Chicago Voxitatis qualifies for a fee waiver as news media in that the organization operates as a news service, disseminating information to the public regarding public and private schools via a Web site, published continuously since 2003. A news media is "a newspaper or other periodical issued at regular intervals, a news service, ..., or a person or corporation engaged in making newsreels or other motion picture news for public showing." See 5 ILCS 140/2(f). In addition, this request is for information only. I do not believe it will require the copying of any documents. The purpose of this request is to access and disseminate information on the welfare of the public with regard to fine arts education and support.

In the interest of saving money on postage, please feel free to scan in the completed form and email it to alicia@schoolsnapshots.org. I will return an email message to acknowledge receipt. If you deny my request in whole or part, please justify all deletions by reference to specific exemptions of the act.
