Re: Requested Addition in GBN Debate Calendar

The Glenbrook North Debate Team would like to submit a request to the Board of Education to make an addition in our 2009-2010 travel calendar.

We ask that we may add the Northwestern Clarion Dewitt Hardy Round Robin held November 24th-25th. The competition at the Northwestern Round Robin will be very strong since participation at this contest is possible by invitation only; an invitation GBN debate received based on its success since the start of the year. Only a select group of seven teams from across the entire nation have been invited to participate in this Round Robin.

In the past, the Board has supported District 225 participation in this contest. Glenbrook North and South used to co-host this Round Robin as part of the Glenbrooks Debate Tournament. Since Glenbrook North and Glenbrook South always both competed in this event in the past and in support of this being Northwestern's inaugural year of hosting, it would only be appropriate to restart the tradition of the Round Robin with both its old hosts' participation.

This addition still keeps GBN Debate within the parameters of Board policies in regards to number of National Invitationals and Regional Contests. The entire cost of attending this competition totals only \$100.
