RE: **DISCUSSION/ACTION: GBN TRUCK BID**

RECOMMENDATION

1. It is recommended that the Board of Education reject the following bids for a Glenbrook North pick-up truck. Glenbrook North originally bid a ¾ ton pick –up truck to be used for snow plowing and other grounds work. Since the price of a 1 ton pick-up truck, the same truck being bid for Glenbrook South, is now estimated to be very close in price to a ¾ ton truck, it is recommended that GBN purchase a 1 ton truck instead of the ¾ ton truck originally bid.

BID RESULTS – GBN TRUCK

Bredemann Ford	\$21,741
Badger Truck	\$21,801
Freeway Ford Sterling	\$22,198
Bill Stasek Chevrolet	\$22,398
NW Ford Truck Center	\$22,542

Estimate \$35,000 (note the estimate includes the snow plow)

2. Bids are being opened on Monday May 2, 2011 at 10am for a 1 ton pick-up truck. These results will be shared at the May 2, 2011 board meeting. It is estimated that the 1 ton truck will be within \$2K of the price of the ¾ ton truck.
