RE: Discussion/Action: Award of Bid – GBS Library Furniture

Recommendation

It is recommended that the Board of Education approve a bid in the amount of \$22,000 for library furniture to KI.

Background

The move to the block and the increase in the overall student enrollment at GBS has increased the demand for private study carrels. Bookshelves will be consolidated and relocated to allow for 15 additional study carrels. The carrels will match the existing carrels that were installed several years ago.

Bid Results

KI	\$22,000
School Specialty	\$31,200
SBD Commercial Interiors	\$34,970
Estimate	\$30,000
