new guidance and directives for school districts (continually changing)
 - General requirements
 - Course-specific requirements
 - Students with Disabilities
 - Other Guidance
 - Including Back-to-School Events
 - Limiting non-essential visitors to the building
 - Developing health and safety protocols
 - Transportation
- Reviewed Feedback from Parents and Staff
- Shared next steps
 - Parent Focus Groups
 - Discuss the best way to make each environment successful
 - Professional Development Workshops
- Continuing to Evaluate Options
 - Must be prepared for all scenarios
 - 100% in-person,
 - 100% virtual, or
 - a hybrid
 - gradual return
- Wellness Considerations
 - Student Wellness
 - Social-Emotional Learning Curriculum
 - Counseling Support
 - Counselors, Psychologists, Social Workers, and Deans
 - Webinar Series for Parents/Students
 - Staff Wellness
 - Therapeutic Support Groups
 - Pre-Recorded Webinar for all Staff to View on Glenbrook Day
 - Touchpoints
 - Employee Assistance Program
- Operational Considerations
 - School Building Entry Procedures
 - Daily Health Questionnaire
 - School Hours and Entrances
 - Face Coverings
 - Common Areas
 - Bathrooms

- Cafeteria and Lunch Time
- Contact Tracing
 - Protocol and Implications

The administration:

- Thanked all those that are working hard to create a successful plan for both students and staff
- Noted the GEA recently did their own survey of their staff, so we will need to review that incoming information
- Will be keeping an eye on local COVID cases
- Stated it is important to keep the lines of communication open

The Board:

- Thanked staff for their great work
- Suggestion having options for all families (e-learning, in-person), possibly changing weekly
- Noted the importance of communication of information
- Commented that e-learning is not the same as last spring, which was implemented quickly; e-learning is different now after more planning
- Asked staff to report on:
 - How we will manage passing periods
 - The plan to reinforce rules
 - How we will know what masks meet CDC's guidelines and if they are worn properly
 - What additional precautions will be put in place for classes with more safety concerns (choir, P.E., etc.)
 - What requirements are in place to make sure all teachers are being trained on best practices for e-learning
 - What % of teachers have taken workshops?
 - Shutdown protocols
 - How does a shift in teaching occur
 - What percentage of our staff cannot or will not be in person
 - How teachers will be evaluated for e-learning
 - Plan to assure we are fully staffed and have substitutes in place
 - What lessons have been learned from summer school
- Suggested:
 - Change on self-reporting form
 - Parent sign off on self-reporting form
 - Random temperature checks
 - Reservations for learning areas and cafeterias
 - The need for allowing flexibility for families to change their choice of preferred method of learning
 - Is there a need for a referendum to make sure we have the monies needed to accomplish a successful year
 - The administration will let the Board know if there are any additional resources that are needed

In response to board members' questions, the administration:

- Explained the 50% capacity is based on an average classroom, the challenge would be in passing periods and common areas
- Legal counsel has suggested that we meet the 6' distance whenever possible

Board president stated that we are hoping to have a final fluid plan for the special July 27 board meeting.

Preliminary Review of Textbook Changes

The administration stated the Academy staff have been revising and restructuring their curriculum. Based on the revisions, some new titles which best fit the new curriculum have been submitted for approval.

In response to board member questions the administration will provide a document on the next consent agenda with confirmed pricing.

Review and Summary of Board Meeting

The board president summarized what happened at the meeting and noted future meeting dates.

RE: TEXTBOOK CHANGES

DATE: July 27, 2020

Recommendation

The corrected recommended textbook changes report for next year is being presented for the Board's approval.

Textbook Adoption Process and Timeline

Requests have been proposed by teachers and were reviewed by Instructional Supervisors and Associate Principals.

The majority of textbook changes are brought in April, but a limited number of texts are brought in mid-summer as a result of curriculum projects.

Academy Textbooks

Over the past two years, the Academy staff have been revising and restructuring the curriculum. The transition of US History to the sophomore year is completed. Academy will introduce a new global curriculum for juniors this fall which will continue on with the seniors in the following year. Based on these revisions, changes have been made to the texts to be used in the sophomore, junior, and senior years. While we have kept some texts from previous years, we seek to add some new titles which best fit our new curriculum. These texts are included on the list submitted for your approval.

Learning and Operational Plan for the 2020-21 School Year

Presented July 27, 2020

Dear Glenbrook Community:

On Monday night, July 27, the administrative team will provide the Board of Education a proposed Learning and Operational Plan under which all District 225 students and staff will begin the 2020-2021 school year as scheduled on Wednesday, August 19, under an E-Learning format. During each of the plan's four steps, District 225 is committed to providing live touchpoints every day for every student with every teacher in every class. We are working earnestly and deliberately to bring students and staff back to our schools in a safe and thoughtful manner.

ABOUT THE LEARNING AND OPERATIONAL PLAN FOR THE 2020-2021 SCHOOL YEAR

The district's [Learning and Operational Plan for the 2020-2021 School Year](#) was developed based on insights and feedback collected through surveys, focus groups and personal dialogue with a wide range of District stakeholders, including students, parents, educators and support personnel, as well as research on best practices and creative models implemented locally and nationally. We specifically focused on five guiding principles:

- Maintain the health and safety of all students and staff;
- Provide meaningful and engaging academic experiences for all students;
- Address the social and emotional needs of all students;
- Provide consistency and stability for all students and staff; and
- Provide continuous professional learning opportunities for staff that address learning needs unique to this time.

ABOUT STEP 1: E-LEARNING

The teaching and learning experience during Step 1 will be significantly different from what took place in the spring, when state mandates limited our ability to deliver a high-quality e-learning experience. Under the 2020-2021 E-Learning model:

- Students will follow a structured schedule with required synchronous learning experiences as part of every class as new content is introduced by teachers. Additional tiers of academic services will be available as needed to support student success and well-being.
- Assessments will be delivered, due dates will be enforced, grades will count, and attendance will be taken.
- Students will be expected to activate their camera when participating in synchronous e-learning.
- Athletics, extracurricular and co-curricular activities will be available through a combination of on-campus and virtual participation opportunities based on guidance from the Illinois State Board of Education (ISBE) and Cook County Department of Public Health (CCDPH) and applicable Illinois High School Association (IHSA) requirements.

- We will implement a social-emotional learning curriculum, integrated into PE and Health courses, that will address essential topics, such as creating a collective community; building resilience; coping with anxiety, fears, and stress; and accessing resources and supports.

ABOUT STEPS 2-4 AND HOW TRANSITIONS WILL BE MADE

Throughout the 2020-2021 school year, an Advisory Committee of District and building administrators, teachers and support staff members, parents, Board members, and a medical professional will convene on a regular basis to evaluate a set of predetermined public health, operational, and pedagogical indicators and develop a recommendation as to whether the District will remain in, advance or step back from the current step. The remaining steps in the Plan are as follows:

- Step 2: E-Learning with Gradual Return to the Classroom
- Step 3: AM/PM Hybrid, during which students attend classes onsite 50 percent of the time and continue with E-learning 50 percent of the time. Students will attend in the morning or afternoon determined by an alphabetic group assignment.
- Step 4: All students attend in-person class every day

Due to the unpredictable nature of COVID-19, it is expected we may move back and forth between Steps 1-4 throughout the 2020-21 school year. The District will communicate with parents, staff and students about any transitions between steps, which will go into effect one week after the announcement.

As we begin to gradually return to campus during Steps 2-4, we will do so in a manner that aligns with ISBE and CCDPH requirements to ensure that students and staff remain safe and that our communities continue to reduce the spread of the novel coronavirus. These requirements include mandated face coverings, the implementation of social distancing, less than 50 individuals gathering in one place, and required symptom screenings and temperature checks. **Students and families will have the option to continue e-learning during Steps 2-4.**

NEXT STEPS

The Board will vote on this recommended Learning and Operational Plan for the 2020-2021 School Year at its meeting on Monday, July 27 at 7:00 p.m. Information about how to participate in this virtual meeting is available [here](#). We are confident that the Board will make their best decision for our District.

Like you, we are proud of our schools and of the well-rounded experience offered to each student. While it is going to look drastically different from what we all know, we are confident in our ability to start strong on August 19 and to deliver high-quality, meaningful and engaging academic and extracurricular experiences for all students throughout the 2020-2021 school year. We are committed to excellence in the 4 A’s: Academics, Athletics, Activities, and the Arts,

On behalf of the entire team at Glenbrook High School District 225, as always, we thank you for your ongoing support and look forward to seeing our students this fall.

**RESOLUTION TO APPROVE THE
LEARNING AND OPERATIONAL PLAN FOR THE 2020-21 SCHOOL YEAR**

BE IT RESOLVED by the Board of Education of Glenbrook High School District No. 225, Cook County, Illinois, as follows with respect to the opening and operation of the District's offices, facilities, programs and schools for the 2020-21 school year in the midst of the COVID-19 pandemic:

1. The plan for the opening and operation of the District's offices, facilities, programs, and schools for the 2020-21 school year, substantially in the form presented by the Superintendent and entitled "Learning and Operational Plan for the 2020-21 School Year" (known as 'the Plan' from this point forward) and dated July 27, 2020, is hereby approved.

2. The Superintendent and the Superintendent's designees are hereby authorized and directed to implement and enforce the Plan and are further authorized to require students, staff, parents, visitors and other participants in the District's programs to comply with the Plan and with the directives of the Superintendent and the Superintendent's designees implementing and enforcing the Plan.

3. The Superintendent is hereby authorized to modify the Plan from time to time to conform to the requirements of, or guidance from, any entity with authority over the District, including, but not limited to, the Governor of Illinois, the Illinois Department of Public Health, the Illinois State Board of Education, the Illinois High School Association, and the Cook County Department of Public Health, and as otherwise appropriate to facilitate the operation of the schools and the safety of students, staff, visitors and other participants in the District's programs. Any substantive changes to the Plan shall be made in consultation with the appropriate employee group representatives and the President of the Board and then promptly reported to the Board which may affirm, modify, or disapprove of the changes. The changes shall, however, remain in full force and effect until such time as the Board acts, unless otherwise required by law.

4. This Resolution, and the Plan as may be modified from time to time pursuant to number 3 above, are adopted and are to be implemented and enforced, in the exercise of the discretionary powers granted to the Board by Sections 10-20 and 10-20.5 of the Illinois School Code and any other applicable law. The Plan constitutes rules adopted by the Board pursuant to Section 10-20.5 of the School Code which shall be filed in the District's central administrative office and posted on the District's website. In accordance with Board Policy 2040, the Plan, and the authority granted to the Superintendent and the Superintendent's designees by this Resolution, supersede any policy or other rule of the Board and temporarily suspend any policy or rule, to the extent any such policy or rule is inconsistent with the Plan.

5. This Resolution shall be in full force and effect upon adoption.

A team has been established to create the 2020-21 learning plan for the Glenbrook High Schools. Initial members of this team include:

- Administration
 - Dr. Charles Johns, Superintendent
 - Dr. R.J. Gravel, Assistant Superintendent for Business Services / CSBO
 - Mr. Brad Swanson, Assistant Superintendent for Human Resources
 - Dr. Rosanne Williamson, Assistant Superintendent for Educational Services
 - Mr. Jason Markey, Principal
 - Dr. Lauren Fagel, Principal
 - Dr. Jennifer Pearson, Director of Special Education
 - Dr. Kim Ptak, Director of Operations / CSBO
 - Ms. Lauren Bonner, Associate Principal for Administrative Services
 - Mr. Casey Wright, Associate Principal for Administrative Services
 - Dr. Ed Solis, Associate Principal for Curriculum and Instruction
 - Mr. Cameron Muir, Associate Principal for Curriculum and Instruction
 - Mr. Bill Eike, Assistant Principal / Dean of Students
 - Mr. Ron Bean, Assistant Principal / Dean of Students
 - Mr. Eric Etherton, Assistant Principal for Student Services
 - Dr. Lara Cummings, Assistant Principal for Student Services
 - Mr. John Catalano, Athletic Director
 - Mr. Steve Rockrohr, Athletic Director
 - Dr. Mike Tarjan, Assistant Principal for Student Activities
 - Mr. Mark Maranto, Assistant Principal for Student Activities
 - Mr. Ryan Manly, Technology Services Manager
 - Mr. Brian Murdy, Buildings and Grounds Manager
 - Mr. Joel Reyes, Safety and Security Manager

- Professional Services Consultants
 - Ms. Erin Miller, Associate Principal, Arcon Associates, Inc.
 - Mr. Paul Timm, V.P. of Physical Security Services, Facility Engineering Associates
 - Ms. Maureen Roskoski, Senior Professional, Facility Engineering Associates
 - Ms. Rebecca Cohen, District Manager - Quest Food Management Services, Inc.
 - Ms. Leslie Norgren, Regional Vice President - First Student, Inc.
 - Mr. Bryan Williams, Location Manager - First Student, Inc.
 - Mr. Yosh Islam, Regional Manager - Beck's Bookstores

- With collaboration from:
 - Glenbrook Educational Association (GEA);
 - Glenbrook Educational Support Staff Association (GESSA); and
 - Glenbrook Educational Support Paraprofessional Association (GESPA).

Guiding Principles

As the planning team met, we utilized the following guiding principles:

1. Maintain the health and safety of all students and staff;
2. Provide meaningful and engaging academic experiences for all students;
3. Address the social and emotional needs of all students;
4. Provide consistency and stability for all students and staff; and
5. Provide continuous professional learning opportunities for staff that address learning needs unique to this time.

Restore Illinois

It is estimated that the Suburban Cook County health region, which includes Glenview and Northbrook, will remain in phase 4 (revitalization) when school resumes.

Phase 1 Rapid Spread	Phase 2 Flattening	Phase 3 Recovery	Phase 4 Revitalization	Phase 5 Illinois Restored
<p>Strict stay at home and social distancing guidelines are put in place, and only essential businesses remain open.</p> <p>Every region has experienced this phase once already and could return to it if mitigation efforts are unsuccessful.</p>	<p>Non-essential retail stores reopen for curb-side pickup and delivery.</p> <p>Illinoisans are directed to wear a face covering when outside the home and can begin enjoying additional outdoor activities like golf, boating & fishing while practicing social distancing.</p>	<p>Manufacturing, offices, retail, barbershops, and salons can reopen to the public with capacity and other limits and safety precautions.</p> <p>Gatherings of 10 people or fewer are allowed.</p> <p>Face coverings and social distancing are the norm.</p>	<p>Gatherings of 50 people or fewer are allowed, restaurants and bars reopen, travel resumes, child care and schools reopen under guidance from the Illinois Department of Public Health.</p> <p>Face coverings and social distancing are the norm.</p>	<p>The economy fully reopens with safety precautions continuing.</p> <p>Conventions, festivals and large events are permitted, and all businesses, schools and places of recreation can open with new safety guidance and procedures.</p>

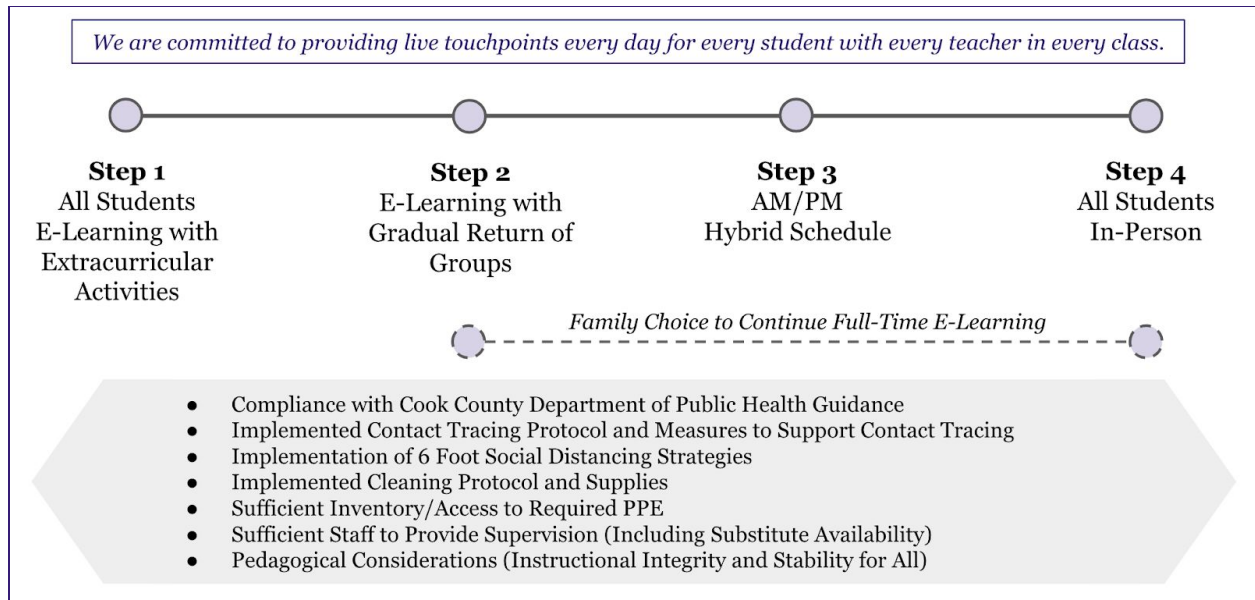

During this phase, gatherings of up to 50 people are allowed, and schools can reopen under guidance from the Illinois Department of Public Health. It is further estimated that a region will transition to phase 5 after a vaccine or highly effective treatment becomes widely available. Until that time, face coverings and social distancing will remain the norm. Progressing to the next phase will be guided by [metric data tracing](#).

Academics, Activities, Athletics, and the Arts

Learning Continuum

We have established a learning continuum that contains 4 steps, or learning environments. We anticipate that we will have to move back and forth along the continuum through the 2020-21 school year. At each step along the continuum, ***we are committed to providing live touchpoints every day for every student with every teacher in every class.***

Below is a graphic of the continuum and a description of each step.

Transition Considerations

The indicators are designed to ensure that we can continue to provide the best educational experience in the safest setting possible. In order to transition from one step to another along the continuum, an advisory committee of stakeholders including, Board of Education representation, administrators, employee group representatives, medical professionals, and parents. The role of the advisory committee will be to evaluate a set of indicators and advise if it is appropriate to progress along the continuum. The advisory committee will be chaired by the Superintendent, and will meet every other Monday at 4:00 PM beginning Monday, August 17, 2020.

A final decision regarding the transition from one step to another will be determined by the Superintendent in consultation with the Board of Education.

The school district will routinely communicate with all stakeholders regarding an update and potential movement along the continuum. The following announcement and possible movement dates have been set for the first semester of the school year:

Announcement Date	Date of Possible Step Movement Along the Continuum
Friday, August 28, 2020	Tuesday, September 8, 2020
Friday, September 25, 2020	Monday, October 5, 2020
Friday, October 9, 2020	Monday, October 19, 2020
Friday, October 23, 2020	Monday, November 2, 2020
Friday, November 6, 2020	Monday, November 16, 2020
Friday, November 20, 2020	Monday, November 30, 2020
Friday, December 4, 2020	Monday, January 4, 2020
Friday, December 18, 2020	Tuesday, January 19, 2020 (Start of Second Semester)

Step Descriptions

Step 1: All Students E-Learning with Extracurricular Activities

- All students participate in e-learning at home.
- This is not the remote learning experience that took place this spring;
 - Students will follow a structured schedule with required synchronous learning experiences for part of every class;
 - New content will be introduced by teachers, assessments will be delivered, grades will count, attendance will be taken, and due dates will be enforced; and
 - Students are expected to activate their camera when participating in synchronous e-learning activities.
- Extracurricular clubs and activities may begin meeting either virtually or in-person.
- Athletic contests and practice may begin in accordance with IHSA guidance.

E-Learning Sample Weekly Schedule*						
	Day 1 Gold	Day 2 Blue/Green	Day 3 Gold	Day 4 Blue/Green	Day 5 Gold	
Block 1	E-Learning	E-Learning	E-Learning	E-Learning	E-Learning	8:00 AM - 9:30 AM
Block 2	E-Learning	E-Learning	E-Learning	E-Learning	E-Learning	9:40 AM - 11:10 AM
55 Minute Lunch Break	Lunch and Optional Student Meetings					11:10 AM - 12:05 PM
Block 3	E-Learning	E-Learning	E-Learning	E-Learning	E-Learning	12:05 PM - 1:35 PM
Block 4	E-Learning	E-Learning	E-Learning	E-Learning	E-Learning	1:45 PM - 3:15 PM

* Day 6 would restart with a Blue/Green day.

Step 2: E-Learning with Gradual Return of Groups

- Schools will continue to add layers of academic and extracurricular in-person experiences on a gradual basis, evaluating and adjusting implementation of safety protocols with each new layer; and
- Small cohorts of students can attend in-person to receive additional academic and/or social/emotional support from staff.

Step 3: AM/PM Hybrid Schedule

- Up to 50% of the student population attends school in-person every day, either in the morning (AM) or the afternoon (PM);
- All learning spaces and common areas are setup to provide for 6 feet of social distancing;
- Students are assigned to a group, based on the first letter of their last name, with the exceptions to keep siblings together;
- Students who are not attending in-person are still participating in the class at home;
- Students who are scheduled for SRT and do not need to be on campus are asked to stay home;
- The schedule will follow a typical bell schedule as closely as possible; and
- Students will eat lunch at home; meal delivery service will be offered once per week on Sundays for those that request.

Step 4: All Students In-Person

- All students attend classes in-person every day;
- Students who prefer to continue e-learning are allowed to do so; and
- The daily schedule for a full return will follow the typical bell schedule as closely as possible.

Family Choice in Learning

Should a family determine that their student would benefit from participating ONLY in an e-learning environment, with no in-school instruction, the school will accommodate this preference. Additionally, families will have the ability to transition from an exclusive e-learning environment to a hybrid learning environment based on communication with their guidance counselor.

Open Campus

During steps 2 and 3, schools will implement an open campus with parent permission where students do not have to be in the school building if they do not have class. If a student has a study hall or SRT scheduled, they do not need to be in the school building at that time. Student access to staff offices will be significantly limited and directions for access will be clearly posted for students, staff, and visitors. Students should schedule virtual appointments to receive support from teachers

Classrooms and Capacity

Please refer to the [Social Distancing](#) section of this document. Additionally, the school district will be working with our architects and local fire departments to install appropriate hardware so that doors can remain open while teaching. This will provide additional circulation of air through the room, while providing teachers with the ability to immediately close the door and leverage the automatic locking technology in the event of an emergency.

Synchronous Class Sessions

As part of our student's e-learning experience for the 2020-21 school year, we know that video instruction, including live streaming and recorded lessons, will be a significant part of instructional delivery. We want

to take this opportunity to provide an overview of our plans and expectations when students are using video access or video recordings as part of their instructional services.

One critical aspect of that program will be the use of Zoom video conferencing technology to enable students to see, hear and learn from their classroom teachers while at home. During e-learning experiences, this technology is being used to best approximate the classroom experience. The school district wants families to know and understand that the virtual classroom will be treated to the greatest extent possible the same as the traditional classroom our students are used to being in. The school district takes student privacy and confidentiality matters seriously and expects the same of students and families during this time as well. To that end, please be mindful of the following expectations:

- The Board of Education's policies and student behavior standards will still apply when a student is receiving instruction by video or other remote means;
- Students are not permitted to download or make copies of recorded lessons;
- During live streamed classroom instruction, students and/or their families may not make audio or video recordings or take pictures of the screen;
- Persons other than the student should not watch live streamed classes, unless a parent's assistance during the lesson is essential due to a student's special needs;
- Students must completely log out of any live streamed lesson after the teacher has ended the class;
- Failure to abide by these expectations and other student behavior standards will subject the student to disciplinary measures in the same manner as if the conduct took place at school.

If students have technical questions about use of our video technology resources, please contact the Glenbrook Help Desk at (847) 486-4555, helpdesk@glenbrook225.org

Recording Class Sessions

When implementing e-learning, it is possible to record class sessions. The following expectations apply during these sessions:

- Students and parents are not allowed to share recorded lessons, or to use any device or software to make a duplicate record of e-learning sessions;
- Classroom instruction that is recorded by teachers may be made available for students who need to participate remotely, or who need to reinforce their learning;
- Any recordings that are made available will be password-protected, and all reasonable measures to limit the ability for videos to be downloaded or re-circulated will be taken;
- In an effort to limit personally identifiable information from another student's education record from being disclosed, it is expected that only students are observing recorded e-learning sessions; and
- A specific portion of a recorded lesson may be viewed by a parent if necessary to assist their child with a question about the lesson.

Driver Education

The district will continue to provide behind-the-wheel training to students in full compliance with all Illinois Secretary of State and IDPH safety requirements. Those requirements include:

- Only two students and one instructor per vehicle;
- Face coverings will be required at all times;
- Eating and drinking in the vehicle will be prohibited;
- Windows will be open whenever possible;
- Unnecessary stops during training will be avoided;

- Car occupants must complete hand hygiene with soap and water or hand sanitizer before and after driving. Hand sanitizer will be available in the vehicle; and
- Clean and disinfect critical contact surfaces.¹

Music Courses

The district will review music course offerings to align with current ISBE guidance:

- Students should wear face coverings while singing and avoid touching, choreography, and singing/playing in circles;
- Students should sanitize hands prior to handling instruments. Instruments should not be shared at any time. Sanitize hands after using instruments;
- It is permissible for band members to remove their masks during the time they are playing, but only if necessary;
- Students should provide their own equipment for class; sharing of equipment between students should be prohibited;
- Students should disinfect musical instruments between classes;
- Special care shall be taken with instrument mouthpieces; it is recommended that reed players use plastic instead of cane reeds;
- Conductors should face students from more than 10 feet away from the first row of singers/band members; additional plexiglass will be installed in front of the director; and
- Consider blended/flipped classrooms, as well as individualized self-management programs, to reduce the risk of exposure and allow for personal choice/director choice with recording or practice performance.

Physical Education

Students are required to be enrolled in Physical Education (PE) or Health throughout their four years of high school (unless they qualify for a waiver according to Board Policy ADD NUMBER HERE). According to ISBE guidelines, the following parameters will be in place for PE:

- Face coverings must be worn;
- Activities must allow for 6-foot social distance between students;
- Students will not use locker rooms or change into a PE uniform;
- Students will not share equipment; and
- Students will be asked to wear loose-fitting clothing suitable for participation in low-impact activities on the days they have PE.

Special Considerations for Students with Disabilities

The district focuses on the safety, health, and welfare of students and staff in our community while ensuring that students with disabilities also have equal access to the same opportunities as their general education peers, including the provision of FAPE. The district will ensure that, to the greatest extent possible under these unique circumstances, each student with a disability is provided the special education and related services identified in the student's IEP developed under IDEA, or a plan developed under Section 504.

Exceptions and/or accommodations will be made when protocols are medically contraindicated, provided that the individual supplies appropriate and sufficient medical documentation and comply with all other procedures relating to the exemption/accommodation process. Alternate health/safety protocols may be required.

¹ [Illinois State Board of Education - Starting the 2020-21 School Year, Part 3 Transition Joint Guidance, June 23, 2020.](#)

The district has developed plans for the safe return to in-person learning that take into consideration the unique needs of students with disabilities. Examples include:

- The impact of protective face coverings on students who suffer from respiratory disease, sensory processing sensitivity, and/or expel bodily fluids orally.
- Students with disabilities who are unable or refuse to wear a face-covering (see face-covering considerations section of the plan).
- The impact that staff wearing protective face coverings may have on students with disabilities (e.g. students with hearing impairments) has been planned for.
- Normalize that some persons may not be wearing a face covering.
- Consideration to social and emotional needs of students with disabilities (transitions, social boundaries/personal space, counseling, behavior strategies).
- Visual supports and space considerations for infection control
- Additional precautions for staff who support students who may require physical assistance

Delivery Of Special Education Services

While ISBE encourages districts to provide special populations, which may include students with Individualized Education Programs (IEPs), with priority consideration for in-person services, as we do within a typical school, the district will provide a continuum of services and support available to students with disabilities based on their individual needs across different modalities (remote, hybrid, full in-person) in the district learning plan. In some cases, a student with an Individual Education Program (IEP) or 504 plan can access and progress in any learning environment through built-in supports and accessibility, with minimal accommodations while others may require extensive special education and related services as deemed appropriate to meet the needs of the individual student.

The student's educational team will identify the needs of students with disabilities through collaboration with the special education team, general education teacher, students, parents, and data-based decision making. Students may require prioritization of in-person learning support services and/or additional interventions when it is safe to do so. Conversely, if in-person instruction would place students who are medically-fragile or immunocompromised at higher risk, the IEP Team may consider alternative placement options such as continuing the implementation of remote learning, a hybrid, etc. The process for review will be further articulated in August.

During in-person instruction, special education classrooms are required to follow social distancing requirements. Considerations will be determined for students who struggle with understanding social boundaries and personal space.

Related Services

If a student receives counseling or speech or other related services per the IEP or 504 plan, the district will be providing those services, but they may look different based on the district learning platform and individual needs of the student.

Teletherapy may continue to be used as an alternative to in-person counseling when deemed appropriate.

Community-Based Instruction and Vocational Training

Per ISBE guidance, the district has consulted with the local health department and legal counsel to develop a plan for resuming community-based transition services.

Supports for Students Who Require 1:1 Assistance

The district will continue to provide needed 1:1 assistance for students across learning platforms. For students who require 1:1 assistance, but cannot wear facing coverings or comply with social distancing requirements, the district will consider and determine, on an individualized basis, whether a student's medical or disability-based needs can be safely accommodated during in-person learning in collaboration with the school nurse and IEP team. The district will consider accommodations and other personal protective equipment options for both students and staff. There are a wide variety of face coverings which the district may explore as potential reasonable accommodations. Other potential reasonable accommodations may include not requiring a face covering, but requiring additional PPE coverings for other staff working with the student, use of alternative spaces configurations, or utilizing intervention strategies such as working with a student to increase their tolerance to a face covering. Maintaining strict social distancing will not likely be feasible due to the personal nature of common care and services, including feeding, toileting, hand-over-hand assistance, physical therapy, and occupational therapy. Appropriate PPE shall be used in conjunction with increased hand hygiene. The district will work closely with parents, teachers, school nurses, as well as the student's medical provider, to determine safe alternatives to in-person instruction for students who are medically fragile or if accommodations are insufficient to meet their needs in-person.

IEP Meetings

The district will adhere to timelines for annual IEP meetings. All Individuals with Disabilities Education Act (IDEA) and Section 504 timelines remain in effect. IEP teams should meet to determine whether any revisions to IEPs are necessary to address current levels of a student's performance.

During an in-person meeting, all IDPH requirements must be met including but not limited to wearing appropriate PPE, social distancing as much as possible, complying with capacity limits, and symptom and temperature screenings. Parents or guardians and additional participants will continue to be afforded the opportunity to participate via alternative means. Meetings should be held virtually to the greatest extent possible; however, if the parent is not able to participate or is not agreeable, the meeting will be scheduled at another time that is mutually agreeable. During Phase 3 or greater of the Restore Illinois Plan, the district may conduct IEP meetings for families who have been unable to engage or are in disagreement with virtual IEP meetings. If a meeting is held in-person, all participants will have the option to participate remotely.

Evaluations and Reevaluations

The district will make every effort to complete all unfinished initial evaluations and reevaluations that were in progress prior to school closures and during school closures as promptly as possible. The IEP teams shall complete missing portions of the evaluation as soon as possible once the district or other serving entity returns to in-person instruction, after which the IEP team should be convened to review the results and determine or revisit eligibility and develop or revise the IEP, as appropriate.

As school resumes, it is important to maintain parent procedural safeguards and child find responsibilities while keeping in mind the impact that school closures have had on all students. School teams should also consider the situational trauma that can occur as individuals recover from natural disasters.

All parent requests for evaluation should be considered per the required timelines. The district will make sure to collect all relevant information to help the referral team make an informed decision regarding whether there is a reason to suspect an educational disability. If the team suspects a disability, the team

must initiate the evaluation process by obtaining consent for evaluation and providing the parent with prior written notice. All evaluation criteria and eligibility guidelines are still required.

Evaluations may still be held virtually to the greatest extent possible; however, the district and other serving entities may conduct evaluations in person in adherence to all state and local safety guidelines during the administration of evaluations.

English Learners

The district will continue to apply the Illinois English Language Development Standards and utilize the WIDA Can-Do Descriptors for listening, speaking, reading, and writing. When developing instruction for English Learners, we will emphasize language use and expectations that are targeted and authentic; activities will be meaningful to ensure students achieve linguistic and academic growth, whether English instruction is online, in person, or a hybrid.

In-person instruction should be prioritized for English Learners. Other scaffolds for English instruction may include an extension of time for assignments, videos with captioning or embedded interpreting, accessible or translated reading materials, or other technological solutions. Teachers may use face coverings with clear windows or face shields during instruction or pre-recording these demonstrations.

Extracurricular Activities and Athletics

Extracurricular and co-curricular activities must follow ISBE, IDPH, and applicable IHSA (Illinois High School Athletic Association) requirements. This will include the current Phase 4 guidance of groups of 50 or fewer individuals. The district will encourage participation through a combination of on-campus and virtual activities to be determined by specific activities.

Health and Wellness

Building Entry

School buildings will be open for all students from 7:30 AM - 4:00 PM and will remain open on a limited basis after 4:00 PM for designated student activities and athletics. Students and staff will enter the school building from a designated entrance:

- Glenbrook North
 - Staff and Students
 - Door E (Main Entrance)
 - Door O
 - Door FF
 - Visitors
 - Door E (Main Entrance)
- Glenbrook Off Campus
 - Door A (Main Entrance)
- Glenbrook South
 - Staff and Students
 - Door C and D (Main Entrance)
 - Door O (Auditorium)
 - Door OO (Concession/Auto Courtyard)
 - Visitors
 - Door A (Main Entrance)

Stickers have been placed on the floor throughout the entry areas to promote social distancing of individuals entering the school. Paraprofessionals will assist students, staff, and visitors as they enter and complete the pre-entry process described below. Administrators and Security Coordinators will monitor the entrance areas to ensure that social distancing is being followed and the flow of entry is uninterrupted.

Staff members entering the building when paraprofessionals are not available are responsible for independently completing the health questionnaire and temperature check using a kiosk. All staff enters through either the main entrance or loading dock (e.g., plant operations team members). Staff must sign in upon arrival and out upon departure. Any staff member that displays symptoms should depart the school building and contact their supervisor for further guidance.

Health Questionnaire and Temperature Check

All individuals entering the school building or boarding a school bus will be required to complete a health questionnaire, which includes an onsite temperature check on a daily basis. Students and staff are encouraged to complete a pre-certification process through the school district's secure, online system

(<https://covid.glenbrook225.org>), which will be confirmed for completion upon arrival. Health questionnaires will only need to be completed once per day, even if an individual travels to multiple locations throughout the district on a day. Videos demonstrating the health questionnaire and check-in process are available:

- [Daily Glenbrook Health Self-Certification Process](#)
- [Glenbrook On-Campus Check-In Process](#)

Individuals successfully completing a health questionnaire and temperature check will be permitted to enter the school building or

board the school bus. Should an individual present symptoms at the school building, they will be directed to a satellite nurse's office for evaluation and consultation. Should an individual present symptoms at the bus stop, they will be asked to return to their home. The bus driver will notify their dispatch center and the school will be contacted. Additionally, the dispatch center will contact the student's parent/guardian by telephone.

Should a student or staff member be identified as needing to quarantine for a period of time, their profile will be updated within the check-in system to designate a start date/end date for the quarantine. During this time, if the individual attempts to enter the building, an alert will notify the staff member operating the check-in system that they should not enter the building.

Visitors

Until school resumes regular operations (e.g., the suburban Cook County region transitions to phase 5 of the Restore Illinois framework), school building access will be significantly limited to visitors. To the greatest extent possible, meetings with parents and other interested parties will be conducted virtually using the Zoom platform. When not practical to conduct business virtually, visitors to the building will be required to submit to a health questionnaire and temperature check, and follow all identified health and wellness procedures described within this document. In the interest of safety, visitors that do not comply with the designated procedures will be removed from the school building.

Face Coverings

To prevent the spread of COVID-19, face coverings will be required for all District staff members, students, and visitors who are present in school district buildings. Face coverings will also be required on school grounds in circumstances where social distancing (six feet of distance between individuals) cannot be maintained. Face coverings are masks or other cloth face coverings which cover an individual's nose and mouth. All face coverings must adhere to the following guidelines:

- Reach above the nose, below the chin, and completely cover the mouth and nostrils (i.e., no bandanas);
- Fit snugly against the sides of the face;
- Be made of multiple layers of fabric that you can still breathe through; and
- May not be constructed of material that is sheer or resembles mesh or netting.

The CDC has prepared a [video](#) and a [printable flyer](#) that demonstrates how to properly wear cloth face coverings.

Face Coverings for Employees

All District employees will be provided with a cloth face covering for use during work hours. Employees must wear the District-provided face covering, or, if preferred, a face covering of their choice that adheres to the guidance published by the [Illinois Department of Public Health \(IDPH\)](#).

Face coverings must be worn by employees at all times in school buildings, whether on-duty or on a designated break time. Face coverings must also be worn on school grounds when social distancing cannot be maintained. The District will provide designated outdoor and indoor spaces, marked to provide

for social distancing, which employees may use for meal breaks and other designated breaks where face coverings may be removed.

Employees who have a medical condition or other disability that may prevent them from safely wearing a face covering must complete the District's "Face Covering Accommodation Form." The information on the Form must be verified by a physician licensed to practice medicine in Illinois. Upon review of the information provided by the employee, the District may seek its own independent determination of the employee's need for reasonable accommodation of the face covering requirement through the fitness for duty provision set forth in Section 24-5 of the Illinois School Code (105 ILCS 5/24-5).

Employees who have not been approved for an accommodation under this protocol but refuse to comply with its requirements will be subject to discipline.

Face Coverings for Students

All District employees will be provided with a cloth face covering for use during work hours. Employees must wear the District-provided face covering, or, if preferred, a face covering of their choice that adheres to the guidance published by the [Illinois Department of Public Health \(IDPH\)](#).

Face coverings must be worn by students at all times in school buildings, on school busses and any other District vehicles providing transportation to and from school, on school grounds when social distancing cannot be maintained, and at all school activities.

The District will provide designated indoor space, marked for social distancing and/or otherwise fitted with shields or other materials, for student use during lunch periods. The District will also provide designated outdoor space which allows for social distancing, to permit other break periods for students where face coverings are not required. All lunch/recess/break periods will be supervised by District staff. Students who are not wearing a face covering upon entry to school or a school bus or vehicle, or at any other school event where face coverings are required will be provided a disposable or clean cloth face covering for immediate use. Students who have not been provided an accommodation to the face covering requirement and who refuse to wear a face covering in the school building, on the school bus or other school activity where face coverings are required may be sent home and excluded from in-person instruction, transportation, and other school activities.

Face Coverings for Visitors

Visitors to school are limited in order to prevent the spread of the COVID-19 virus as part of the District's reopening plan. Visitors who are permitted must adhere to the face covering requirements.

Face Covering Accountability

All students, staff, and visitors will be required to wear a face covering at all times when in the school building, even when social distancing is maintained. The only exception to this requirement is when an individual is eating lunch, utilizing the swimming pool, or has been approved for an accommodation.

The requirement to wear a face covering is a component of the school district's overall effort to maintain a safe and secure environment for all students, staff, and visitors. It is the responsibility of all students and staff to ensure that our schools are safe places for all, by following the procedures that have been instituted and notifying a staff member of any issue that might need to be addressed (See Something, Say Something).

Should a student not wear their face covering, they will be reminded of the requirement and asked to put on a face covering. If a student refuses or repeatedly does not wear their face covering, they will be referred to the dean. Any student that refuses to wear a face covering, and is insubordinate to one or more school officials², may be required to transition to a full-time, e-learning mode of instruction for a period of time as deemed appropriate.

Should a staff member not wear their face covering, they will be reminded of the requirement and asked to put on a face covering. If a staff member refuses, they will be referred to the Human Resources department for potential disciplinary action.

Should a visitor not wear their face covering, they will be reminded of the requirement and asked to put on a face covering. If a visitor refuses, they will be asked to leave the school building.

Face Covering Considerations for Persons with Medical Needs

The Illinois State Board of Education and Illinois Department of Public Health released Joint Guidance on June 23, 2020, for school districts in developing plans for the safe return to in-person learning. The Joint Guidance recommends that school teams determine, on an individualized basis, whether a person's medical needs can be safely accommodated during in-person learning. Some recommended considerations include:

- Whether the student's medical condition is conducive to in-person attendance or if needs would best be met remotely
- The student's behavior and capacities, including to control secretions, cover mouth/nose when sneezing and coughing, ability to maintain distance from other classmates, ability to tolerate wearing a face covering (may consider the option of face shield instead), ability to wash hands with/without assistance, and ability/safety of use of hand sanitizer.
- Consult with individual student health care providers, if applicable, and IEP teams to determine the best modality to meet students' needs on an individualized basis. Appropriate release of information forms must be obtained for communication with outside providers. Review IEPs, 504 Plans, Asthma Action Plans, or Individualized Healthcare Plans to determine if these plans will need to be amended or modified.

If an individual has a medical condition and is unable to wear a face-covering due to a medical condition, we require the submission of the district's Face Covering Accommodation Form.

For students, the submission of the district's Face Covering Accommodation Form will be made to the home school's Student Services department. Upon review of the completed and verified form, the district will schedule a meeting with parents/guardians and the student's Section 504/IEP team (if applicable) to review the form and consider accommodations for the student. The District may verify all information provided by the student's parent/guardian and/or the student's physician through an independent review by a licensed medical provider of the district's choice.

² Board Policy 8400 - Student Behavior, Misconduct, Rights and Responsibilities

For employees, the submission of the district's Face Covering Accommodation Form will be made to the Human Resources department. Upon review of the completed and verified form, the district will schedule a meeting with the employee to review the form and consider accommodations for the staff. The district may verify all information provided by the physician through an independent review by a licensed medical provider of the district's choice.

Examples of accommodations may include:

- Use of a face covering with a clear window: In cases where individuals need facial visualization for instruction and communication, face coverings with clear windows will be provided as a support to school personnel for students with disabilities or English learners.
- Use of additional PPE for school personnel: Additional PPE will be provided for school personnel such as gloves, gowns, goggles, face shields, and upgraded face masks (e.g., surgical or N-95).
- Transition to different learning spaces: Depending on the unique needs of the student(s) and the facilities presently in use, consider transitioning the classrooms utilized to other locations with more air circulation, greater ability to implement social distancing, installation of either a handwashing station or selection of space with a sink for increased hand hygiene.
- Installation of plexiglass barriers: Installation of plexiglass barriers when appropriate to limit the spread of any water droplets from an individual not wearing a face covering.
- Increased cleaning activities: Increased enhanced cleaning and sanitization, in accordance with the school district's cleaning protocol.
- Implementation of scheduled breaks: Opportunities for the individual to take additional scheduled breaks in or outside of the classroom where a mask may not be required to be worn.
- Use of face shields: In cases where individuals need facial visualization for instruction and communication, IDPH recommends video instruction to promote social distancing. If video instruction is not available or appropriate, face shields may be used with the understanding that they have not been deemed effective for source control. As such, heightened attention and adherence to 6-foot social distancing are critical for individuals using face shields. Examples of limited situations when face shields may be necessary if video instruction is not possible to include for teachers of English Learners or world languages, whose students may need to see their mouths form words to facilitate language acquisition³.

Upon approval of a face covering accommodation, the student or staff member's profile in the building check-in system and PowerSchool will be updated to reflect a face-covering accommodation. Additionally, a small emblem will be added to the student/staff ID to indicate the accommodation.

Personal Protective Equipment (PPE)

The school district has actively been procuring necessary, FDA approved PPE since the school closure in March. Our school nurses, Assistant Principals for Student Services, and Director of Special Education have worked in partnership with other Northfield Township schools and Glenbrook Hospital to identify necessary PPE for general and special uses. PPE that has been acquired include:

- N95 Masks (to be fitted as necessary at Glenbrook Hospital);
- One-time use surgical masks;
- Reusable, cotton masks (for staff and students);
- Reusable, cotton masks with a clear window (e.g., communicator mask);
- One-time use masks with a clear window (e.g., communicator mask);
- Clear face shields;

³ [Illinois State Board of Education Update Appropriate Use of Face Shields](#) (June 30, 2020).

- One-time use medical-grade gloves;
- Gowns for medical professionals;
- Plexiglass sheets for customized installations on an as-needed basis.

At the current time, the majority of PPE is accessible from within the school district’s supply chains. The school district will maintain a minimum 60-day supply of all required PPE onhand for use across all facilities. To ensure that all PPE is of high quality and integrity, all PPE orders will be centralized and overseen by the Director of Operations. As additional PPE is required, orders will be placed.

Social Distancing

The Illinois Department of Public Health advises that “social distancing actions are taken to restrict when and where people can gather to stop or slow the spread of coronavirus disease (COVID-19) or other infectious diseases in communities”⁴. The Illinois State Board of Education has directed schools to maintain social distance as much as possible, including the six-foot radius around students, and further recommends that excess furniture be removed from classrooms to allow for as much space as possible between desks. With these considerations in mind, the school district has worked diligently to comply with the social distancing recommendation of a six-foot radius around students and staff.

The school district’s architects have worked closely with our school leaders to evaluate each classroom, learning space, and common area throughout the school. A comprehensive chart was compiled identifying the physical size, utilization level, daily enrollment, and a maximum capacity should the 6-foot radius be implemented for each room. An example of this chart is included below:

Room Description	Sq. Ft.	6 Ft. Radius Capacity	Based on PowerSchool Data as of 6/27/2020			"A" Day										
			Scheduled	Avg. Daily Enrollment	Max. Daily Enrollment	EB	Block 1-2		Block 3-4		Block 5-6-7 (Lunch)			Block 8-9		
			EB	1	2	3	4	5	6	7	8	9				
English - Classroom	655	14	Yes	23	26		X	X	X	X	X			X	X	X
English - Classroom	655	14	Yes	23	26				X	X						
English - Classroom	655	14	Yes	20	26		X	X	X	X		X	X	X	X	X
Spartan Conference Room	890	19	Yes													
ESL - Classroom	655	14	Yes	14	26		X	X	X	X					X	X
English Classroom	850	18	Yes	24	26		X	X	X	X		X	X	X	X	X

This data was subsequently validated by physically walking each room, identifying equipment and furniture that should be removed, and ensuring that sufficient space was considered for the teacher and others to circulate around the room⁵. Additionally, when furniture designed for more than one person is utilized (e.g., a two-person table), stickers have been added to identify where the individual should sit. Our goal has been to identify the number of students that can properly social distance in each learning space, and then to problem-solve situations where a particular room assignment might need to be changed in order to accommodate the space needed for course enrollment.

⁴ [Illinois Department of Public Health - Social Distancing](#).

⁵ To provide for teacher and student circulation, the square footage of a room was reduced to 75%. Using the 75% level, the square footage was divided by 36 and rounded to the nearest whole number. This determined the maximum number of students that could be provided for within a learning space.

The greatest challenge in providing for social distancing is in our common spaces, specifically during the start and end of the school day and during passing periods. A large number of our students transition from one side of the building to another, which is why our passing periods have been traditionally scheduled for 9 minutes. To address some of these challenges, we have:

- Worked with a local graphics arts firm to create social distancing signage and stickers that will be placed throughout all of our hallways, bathrooms, elevators, and common areas, as reminders for all students and staff;
- Designated the right side of the hallway as one direction, and the left side of the hallway as another direction;
- Designed the entire stairwells, or sections of stairwells as one direction;
- Repositioned or removed seating in common areas to comply with social distancing parameters; and
- Assigned all students scheduled for Student Resource Time (SRT) to a classroom area.

Shared Materials and Equipment

Whenever possible, sharing materials between students and teachers will be avoided. Should sharing materials, such as technology equipment or driver education vehicles, be necessary, items will be disinfected using an alcohol-based wipe containing the recommended CDC alcohol level of at least 60%, prior to each new use by the student or teacher.

Staff will be encouraged to transition to digital materials as much as possible, in lieu of duplicated materials which then need to be passed out to students and/or returned to the teacher. Additionally, a digital submission tool will be implemented for teachers that need copies of documents for their classes. Our copy centers will become the primary duplication center, and shared copiers in department offices should be used sparingly.

General Hygiene

In addition to modifications to our bathrooms discussed in the operational section of this document, the school district has installed hand sanitizer dispensers throughout each facility. Our hand sanitizer meets the CDC recommendations of being an alcohol-based hand rub (ABHR) with a minimum of 60% alcohol. Automatic dispensers have been installed in common areas throughout the facility, and manual pump dispensers have been installed in all classrooms and learning spaces.

Illness Procedures

If an individual is ill prior to the start of the school day, they should not come to school. Parents should report absences to the school attendance office by phone or email:

- Glenbrook North: (847) 509-2432 or gbnattendance@glenbrook225.org
- Glenbrook South: (847) 486-4632 or gbsattendance@glenbrook225.org

Employees should submit their absence using Skyward Employee Access and, if applicable, complete a substitute request in Frontline Absence Management (e.g., Aesop).

If an individual becomes ill at school, they should visit the school nurse's office. School nurses are available throughout the school day. If an individual is experiencing COVID-19-related symptoms, they may be transitioned to a satellite nurse's office for further evaluation.

Routine Absences

Absences should be reported in advance of the school day using the procedures described in the preceding section. Should a student or staff member not be able to actively participate in their scheduled activities during an E-learning day, an absence must be reported.

COVID-19 Reporting

It is the responsibility of every student and staff member to notify the school district in the following instances:

- They test positive for COVID-19;
- They exhibit one (or more) symptom(s) of COVID-19;
- They have a temperature higher than 100.4°F with no other COVID-19 symptoms;
- They have had close contact with someone who tested positive for COVID-19⁶;
- They have had close contact with someone who is exhibiting one or more COVID-19 symptoms, as confirmed by a medical provider; or
- They have returned from a location with a sustained widespread transmission designated as [Travel Warning Level 3](#) by the Centers for Disease Control and Prevention or from locations that the Cook County Public Health Department or the State of Illinois have determined require a 14 day quarantine upon return

Each case of reporting will be reviewed by school nurses, members of the school and district leadership team, and possibly the Cook County Department of Public Health. Depending on the unique circumstances of the case, the school district may initiate contact tracing efforts and may take additional preventive measures to reduce the spread of COVID-19.

Contact Tracing

The school district has implemented a contact tracing protocol to assist in reducing the spread of COVID-19 among students and staff. Our protocol is based on the procedures published by the Bloomberg School of Public Health's contact tracing course at Johns Hopkins University and aligned with guidelines from the Illinois Department of Public Health. We work directly with the Cook County Department of Public Health if and when we implement contact tracing.

To provide additional insight into the contact tracing process, a series of frequently asked questions have been prepared.

⁶ Close contact is defined as being within 6 feet of another person for more than 15 minutes.

Why trace contacts?

Any individual that comes into close contact with someone who has COVID-19 is at an increased risk of becoming infected themselves, and possibly infecting others. By contact tracing, we help break the chain of transmission of the infectious disease.

Who will perform the contact tracing?

Our contact tracing efforts are managed by the school district's Safety and Security Manager, Mr. Joel Reyes, and supported by our two Safety Coordinators, Mr. Dan Gorski, and Ms. Kristin Wick. All three individuals completed training facilitated by the Department of Epidemiology at Johns Hopkins University's Bloomberg School of Public Health.

When will contact tracing take place?

The school district will initiate contact tracing upon notification of a student or employee confirmed or probable case (as confirmed by a medical professional) of COVID-19.

What does the process look like?

Once notification to the school is made, the contact tracing team will conduct the necessary phone interviews to confirm a positive test for COVID-19, and to determine those individuals that have been in close contact with the infected person (known as a contact). Subsequent interviews follow a consistent protocol:

- Introduction and information sharing that they have been in contact with an individual that has been confirmed or is probable to have contracted COVID-19, and the school district has implemented a process to ensure that the school remains a safe learning community;
- Confirmation that all information collected during the contact tracing is confidential, but may be shared with the Illinois Department of Public Health, the Center for Disease Control and Prevention (CDC) or another government agency;
- Discussion of the contact's current state of health, including the timeline of any COVID-19-related symptoms;
- Review of who the contact has interacted with during the infectious period, and where they have been or traveled (e.g., athletic practice, holiday party, school building);
- Based on the information gathered during the interview, the contact will be provided isolation instructions in alignment with guidelines issued by the CDC, and will also be informed of access to school-based support resources.

Should you have any further questions regarding the contact tracing protocol or related activities, please contact Mr. Joel Reyes at jreyes@glenbrook225.org or by phone at (847) 486-5701.

Human Resources

Non-Certified and Administrator Return Plan

Beginning Monday, August 3, 2020, all 203, 239, and 260 staff members will resume their normal work calendar, with all employees returning to work on a daily basis. Each other working group with a calendar starting on Monday, August 17, 2020, will be contacted by the Human Resources Department to share their return timeline and format.

Should a staff member have a unique experience that prevents them from returning to work, they should contact their supervisor and the Human Resources department. Any accommodation request will be processed on a case-by-case basis by a team of school and district administrators.

Staff Offices and Workspaces

Each individual office or shared workspace is unique. Some of our offices provide for greater social distancing, whereas others present structural challenges. When social distancing is not possible, alternative accommodations may be implemented such as:

- the identification of additional shared, flexible spaces or the installation of plexiglass barriers;
- The establishment of a schedule for individuals or group rotations to ensure that social distancing can be maintained.

Student access to staff offices will be significantly limited and directions for access will be clearly posted for students, staff, and visitors. Students should schedule virtual appointments to receive support from teachers.

As part of the district's cleaning protocol, all staff offices and workspaces will be cleaned on a daily basis using several different techniques. All staff members are asked to remove items from desktop surfaces on a daily basis to accommodate cleaning activities. Additionally, staff members are encouraged to limit items that are exposed on shelves or in the general office space, to prevent damage during the cleaning process.

Teaching Remotely or In-Person

The district will provide teachers with the option to teach remotely or from campus during Step 1 while all students are engaged in e-learning. During Step 2, staff members may be required to report to campus to offer support to students in small group settings. During Step 3 and Step 4 all faculty will be required to report to campus to implement either in-person instructional model.

Should a staff member have a unique experience that prevents them from returning to work, they should contact the Human Resources department. Any accommodation request will be processed on a case-by-case basis by a team of school and district administrators.

Operations

Cleaning Protocol

Enhanced cleaning protocol is being followed allowing for extensive building cleaning and disinfecting throughout the day and in the evenings. Classrooms and shared spaces will be deep cleaned and disinfected daily. Commonly touched items, such as door handles, handrails, sink handles, common tables, and surfaces, and elevator buttons will be disinfected multiple times throughout the day.

Disinfectant wipes will be provided in each classroom. Students and teachers will be responsible for cleaning their desks and chairs prior to occupying their seats. Teachers will limit the number of objects handled by more than one person and are responsible for cleaning any instructional materials they are providing that will be used by someone in the class. Furniture with soft and porous material will be removed from classrooms and common spaces. All cleaning products will be centrally purchased and meet CDC guidelines and be FDA approved.

Bathrooms

Washroom use will be limited to approximately one-half of the fixtures to provide for social distancing. Those waiting to access bathroom facilities must socially distance per provided signage. The school district has also placed an order to modify existing bathroom fixtures and equipment as follows:

- 85 hand driers located throughout our schools will be disconnected, and signage will be added indicating that they are not in use, automatic (electronic) or automatic (self-advancing) paper towel dispensers will be available instead;
- 109 manual soap dispensers will be transitioned to automatic dispensers, as soon as the equipment is available (currently back-ordered for several months);
- 95 manual sink faucets will be replaced with automatic faucets, which will require retrofitting of existing sinks and the replacement of several supply lines; and
- 240 manual toilet flush handles will be replaced with automatic flush mechanisms.

To further decrease the number of surfaces that individuals will touch when entering/leaving a bathroom, all multi-stall bathroom doors will be propped-open throughout the school day. Additionally, large waste baskets will be added to all bathrooms to accommodate the anticipated increased use of paper towels, and custodial personnel will be monitoring bathroom cleanliness on a more frequent basis.

Water Fountains

The use of water fountains will be limited to the refilling of water bottles.

Ventilation Systems (HVAC)

Our facilities are served by approximately 115 air handling units which are designed to support community-based facilities such as school buildings. All units are properly maintained and reviewed regularly to ensure they are operating properly and providing acceptable levels of air circulation and overall ventilation. The system filters are within their acceptable service life, appropriately sealed and installed in accordance with the manufacturer's recommendations.

In order to improve air filtration and overall air quality, air filters will be routinely monitored and upgraded, where possible, to a higher MERV rating to capture smaller particles. In areas where filters cannot be upgraded due to system constraints we are evaluating other solutions to help enhance air filtration. Additionally, systems will be adjusted to maximize outdoor air intake which will increase the amount of fresh air circulating throughout the building. Door openers will also be installed on learning space entrances to assist with the circulation of air in occupied rooms.

Cafeterias

During steps 1, 2, and 3, lunch service will not be offered during the school day. However, cafeterias will be utilized to facilitate larger groups of students for instructional and co-curricular programs. Similar to our learning spaces, cafeterias will be set up with all required social distancing protocols in place.

Lunch and Open Lunch

During steps 1, 2, and 3, lunch service will not be offered during the school day. Staff present during the lunch hour will need to make alternative arrangements.

Students participating in the [student financial assistance program](#), or those experiencing financial hardship, will be able to request pre-packaged meals on a weekly basis. Through a partnership with Quest Food Management Services and First Student, a total of five breakfasts and lunches will be delivered to student households on Sunday. Families will be able to choose a 4-hour delivery window and will need to be present at the time of delivery. Families unable to accept a Sunday delivery may arrange a pick-up of their meals on Mondays.

Locker Utilization

Students will not be assigned hallway lockers unless they request one. This will reduce the number of students in the hallways. This will not be a change for most students, as very few students use a hallway locker in typical times.

Transportation

The school district will continue to operate a bus service for those families purchasing a bus pass, or qualifying for bus service as part of the student financial assistance program. At times when the school district has implemented a hybrid schedule, bus service will be operated for both the morning and afternoon sessions. The routing information in these situations will be provided to parents the week prior to the start of the rotation. In the event that the fee-based transportation system does not operate for a period of time due to the implementation of e-learning for all students, the administration will work with the Board of Education to evaluate potential prorated refunds.

Special Transportation

Special transportation will be provided per the individual student's IEP when in-person instruction resumes. The district is coordinating with transportation vendors to ensure they follow the cleaning protocol, and other district guidelines as part of this plan.

Students must undergo symptoms and temperature checks before boarding a vehicle. Students who ride the bus should remember to wash their hands or use hand sanitizer before and after riding the bus.

Shuttle buses will run between the campuses. The District will also share information from Pace and Metra about their plans for service in the fall as it becomes available.

Facility Rentals and External Activities

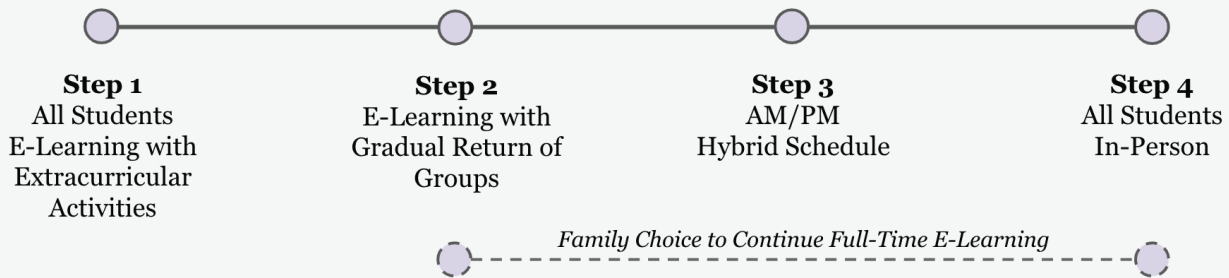

In an effort to minimize the spread of COVID-19, school facilities will not be accessible for non-school activities. Additionally, rental requests for future dates will not be considered at this time. Rare exceptions may be made for public service, health and safety organizations, when submitted in accordance with Board Policy 5030 - Community Use of School Facilities, and consistent with the requirements of this plan.

2020-2021

School Reopening Plan

We are committed to providing live touchpoints every day for every student with every teacher in every class.

- Compliance with Cook County Department of Public Health Guidance
- Implemented Contact Tracing Protocol and Measures to Support Contact Tracing
- Implementation of 6 Foot Social Distancing Strategies
- Implemented Cleaning Protocol and Supplies
- Sufficient Inventory/Access to Required PPE
- Sufficient Staff to Provide Supervision (Including Substitute Availability)
- Pedagogical Considerations (Instructional Integrity and Stability for All)

Overview and Key Dates

In each step of the process, an **advisory committee** of stakeholders will regularly evaluate a set of indicators and advise if it is appropriate to progress to the next step.

The District will communicate with all stakeholders regarding movement along the continuum. Any movement will take place one week after the announcement.

Our Guiding Principles

1. Maintain the health and safety of all students and staff;
2. Provide meaningful and engaging academic experiences for all students;
3. Address the social and emotional needs of all students;
4. Provide consistency and stability for all students and staff; and
5. Provide continuous professional learning opportunities for staff that address learning needs unique to this time.

Step 1 (August 19): All Students E-Learning

All students (with the possible exception of some special education classes or interventions) participate in e-learning at home.

This is not the remote learning experience that took place this spring;

- Students will follow a structured schedule with required synchronous learning experiences for part of every class;
- New content will be introduced by teachers, assessments will be delivered, grades will count, and attendance will be taken; and
- Students are expected to activate their camera when participating in synchronous e-learning activities.

A **social-emotional learning curriculum** will be integrated into physical education and health courses. Teachers will partner with counselors, psychologists, or social workers to co-teach lessons on essential topics such as: creating a collective community; building resilience; coping with anxiety, fears, and stress; and accessing resources and supports.

Following current Illinois Phase 4 guidance, **extracurricular and co-curricular activities** will be limited to groups of 50 or fewer individuals. The district will encourage participation through a combination of on-campus and virtual activities to be determined by specific activities.

E-Learning Sample Weekly Schedule*						
	Day 1 Gold	Day 2 Blue/Green	Day 3 Gold	Day 4 Blue/Green	Day 5 Gold	
Block 1	E-Learning	E-Learning	E-Learning	E-Learning	E-Learning	8:00 AM - 9:30 AM
Block 2	E-Learning	E-Learning	E-Learning	E-Learning	E-Learning	9:40 AM - 11:10 AM
55 Minute Lunch Break	Lunch and Optional Student Meetings					11:10 AM - 12:05 PM
Block 3	E-Learning	E-Learning	E-Learning	E-Learning	E-Learning	12:05 PM - 1:35 PM
Block 4	E-Learning	E-Learning	E-Learning	E-Learning	E-Learning	1:45 PM - 3:15 PM

* Day 6 would restart with a Blue/Green day.

Step 2: E-Learning with Gradual Return of Groups

Academic and extracurricular in-person experiences added on a gradual basis, evaluating and adjusting implementation of safety protocols.

Step 3: AM/PM Hybrid

Students attend school in-person every day, either in the morning (AM) or the afternoon (PM) determined by an alphabetic group assignment.

Step 4: All Students in School

All students attend classes in-person every day, and students who prefer to continue e-learning are allowed to do so.

Re: Approval to Make Available the FY 2020-21 Tentative Budget and to Schedule a Public Hearing on the FY2020-21 Budget

Recommendation

It is recommended that the Board of Education make available the FY2020-21 Tentative Budget for public inspection on Wednesday, July 29, 2020, and to schedule a public hearing on the adoption of the FY 2020-21 budget on Monday, September 14, 2020.

Background

Each year the Business Services department is charged with the task of developing a budget in tentative form, to be presented and discussed with the Finance Committee and Board of Education. The budget materials attached include a summary of the District's 4,713 active expenditure accounts, and 209 active revenue accounts by fund, identifying the previous year's activity, and budgeted amounts for the 2020-21 fiscal year. In addition to the account detail provided, an updated narrative and summary has been included.

The FY2020-21 tentative budget and supporting materials were presented to the Finance Committee on Thursday, July 23, 2020. As a result of the committee's discussion, revisions were made to the materials attached.

Recognizing the comprehensive information provided within the budget, the Business Services team has developed a "Key Findings" section, which begins on Page 2 of the budget document. This section lists important points that summarize the success of the prior year and provide context for the tentative budget for the new year.

In accordance with the Illinois School Code (105 ILCS 5/17-1), the tentative budget shall be made available to public inspection for at least 30 days prior to adoption. Additionally, the Board of Education shall hold a public hearing prior to the adoption of the budget. To fulfill these requirements the following activities are recommended:

- **FY2020-21 Tentative Budget Made Available to Public Inspection**

It is recommended that the tentative budget be made available on Wednesday, July 29, 2020.

- **Public Hearing on the Adoption of the FY2020-21 Budget**

It is recommended that a Public Hearing on the adoption of the FY2020-21 budget be scheduled on Monday, September 14, 2020, at 7:00 PM to be held at the District Administration Building, 3801 W. Lake Avenue, Glenview, Illinois.

- **Publish Notice of FY2020-21 Tentative Budget Availability and the Public Hearing**

Notice of the public hearing and the availability of the FY2020-21 tentative budget will be published online, at each school office, and in the newspaper the week of August 2, 2020.

Glenbrook High School District 225
Notice of Public Hearing

Notice is hereby given by the Board of Education of Glenbrook High School District 225, in the County of Cook, State of Illinois, that the tentative budget for said School District for the fiscal year beginning July 1, 2020, will be on file and conveniently available for public inspection on the District's website (www.glenbrook225.org), or at the District Administration Building located at 3801 W. Lake Avenue, Glenview, Illinois from and after 8:00 AM, on the 29th day of July 2020.

Notice is further hereby given that a public hearing on the said budget will be held at 7:00 PM, on the 14th day of September 2020, at the District Administration Building located at 3801 W. Lake Avenue, Public Meeting Room, Glenview, Illinois in this School District Number 225.

Dated this 27th day of July, 2020. Board of Education of Glenbrook High School District 225, in the County of Cook, State of Illinois.

Overview

The Board of Education adopts an annual budget each year, with the goal of matching estimated revenue and expenditures resulting in a balanced budget. This year's budget also includes expenditures that utilize existing reserves for the purposes of one-time expenses such as construction and renovation projects.

By definition, the budget represents the school district's best estimate of revenues and expenditures for a period of 12 months between July 1st and June 30th. Throughout the school year, the Business Services leadership team provides updates regarding the financial condition through monthly expenditure reports, revenue trends, and financial projections.

The following is a list of important points that summarize the success of the prior year and provide context for the new year's budget.

Reconciliation of the 2019-20 Budget

Beginning on Page 30

Overall

- At the current time, the school district anticipates increasing fund balance by \$1-3M, as a result of decreased expenses related to the school closure.
- As part of the 2018 collective bargaining cycle, several employee groups have the ability to receive their contractual pay throughout the summer months. As a result of payments being disbursed in July 2020 and August 2020, yet attributed to the 2019-20 fiscal year, the "actual" expenses for salary and benefits displayed within this document will increase and more appropriately align with budgeted amounts.
- Based on preliminary audited figures, the district ended the 2019-20 fiscal year with \$189.5M in revenues and \$186.5M in expenditures. The expenditures will increase after the final payrolls for the 2019-20 fiscal year have been processed.

Revenue

- Actual direct revenues indicated that the school district is 94.6% locally funded, primarily through property taxes.
- The school district's revenue receipt targets have been generally consistent with actual receipts. As of July 20, 2020, the school district still is awaiting the receipt of approximately \$530K in outstanding state and federal categorical payments. Based on trend, we anticipate these payments will be received by October 2020, which will be recorded within the 2020-21 fiscal year.

Expenditures

- The Board of Education entered into a settlement with Allstate Insurance Company for property tax objections for tax years 2004-2009. The \$6M settlement was scheduled to be paid in \$2M installments over three years. The second installment was paid at the beginning of the 2019-20 fiscal year. Due to other decreased expenditures in the budget, the school district accelerated the payment of the third and final installment in June 2020.
- The 2019-20 fiscal year budget included \$7.1M in one-time expenditures for the final round of approved life safety and school facility enhancement projects. These projects were funded primarily through bond proceeds from the 2016 and 2017 refunding (refinancing) of existing debt. Additionally, the budget included a projected use of \$2M in fund balance from the education fund. As a result of decreased expenses related to the school closure, this expense was able to be supported through the general revenues of the school district, without the need to utilize fund balance.

Summary of the 2020-21 Tentative Budget

Beginning on Page 38

Overall

- The 2020-21 fiscal year budget includes \$193.4M in revenues and \$193.4M in expenditures, resulting in a balanced budget.
- Through the consistent application of a zero-based budgeting approach, supported through a formula-based decision-making process, the school district remains financially strong.
- The school district remains on track to become debt free on January 1, 2028.

Revenue

- The school district's direct revenue represents 94.5% local and other funding, primarily through property taxes, with 6% of funding provided by state and federal sources.
- The budget reflects an increase in local property tax receipts for operating funds in the amount of \$1.7M. This is partly attributed to growth in new property equalized assessed value of \$65.4M.
- The Village of Glenview's contribution through "The Glen Make Whole Payments" is estimated to provide an additional \$9.3M in revenue. This payment is based on the number of students enrolled at Glenbrook South living within The Glen development. The Glen's property is anticipated to become part of the district's EAV in tax year 2022, at which time this separate revenue source will end, and the school district will receive property tax revenue directly through the overall property tax extension.
- State and federal revenue estimates remain consistent with 2019-20 levels.
- Interest earnings have been reduced by 76% to reflect the substantial change in interest rates as a result of COVID-19.
- In an effort to fund approved capital projects through a pay-as-you-go model, a total of \$1,500,000 will be transferred from the Operations and Maintenance Fund (20) to the Capital Projects Fund (60). This is a one-time transfer will fund designated one-time expenditure as approved by the Board of Education on April 13, 2020. This appears as both a revenue source (for Capital Projects) and an expense (for Operations and Maintenance).

Expenditures

- Salary expenditures represent current negotiated rates between the school district's three collective bargaining units (e.g. GEA, GESPA, GESSA), and Board-approved increases for non-union, non-licensed personnel and administrators.
- The health benefits budget has been increased to reflect changes to the expenses as a result of personnel transitions, and an estimated 2.5% premium increase for the 2021 plan year.
- An additional \$500,000 has been budgeted to reflect anticipated expenditures for supplies and facility modifications, due to COVID-19 related efforts.
- In consultation with the Finance Committee, the contingency budget has been slowly phased-out over the past four years. For 2020-21, no contingency budget has been allocated. Should an unbudgeted expense be incurred, it will be absorbed into the current budget and/or be addressed with the Board of Education through a possible use of fund balance.

Introduction

Northfield Township High School District 225, doing business as Glenbrook High School District 225, located approximately twenty-five miles north of downtown Chicago, Illinois, is a high school district serving students in grades 9 – 12. During fiscal year 2019-20, the District served 5,267 students¹ in two traditional high schools, Glenbrook North, located in Northbrook, and Glenbrook South, located in Glenview, as well as in a therapeutic day school (Glenbrook Off Campus) also located in Glenview. This represented an increase of 69 students compared to fiscal year 2018-19.

The governing body consists of a seven-member Board of Education elected from within Glenbrook's boundaries, who each serve a four-year term. Board members are volunteers who do not receive a salary for their services.

Financial Recognitions

Certificate of Excellence in Financial Reporting

Glenbrook High School District 225 has been awarded the Certificate of Excellence in Financial Reporting (COE) recognition from Association of School Business Officials International (ASBO International) for the past 10 years. The District first received the award in conjunction with the Comprehensive Annual Financial Report from the 2007-2008 fiscal year.

In addition to nationwide recognition, the COE program provides school districts with additional feedback for use in continuing to improve the quality of financial reporting and recognizes districts for their commitment to excellent in financial management and reporting.

Certificate of Achievement for Excellence in Financial Reporting

Glenbrook High School District 225 has received the Certificate of Achievement for Excellence in Financial Reporting from the Government Finance Officers Association (GFOA) for the past 9 years. The District first received the award in conjunction with our Comprehensive Annual Financial Report from the 2008-2009 fiscal year.

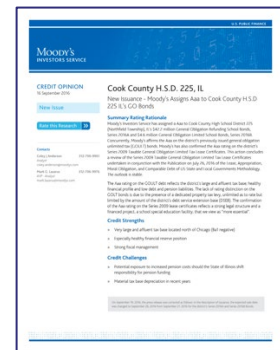

This recognition is awarded to state and local governments that go beyond the minimum requirements of financial reporting, by providing comprehensive financial reports that provide transparency and full disclosure.

Moody's Investors Services - Aaa Bond Rating

Glenbrook High School District 225 has received the highest bond rating available for the District's outstanding debt from Moody's Investors Services.

The rating of 'Aaa' indicates that our obligations have been judged to be of the highest quality, subject to the lowest level of credit risk.

¹ Enrollment data based on October 1, 2019 actual counts.

S&P Global Ratings - AAA Bond Rating

Glenbrook High School District 225 has received the highest bond and management rating available for the District's outstanding debt from S&P Global Ratings.

The rating of 'AAA' indicates that our capacity to meet our financial commitments of our obligations is extremely strong. Additionally, a financial management assessment (FMA) rating of 'Strong' indicates that our management practices are strong, well embedded, and likely sustainable.

Rating	AAA-Rate	AAA-Rate
Long-Term Rating	AAA-Rate	AAA-Rate
Short-Term Rating	AAA-Rate	AAA-Rate

Rationale

S&P Global Ratings assigned its AAA rating to Cook County Township High School District No. 225 (Northfield), IL, upon its 2018 general obligation (GO) bond offering and upon its 2018 financial audit. In the summary, S&P Global Ratings affirmed its AAA rating on the District's 2018 bond offering. The rating is based on the following:

- The District's 2018 revenue remains strong, which is based on its revenue for 2018 as reported in its 2018 financial audit.
- The District's 2018 financial audit was conducted by a nationally recognized accounting firm.
- The District's 2018 financial audit was conducted by a nationally recognized accounting firm.

Illinois State Board of Education – Financial Recognition Status

Glenbrook High School District was issued the status of “Financial Recognition” for 2019 from the Illinois State Board of Education. The numeric rating of 4.00 indicates that the District is in the highest category of financial strength. This rating was issued based on the 2018-19 Annual Financial Report data.

	School District Financial Profile (Original Calculation)	School District Financial Profile (Adjusted for Delayed Payments)
Recognition	100	100
Revenue	100	100
Early Warning	57	47
Watch	25	19

The Illinois State Board of Education takes into consideration (5) factors when assigning a financial profile designation²: fund balance to revenue ratio; expenditures to revenue ratio; days cash on hand; percent of short-term borrowing maximum remaining; percent of long-term debt margin remaining.

Overview

In accordance with Illinois School Code (105 ILCS 5/33-1), Glenbrook High School District 225 is governed by an elected, 7-member Board of Education. All members are elected at-large to four-year terms, representing all residents in the District's boundaries. Board elections are held during the month of April as part of the consolidated election cycle in odd numbered years. Board members are volunteers who do not receive a salary for their services.

Members

The Board of Education includes three officers: president, vice president, and secretary. The president and vice president are elected annually by the Board membership, the secretary role is typically filled by the Assistant Superintendent for Educational Services.

Major Powers and Duties

As stated in Board Policy 1020: School Board Legal Status Authority, the major powers and duties of the Board include, but are not limited to:

1. Formulating, adopting, and modifying Board policies, at its sole discretion, subject only to mandatory collective bargaining agreements, other agreements entered into by the Board, and State and federal law.
2. Employing a Superintendent and other personnel, making employment decisions, disciplining and dismissing personnel, and establishing an equal employment opportunity policy that prohibits unlawful discrimination.

3. Through policies or directives issued by the Board, direct the Superintendent, in his or her charge of the District as the chief executive of the District.
4. Approving the annual budget, tax levies, major expenditures, payment of obligations, annual audit, and other aspects of the District's financial operation; and making available a statement of financial affairs as provided in State law.
5. Entering into contracts including using the public bidding procedure when required.
6. Indemnifying, protecting, and insuring against any loss or liability of the District, Board members, employees, and agents as provided or authorized by State law.
7. Providing, constructing, controlling, and maintaining adequate physical facilities; making school buildings available for use as civil defense shelters; and establishing a resource conservation policy.
8. Establishing an equal educational opportunities policy that prohibits unlawful discrimination.
9. Approving the curriculum, textbooks, and educational services.
10. Evaluating the educational program and approving School Improvement and District Improvement Plans.
11. Presenting the District report card and School report card(s) to parents/guardians and the community; these documents report District, School and student performance as required by state statute.
12. Establishing and supporting student discipline policies designed to maintain an environment conducive to learning, including deciding individual student discipline brought before it.
13. Establishing attendance units (schools) within the District and assigning students to the schools.
14. Establishing the school year and calendar.
15. Requiring a moment of silence to recognize veterans during any type of school event held at a District school on November 11.
16. Entering into joint agreements with other boards and other governmental agencies to establish cooperative educational programs or to provide educational facilities.
17. Complying with requirements in the Abused and Neglected Child Reporting Act. Specifically, each individual Board member must, if an allegation is raised to the member during an open or closed Board meeting that a student is an abused child as defined in the Act, bring to the attention of the Board to direct the Superintendent or other equivalent school administrator to comply with the Act's requirements concerning the reporting of child abuse.
18. Communicating the schools' activities and operations to the community and representing the needs and desires of the community in matters pertaining to the District.

Meetings and Committee Structure

To fulfill their duties, the Board of Education meets regularly on the second and fourth Mondays of each month. All meetings of the Board of Education are open to the public and are organized in accordance with the Illinois Open Meetings Act (5 ILCS 120). During each meeting members of the public are invited to address the Board in accordance with Board Policy 2030.

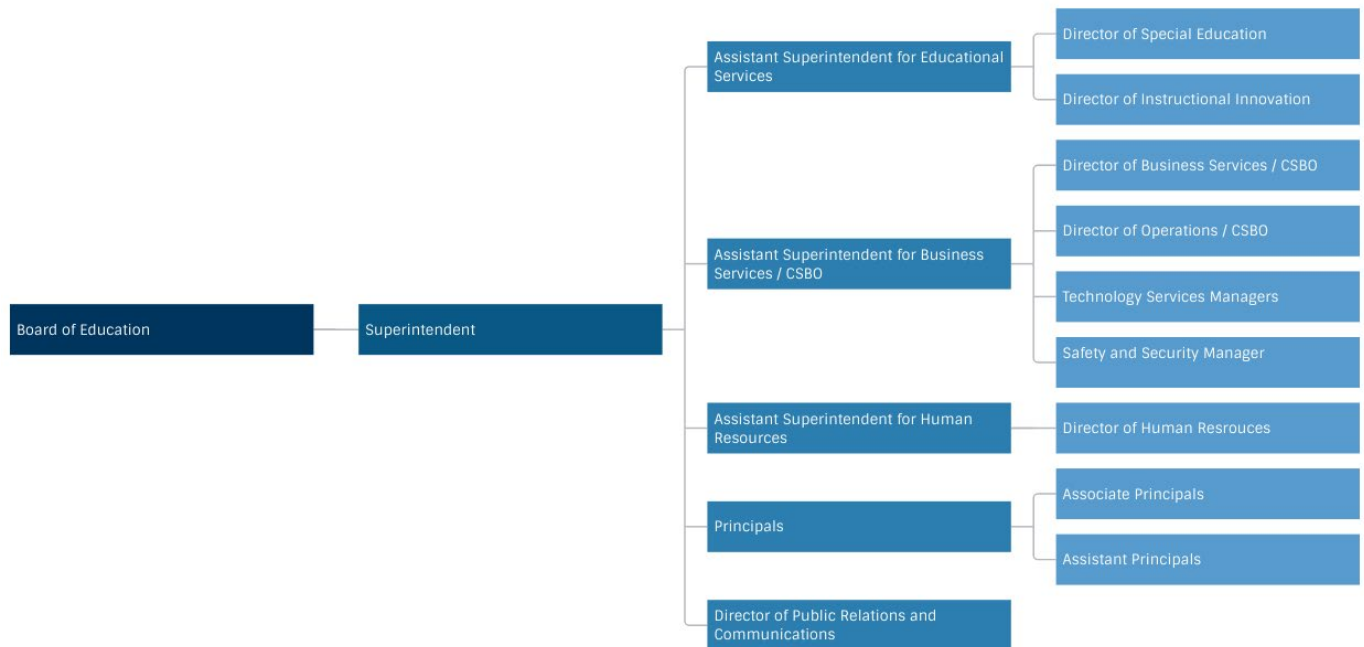

In addition to the regular meetings, the Board of Education has established three standing committees to facilitate the review of topics relevant to the operation of the school district. These committees include:

- Facilities;
- Finance; and
- Technology.

Each committee includes up to three (3) members of the Board of Education, as well as members of the District and School leadership teams (e.g. Superintendent, Principals, Associate Principals, Assistant Superintendents, Directors, Managers). Board committees meet periodically throughout the school year and provide an opportunity to review draft proposals and recommendations from the Administration in a working group setting. Proposals and recommendations are then revised as needed, and typically presented to the full Board at the next regular meeting.

Organizational Chart

The Board of Education is responsible for employing a Superintendent and other personnel, including the District’s leadership team. An organizational chart outlining the District’s leadership team is presented as follows:

Budget Calendar

Developing a budget is a year-long process that dynamically adjusts in response to local and external changes. At the core of the budget development process is a series of action items driven by state and federal guidelines, as well as a rich history of consistent and timely planning practices in our District. These action items are outlined in the annual budget development calendar that follows:

July

- Fiscal Year Begins
- **BOE Action:** Approval to Make Available the Tentative Budget and to Schedule a Public Hearing on the Budget (105 ILCS 5/17-1)

August

- Conduct Independent Audit of Financial Statements from Prior Fiscal Year (105 ILCS 5/3-7)

September

- **BOE Action:** Hold Public Hearing on the Tentative Budget (105 ILCS 5/17-1)
- **BOE Action:** Adoption of the Final Budget (105 ILCS 5/17-1)

October

- **BOE Informational Item:** Annual Audit Update
- **BOE Informational Item:** Master Facilities Plan Update
- **BOE Action:** Approval of the Annual Financial Report
- **BOE Action:** Approval of Capital Projects; Authorize Architectural Services and Bid

November

- **BOE Informational Item:** Enrollment Forecast Update
- **BOE Action:** Approval to Publish the Estimated Tax Levy (105 ILCS 5/17-1, et seq.) and to Schedule a Public Hearing on the Estimated Levy (35 ILCS 200/18-55)
- **BOE Action:** Approval of Health Insurance Renewal

December

- **BOE Action:** Hold Public Hearing on the Estimated Tax Levy (35 ILCS 200/18-55)
- **BOE Action:** Approval of the Tax Levy (105 ILCS 5/17-1, et seq.)
- **BOE Informational Item:** Updated 5-Year Financial Projection

January

February

- **BOE Action:** Approval of the School Operating Budgets and Small Building Projects
- **BOE Action:** Approval of Student Fees

March

- **BOE Action:** Approval of Certified Staffing FTE
- **BOE Action:** Approval of Contracted Services Contracts (If Applicable)

April

- **BOE Action:** Approval of Non-Certified Staffing FTE
- **BOE Action:** Approval of Capital Project and Life Safety Bids

May

- **BOE Informational Item:** Updated 5-Year Financial Projection

June

- **BOE Action:** Approval of Administrative and Non-Union Salaries
- Fiscal Year Ends

Those items listed as BOE Action represent topics that will be presented to the Board of Education by the Administration for consideration. These items will always include an administrative recommendation for action and will also denote any statutory timelines that might apply.

Items listed as BOE Informational Item represent topics that will be discussed at a Finance Committee meeting, as well as a regular Board of Education meeting. These items do not require formal action by the Board, but often are presented with the goal of receiving feedback and direction from its members.

Collective Bargaining Agreements

While not specified in the budget development calendar, the District has three collective bargaining units that are on a regular contract cycle. During the 2017-18 fiscal year, the Board of Education entered into new agreements with each unit. The current terms for the agreements are as follows:

Association	Current Contract	Negotiation Topics
Glenbrook Education Association (GEA)	July 1, 2018 – June 30, 2023	2022-23 School Year ▪ All Contract Language
Glenbrook Educational Support Paraprofessional Association (GESPA)	July 1, 2018 – June 30, 2022	2019-20 School Year ▪ Compensation 2020-21 School Year ▪ Compensation 2021-2022 School Year ▪ All Contract Language
Glenbrook Educational Support Staff Association (GESSA)	July 1, 2018 – June 30, 2022	2021-22 School Year ▪ All Contract Language

Traditionally the Board of Education and Associations enter into new agreements during the summer months, applicable to the first day of the fiscal year in which a new contract is approved.

Accounting Basis

In accordance with the National Council on Governmental Accounting (NCGA) and the Governmental Accounting Standards Board (GASB), the District prepares its financial statements using a modified accrual basis of accounting. As defined in GASB Interpretation No. 6, “The general purpose of these standards is to adapt accrual-basis recognition and measurement of the effects of certain types of transactions and events as necessary to measure and report *flows of current financial resources*-the measurement focus of governmental fund financial statements”³. As of fiscal year 2017-18, the District accrues expenditures occurring within 45 days of the close of the fiscal year.

Budget Structure

Glenbrook’s budget is organized first by site (e.g. District; Glenbrook North; Glenbrook South) and second by program (e.g. English instruction; psychological services; technology services). Of the programs, several have been identified by the Board of Education as self-sufficient, meaning, they are responsible for covering all of their expenses through separate revenue source (e.g. summer school). All other programs are financially supported through the District’s regular revenue sources. These sources include property taxes, state/federal grants, student/user fees, and other local revenue types. A listing of programs is presented on page 27.

³ Governmental Accounting Standards Board. 2000. Interpretation No. 6 of the Governmental Accounting Standards Board. Retrieved from: <http://www.gasb.org/cs/BlobServer?blobkey=id&blobwhere=1175824062796&blobheader=application%2Fpdf&blobcol=urldata&blobtable=MungoBlobs>

Beginning with the 2018-19 fiscal year, the Illinois State Board of Education (ISBE) required school districts to report expenditures at the school level. This requirement is associated with the State’s efforts to implement the federal Every Student Succeeds Act (ESSA). As stated by ISBE, this reporting, “is not intended to be used for state accountability purposes; rather, ISBE expects the resulting data to be used at the local level to inform decision making while also meeting federal requirements”⁴. Site-based expenditure data will be reported as part of the school report card published in the fall of 2020. It is important to note that a school is considered any institution within a school district, serving students in grades Pre-K to 12, that is considered a stand-alone school. For Glenbrook, this includes the following:

Local Education Agency (LEA)	RCDTS (State Identifier)
Glenbrook North High School	050162250170001
Glenbrook Off Campus Center	050162250173002
Glenbrook South High School	050162250170002

In fulfilling the reporting requirements, “all district expenditures, including but not limited to personnel costs, transportation, security, administration, and those that are funded privately” should be classified as either a Site-Level or District Centralized expenditure⁴.

Site-Level Expenditures include all of those expenses that can be associated with the operation of an LEA. For example, this includes the personnel, instructional materials, and operational expenses that are tied to a specific site.

District Centralized Expenditures include expenses that cannot be associated with an individual entity, based on how they are billed, assessed, or otherwise calculated. For the 2018-19 fiscal year, each school district has been granted authority to determine how centralized expenditures should be divided.

The general calculation is as follows:

Expenses Supported through Federal Dollars

$$\begin{aligned}
 & \text{Site-Level Expenditures} \\
 + & \text{ Site's Share of District Centralized Expenditures} \\
 \div & \text{ Number of School Site Students} \\
 = & \text{ Per-Pupil Expenditure}
 \end{aligned}$$

Expenses Supported through State/Local Dollars

$$\begin{aligned}
 & \text{Site-Level Expenditures} \\
 + & \text{ Site's Share of District Centralized Expenditures} \\
 \div & \text{ Number of School Site Students} \\
 = & \text{ Per-Pupil Expenditure}
 \end{aligned}$$

The structure of the school district’s general ledger already provides for this level of reporting, requiring minimal modifications. ISBE will be facilitating guidance sessions throughout the region this fall, to support individual school districts as part of this new requirement. The Business Services leadership team has worked with federal grant managers, the school leadership teams, and ISBE to ensure that the district meets all compliance requirements for the fiscal year budget.

Budgeting Approach

There are many ways to define a budget. Merriam-Webster defines a budget as, “A statement of the financial position [of an organization] for a definite period of time based on estimates of expenditures

⁴ Illinois State Board of Education. (2018). Every Student Succeeds Act Site-Based Expenditure Reporting Guidance. Retrieved from: <https://www.isbe.net/Documents/ISBE-Site-Based-Expenditure-Reporting-Guidance.pdf>

during the period and proposals for financing them⁵". In an effort to provide the best estimate of expenditures and revenues, the District utilizes a variety of resources and tools including line-item trend analysis, estimated financial impact of pending legislation, and consistent calculation methods over time. While a budget is only an estimate of the expenditures and revenues, it represents the annual financial plan that is developed and consistently managed throughout the school year to ensure the financial stability of the District.

There are many parts of the District's expenditures which are formula-driven and reviewed by the Board of Education on a consistent schedule (as illustrated through the budget development calendar).

Examples of formula-driven components of the budget include:

- School Operating Budget (Basic Allocation; Per Student Allocation);
- Licensed Personnel Allocation;
- Special Education Personnel Allocation;
- Non-Licensed Personnel Allocation.

Through the use of formula-driven budget allocations, the District is able to make consistent, responsible, and fair financial decisions that ensure generational equity, and reflect its commitment to long-term, strategic planning. Budget components that are not formula-driven are developed using a modified, zero-based budgeting approach. Using this approach, budget managers start the budget development process by considering:

- Historical data presented within the general ledger (e.g. trends in purchasing activities within certain expenditure objects);
- Review of current and future year individual program and school initiatives;
- Review of District-wide strategic plan initiatives; and
- Requests from department staff and students.

Budget managers are cognizant that each line in their budget starts at \$0. Using the information available to them, as well as a team-based decision-making process that takes place within each program, budget managers submit a budget request to their school leadership team, or in the case of a District program, the Business Services department leadership team. Budget requests are subsequently reviewed by the leadership teams, compared to previous year expenditures (in an effort to prevent incremental budgeting), and prioritized within the larger school or District scope of needs, wants, and limited resources.

As illustrated in the budget development calendar presented, the majority of the District's budget is reviewed by the Board of Education between the months of February and April, prior to the start of the new fiscal year on July 1st. Taking this into consideration, most budget managers schedule their budget development processes based on these milestone dates, with most first drafts created during the months of December and January.

Overview

Glenbrook High School District 225 has implemented a formula-based approach to determining personnel resource allocations for each school year. The allocations processes are separated into three groups: certificated staff, special education certificated staff, and non-certificated staff. In general, all personnel decisions take into consideration:

- Enrollment projections;
- Student course requests and actual course enrollments;
- School and District academic goals;
- Negotiated class sizes and State-mandated case load ratios;
- Board of Education-approved assignments and releases.

Recommendations for personnel resource allocations, commonly referred to as FTE allocations, are prepared by the Human Resources leadership team, in partnership with the Superintendent and the school leadership teams. FTE allocations are presented to the Board of Education in the spring prior to the start of the fiscal year. To ensure that FTE allocations are not exceeded, a review procedure has been established as follows:

- | | |
|---------------|--|
| Step 1 | Recommendation for FTE presented to the Board of Education. |
| Step 2 | Any newly hired personnel presented the Board of Education along with an initial salary placement. |
| Step 3 | A payroll directive is created by a Human Resources specialist, approved by a Human Resources administrator, and submitted to the Payroll Team. |
| Step 4 | The Payroll Team verified the payroll directive with prior Board action and create the compensation agreement in the financial management software (Skyward), if available FTE is available, and prior approvals have been received. |

Overview

Every year, using October 1st fall housing enrollment data the District updates its enrollment projections using a cohort survival method. Additionally, for the last few years, the District has hired Dr. Jerome McKibben to update his population forecast calculation. The results of the two methodologies are within one percent of each other for the first three years, after that, Dr. McKibben's forecast has proven more accurate.

Glenbrook Cohort Survival Forecast

The cohort survival forecast uses feeder enrollment figures and extrapolates the past and present into the future by following and tracking cohorts of students as they progress from one grade to the next. The following chart compares the recent projection using October 1, 2019 fall housing data with the projection calculated a year ago using October 1, 2018 fall housing data. Calculations using the cohort survival method have been most accurate projecting three years out, as such the below table shows projections for the next three fiscal years.

	District			Glenbrook North			Glenbrook South		
	10/2019	10/2018	O/(U)	10/2019	10/2018	O/(U)	10/2019	10/2018	O/(U)

* Reflects the inclusion of (10) students receiving services through the Evening High School Program. For this school year, (6) students are at Glenbrook North and (4) students are at Glenbrook South.

Dr. Jerome McKibben Population Forecast

The population forecast methodology differs from the District's cohort methodology in that it primarily assesses the impact of factors such as fertility rates, housing patterns, mortgage rate, mortality rates, census data, migration patterns, unemployment rates and the dynamics of local private schools while also taking feeder data into consideration. This comprehensive approach lends itself to increased accuracy in long-term forecasts.

Overview

Northfield Township is located in Cook County, Illinois, and is comprised of the Villages of Glenview, Northbrook, and unincorporated parts of northern Cook County. In addition to its residential real estate, the Township houses numerous national and international businesses. An analysis of several economic datasets⁶ identified the following as the District’s largest employers, within the District:

Employer	Product or Service	Location	Approximate Employees
Allstate Corporation	Corporate Headquarters	Northbrook	8,000
UL, LLC	Company Headquarters; Independent Nonprofit Testing and Certification for Public Safety	Northbrook	1,700
ABT Electronics, Inc.	Retail Consumer Electronics and Major Household Appliances	Glenview	1,700
Astellas Pharma US, Inc.	Corporate Headquarters and Wholesale Pharmaceutical Products	Northbrook	1,150
Anixter, Inc.	Corporate Headquarters and Distributor of Voice, Video, Data, and Power Wiring systems Products	Glenview	1,000
Kraft Heinz Foods., Co., Technology Center	Food Products Research, Development and Kitchen Testing	Glenview	1,000
Allstate Investments, LLC	Asset Management Services, Including Private Equity, Commercial Mortgages and Investment Opportunities	Northbrook	750
NorthShore University Health System, Glenbrook Hospital	General Hospital	Glenview	600

Property Tax Extension Limitation Law (PTELL)

In February 1995, the Illinois General Assembly passed tax cap legislation (P.A. 89-1) for Cook County making it retroactive to the 1994 tax year. This legislation, known as the Property Tax Extension Limitation Law (PTELL), controls the District's ability to generate property tax revenues. PTELL permits school districts to increase its non-bond property tax extension by the change in the Consumer Price Index (CPI) or 5%, whichever is less. Additionally, school districts have the opportunity each year to increase its property tax extension by capturing new property that has come onto the tax rolls. This is accomplished by multiplying the limiting rate (non-bond property tax rate) by the amount of new property identified by the County in the extension preparation process.

In addition to P.A. 89-1, the Illinois General Assembly amended Article 20, which limits the amount of taxes for debt service that can be generated through the sale of non-referendum bonds, to the district's 1994 aggregate non-referendum debt service amount, increased annually by the change in the Consumer Price Index (CPI). This amount is referred to as the Debt Service Extension Base (DSEB). For the 2018 tax year, the DSEB limit is \$2,375,106.

Outstanding Debt

In November 2006, the voters of District 225 approved a \$94 million building bond referendum increasing the debt service tax rate by 8.5 cents. As outlined in the District's pre-referendum planning process, initial proceeds were used to restructure debt, with the balance of funds invested for future capital projects. As a result of these transactions, approximately \$4 million was replenished to the District's operating funds that had previously been restricted for alternate revenue bond payments, building maintenance and infrastructure.

In October 2016, the District approved the refunding of existing debt from the 2006 referendum, to maximize debt service funds given historically low interest rates. The District was able to save approximately \$6.6M in interest expenses as a result of the refunding activities. With access to these savings, and additional DSEB capacity, the District was able to raise approximately \$15M through the sale of limited life safety bonds, for the purposes of performing necessary facility and learning space projects.

In January 2018, the District approved the refunding of existing debt from the 2006 referendum (Series 2008 bonds), to maximize low interest rates. The District was able to save approximately \$1.7M through a uniform debt restructure. The savings of this debt issue was wholly passed on to the school district's taxpayers, through slightly lower debt service rates for tax years 2025, 2026, and 2027.

In June 2020, the District approved the refunding of existing debt from the 2006 referendum, to maximize debt service funds given historically low interest rates. The District is estimated to save approximately \$800,000 in interest expense as a result of the refunding activities. The savings of this debt issue will be wholly passed on to the school district's taxpayers, through slightly lower debt service rates for tax years for tax years 2024, 2025, 2026, and 2027.

A goal of both the 2016 and 2018 debt restructuring was to positively position the District to become debt free after-tax year 2027, or on January 1, 2028.

Tax Base and Rate Trends

As of July 2020, the District is carrying the following debt:

Series	Debt Type	Total Outstanding	Final Tax Year
2018	General Obligation Refunding School Bonds	\$13,075,000	2026
2017	Limited Tax Life Safety Bonds	\$10,000,000	2026
2016A	Refunding Bonds	\$33,005,000	2024
2016B	Limited Tax Life Safety Bonds	\$4,485,000	2026
2010	Taxable General Obligation School Bonds	\$10,190,000	2026
2002B	General Obligation Refunding Limited Bonds	\$2,196,131	2020
Total		\$72,951,131	

Tax Rate

The District's tax rate is determined as part of the Cook County tax extension preparation process. The tax rate is composed of two parts: operating funds extension; debt service extension. Each part is explained in detail.

Operating Funds Extension Calculation

The operating funds extension starts with the assumption that the District is entitled to receive the prior tax year's extension, increased by the change in CPI or 5%, whichever is less. This amount is subsequently divided by the equalized assessed value (EAV) for the current tax year, minus any new growth that has come onto the tax roll. This amount results in a limiting rate, which, when multiplied by 100, results in the operating funds tax rate.

Below is an illustration of this calculation for the 2019 tax year:

Application of PTELL Calculation to Determine Property Tax Extension for Operating Funds

Operating Funds Extension for Existing Property	Last Year's OFs Extension	x	Factor (Extension 1 + CPI 0.021)	=	This Year's OFs Extension	+	This Year's EAV (Minus New Growth)	=	Limiting Rate x 100	This is the tax rate that is assessed for every \$100 in EAV; This cannot be calculated until the County announces the EAV in May
	\$108,504,028		1.019		\$110,565,605		\$6,035,167,626		1.832	
Operating Funds Extension for New Growth Recognized by County Clerk in Tax Year 2017	Limiting Rate	x	This Year's EAV from New Growth	=	This Year's OFs Extension					
	0.01832		\$65,381,035		\$1,197,781					
					\$111,763,385					

Note about New Growth: Recognizing new growth through the tax levy process allows the District to increase its extension beyond what is limited to CPI. If a District does not capture new growth in a given year, the extension will not increase as much as it could. Overtime, the impact of not maximizing an extension in a given year compounds, resulting in a substantial loss in revenue to support educational programs.

Debt Service Extension

The debt service extension is calculated by taking the total amount of debt service to be paid, along with any Loss and Cost factor⁹ that has been requested, divided by the total EAV for the current tax year. This amount, when multiplied by 100, results in the debt service tax rate.

Below is an illustration of this calculation for the 2019 tax year:

Calculation of the Debt Service Property Tax Extension

Debt Service Extension	Debt Service Rate	x	This Year's Total EAV (Including New Growth)	=	This Year's DS Extension	Note about Debt Service: Unlike the operating funds extension, the debt service extension is not limited by PTELL. This is because debt can only be issued by a voter-approved referendum, or through use of the debt service extension base (DSEB), which has been excluded from PTELL consideration.
	0.1744		\$6,100,548,661		\$10,639,357	
					\$10,639,357	

⁹ The County Clerk has the authority when determining tax rates for the extension of tax levies to impose an additional rate factor to account for the loss and cost of uncollected taxes. The rate applied depends on the historical trend of uncollected taxes for the county. As a result, Cook County can add 5% to debt service levies to account for anticipated shortfalls. This factor further ensures that the District will collect sufficient property taxes as are necessary to fund operations and make all required debt payments.

Total Tax Rate

The District's total tax rate is the combination of the operating funds tax rate and the debt service tax rate.

¹⁰ Public Act 100-465 removed the specific rate limit for the Educational Fund levy for all school districts subject to PTELL.

¹¹ For Tax Year 2016 and prior, the Cook County Clerk's office rounds the thousandths place value up, if the ten thousandths place value equals an amount greater than 0 (e.g. 2.1101 = 2.111). This rounded value serves as the published tax rate for the taxing agency.

Accounting Structure

This page left intentionally blank.

Overview of the General Ledger

Illinois School Code and Illinois Administrative Code outlines a series of requirements for developing and managing school district financial records. Each account within the District's general ledger follows a prescribed format composed of state and locally defined components:

10	E	200	1130	4100	00	001040
Fund	Type	Location	Source / Function	Object	Subject	Program+

+ Programs are defined by the district and are not a required accounting element by the state.

The Illinois State Board of Education as prescribed by the Illinois Program Accounting Manual requires the use of specific account dimensions. Asset, Liability, Fund Balance, and Revenue accounts must include, at minimum, the Fund and Function account dimensions. Expenditure accounts must include, at minimum, the Fund, Function, and Object account dimensions.

The District's financial software program has the functionality to further define the Chart of Accounts with addition account dimensions; Type, Location, Subject, and Program.

Fund

A "fund" is an independent fiscal and accounting entity requiring its own set of self-balancing accounts, which are created in accordance with special regulations, restrictions, and limitations that earmark each fund for a specific activity or for attaining certain objectives. Each fund must be accounted for so that the identity of its resources and obligations and its revenues and expenditures is continually maintained.

Type

The type account dimension identifies balance sheet accounts: Asset (A), Liabilities (L), or Fund Balance (Q); and operating statement accounts: Expenditures (E) and Revenue (R).

Location

The location account dimension allows the District to identify activity related to a specific building and/or entity: District (100), Glenbrook North (200), Glenbrook South (300), Glenbrook Off Campus (500), Glenbrook Transition (600), Glenbrook Aquatics (950).

Function

An account's function (for expenditure accounts) or source (for revenue accounts) represents the purpose for the account, and the types of activities that are recorded within the account's ledger.

- Revenue sources are classified into four broad categories; Local (1000s), State (3000s), Federal (4000s), and Other Sources (7000s).
- Expenditure functions are classified into seven broad categories; Instruction, Support Services, Community Services, Payments to other Districts/Government Units, Debt Service, Contingencies, and Other Financing Uses. Examples of functions include Property Tax Collections, Regular High School Programs, and Technology Services.

Object

An expenditure account's object represents a specific expenditure category within a function. Examples of expenditure objects include Teacher Salaries, Equipment Purchases, and Non-Consumable Supplies.

Subject

The subject account dimension identifies budgetary responsibility for an account: (10) District Office, (20) Glenbrook North, (30) Glenbrook South, and (50) Glenbrook Off Campus.

Program

A program is an accounting element used by the District to classify and group accounts together for an individual program or purpose. It also provides the capability of exercising budgetary control and the preparation of special reports.

Explanation of Funds

Funds Included within Financial Statements

Operating Fund

The Operating Fund is composed of the Education (10), Food Service (19), Operations & Maintenance (20), Transportation (40), Illinois Municipal Retirement Fund (50), Social Security (51), Working Cash funds (70), Glenbrook Aquatics (95), and Community Programs (96) funds. The Operating Fund provides for the day-to-day services necessary to operate the school district.

The Board of Education has established a budget policy that requires unassigned reserves in the operating funds be maintained at a level equal to approximately 33% of the next year's projected operating expense budget. For the 2020-21 fiscal year, this amount equals \$44,529,661 (note: direct expenditures).

Debt Services Fund

The Debt Services Fund is composed solely of Debt Service (30). This fund is required when taxes are levied to retire bond principal or to pay bond interest, or if other revenue is pledged to pay principal, interest, or service charges on other long-term debt instruments.

Capital Projects Fund

The Capital Projects Fund is composed solely of Capital Projects (60) and Life Safety (90) funds. This fund is utilized to record capital improvements to facilities.

This fund is also utilized to record improvements to facilities as outlined by an approved life safety plan filed with the Regional Office of Education and the Illinois State Board of Education.

Funds Excluded from Financial Statements

Agency Fund

The Agency Fund (99) is utilized to record revenue and expenditures resulting from student activities, programs, parent organizations, or other designated staff programs approved by the Board of Education. Agency funds are considered property of the students and/or groups, and not the Board of Education.

¹ As part of the 2018 collective bargaining cycle, several employee groups have the ability to receive their contractual pay throughout the summer months. As a result of payments being disbursed in July 2020 and August 2020, yet attributed to the 2019-20 fiscal year, the "actual" expenses for salary and benefits displayed within this document will increase and more appropriately align with budgeted amounts.

Tentative Budget

Summary of the 2020-21 Budget

Comments Regarding the 2020-21 Tentative Budget

Revenue

- R1** The Village of Glenview's contribution through "The Glen Make Whole Payments" is estimated to provide an additional \$9.3M in revenue. This payment is based on the number of students enrolled at Glenbrook South living within The Glen development. The Glen's property is anticipated to become part of the district's EAV in tax year 2022, at which time this separate revenue source will end, and the school district will receive property tax revenue directly through the overall property tax extension.
- R2** Actual activity for FY2019-20 reflects the payments and refunds issued as a result of COVID-19.
- R3** A change in accounting practices for the recording of student testing fees has been made to meet GASB 87 Standard; whereby, these fees will no longer be recorded as a student activity expense (fund 99) and are now recorded as part of the operating funds (fund 10).
- R4** Interest rate revenue has been adjusted to reflect the substantial change in interest rates as a result of COVID-19.
- R5** Certain State Categorical Grants are not Budgeted until application is approved by the State. We anticipate several of these grants, which include matching revenues and expenditures, will be added at the time of the final budget.
- R6** The State of Illinois is responsible for a portion of each teacher's retirement contribution. This is reflected on each school district's State budget form and is also included on this statement. There is a matching expenditure for this revenue and is solely stated due to accounting and reporting requirements.
- R7** In an effort to fund approved capital projects for the modernization of existing facility spaces, a total of \$1,500,000 will be transferred from the Operations and Maintenance Fund (20) to the Capital Projects Fund (60). This is a one-time transfer and purposeful use of fund balance to support designated one-time expenditures as approved by the Board of Education on April 13, 2020. This appears as both a revenue source (for Capital Projects) and an expense (for Operations and Maintenance).

Expenditures

- E1** Actual activity for FY2019-20 reflects that three outstanding payroll runs have not yet been posted at the time of the tentative budget.
- E2** Tuition Reimbursements and Professional Dues Reimbursements budgets have been increased based on actual trend.
- E3** Actual activity for FY2019-20 included the final expenditures associated with the health and life safety bond issuance.
- E4** Reflects anticipated expenditures for supplies and facility modifications in the amount of \$500,000, due to COVID-19-related efforts.
- E5** See Comment R6.
- E6** See Comment R7.

Property Taxes

Each December, the Board of Education formalizes its request for property tax revenue for the upcoming tax year. To complete the levy process, the school district reviews the prior year's aggregate extension (amount of money scheduled to be collected by the County) and determines if tax amounts levied in the prior year should be decreased, left at the same level, or increased. Historically, our school district has increased the tax levy based on the maximum amount allowable (CPI-U level for prior year) and estimated new growth that has recently been added to the tax base. New growth revenue is essential to the District in order to meet the economic challenges resulting from the new growth. It is also important to emphasize that once the value of new real estate becomes part of the overall tax base, it is limited by the tax cap. As a result, it is extremely important for a school district to capture all new growth as it becomes part of the tax base, as it cannot be captured retroactively.

For budgeting purposes, the District utilizes two levy years to determine property tax revenues. For the 2020-21 fiscal year, the following levy information has been utilized:

2019 Levy and Extension

The 2019 levy was approved by the Board of Education and submitted to the County Clerk in December 2019.

The County Treasurer mailed first installment bills to taxpayers on or around January 31st in the amount of 55% of the prior year's assessment. The final Agency Tax Rate Report reflecting changes in EAV and the application of Property Tax Extension Limitation Law formula was issued by the County Clerk on June 9, 2020. Using this information, the County Treasurer mailed second installment bills to taxpayers on or around July 1st which represent the remainder of the taxpayer's liability.

All revenue received from the 2019 extension by June 30, 2020 is recorded in the general ledger for fiscal year 2019-20 as "Gen Taxes-Current Year". All revenue received from the 2019 levy after June 30, 2020 is recorded in the general ledger for fiscal year 2020-21 as "Gen Taxes-Prior Year".

It is estimated that the District will collect:

- 97.5% of the 2019 tax extension, or \$119,554,023;
- 52% (\$62,168,092) will be collected in fiscal year 2019-20;
- 48% will be collected in fiscal year 2020-21 (\$57,385,931).

2020 Levy and Extension

The 2020 estimated levy will be presented to the Board of Education in November 2020. In accordance with Truth in Taxation law (35 ILCS 200/18-56), taxing bodies with estimated tax levies that are more than 105% of the preceding year's extension, are required to publish the estimated amounts, and hold a public hearing. While our estimated levies do not typically require us to perform these two activities, the District continues to publish the levy, and holds a public hearing to provide an opportunity for our community to express their thoughts regarding the proposal.

Considering the CPI-U level for 2020 (2.3%), the District prepared a tax levy projection for budgeting purposes that:

- Estimates a levy extension of 102.3% of the 2020 aggregate extension;
- Assumes a collection rate of 97.5%, and that 52% of the anticipated collection will be received in fiscal year 2020-21.

It should be noted that PA 100-0465 provide a mechanism for voters to initiate a referendum to lower taxes for educational purposes by up to 10%. This mechanism is accessible in any school district that is above 110% of adequacy, as determined by the Evidence-Based Funding Model (EBFM). As of July 2020,

there were 64,081 registered voters in the boundaries of the District¹². In order for the question to be included on the ballot, 10% of registered voters (6,408) would need to sign a petition. Referenda can only be considered in odd number years at the consolidated election in April. The first time the question could have been considered by voters is April 2019. Additionally, if a referendum fails, it may not be repeated until after two future consolidated elections (effectively once every 6 years).

Tax Increment Financing District (TIF)

Tax Increment Financing (TIF) districts are created by municipalities to improve areas of a community that are “blighted, decaying, and underperforming . . . in need of development or redevelopment”¹³ Prior to the creation of a TIF, the municipality must prove that the proposed property meets certain criteria established by the State. Once established, the existing value of the property is frozen, and all new value and property “go to the project fund controlled by the TIF district, not to the . . . schools, or any other taxing body”¹⁴ for a 23-year period. (Note: Taxing bodies continue to receive tax revenue based on the original assessed value of the property.)

The following TIF districts are active within the District’s boundaries¹⁵:

Municipality	TIF Name	Start	End	Frozen EAV	Total 2015 EAV
Glenview	Naval Air Station	1999	2022	26,882,825	469,838,455
Northbrook	Dundee Rd / Skokie Blvd	2005	2028	3,115,141	11,537,899
Northbrook	Northbrook Court (Macy’s)	2019	2042	TBD	TBD

The largest TIF district within the District’s boundaries is the Glenview Naval Air Station redevelopment project known as The Glen. The Glen is a multi-use development built on the original Glenview Naval Air Station property plus an additional 200 acres. Recognizing the impact of this development on taxing bodies including school districts, the Village of Glenview entered into an inter-governmental agreement to provide annual impact payments. These payments are known as “make whole payments” and are based on the number of students enrolled at Glenbrook South High School living within The Glen development. The Glen’s property is anticipated to become part of the District’s EAV in tax year 2022. It should be noted that tax year 2022 is a triennial reassessment year, and as such, the EAV will likely adjust based on inflation and trend for the regional area.

For budgetary purposes, the District utilizes make-whole payment revenue to first fund its annual capital project initiatives (Fund 60), and second to support the educational program (Fund 10).

Corporate Personal Property Replacement Tax (CPPRT)

Corporate Personal Property Replacement Tax (CCPRT) is paid by corporations, partnerships, trusts, S corporations, and public utilities within the district¹⁶. These taxes supplant lost revenue as a result of the elimination of a corporate tax on all property that was not ‘real’ (e.g. movable machinery, automobiles, livestock and furniture¹⁷) in 1979. Taxing bodies receive a portion of actual taxes collected, based on the portion of personal property taxes that was received in 1976¹⁸. As a result of the statutory formula, the District receives 0.360661 of the total 51.65% of CPPRT collections allocated for Cook County.

For budgetary purposes, the District utilizes CPPRT estimates that are prepared and published by the Illinois Department of Revenue's Local Tax Allocation Division and actual historical receipts. It is important to note, however, that CPPRT estimates are prepared based on trend analysis; disbursements of CPPRT are based on actual tax receipts recorded since the last payment was issued to taxing bodies (January, March, April, May, July, August, October, and December).

In accordance with the State Revenue Sharing Act (30 ILCS 115/12), a taxing body is required to apply the portion of CPPRT revenue to, "the proportionate share of the pension or retirement obligations of the taxing district which were previously levied and collected from extensions against personal property". In the first full fiscal year that personal property taxes were not assessed (1980-1981), the District recorded CPPRT receipts in the amounts of \$945,764 (97%) in Fund 10, and \$26,660 (3%) in Fund 50. Using these figures, the District continues to budget, and ultimately allocate 97% of CPPRT collections as revenue in Fund 10 and 20 (based on needs), and 3% in Fund 50.

Interest Earnings

Interest revenue comes from two sources: interest earnings on District bank accounts; interest earnings on District investments.

In accordance with the Illinois Public Funds Investment Act (30 ILCS 235/0.01 *et seq.*), the Northfield Township School Treasurer is responsible for managing the investment of District funds. Investment decisions are governed by policies enacted by the Board of Trustees of the Northfield Township School Treasurer. There are several objectives that have been established by their Board Policy¹⁹:

- Safety of Principal
- Liquidity
- Return on Investments
- Maintaining the Public's Trust
- Diversification

Investments are permitted using common instruments (e.g. bonds, notes, certificates of indebtedness, treasury bills, interest bearing savings accounts and certificates of deposits, the Illinois School District Liquid Asset Fund). The Treasurer has established a routine investment schedule that complies with each school district's cash flow needs and is responsible for reporting investment activity to each district on a monthly basis. Interest earnings from investment activities are deposited in each school district's general fund upon maturity of the investment.

Upon receipt of interest earnings, the District distributes the revenue based on the proportion of fund balances defined in the school district's Annual Financial Report for the preceding year (e.g. interest earnings received in November 2020 and distributed based on fund balances reported in the Fiscal Year 2020-2021 Annual Financial Report).

Student Fees

In accordance with Board Policy 4040, the Board of Education is presented each year with a list of recommended student fees for approval. In addition to Board-approved fees, students enrolled in specific courses may be assessed additional "course fees" which are reviewed and approved by the school principal on an annual basis.

All students attending a Glenbrook High Schools have historically been assessed two general fees: Chromebook fee and registration fee. These fees are deposited into District revenue accounts and used for the purpose designated.

Additional user fees are assessed to students and families upon request. These fees are deposited into District revenue accounts and used for the purpose designated. The majority of our user fees are

calculated based on the total amount of estimated expenses for the upcoming school year. Examples of these fees include driver education behind the wheel, instrument rental, parking fee, transportation fee.

Other Local Revenue

Other Local Revenue reflects all receipts not associated with property taxes, student fees, or instructional program fees. Some of these other revenues include pre-school tuition, Glenbrook University fees, building/facility rentals (including Quest), Intergovernmental Services Agreements, Refunds and/or Rebates, and other local fees.

State Revenue Sources

General State Aid Payments

The Illinois Association of School Boards defines General State Aid as, “[Funds] which combines with “available local resources” to provide a minimum foundation level of income per pupil [to be] used at the discretion of the school district for any legal school purpose”²⁰. General State Aid is primarily unrestricted; however, an Annual Spending Plan is submitted by the District each year to identify how funds designated for certain populations (e.g. students receiving special education services; low-income; English learners) are being spent each year.

The Illinois General Assembly took action in 2017 to restructure the school funding formula through the following pieces of legislation:

- Senate Bill 6 (SB6) > PA 100-0021
PA 100-0021 established a budget for the State of Illinois. This legislation included increases to the education budget. However, it should be noted that PA 100-0021 provides \$6.7 billion for the Evidence-Based Funding Model.
- Senate Bill 1 > Senate Bill 1947 > PA 100-0465
PA 100-0465 included a redesign of the school funding formula to reflect the Evidence-Based Funding Model (EBFM). This model provides financial support from the State’s budget to support the education of all students in PreK-12 school. It is designed in a manner that acknowledges that individual student needs require different amounts of resources, and that each district’s ability to financially support its operations are different (e.g. local property wealth). The new funding formula is intended to be a sustainable school funding system that strives to get all districts to adequate funding.

Often advertised as #norednumbers, the EBFM includes provisions to ensure that:

- All districts are kept whole based on FY2017 funding
 - If the Illinois General Assembly is unable to appropriate sufficient funds in the future to cover every district’s base funding minimum, the most adequately funded districts will lose funds first; if this action is not enough, further reductions will be made on a per-pupil basis for all districts
- All new dollars go to the neediest districts first (e.g. 50% to Tier 1; 49% to Tier 2; 0.9% to Tier 3; 0.1% to Tier 4)
- All Districts are treated the same (e.g. Chicago Public Schools)

To determine future State-funding, the EBFM considers the cost of the 27 essential elements²¹ that are written into the statute, and the local capacity to support the funding of ‘adequate’ educational services through local property taxes and CPPRT.

For the 2018-19 fiscal year, Glenbrook received a base-funding minimum (BFM) of \$3,340,936.72 in the form of Evidence-Based Funding, and \$6,400.85 in tier funding. The Illinois State Board of Education has also assigned Glenbrook an adequacy level of 145%, placing it in Tier 4 (Districts above adequacy).

As a Tier 4 district, our access to additional evidence-based funding from the State is significantly limited. 99.9% of all new funding will be distributed to Tier 1-3 school districts. Tier 4 districts only have access to a shared distribution of the remaining of 0.1% (one tenth of one percent) of any new dollars. As a result, the District is not estimated to see any notable increase in funding in the near future. However, assuming the Illinois General Assembly provides at least the funding necessary for each school district’s BFM, the District will continue to receive at least \$3,340,936.72).

²¹ The 27 Essential Elements were identified based on their statistically meaningful correlations to enhancing student achievement over time.

Revenues – Fiscal Year 2020-21 Budget

For budgetary purposes, the District utilizes the assumption that we will receive the base-funding minimum established by PA 100-0465, in addition to the final tier funding (new money) as stated by ISBE.

Fiscal Year	Base Funding Minimum	Tier Funding	Total Evidence-Based Funding
2017-18	\$3,327,731	-\$17,679*	\$3,310,052
2018-19	\$3,334,720	\$6,217	\$3,340,937
2019-20	\$3,340,937	\$6,401	\$3,347,338

* Glenbrook received \$6,989 in new tier funding, but there was an adjustment made by ISBE in the amount of -\$24,668.

State Categorical Payments

The Illinois General Assembly has identified several programs to be supported by State funds. Several of these programs are referred to as mandated categorical programs (MCATs). The Illinois State Board of Education defines these State-funded programs as, “In general, a mandated categorical program and the funds appropriated for it are earmarked by statute for a particular purpose or population and may be used for that purpose or population only”²² In addition to mandated categorical programs, there are other State-funded programs that are classified as categorical payments.

Recognizing the financial challenges faced by the State of Illinois, the Illinois General Assembly has often pro-rated mandated categorical programs and/or delayed funding disbursement. This has resulted in funding being unpredictable, presenting challenges to the budgeting process.

At the end of the 2019-20 fiscal year, many school districts were still owed funds from the State. The charts shown below identify the applicable funding streams, as well as the outstanding payments owed to the District.

The following is a summary of the District’s mandated categorical payment status as of June 30, 2020:

State Mandated Categorical Programs	Fiscal Year 2019-20 Outstanding Payments
Private Facility Tuition (Students with Disabilities) (105 ILCS 5/14-7.02)	\$97,842.75
Special Transportation (105 ILCS 5/14-13.01(b))	\$225,859.37
Orphanage Tuition (Students with Disabilities) (105 ILCS 5/14-7.03)	\$0
Regular Transportation (105 ILCS 5/29)	n/a
School Breakfast and Lunch Program (105 ILCS 125)	n/a
Regular Education Orphanage Program (105 ILCS 5/18-3)	n/a
Total	\$323,702.12

For budgeting purposes, the District typically budgets for the total amount owed from the prior fiscal year, plus two payments (depending on payment trend). This is because the State is required to budget (and ideally, pay) its deficit carry-forward balances from the previous fiscal year²³

Revenues – Fiscal Year 2020-21 Budget

The Illinois General Assembly has also provided for the participation in other categorical programs. Funding for these programs is typically timelier, compared to the MCATs.

The following is a summary of the District's other State categorical payment status as of June 30, 2020:

Other State Categorical Programs	Fiscal Year 2019-20 Outstanding Payments
Career and Technical Education Secondary Program Improvement (CTEI)	\$0

Federal Revenue Sources

Federal Categorical Payments

The United States Congress has also identified funding priorities in the form of restricted grants. Many of these grants are coordinated by the Illinois Department of Education, whereas others are facilitated by our special education cooperative, NSSED, or other State agencies. Given that most of the grants are designed as flow-through grants, where federal funds are collected by an administration agency, and then passed-on to local school districts, they are paid in a very timely fashion.

Payment of these grants is initiated after the District submits claims with the required documentation, to the facilitating agency. These grants include:

Federal Categorical Programs	Fiscal Year 2019-20 Outstanding Payments
Perkins Grant Vocational Education	\$0
Title I Low Income	\$134,716.00
Title II Teacher Quality	\$35,504.00

Transfers

In an effort to fund approved capital projects for the modernization of existing facility spaces, a total of \$1,500,000 will be transferred from the Operations and Maintenance Fund (20) to the Capital Projects Fund (60). This is a one-time transfer and purposeful use of fund balance to support designated one-time expenditures as approved by the Board of Education on April 13, 2020.

Expenditure Types

This page left intentionally blank.

Salaries

The salaries budget represents wages paid for both licensed and non-licensed district employees including substitutes. Licensed staff includes administration, teaching, and counselors. Non-licensed staff includes instructional assistants, paraprofessionals, secretarial, maintenance, and other educational support personnel. Staffing is based on enrollment and special program allocations.

Benefits

The benefits budget, which is separated in the general ledger from the salaries budget, includes expenditures for health, dental, life, and disability insurances, payroll taxes, and pension costs. Also included in this category are tuition reimbursements, employee assistance and wellness programs.

Pension Benefits and Legislative Cost-Shifts

Depending on the type of work performed, employees and employers may be required to contribute to a pension fund. Employees working in a licensed capacity (e.g. required to hold a Professional Educator License, Educator License with Stipulations, Substitute Teaching Licensing in order to perform a designated service²⁴) contribute to the Teachers' Retirement System (TRS). Employees working at least 600 hours per calendar year in a non-licensed capacity (e.g. instructional assistants, clerical, maintenance, and technology staff), contribute to the Illinois Municipal Retirement Fund (IMRF).

The amount due to a pension fund for credible earnings²⁵ is divided into two portions: employer and employee. The chart inserted below, illustrates the contribution amounts required for each pension system.

Earnings	Purpose	Employee Portion	Employer Portion
IMRF	Pension Fund	9%	9.51%*^
TRS	Pension Fund	9%	0.58% +
TRS	Teachers' Health Insurance Security Fund	1.18%	0.88% +

* The employer also contributes 6.2% for FICA benefits for all IMRF-eligible earnings.

^ The employer rate for the 2019-20 fiscal year is presented; a District-specific rate is set each spring by IMRF.

+ The employer portion for TRS-credible earnings may vary due to legislative cost shifts.

As a result of recent actions by the Illinois General Assembly, some TRS earnings are subject to additional employer contributions:

- If an employee working in a licensed capacity is paid by federal funds (e.g. Perkins Grant, Title I), the school district must also contribute an amount equal to the “employer normal cost”.
- If an employee working in a licensed capacity earns an amount in a year (July 1st – June 30th) that is in excess of the salary set for the Governor of the State of Illinois (\$177,412 for 2020-21), the school district must also contribute an amount equal to the “employer normal cost”, for the amount of salary in excess of the amount of the salary set for the Governor (e.g. if an employee earns \$180,000, the employer normal cost additional contribute would be calculated on \$2,588)²⁶.

The Institute for Illinois' Fiscal Sustainability defines the normal cost as, “an actuarially-calculated amount representing that portion of the present value of pension plan benefits and administrative expenses which is allocated to a given valuation year . . . typically refers to the employer’s remaining cost

after employee contributions are taken into account.”²⁷ This amount is calculated by TRS each year. For the 2020-21 fiscal year, it is estimated that this amount will be 10.41%²⁸.

On-Behalf Contributions to TRS

The State of Illinois maintains the primary responsibility for funding TRS. The Illinois Pension Code, as amended by Public Act 88-0593 and subsequent acts, provides that for years 2010 through 2045, the minimum contribution to the System for each fiscal year shall be an amount determined to be sufficient to bring the total assets of the System up to 90 percent of the total actuarial liabilities of the System by the end of fiscal year 2045.

The State of Illinois makes employer pension contributions on behalf of the employer. For the year ended June 30, 2020, state of Illinois contributions recognized by the employer were based on the state’s proportionate share of the collective net pension liability associated with the employer, and the employer recognized revenue and expenditures of \$49,274,479 in pension contributions from the State of Illinois. This amount is represented within the budget as an equal revenue and expenditure line item.

Introduction of Tier III Pension Program for TRS Members

One portion of recent legislation passed by the Illinois General Assembly that has not received a lot of news is the creation of a new Tier III pension benefit. Once implemented, this new benefit will be available to current Tier II members, and new members in SERS, SURS, and TRS. It is important to note that guidance from TRS states that new pension system members will automatically be enrolled into Tier III, unless they opt into Tier II. Members will have a one-time, irrevocable opportunity to switch to Tier II.

What is the Tier III pension benefit?

Tier III is a “hybrid” retirement plan that is composed of two benefits:

- A small life-long defined benefit (DB) pension
 - Employees will contribute an amount no more than 6.2% of their salary (actual amount to be contributed will be determined on an annual basis by TRS based on the normal cost of benefits)
 - Prior to the 2020-21 year, the State will contribute 2% of each employee’s salary to the system, and the Employer will contribute the remaining pension costs (0.58%)
 - Beginning with the 2021-22 year, the Employer will contribute 2.58% of each employee’s salary to the system
- A defined contribution (DC) plan which is similar to a 403(b).
 - Employees will contribute a minimum of 4% of their salary
 - Employers will contribute a minimum of 2% of the employee’s salary, but can contribute up to a maximum of 6%
 - Benefits from positive activity in the stock market, but carries risk
 - The DC plan is portable

Tier III member’s normal retirement age will be aligned with the Social Security eligibility date (as of today, 67 years). The final average salary calculations will be based on the member’s average salary during the last 10 years of service. The initial pension calculation will be the final average salary multiplied by 1.25%. (Note: Tier II pensions are multiplied by 2.2%.) Once retired, members will receive an annual increase of one-half of the previous year’s consumer price index, not compounded.

When will Tier III become available?

Tier III will become available after it receives approval from the Internal Revenue Service. In addition, TRS will need to develop procedures and systems for managing a defined contribution (DC) plan, which it has never managed previously.

The District continues to monitor the implementation progress and availability of the Tier III benefit.

Employee Health Benefits

In an effort to monitor the cost of employee health benefit programs, and to review and consider plan design changes, Glenbrook High School District established a local Cost Containment Committee. The Cost Containment Committee is comprised of members from the Glenbrook Education Association (GEA), Glenbrook Educational Support Staff Association (GESSA), the Glenbrook Educational Support Paraprofessional Association (GESPA) and representatives from non-unionized support groups. The Cost Containment Committee meets several times each year and presents recommendations to the Board of Education for plan design changes on an annual basis.

The amount employees contribute towards health insurance premiums are based on Board Policy (for employees not represented by bargaining units), and the current bargaining agreement for each respective association. During the 2018-19 school year, the District transitioned its plan year to begin on January 1st, and end on December 31st. This provided greater consistency with IRS-driven benefit limits (e.g. flexible spending accounts) and will also provide better continuity for employee benefit awareness and education.

The District has maintained a purchasing cooperative relationship for health-related insurance products and services with other local high school districts through the Secondary School Cooperative Risk Management Program Health Pool (SSCRMP Health Pool). This relationship was formed in June 2006 by Districts 207, 214, and 225. Since that time, participating school districts have achieved monetary savings through volume discounts on health and life insurance products and services for a combined population of employees compared to the population of each individual district.

In September 2019, the Board of Education took action to confirm its membership in the SSCRMP Health Pool through the adoption of new pool bylaws. As the school district was planning to engage in an evaluation of its self-insurance plan during the 2020-21 school year, the Board desired the flexibility to withdrawal from the pool if the evaluation supported such an action. As a result, the final terms of the pool's bylaws provide the ability for any member to withdraw from the pool by providing six months' notice prior to the end of any pool year through the passage of a resolution by my member's Board of Education.

After evaluating the findings of the evaluation of the school district's self-insurance plan, it was determined that membership in the SSCRMP Health Pool is no longer financially or logistically appropriate. As a result, the Board took action on May 18, 2020 to formally withdraw from the SSCRMP Health Pool at the conclusion of the 2020 plan year (December 31, 2020).

Purchased Services

The Illinois Program Accounting Manual (IPAM) defines purchased services as amounts paid for professional services rendered by personnel who are not on the district's payroll, and other services the district may purchase. While a product may or may not result from the transaction, the primary reason for the purchase is the service provided in order to obtain the desired results.

Such services include expenditures for professional and technical services, such as consultants, legal services, and other service contracts (e.g. Beck's Bookstore; First Student; Xerox professional services).

Supplies and Materials

The Illinois Program Accounting Manual (IPAM) defines supplies and materials as amounts paid for material items of an expenditure nature that are consumed, worn out, or deteriorated in use; or items that lose their identity through fabrication or incorporation into different or more complex units or substances.

Such supplies materials include expenditures for all instructional and operational purposes. Included in this category are utilities, consumable supplies, electronic resources, and instructional or testing materials.

Capital Outlay

Depending on the value of an individual asset, a purchase may need to be recorded and charged to a capital outlay expenditure account. Purchases charged to a capital outlay account are considered capital assets of the Districts and are included on the District's annual financial statements. Each capital asset is assigned to an appropriate depreciation schedule as defined by 23 Illinois Administrative Code 100.60, and its value depreciated on an annual basis as appropriate.

The Board of Education updated its capitalization threshold through Board action on June 26, 2017. The current threshold defines capital assets as those assets with:

- An individual cost of more than \$5,000, and
- An estimated useful life of at least 5 years,
- Unless otherwise required by State or Federal guidelines.

Purchases that are most likely to be charged to a capital outlay account include: building improvements, site improvements, architect services, construction management, capitalized equipment, and vehicles.

Dues, Fees, and Other

Includes expenditures for dues/fees and other miscellaneous expenditures not otherwise classified as salaries, benefits, purchased services, supplies and materials, capital outlay, and non-capital outlay.

Tuition

Represents the district's payments to outside agencies for special education tuition. Outside agencies can include public schools as well as private day and/or residential facilities.

Other Uses - Transfers

From time to time, the District will need to transfer funds from one fund to another. A transfer will typically take place when one fund does not have sufficient combined revenue and fund balance to meet its current year expenditures. A transfer may be temporary, in the form of a loan from one fund to another, or permanent.

Contingency

A contingency is defined as an existing condition, situation, or set of circumstances involving uncertainty as to possible gain or loss that will ultimately be resolved when one or more future events occur or fail to occur. Resolution of the uncertainty may confirm the acquisition of an asset or the reduction of a liability or the loss or impairment of an asset or the incurrence of a liability.

In consultation with the Finance Committee, the contingency budget has been slowly phased-out over the past four years. For 2020-21, no contingency budget has been allocated. Should an unbudgeted expense be incurred, it will be absorbed into the current budget and/or be addressed with the Board of Education through a possible use of fund balance (e.g. Allstate settlement).

Non-Capitalized Outlay

Expenditures for items that would otherwise be classified as capital assets except that they cost less than the capitalization threshold.

Post-Retirement Benefits

Expenditures related to terminated or retiring employees including compensation for unused sick or vacation days and post-employment insurance benefits.

Financial Forecast Model

During the fall of 2017, the Business Services team partnered with Forecast5 Analytics to implement a financial forecast tool, 5Cast. This tool has been widely adopted by school districts and other municipal organizations throughout our region. A primary reason for the high adoption rate is the solution’s overall toolset, comprehensive reporting suite, and ability to develop multiple ‘what-if’ scenarios to predict the impact of different local, state, and federal conditions. As part of Forecast5’s commitment to projection integrity, their product 5Cast references several data sources to develop a projection, including:

- Audited, historical budget performance and fund balances from the Annual Financial Report;
- Current year budget as stated on the ISBE Budget Form;
- Current and future year tax extension as stated on the Cook County Levy Report;
- General ledger data including budgeted and actual account activity;
- Calculated revenue and salary/benefit expenditures based on District-defined values entered into 5Cast’s calculators; and
- Revenue and expenditures projections based on District-defined values.

In an effort to develop a working 5Cast projection model for review by the Board, we utilized a set of assumptions. These assumptions are similar to those which have been historically utilized by the District, with some modifications due to actual budget performance, and trend analysis. The assumptions utilized are outlined below.

Revenue Assumptions

The following assumptions were utilized for the 5-year financial forecast presented:

5-Year Financial Forecast

5-Year Financial Forecast

This 5-Year financial forecast was prepared for review by the Finance Committee and the Board of Education in June 2020.

It should be noted that final expenditures for the 2019-20 fiscal year and the tentative budget for 2020-21 has not been fully incorporated in the forecast presented below. The District's 5-year financial forecast will be updated after the audit has been finalized for the fiscal year ended June 30, 2020, and any closing entries have been recorded for the prior fiscal year.

RE: Revised 2020-2021 School Year Calendar for Review
DATE: July 27, 2020

Recommendation

It is recommended that the Board of Education adopt the attached revised school calendar for 2020-2021.

Background

Illinois Governor Pritzker recently signed SB 1863, which establishes November 3, 2020, as a state holiday known as General Election day. According to the Illinois State Board of Education, since the day is deemed a state holiday, all schools must be closed. ISBE made it clear school districts will not be allowed to waiver out of the holiday nor hold teacher institute days. Therefore, we will need to adjust our calendar accordingly; November 3, 2020, is now designated as a holiday. Monday, March 29, 2021, previously designated as an emergency day will now be a student attendance day.
