Re: Students and Staff Who Excel

Date: September 21, 2009

The Association of School Business Officials International has awarded Glenbrook High School District 225 the Certificate of Excellence in Financial Reporting for excellence in the preparation and issuance of the Comprehensive Annual Financial Report (CAFR) for fiscal year ended June 30, 2008. The Certificate of Excellence in Financial Reporting Program enables school business officials to achieve a high standard of financial reporting. A CAFR validates the credibility of the school system's operations and measures the integrity and technical competence of the business staff. Twenty-five to thirty districts statewide earned this recognition. Hillarie Siena, assistant superintendent for business affairs, prepared the report and will be recognized at the meeting.
