Dear Mr. Danna,

I am responding to the request for information received Wednesday, June 29, 2011, pursuant to the Illinois Freedom of Information Act requesting:

“ ...information from your district for five school years: 2007-08, 2008-09, 2009-10, 2010-11, 2011-12. (I assume that 2011-12 fees have been approved, but if not, please list the proposed fees for 2011-12.) **Currently, no document is available listing GBS course fees for 2011-12. This information is included for district-wide fees (that apply to both schools) and for GBN course fees.**

Please provide the following information for each of the school years requested. Please note if the fee is for a semester or the full academic year, and please note if a fee is optional or required.

- General or registration fee, by grade
Response: **No general registration fees are collected.**
- Textbook rental fee (if separate from general registration). Please make note if students purchase their own textbooks rather than pay a flat book rental fee.
Response: Students purchase their own textbooks.
- Driver Education fee –
Response: Please see attached.
- Technology fee
Response: **No general technology fee is collected.**
- Student parking fee
Response: Please see attached.
- Bus transportation fee
Response: Please see attached.
- Course fees in addition to textbooks rental fees or textbook purchases (please list each course, followed by the fee.)
Response: Please see attached.
- Sports participation fee, if there is one fee for participation in all sports
Response: **No sports participation fee is charged.**
- Fees for individual sports (please list each sport and the fee).
Response: **No fee is charged for individual sports.**

- Club/Activity fees (please list each club/activity and the fee).
Response: Club/Activity fees are not charged; however, there is an optional “activity pass” that provides student entry to school hosted sporting events and other school events at an overall savings rather than paying at the entry point for each individual event. This does not apply to IHSA play-off competitions hosted by our schools.
- Music/instrument rental fees
Response: Please see attached.
- Any other REQUIRED fees, including fees for testing, ID cards or other required fees, for students in any or all grades.
Response: Please see attached.

Please list any new fees added for 2011-12 that may not be included in the above list.
Response: [No new fees were added for 2011-12.](#)

If you have further questions, do not hesitate to contact me. Please “reply all” to this e-mail to confirm that you have received the information requested. I have copied my executive assistant, Elaine Geallis, as she helps track completed FOIA requests.
