Re: Study Abroad Program in Seville, Spain  
Date: October 10, 2013

**Study Abroad Proposal:** The proposed opportunity will provide Glenbrook South students a two-week linguistic and cultural experience in Spain. The language school, Centro MundoLengua, is located in the city of Seville and offers the only Pre-AP study abroad program that is approved by the College Board. In addition to hosting GBS students in the past, Centro MundoLengua has ongoing partnerships with other schools in the area such as Loyola Academy and Barrington High School. This educational trip would take place from June 21 –July 5, 2014.

Student participants will be fully immersed in the language and culture through the following experiences:

- 14 days of living with a local Spanish family (with 1-2 other Glenbrook students)
- 10 days of carefully designed instruction in the Spanish language and culture with teachers from Spain; curriculum has been developed to meet the needs and interests of pre-AP students and is supervised by College Board consultants
- 2 excursions to the towns of Huelva and Cádiz in Spain, and Tavira in Portugal

**Rationale:** There are over 1,000 students who study Spanish language and cultures at Glenbrook South every year, but only a fraction of these have the opportunity to participate in such an enriching cultural and linguistic experience. The GBS Spanish Exchange program can only accept 30 students every other year, which leads to the denial of numerous qualified applications. This proposed study abroad experience shares many goals of the exchange, such as providing students a real-life opportunity to immerse themselves in the language and culture, but also meets the needs of students wanting an experience with planned learning activities to accelerate their skills linguistically and culturally at an even deeper level. In order to be eligible for participation in this program, students must be enrolled in one or both of the AP Spanish courses in the 2014-2015 school year.

**Logistics:** The following are logistical details regarding the proposed experience:

- Students would not miss any school days; travel will take place from June 21- July 5, 2014.
- Centro MundoLengua is the school in Spain that coordinates most aspects of the program (arrival/departure; classes; cultural excursions; homestay provisions, etc.)
- The approximate cost will be \$4,000.00 per student; this cost covers over 30 hours of classroom instruction, international airfare, train tickets, museum and site entrance fees, housing and all meals throughout the trip.
- As per Board Policy 7050, all students who participate will have accident and health insurance coverage. Coverage is provided by Centro MundoLengua.

**Board Approval:** I am seeking board approval for a variety of reasons. This is an educational tour conducted, but not financed by the district. The Pre-AP study abroad program has direct relevancy to the world language curriculum at Glenbrook South, and participation will build on students' cultural knowledge of the Spanish-speaking world while increasing their confidence and ability to successfully communicate in that world. Please reference the attached itinerary for details regarding classes, excursions, evening activities, and more.

CENTRO MUNDOLENGUA

### Centro MundoLengua

MundoLengua organizes language and culture immersion programs for high schools, universities, and groups of professors. These programs consist of Spanish language and culture classes combined with an integrated program of cultural/social/sports activities, Spanish family home stays or hotel stays, and educational travel opportunities.

### Program Partnership

MundoLengua has partnered with several College Board (CB) consultants for the organization of this course, making it unique in Spain and guaranteeing that students benefit from professors who have been trained in the specifics of both the AP exam and course. **In fact, Centro MundoLengua is the only program partnered with the CB in all of Spain.** These same CB consultants come to Seville during the summer to help with the supervision of our program. Students can expect to attain a definite advantage relative to their peers who have not completed this preparatory course. This will mark our ninth year with the AP program (2014).

### AP Spanish Language Prep

This course is designed to prepare prospective students to excel in the AP Spanish Language course as well as on the examination. Students will explore the 6 themes that are a part of the new 2013 AP exam via group discussions, oral presentations, guest speakers and interaction with other teens. Cultural components and authentic materials will be at the center of language instruction in order to mirror the new AP Spanish Language and Culture course. Spanish is used exclusively in class, as well as with the host families to maximize the student's proficiency and experience.

### AP Spanish Literature Prep

This course is designed to give high school students advanced preparation for university level Spanish literature courses. It is especially designed to meet the needs of students interested in taking the AP Spanish Literature course, as the program will cover several of the required readings on the AP list. The primary focus is on learning the basic techniques of literary analysis, as well as specific vocabulary. These newly acquired tools are then put to use by experiencing some of the greatest works of Spanish literature in their original settings. Students will work to improve their literary vocabulary and analytical composition skills, as well as gaining a deep appreciation for the unique cultural value of literary works of art in their proper context.

### Spanish Language and Culture (Intermediate level)

This course is being offered for students who are one level below the AP prep students. The course is designed to help students excel in more advanced levels of Spanish Language at their home schools, focusing on the integration of skill sets through a highly communicative approach.

### Dates/Cost

Arrival date into Seville, Spain	Sunday, June 22, 2014 (leave USA June 21)
Departure date from Seville, Spain	Saturday, July 5, 2014
Cost per student	\$2200 (does not include the flight to Spain)

*Airline Ticket @ \$1800.00 per person*

### Classes

The program includes 30 hours of classes. All materials are included in the course and students will receive a certificate from MundoLengua upon completion of the course.

**Seville**

Seville, with its 700,000 residents, is the capital city of southern Spain and the fourth largest city in the country. Enjoying culture from the Romans, Visigoths, Muslims, Jews, and Christians throughout the ages, Seville has become one of the world's richest cities in history and tradition. The city offers itself as one of Spain's most representative and impressive cities where the combination of a year-round Mediterranean climate, endless cultural and social opportunities, and friendly locals make it the ideal location to immerse oneself in both the Spanish language and culture.

**Activities**

Students will enjoy an on-site orientation session, visits to the most important monuments and neighbourhoods of Seville (Cathedral, Barrio Santa Cruz Jewish quarter, Royal Palace, etc.), a flamenco or salsa dance lesson, attendance of a professional flamenco performance, and farewell dinner in a restaurant.

**Excursions**

The program includes a 1-day excursion to visit the Christopher Columbus museum and ships in Huelva, combined with a visit to the coastal village of Tavira (Portugal). The program also includes a 1-day visit to the coastal city of Cadiz. Transport will be included in private bus and all entrances included. All excursions will be led by MundoLengua history professors.

**Housing**

Students and the accompanying teachers will have housing with carefully selected Spanish families. This will be our ninth year with the program and we are fortunate to have a very select group of families that share their homes each summer. All of our homes are personally visited by our housing director. She also interviews each family member and keeps a written record on each family with past student comments. Students have all of their meals included with the family, as well as weekly laundry service. All of our families are within walking distance of our school.

**Cost**

The above quoted price is all-inclusive, except for the flight into Seville and personal spending money. The price also includes full health insurance for all participants, round-trip transport from the airport in Seville, 24-hour emergency telephone assistance, and supervision. Teachers who travel with groups of 10 or more students receive an \$800 travel stipend and the CB workshop for teachers free of charge.

**Payment**

An initial deposit of \$300 is due with the completed application. Final payment is due 6 weeks prior to starting the program. Payment can be made by personal check made out to Centro MundoLengua and sent to:

MundoLengua  
Atn. David Hirsch  
Aire 5, bajo  
41004 Seville, Spain

**Application Process**

A complete on-line application will be available at a later date. The program is offered on a space available basis, and participants are highly encouraged to submit their materials as soon as possible.
