Re: Differential Responsibilities

Date: August 21, 2012

Each year at the August Board of Education meeting, a recommendation for differential is given to the Board for approval. At this time, I have received information for Athletics from each building for the 2012-13 school year.

At the September 10 Board of Education meeting I will bring forward the remaining activity differential information for the Board to review.

Comparison:

I have supplied the dollar totals for both schools in the areas of Athletics for 2011-12 as well as the totals for the 2012-13 school year for the Board to review.

2011-12

GBN Athletics \$929,917

GBS Athletics \$987,395

11-12 Total (Athletics Only) \$1,917,312

2012-13

GBN Athletics \$922,161

GBS Athletics \$991,952

12-13 Total (Athletics Only) \$1,914,113

Summary:

It is clear that in comparing costs for athletics from 11-12 to 12-13 no significant increases exist. As well, the differential schedules reflect a 2.25% increase per contractual agreement with the GEA for the 2012-13 school year. The administration continues to work with the GEA and the Board to keep differential costs at the average or below our benchmark districts. The challenge is to keep costs contained as well as to provide an appropriate stipend for these extra duty positions.

I recommend that the Board approve the differential responsibility list as presented.
