Re: GBS Debate Calendar 2008-09

Date: August 14, 2008

Attached is the proposed 2008-09 travel calendar for the Glenbrook South Debate Society for approval. The calendar reflects a typical travel schedule for the GBS Debate program from the past several years.

Glenbrook South Debate has stayed within the School Board parameters of nine National Invitational (NI) tournaments and three National Final (NF) tournaments. As was the case last year, Glenbrook South has slightly increased the number of local tournaments that are designated as Regional Contests. This is being done to accommodate the increasing number of students within the debate program (this year over ninety students are involved) and to meet the needs of our Congressional Debaters whose tournaments are often not run concurrently with those involving Policy/Public Forum Debate. The addition of a few more local tournaments allows many more students to participate. The GBS Debate program will strictly adhere to the Board's travel funding policy and will continue to stay within its budget.
