Re: Students and Staff Who Excel

Date: January 19, 2011

At the meeting on January 24, 2011, we will recognize GBN teacher and debate coach Michael Greenstein for this recent award and published article during our Students and Staff Who Excel segment.

Greenstein was awarded the Jerry W. Mathis Award from the Illinois Speech and Theatre Association. This honor is bestowed upon a current Illinois teacher who has taught for five or less years in the field of communications/theatre and has demonstrated outstanding potential for success in the discipline.

Greenstein also recently co-authored an article in the National Forensic League publication *Rostrum* called "Setting up paperless debate." In this article, he shares tips regarding his recent experience in moving the GBN debate program into a paperless format, a project made possible thanks to a generous donation by the Glenbrook High School Foundation.
