Re: Students and Staff Who Excel

Date: September 16, 2014

At the Board meeting on Monday, September 29, we will recognize four Family Career and Community Leaders of America (FCCLA) national qualifiers from Glenbrook North.

We plan to recognize four current students who earned noteworthy honors at the national competition: Ben Zhao earned Gold for recycling and redesign; Zainab Ahmed earned Silver for life event planning; and Michael Bubaris and Samantha Heyman earned Silver as a team in food innovations. While a total of 17 students attended the national competition this summer, 13 of them were graduating seniors.

FCCLA is a national student organization that helps young men and women become leaders and address important personal, family, work, and societal issues through Family and Consumer Sciences Education.

Advisors Kathleen Mitchem and Kim Petty were invited to attend the recognition.
