Attached is a travel request from Greg Wojcik and Mark Toliuis regarding their Band Trip to Hawaii. This trip will occur from March 25, 2012 to April 1, 2012 over spring break. Students will miss no school for this tour and they have an exciting venue planned for their playing and touring in Hawaii.

As defined by Board Policy 7050 (attached), this is an educational tour, which is conducted by the district, but not financed by the district.

I support this valuable experience. Please let me know if you need anything further.

Dear Dr. Shellard,

The Glenbrook South High School Jazz Ensembles, Symphonic Bands and the Marching Band are considering a trip to Honolulu, Hawaii from March 25, 2012 until April 1, 2012. The groups are proposing to travel on a Monday and return on a Sunday. We have arrangements to alter these dates, if a school conflict ensues. Glenview will always be a military base town. The main purpose of this trip is to honor our veterans on the 70th Anniversary of the Pearl Harbor Memorial. As well as performing at the Memorial, we are hoping to perform and be critiqued by the Marine Corps Military Band. We will also perform at the University of Hawaii. This trip will expose our students to the culture and music of the Hawaiian Islands. Everyone in each group will perform several times at different venues and clinics. The whole proposal is very exciting, but all students should be particularly interested in the Royal Hawaiian Band and our time exploring the island. This is a great opportunity for our students.

We are not requesting any students to miss any attendance days in the 2011 – 2012 school calendars.

The costs of the trip will \$2050.00 to \$2150.00 per student. The transportation, housing, most meals and all gratuities are included. Attached is a detailed description of the trip.

Thank you for your consideration,

WEDNESDAY, MARCH 28

- 7:30 AM Enjoy a buffet breakfast at hotel
- 8:30 AM Today's itinerary will include a **North Shore Tour**
*Where surfing daredevils gather from around the world to compete riding the monster waves that are often taller than most buildings. Depending on the season, we may be able to catch a few surfers in action. **Sunset Beach** is the local favorite and is legendary for it's 20 foot waves. The North Shore is also the home of the famous **Banzai Pipeline**. "Banzai" is used as a toast or a battlecry meaning "go for it". In the 1950's, a surfer yelled, "Banzai" as he rode a massive wave and name stuck. When the ocean hits the shallow coral shelf offshore, a wave forms that is so steep that it rolls and makes a nearly perfect tube or pipeline. It is the holy grail of surf challenges.*

Note: Swimming (10:30am – 12:30pm) subject to surf conditions.

BOARD POLICY: EDUCATIONAL TRAVEL EXPERIENCES

7050

Page 1 of 2 pages

Section A - Introduction

The Board of Education of District #225 believes that educational travel experiences can provide significant educational experiences for Glenbrook students. However, it is the policy of the Board of Education that such travel experiences should not be scheduled to conflict with normal student attendance days. Under extraordinary circumstances, the Board may approve exceptions to this policy.

Section B - Educational Tours: Travel Conducted, but Not Financed, by the District

1. The Board of Education is authorized by Illinois statute to conduct educational tours as a supplement to particular courses of instruction, within or without the district, the State of Illinois, or the United States.
2. Recommendation of the principal and approval of the superintendent shall be required for all educational tours. Recommendation of the principal and the superintendent and approval of the Board of Education shall be required for educational tours conducted outside the State of Illinois or adjacent states, and for educational tours that require students to be absent from school for one day or more.
3. No student or employee may participate in an educational tour unless he has accident and health insurance coverage protecting against bodily injury or death and, if he is an employee, disability while participating in the tour. Cost of said insurance shall be assumed by the organization financing the tour. Validation of satisfactory insurance coverage shall be made in writing to the assistant superintendent of business affairs.
4. The Board of Education is not authorized to use school funds for any expenditures incurred on such a tour for meals, lodging, or transportation costs. However, the Board may authorize the payment of salaries of necessary personnel while on tour if the personnel are performing in the ordinary course of their employment.
5. All school rules and regulations regarding student conduct shall apply for students participating in educational tours.

Section C - Educational Travel : Travel Not Sponsored, Supported, or Conducted by the District

1. The Board of Education authorizes the superintendent to approve requests submitted by a school employee or a private agency and which have been recommended for approval by the principal, to use school facilities to inform students of educational travel programs within any of the fifty United States or any foreign country which, in the discretion of the principal and the superintendent, have educational significance for the district's students. Such use may be granted only with the clear understanding that the program is not sponsored or supported by the Board of Education and that the Board of Education assumes no legal responsibility or financial liability related to the program. Further, all materials used by the sponsoring agency in publicizing the program must contain a statement to this effect which has been approved by the superintendent. These same materials must also carry the identification of the sponsoring agency.
2. No student or employee may participate in educational travel unless he has accident and health insurance coverage protecting against bodily injury or death and, if an employee, disability while participating in the educational travel. Cost of said insurance shall be assumed by the employee or private agency financing the educational travel. Validation of satisfactory insurance coverage shall be made in writing to the assistant superintendent of business affairs.

Section D - Use of Equipment, Materials, or Supplies to Promote Educational Travel

Glenbrook equipment, materials or supplies, including stationery, shall be used for school-sponsored activities only, and shall not be used for any educational travel which is not school sponsored.

Section E - Student Trips Exclusion

Student trips are not included within the provisions of this policy.
