RE: TEXTBOOK CHANGES FOR THE 2010-2011 SCHOOL YEAR

DATE: April 18, 2011

Attached you will find the textbook change summary report. The detailed textbook change report was brought forward at the April 11, 2011 Board meeting and is available on line at <http://il.glenbrook.schoolboard.net/board> . Copies of the proposed textbooks have been available at the district office for public review since Monday, April 11, 2011 through Monday's meeting on April 25, 2011.

The requests have been reviewed by the teachers involved, the instructional supervisors and the associate principals. The requests are recommended for approval.

While this compilation reflects the majority of textbook changes, we may bring to the Board a limited number of texts in mid-summer, which reflect instructional decisions made during summer curriculum projects.

I recommend that the attached list be presented to the Board of Education for the Board's approval at its meeting of April 25, 2011
