Date: December 11, 2014

Attached is a travel request for the GBS Girl's Varsity Softball Team, coached by Kay Sopocy, to accomplish team building and play in six games at Cocoa Beach, Florida over spring break. The team will also spend a day at Universal Studios. This is an Educational Tour as defined by Board Policy 7050, has been supported in the past and has been a positive experience for our softball team.

Students will leave on Saturday, March 28th and will return on Wednesday, April 1st over spring break.

I support this tour and believe it will be a valuable experience for our girls.

Please let me know if you need any additional information.

7050

Page 1 of 2 pages

Section A - Introduction

The Board of Education of District #225 believes that educational travel experiences can provide significant educational experiences for Glenbrook students. However, it is the policy of the Board of Education that such travel experiences should not be scheduled to conflict with normal student attendance days. Under extraordinary circumstances, the Board may approve exceptions to this policy.

Section B - Educational Tours: Travel Conducted, but Not Financed, by the District

1. The Board of Education is authorized by Illinois statute to conduct educational tours as a supplement to particular courses of instruction, within or without the district, the State of Illinois, or the United States.
2. Recommendation of the principal and approval of the superintendent shall be required for all educational tours. Recommendation of the principal and the superintendent and approval of the Board of Education shall be required for educational tours conducted outside the State of Illinois or adjacent states, and for educational tours that require students to be absent from school for one day or more.
3. No student or employee may participate in an educational tour unless he has accident and health insurance coverage protecting against bodily injury or death and, if he is an employee, disability while participating in the tour. Cost of said insurance shall be assumed by the organization financing the tour. Validation of satisfactory insurance coverage shall be made in writing to the assistant superintendent of business affairs.
4. The Board of Education is not authorized to use school funds for any expenditures incurred on such a tour for meals, lodging, or transportation costs. However, the Board may authorize the payment of salaries of necessary personnel while on tour if the personnel are performing in the ordinary course of their employment.
5. All school rules and regulations regarding student conduct shall apply for students participating in educational tours.

Section C - Educational Travel : Travel Not Sponsored, Supported, or Conducted by the District

1. The Board of Education authorizes the superintendent to approve requests submitted by a school employee or a private agency and which have been recommended for approval by the principal, to use school facilities to inform students of educational travel programs within any of the fifty United States or any foreign country which, in the discretion of the principal and the superintendent, have educational significance for the district's students. Such use may be granted only with the clear understanding that the program is not sponsored or supported by the Board of Education and that the Board of Education assumes no legal responsibility or financial liability related to the program. Further, all materials used by the sponsoring agency in publicizing the program must contain a statement to this effect which has been approved by the superintendent. These same materials must also carry the identification of the sponsoring agency.

2. No student or employee may participate in educational travel unless he has accident and health insurance coverage protecting against bodily injury or death and, if an employee, disability while participating in the educational travel. Cost of said insurance shall be assumed by the employee or private agency financing the educational travel. Validation of satisfactory insurance coverage shall be made in writing to the assistant superintendent of business affairs.

Section D - Use of Equipment, Materials, or Supplies to Promote Educational Travel

Glenbrook equipment, materials or supplies, including stationery, shall be used for school-sponsored activities only, and shall not be used for any educational travel which is not school sponsored.
